Virus Sarah Langan 2007 Something lurking in the woods threatens to destroy an entire town in Sarah Langan's brilliantly crafted second novel.
Lois Larkin should never have taken her class to the woods for the field trip. Preoccupied by the betrayal of her fiancé she never even notices when little James Walker doesn't get back on the bus and suddenly the quiet, prosperous town of Corpus Christi is plunged into tragedy and united in shock.

*The Lighthouse Keeper's Picnic* Ronda Armitage 2014-05-01 Once there was a lighthouse keeper called Mr. Grinling. At night time he lived in a small white cottage perched high on the cliffs, and in the daytime he rowed out to his lighthouse to clean and polish the light. Mr Grinling loves to eat, and Mrs Grinling is the best cook in the whole world. She puts on a truly scrumptious spread for the village picnic, but later Mr Grinling wishes he hadn't eaten quite so much... The first Lighthouse Keeper story, THE LIGHTHOUSE KEEPER'S LUNCH, published over thirty years ago. It is now a modern picture book classic, and his adventures have been loved by children ever since.

*The Human Element* Dik Gregory 2010-04-29 Based on a wide range of consultations with maritime organisations, the guide was produced by organisational psychologists gs partnership ltd, for consortium partners UK Maritime and Coastguard Agency, BP Shipping, Teekay Marine Services, and the Standard P&I Club. Aimed at everyone in the shipping industry, the Guide explains the fundamental aspects of human behaviour, which together constitute what the commercial maritime sector calls 'the human element'. It makes clear that the human element is neither peripheral nor optional in the pursuit of a profitable and safe shipping industry. The Guide clearly shows that managing the human element must take place simultaneously at all levels of the industry. Analysis of continuing shipping disasters has increasingly implicated the human element. The loss of life, the impact on company profits and credibility, and the vast environmental damage that can result from the loss of even a single vessel remain clear. The
Guide offers insight, explanation and advice to help manage the human element more effectively, more safely and more profitably. **The Art of Science** Barbara Hume 1989 "The Art of Science" presents an invaluable collection of effective and simple activities together with associated creative ideas to introduce and reinforce the teaching of science to infants and lower juniors. **The Lighthouse Keeper** Alan Baker 2012 A TERRIFYING MYSTERY OF THE SEA... In December 1900, three lighthouse keepers vanished without trace from the remote Scottish island of Eilean Mor. An emergency relief crew
was sent to man the lighthouse. At the end of their month-long duty, they resigned from their posts and never spoke of what they had experienced on the island. The mystery of Eilean Mor has never been solved. Until now. In the present, a group of environmental researchers arrives on the island to observe the wildlife. While exploring the lighthouse, now automated and deserted, one of the team discovers a manuscript written by one of the relief keepers, a man named Alec Dalemore. As a sudden storm moves in, cutting off their escape, the researchers come to realise that Dalemore wrote the manuscript as a warning to all the lighthouse keepers who would come after him. A warning of something on Eilean Mor and in the surrounding ocean - something ancient and powerful, and strange beyond imagining...

Gene Roddenberry's Andromeda: Waystation
Steven E. McDonald 2007-04-01 The Andromeda Ascendant is the last surviving ship of the long-dead Systems Commonwealth interstellar empire. It's captain, Dylan Hunt, with the crew of the Eureka Maru, has been trying to contact outlying planets who might rejoin the revived Commonwealth. But one such planet responds to the Andromeda's friendly advances with an all-out attack that cripples the Andromeda. Fleeing on the limited power that the ship can muster, Hunt, Beka Valentine and the rest of the crew seek a resupply depot, but none is near enough for them to reach before repairs, except for an abandoned station, uninhabited since the collapse of the empire. When Hunt, systems analyst Seamus Harper, and Andromeda's AI Rommie get into the station, they find it's not quite uninhabited. Strange presences assail them. Something very dark, evil, and entirely unknown. And while they try to get what they need without being killed by whatever is lurking on the station, something is attacking the Andromeda itself. There's plenty of action and suspense before this routine resupply mission can be finished . . . if it can be finished. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Unicorns Don't Love Rainbows Emma Adams 2022 If you think that all unicorns love rainbows then think again, because this unicorn most certainly doesn't! The Lighthouse Keeper's Catastrophe Ronda Armitage 2014-09-04 Once there was a lighthouse keeper called Mr. Grinling. At night time he lived in a small white cottage perched high on the cliffs, and in the daytime he rowed out to his lighthouse to clean and polish the
light. When Mr Grinling locks himself out of the lighthouse, he tries everything to get back inside! Available for the first time as an e-book. **Project: Happily Ever After** Alisa Bowman 2010-12-28 What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman... So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a “divorce daydreamer” to renewing her wedding vows—and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a “10-Step Marital Improvement Guide.” Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

**Man and His Symbols** Carl Gustav Jung 1964 Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level.

Desire After Dark (Gansett Island Series, Book 15) Marie Force 2016-05-23 A dozen days—and nights—to explore all the possibilities... Tobias “Slim” Jackson has the perfect life as a pilot on Gansett Island in the summer and in Florida in the winter. He’s happiest when he’s in the air, or at least that was the case before last summer when he met Erin Barton, Gansett Island’s newest lighthouse keeper. Now he can’t seem to find his usual enthusiasm for flying, winter in the sunny South or anything that doesn’t include her. Erin has been stuck on pause since she lost her twin brother. She’ll tell you herself that her life has been a hot mess since Toby died. After dropping out of law school, she’s flitted from one pointless job to another, existing rather than truly living. Then she comes to Gansett Island to take over as the new lighthouse keeper and meets Slim, who happens to share her beloved brother’s first name. That small coincidence is enough to convince Erin that she needs to spend more time with the dashing pilot—except for the fact that he’s spending the winter more than a thousand miles from her. Now Slim’s come home to Gansett for the holidays and to hopefully pick up where he left off with Erin. He’s got twelve days before he’s due back in Florida to finish out the remainder of his winter obligations. A lot can happen in twelve days, but will it be enough to convince Erin that it’s time to start truly living again? Read Slim and Erin’s story and catch up with the rest of the Gansett Island cast in Desire After Dark! The Gansett Island Series Book 1: Maid for Love (Mac & Maddie) Book 2: Fool for Love (Joe & Janey) Book 3: Ready for Love (Luke & Sydney) Book 4: Falling for Love (Grant & Stephanie) Book 5: Hoping for Love (Evan & Grace) Book 6: Season for Love (Owen & Laura) Book 7: Longing for Love (Blaine & Tiffany) Book 8: Waiting for Love (Adam & Abby) Book 9: Time for Love (Daisy & David) Book 10: Meant for Love (Jenny & Alex) Book 10.5: Chance for Love, A Gansett Island Novella (Jared & Lizzie) Book 11: Gansett After Dark (Owen & Laura) Book 12:

Adventures of Sherlock Holmes Arthur Conan Doyle 1892

The Waves Virginia Woolf 2012-04-05 WITH INTRODUCTIONS BY JEANETTE WINTERTON AND GILLIAN BEER The Waves is an astonishingly beautiful and poetic novel. It begins with six children playing in a garden by the sea and follows their lives as they grow up and experience friendship, love and grief at the death of their beloved friend Percival. Regarded by many as her greatest work, The Waves is also seen as Virginia Woolf’s response to the loss of her brother Thoby, who died when he was twenty-six. The Vintage Classics Virginia Woolf series has been curated by Jeanette Winterson, and the texts used are based on the original Hogarth Press editions published by Leonard and Virginia Woolf.

Aircraft and Submarines: The Story of the Invention, Development, and Present-Day Uses of War's Newest Weapons Willis John Abbot 1918

This warmly funny picture book about friendship and kindness is perfect for all children.

Learning to Industrialize Kenichi Ohno 2014-04-03 This book proposes a new, pragmatic way of approaching economic development which features policy learning based on a comparison of international best policy practices. While the important role of government in promoting private sector development is being recognized, policy discussion often remains general without details as to what exactly to do and how to avoid common pitfalls. This book fills the gap by showing concrete policy contents, procedures, and organizations adopted in high-performing East Asian economies. Natural resources and foreign aid and investment can take a country to a certain income level, but growth stalls when given advantages are exhausted. Economies will be caught in middle income traps if growth impetus is not internally generated. Meanwhile, countries that have soared to high income introduced mindset, policies, and institutions that encouraged, or even forced, accumulation of human capital – skills, technology, and knowledge. How this can be done systematically is the main topic of policy learning. However, government should not randomly adopt what Singapore or Taiwan did in the past. A continued march to prosperity is possible only when policy makers acquire capability to formulate policy suitable for local context after studying a number of international experiences. Developing countries wanting to adopt effective industrial strategies but not knowing where to start will benefit greatly by the ideas and hands-on examples presented by the author. Students of
development economics will find a new methodological perspective which can supplement the ongoing industrial policy debate. The book also gives an excellent account of national pride and pragmatism exhibited by officials in East Asia who produced remarkable economic growth, as well as serious effort by an African country to emulate this miracle.

**Hello Lighthouse** Sophie Blackall 2019-05-02 A beautiful picture book about hope, change and the passing of time. Winner of the Caldecott Medal 2019. On the highest rock of a tiny island at the edge of the world stands a lighthouse. From dusk to dawn, the lighthouse beams, sending its light out to sea, guiding the ships on their way. As the seasons pass and the waves rise and fall, outside, the wind blows; inside, the lighthouse keeper writes, and the rhythms of his life unfold. But change is on the horizon... With beautiful illustrations from Sophie Blackall - the artist behind New York Times bestseller, Finding Winnie. "I will be surprised if a more exquisite picture book is published this year" - New York Times "A jewel of a creation" - Publishers Weekly

**The Naming of Cats** T. S. Eliot 2021-11-02 The Naming of Cats is a difficult matter, It isn't just one of your holiday games; You may think at first I'm as mad as a hatter When I tell you, a cat must have THREE DIFFERENT NAMES. The first poem in Eliot's Old Possum's Book of Practical Cats is a brilliant introduction to the fabulous world of Cats, featuring names such as Bombalurina and Munkustrap - made famous by the recent film! The seventh gorgeous Cats picture book with lively and colourful illustrations by Arthur Robins. Perfect for reading aloud, singing or performing!

**The Lighthouse Keeper's Mystery** Ronda Armitage 2020-01-06 A new addition this modern classic series! Someone is dumping rubbish into the sea! Mr Grinling's nephew George thinks it could be pirates ... or could the culprit be someone closer to home? A charming new story in this beloved series, with an
important conservation message.

**Arc of Justice** Kevin Boyle 2007-04-01 An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle. In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

**The Lighthouse Keeper's Cat** Ronda Armitage 2008 Hamish, the lighthouse keeper's cat, has been neglecting his duties and the mice are running wild all over the lighthouse. With the lighthouse inspector due any day now, Mr and Mrs Grinling decide to put Hamish on a diet until he catches the mice... So Hamish sets off to find someone who will appreciate him better. Soon, though, Hamish realises there's no place like home.

Love in the Time of Cholera

Gabriel Garcia Marquez

2014-03-06 Nobel prize winner and author of One Hundred Years of Solitude Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece Love in the Time of Cholera. 'It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love' Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza's impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having sworn his eternal love to her, he lives for the day when he can court her again. When Fermina's husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his
enduring love. But can young love find new life in the twilight of their lives? 'The most important writer of fiction in any language' Bill Clinton 'An exquisite writer, wise, compassionate and extremely funny' Sunday Telegraph 'An amazing celebration of the many kinds of love between men and women' The Times

**The Lighthouse Keeper's Christmas** Ronda Armitage 2014-10-01

Once there was a lighthouse keeper called Mr. Grinling. At night time he lived in a small white cottage perched high on the cliffs, and in the daytime he rowed out to his lighthouse to clean and polish the light. Mr and Mrs Grinling are looking forward to an extra-special Christmas with their great-nephew, George. But on Christmas Eve, Mr Grinling and George get stranded in the middle of a storm! Can Mrs Grinling reach them in time for Christmas dinner? The first Lighthouse Keeper story, THE LIGHTHOUSE KEEPER'S LUNCH, published over thirty years ago. It is now a modern picture book classic, and his adventures have been loved by children ever since.

**Nessie the Loch Ness Monster** Richard Brassey 1996

Millions of years ago, the northern tip of Scotland was a separate island, until it crashed into the mainland. The prehistoric sea monsters rushed to escape ... all except for Nessie! Ever since, people have claimed to see her as vehemently as others have denied her existence. And there have been some crazed and cunning plans to trap this elusive creature. What are the facts and what is only legend? With humour and historical accuracy, Richard Brassey tells the irresistible tale for readers everywhere.

**The Razor's Edge** W. Somerset Maugham 2008-12-16

Larry Darrell is a young American in search of the absolute. The progress of this spiritual odyssey involves him with some of Maugham's most brilliant characters - his fiancee Isabel, whose choice between love and wealth have lifelong repercussions, and Elliot Templeton, her uncle, a classic expatriate
American snob. The most ambitious of Maugham's novels, this is also one in which Maugham himself plays a considerable part as he wanders in and out of the story, to observe his characters struggling with their fates.

Rapunzel to the Rescue! Lucy Rowland 2020-07-02 A prince is in a tangle... Rapunzel to the rescue! What if Rapunzel saved the prince? You might think this story is one that you know. Rapunzel - the girl in the tower? But no! In this terrific twist on a much-loved fairytale, a prince with magical hair is saved by the gutsy Rapunzel. With laugh-out-loud moments and beautiful illustrations, this is the perfect picture book for a new kind of hero!

Beacon 23 Hugh Howey 2016-02-09 For centuries, men and women have manned lighthouses to ensure the safe passage of ships. It is a lonely job, and a thankless one for the most part. Until something goes wrong. Until a ship is in distress. In the twenty-third century, this job has moved into outer space. A network of beacons allows ships to travel across the Milky Way at many times the speed of light. These beacons are built to be robust. They never break down. They never fail. At least, they aren't supposed to.

The Last Egret Harvey E. Oyer 2010-05-01 "In the late 19th century, hunters killed millions of birds in the Florida Everglades to supply the booming trade in bird feathers for ladies' fashion. As teenagers, Charlie Pierce and his friends traveled deep into the unexplored Florida Everglades to hunt plume birds for their feathers. They never imagined the challenges they would encounter, what they would learn about themselves, and how they would contribute to American history"--P. 4. of cover.
