An Introduction to the Old Testament-John Goldingay 2015-10-01 Enter the classroom of John Goldingay, one of today's premier biblical interpreters, and begin the adventure of exploring the Bible's First Testament. More workbook than handbook, this refreshing introduction to the Old Testament outfits you with basic knowledge, points out the main approaches, outlines the primary issues and then sets you loose to explore the terrain for yourself.

An Introduction to the Old Testament-Edward Joseph Young 1973

An Introduction to the Old Testament-Tremper Longman III 2009-05-26 This second edition of An Introduction to the Old Testament integrates and interacts with recent developments in Old Testament scholarship. Several distinctive set it apart from other introductions to the Old Testament: • It is thoroughly evangelical in its perspective • It emphasizes “special introduction”—the study of individual books • It interacts in an irenic spirit with the historical-critical method • It features points of research history and representative scholars rather than an exhaustive treatment of past scholarship • It deals with the meaning of each book, not in isolation but in a canonical context • It probes the meaning of each book in the setting of its culture Including callouts, charts, and graphs, this text is written with an eye on understanding the nature of Old Testament historiography. This upper-level introduction to the Old Testament offers students a solid understanding of three key issues: historical background, literary analysis, and theological message.

The Old Testament Historical Books-Israel P. Loken 2008-05-01 Provides a discussion of introductory matters such as authorship, date, historical background, purpose, structure, and outline of the historical books of the Old Testament

An Introduction to the Old Testament-Prophetic Books-C. Hassell Bullock 2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis. They saw themselves as being a part of a story that God was weaving throughout history—a story of repentance, encouragement, and a coming Messiah. In this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen—the Old Testament prophets—and the God who shaped them.

An Introduction to the Old Testament Poetic Books-C. Hassell Bullock 2007-09-01 The poetic books of the Old Testament--Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon--are often called humankind's reach toward God. The other books of the Old Testament picture God's reach toward man through the redemptive story. Yet these five books reveal the very hear of men and women struggling with monumental issues such as suffering, sin, forgiveness, joy, worship, and the passionate love between a man and woman. C. Hassell Bullock, a noted Old Testament scholar, delves deep into the hearts of the five poetic books, offering readers helpful details such as harmeneutical considerations for each book, theological content and themes, detailed analysis of each book, and cultural perspectives. Hebrew is a language of “intrinsic musical quality that naturally supports poetic expression,” says Bullock in his introduction. That poetic expression comes from the heart of the Old Testament writers and reaches all of us exactly where we are in our own struggles and joys.

An Introduction to the Old Testament in Greek: The contents of the Alexandrian Old Testament-Henry Barclay Swete 1900

An Introduction to the Old Testament-Third Edition-Walter Brueggemann 2021-01-05 In this updated edition of the popular textbook An Introduction to the Old Testament, Walter Brueggemann and Tod Linafelt introduce the reader to the broad theological scope of the Old Testament, treating some of the most important issues and methods in contemporary biblical interpretation. This clearly written textbook focuses on the literature of the Old Testament as it grew out of religious, political, and ideological contexts over many centuries in Israel's history. Covering every book in the Old Testament (arranged in canonical order), the authors demonstrate the development of theological concepts in biblical writings from the Torah through postexilic Judaism. Incorporating the most current scholarship, this
An Introduction To The Old Testament

Assemblies a wide range of literary types because of the needs of the communities first using it as they preserved the legacy of their past, good and bad, for the sake of those for whom the only tool of overcoming oppression is language itself. Because of the distance in time and cultural experience, the Old Testament is often inaccessible to modern readers. This introduction bridges that distance and makes the connections across time and culture come alive. The Bible has been variously shaped by interaction with the Mesopotamian and Egyptian, Assyrian, Babylonian, Persian, and Hellenistic empires. Incorporates recent research on the formation of the Pentateuch. Reveals how key biblical texts came to be interpreted by Jewish, Christian, and Muslim faiths. Includes numerous student-friendly features, such as study questions, review sections, bibliographies, timelines, and illustrations and photos.

An Introduction to the Old Testament

Miles V. Van Pelt 2016-05-31

The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it’s one cohesive story, tied together by the good news about Israel’s coming Messiah, promised from the beginning. Covering each book in the Old Testament, this volume invites readers to teach the Bible from a Reformed, covenantal, and redemptive-historical perspective. Featuring contributions from twelve respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God’s plan to redeem the world through Jesus Christ.

An Introduction to the Old Testament

Herbert . Wolf 2007-07-01

The Pentateuch--Genesis, Exodus, Leviticus, Numbers, Deuteronomy--are the vital first five books in the Bible. Understanding the scope, meaning, and events of these five books is integral to understanding the whole of Scripture that follows. Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch. Readers will find Adam, Abraham, Joseph, Moses and Joshua in these pages, as well as terrible sin and glorious forgiveness, bloody sacrifices and battles, deadly betrayal and life-giving hope. Wolf first addresses the overarching themes that flow through the Pentateuch, with special attention given to Moses as author of the five books. He then addresses each book specifically, covering topics such as purpose and scope, and literary structure. He tailors additional study to each specific book. This book contributes significantly to a clear, deep understanding of the Bible's first five books.

An Introduction to the Old Testament

Richard S. Hess 2016-11-15

A Respected Scholar Introduces Students to the Discipline of Old Testament Studies Richard Hess, a trusted scholar of the Old Testament and the ancient Near East, offers a substantial introduction to the Old Testament that is accessible and informed by the latest biblical scholarship. Hess summarizes the contents of the Old Testament, introduces the academic study of the discipline, and helps readers understand the complex world of critical and interpretive issues, addressing major concerns in the critical interpretation of each Old Testament book and key texts. This volume provides a fulsome treatment for students preparing for ministry and assumes no prior knowledge of the Old Testament. Readers will learn how each book of the Old Testament was understood by its first readers, how it advances the larger message of the whole Bible, and what its message contributes to Christian belief and the Christian community. Twenty maps, ninety photos, sidebars, and recommendations for further study add to the book's usefulness for students. Resources for professors are available through Baker Academic's Textbook eSources.

An Introduction to the Old Testament

Mark W. Hamilton 2018-07-02

The book known as the Old Testament is actually a collection of stories, songs, prophetic addresses, wise sayings, and other bits of literature composed over centuries and compiled for the use of worshiping communities. These texts appeared in ancient Israel, reflecting its traumas and less frequent triumphs. Far from being comfortable texts that sedate over-stimulated readers, they offer critique of the powerful for the sake of those for whom the only tool of overcoming oppression is language itself. Because of the distance in time and cultural experience, the Old Testament is often inaccessible to modern readers. This introduction bridges that distance and makes the connections across time and culture come alive. The Bible assembles a wide range of literary types because of the needs of the communities first using it as they preserved the legacy of their past, good and bad, for the sake of those for whom the only tool of overcoming oppression is language itself. Because of the distance in time and cultural experience, the Old Testament is often inaccessible to modern readers. This introduction bridges that distance and makes the connections across time and culture come alive. The Bible assembles a wide range of literary types because of the needs of the communities first using it as they preserved the legacy of their past, good and bad, for the sake of those for whom the only tool of overcoming oppression is language itself.

An Introduction to the Old Testament

Johann Jahn 1827

(An Introduction to the Old Testament)
of a viable future. Their legacy continues as relevant as ever. This introduction, then, seeks to help readers make sense of the variety and hear within it points of commonality as well. The Old Testament is a book readers look to for meaning. Christian readers, especially, have difficulty connecting with the theological meanings of the texts. Mark Hamilton offers an introduction that addresses theological issues directly and sensitively. Considering the massive sweep of literary types and ways of expressing ideas about God, A Theological Introduction to the Old Testament offers an alternative to introductions based solely on historical or literary themes.

An Introduction to the Old Testament Historical Books-David M. Howard Jr. 2007-08-01 Rich rewards await readers who dig deep into the historical books of the Old Testament. Incredible events, amazing love stories, larger-than-life personalities and deep theological implications and themes are just part of the treasure that awaits readers of Joshua, Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther. These books tell the story of the nation of Israel and the God who loves her, punishes her, and always brings this recalcitrant people back to Himself. It is really the story of all of us. David M. Howard Jr. provides an in-depth introduction to the Old Testament historical books, focusing first on the overarching themes of historical narrative in general. He then turns his attention to each book. From the conquest of Canaan to the fall of Jerusalem, from war to peace and back to war, from kings and queens to farmers and housewives--David Howard covers it all in this invaluable introduction to the Old Testament historical books.

Introduction to the Old Testament as Scripture-Brevard S. Childs 1979 This Introduction attempts to offer a different model for the discipline from that currently represented. It seeks to describe the form and function of the Hebrew Bible in its role as sacred scripture for Israel. It argues the case that the biblical literature has not been correctly understood or interpreted because its role as religious literature has not been correctly assessed.

The Old Testament: A Very Short Introduction-Michael D. Coogan 2008-03-28 This Very Short Introduction provides a short, accessible overview for general readers interested in learning more about the Old Testament and its interpretation. Coogan explores the significance of the history and literature of the Old Testament and describes how non-biblical evidence, such as archaeological data and texts, has illuminated the Old Testament in a larger context. Coogan discusses law in the Bible, particularly the Ten Commandments and the biblical understandings of prophecy, myth, exodus, death, and afterlife. Finally, Coogan discusses the enduring significance of the Old Testament.

An Introduction to the Old Testament Prophets-Hobart E. Freeman 1969

Proverbs 1-9 as an Introduction to the Book of Proverbs-Arthur Jan Keefer 2020-05-28 Proverbs 1-9 has long been called a 'prologue' and 'introduction' to the book of Proverbs, a label that this book clarifies by answering the question: how does Proverbs 1-9 function with respect to the interpretation of Proverbs 10-31? Arthur Keefer argues that, in the detail and holistic context of Proverbs, Proverbs 1-9 functions didactically by supplying interpretive frameworks in literary, rhetorical and theological contexts for representative portions of Proverbs 10-31. Keefer suggests that Proverbs 1-9 functions didactically by teaching interpretive skills, and allows interpretation of Proverbs 10-31 by instilling the competence required to explicate this material. As a result, Proverbs 1-9 provides a didactic introduction for the remainder of the book, particularly with respect to its character types, educational goals, and theology. This volume demonstrates the function of Proverbs 1-9 for Proverbs 10-31 in some of the most prominent interpretive contexts of the book, and in doing so advances current key interpretive debates within Proverbs scholarship.

An Introduction to the Old Testament-Alice L. Laffey 1988

An Introduction to the Literature of the Old Testament-Samuel Rolles Driver 1914

An Introduction to the Old Testament-Edward J. Young 1960

The Old Testament-Rolf Rendtorff 1991-01-01 The Old Testament is a collection of writings which came into being over a period of more than a thousand years in the history of the people of Israel and which reflect the life of the people in this period. Therefore, there is a reciprocal relationship between the writings or "books" of the Old Testament and the life of Israel in its history. The understanding of the texts presupposes insights into the historical context and the development of the life of Israelite society, while at the same time the texts themselves are the most important, indeed for the most part the only, source for it. This "Introduction"
attempts to take account of this reciprocal relationship. The first part deals with the history of Israel. However, its approach differs from most accounts of this history. It takes the Old Testament texts themselves as a starting point and first of all outlines the picture of historical developments and associations which the texts present. An attempt is then made, on this basis, to reconstruct historical developments by introducing material from outside the Bible. This method of working leads to close connections between the second and third parts, because it has to take account of the nature and original purpose of the texts and their function within the biblical books as they are now. The second part attempts to present the texts collected in the Old Testament as expressions of the life of Israel. The third part discusses the books of the Old Testament in their present form.

Introduction to Old English-Peter S. Baker 2012-02-20 Featuring numerous updates and additional anthology selections, the 3rd edition of Introduction to Old English confirms its reputation as a leading text designed to help students engage with Old English literature for the first time. A new edition of one of the most popular introductions to Old English Assumes no expertise in other languages or in traditional grammar Includes basic grammar reviews at the beginning of each major chapter and a “minitext” feature to aid students in practicing reading Old English Features updates and several new anthology readings, including King Alfred’s Preface to Gregory’s Pastoral Care

Introduction to the Old Testament-Bill T. Arnold 2014-04-07 This volume introduces the Old Testament and traces the legacy of monotheism first found in the pages of Israel’s Scriptures.

Old Testament Wisdom-James L. Crenshaw 1998-01-01 When Old Testament Wisdom appeared in 1981, new perspectives on biblical theology, an increasing awareness of ancient Near Eastern texts resembling biblical wisdom, and an emerging interest in ethnic proverbs were mere intimations of what was to become a dramatic outpouring of scholarship on wisdom literature. In this expanded edition, James Crenshaw takes stock of the wealth of new material produced by contemporary interpreters. Liberation and feminists critics, scholars in comparative religion, specialists in devotional theology, and researchers exploring educational systems in the ancient Near East all have enriched our understanding of wisdom literature in recent years, and all receive insightful treatment in this new volume. Now as before, Crenshaw’s Old Testament Wisdom is an invaluable asset for anyone wishing to understand the rich and complex legacy of wisdom literature.

The Old Testament-Brent A. Strawn 2019-10-11 This concise volume introduces readers to the three main sections of the Hebrew Bible (Tanakh) and to the biblical books found in each. It is organized around two primary "stories": the story that scholars tell about the Old Testament and the story the literature itself tells.

Concluding with a reconsideration of the Old Testament as more like poetry than a story, three main chapters cover: The Pentateuch (Torah) The Prophets (Nevi’im) The Writings (Ketuvim) With key summaries of what the parts of the Old Testament “are all about,” and including suggestions for further reading, this volume is an ideal introduction for students of and newcomers to the Old Testament.

The World and the Word-Eugene H. Merrill 2011-07-05 The World and the Word is a fresh introduction to the Old Testament driven largely by the fact that so much Christian preaching and teaching today increasingly ignores what is eighty percent of the Bible. Authors Eugene Merrill, Mark Rooker, and Michael Grisanti work through the world and text of the Old Testament always making three major points: • The Old Testament is a rich source of theology and doctrine that is presupposed by the New Testament. Without it, Christian theology would be seriously deficient. • Mastery of the Old Testament is crucial to an understanding of the New Testament. • The Old Testament offers, by teaching and example, practical principles of belief and behavior for contemporary times. Who God was and what He did then can be replicated in the lives of men and women today. Separating the verifiable biblical and extra-biblical data from the various interpretations of that same information, the book further shows how the Old Testament forms the platform and matrix from which sprang the life, ministry, and teachings of Jesus and the church. The World and the Word will help students see an entry point into the very heart and design of God who loves them and wishes to make them the special object of His grace.

An Introduction to the Old Testament-W. O. E. Oesterley 1935
An Introduction to the Old Testament-Friedrich Bleek 1869

The Earliest English-Chris Mccully 2016-01-28 The Earliest English provides a student-friendly introduction to Old English and the earliest periods of the history of the English Language as it evolved before 1215. Using non-technical language, the book covers basic terminology, the linguistic and cultural backgrounds to the
An introduction to the Old Testament is a textbook that provides an accessible introduction to the evolution of Old English language and literature. Written in a clear and accessible manner, The Earliest English offers a comprehensive overview of the emergence and development of OE, and the OE vocabulary that students studying this phase of the English language need to know. In eight carefully structured units, the authors show how the vocabulary of Old English contains many items familiar to us today; how its characteristic poetic form is based on a beautiful and intricate simplicity; how its patterns of word building and inflectional structure are paralleled in several present day languages and how and why the English language and its literature continued to change so that by the mid-12th century the English language looks more like the 'English' that we are familiar with in the 21st century. Features of the book include: the provision of accessible guides to some important ‘problem topics’ of classical OE stimulating cross-linguistic comparisons, e.g. the pronoun system of OE as compared with the pronoun system of present day Dutch cleverly laid out translation exercises, with structural help in the form of selective glossaries careful division into eight units, designed for both classroom use and self-study Written in a clear and accessible manner, The Earliest English provides a comprehensive introduction to the evolution of Old English language and literature, and will be an invaluable textbook for students of English Language and Linguistics.
