2017-03-31 Manfred Brauneck Over the past 20 years European theatre underwent fundamental changes in terms of aesthetic focus, institutional structure and in its position in society. The impetus for these changes was provided by a new generation in the independent theatre scene. This book brings together studies on the state of independent theatre in different European countries, focusing on the fields of dance and performance, children and youth theatre, theatre and migration and post-migrant theatre. Additionally, it includes essays on experimental musical theatre and different cultural policies for independent theatre scenes in a range of European countries.

2022-03-03 Vicki Lewis Thompson Can they beat the odds? Night after night, mild-mannered accountant Harry Ambrewster sits in the back of the room, admiring Vegas showgirl Lainie Terrell from afar. She’s got it all—looks, brains, a kind heart, and Dexter, one of the smartest four-year olds he’s ever met. Sure, Harry would love to be the one who makes her swoon, but she’s never shown any interest in dealing him in. When Lainie’s crazy ex shows up at her apartment in a rage, demanding to see his son, she turns to her trustworthy neighbor Harry for help. He offers his mother’s security-enhanced home as a safe haven for Dexter while he and Lainie slip out of town, posing as newlyweds checking out a Sedona timeshare. But fate calls their bluff when their platonic relationship morphs into red-hot passion. With her ex hot on their trail, they’ll have to play their cards close to the vest. Because losing isn’t an option... From the NYT bestselling author who brought you charming werewolves and sexy cowboys. If you like laugh-out-loud romantic adventures where the courageous and ingenious nerd gets the girl, you'll love the Nerd Series. THE NERD SERIES The books in this series are standalone romances and can be read in any order. Nerd in Shining Armor (Jack & Genevieve) The Nerd Who Loved Me (Harry & Lainie) Nerd Gone Wild (Mitch & Ally) Gone with the Nerd (Flynn & Zoe) Talk Nerdy to Me (Charlie & Eve) Nerds Like It Hot (Lex & Gillian) My Nerdy Valentine (Will & Amanda)

2013-03-05 Jenny Lawson The #1 New York Times bestselling (mostly true) memoir from the hilarious author of Furiously Happy. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent Let’s Pretend This Never Happened, Lawson’s long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. 2013-04-02 Juliana Stone Sometimes the best place to find love is right back where you started... Falling asleep in a different bed every night has made it easy for Cain Black to forget his past. It's been ten years since he packed his guitar and left Crystal Lake, Michigan, to chase his dreams. Now tragedy has forced him home again. And though Cain relishes the freedom of the road, one stolen moment with Maggie O'Rourke makes him wonder if he's missing out on something bigger than fame. For Maggie—single mother and newly settled in Crystal Lake—love is a luxury she just can't afford. Sure, she appreciates the tall, dark and handsome looks of prodigal son Cain Black. But how long can she expect the notorious hellion to stay? The last thing either of them wants is something complicated. But sometimes love has its own plans. Bad Boys of Crystal Lake series: The Summer He Came Home The Christmas He Loved Her The Day He Kissed Her "Everything I love in a book: A hot and tender romance and a bad-boy hero to die for!" — Molly O'Keefe, author of Can't Buy Me Love

2019-10 Regine Halter Throughout the discussions about globalisation and design, what has been missing until now are deliberations regarding necessary changes towards a design education which puts conceptual acting in the context of global movements and problem situations. This publication pleads for a revision of design education. It addresses students, teachers, and design practitioners. On the basis of concrete examples, concepts, methods and tools are presented for discussion. They can open up new directions and possibilities of design education. Consequently, this book focuses on design students experiences and reflections as contributions to a design education understood as a school for differentiated perception. The local level the respective Cultural Space is appreciated as the actual hot spot of globalisation. The book offers reports, case studies, analyses, and reflections by lecturers, artists, and students about their working experiences in Uzbekistan, the United Arab Emirates, Australia, New Zealand, Poland, Nigeria, Botswana, South Sudan, India, Canada, Albania, the USA and others.

2012-11-23 Ran D. Anbar Many patients with pulmonary complaints fail to improve despite physicians’ best efforts. Sometimes, we ascribe this failure to lack of adherence with therapy, or to the severity of the condition. What we often fail to appreciate, however, is that sometimes the lack of improvement can be explained by the patients' psychological states. The first section of Functional Respiratory Disorders: When Respiratory Symptoms Do Not Respond to Pulmonary Treatment will help clinicians recognize functional respiratory symptoms that can arise as a result of both organic and psychological causes. The second section of this book provides detailed discussions of such disorders, links to video examples of laryngoscopic evaluation of patients with vocal cord issues, case studies and quizzes. Examples and exercises that should strengthen the clinician’s confidence in identifying and treating these functional conditions are also provided. Finally, the third section of the book will help the clinician differentiate the patients for whom referral to a mental health provider is mandatory from those for whom other approaches may be useful. For the latter group, the book teaches clinicians to empower themselves by learning how to incorporate various therapies for functional disorders into their practice, including biofeedback, breathing techniques, basic cognitive behavioral therapy techniques, and hypnosis. Links are provided to instructive video examples of

biofeedback, hypnosis, and speech therapy. Practical strategies for obtaining training in these modalities are provided in the appendix. Functional Respiratory Disorders: When Respiratory Symptoms Do Not Respond to Pulmonary Treatment is an important new book that will help clinicians consider the possible impact of functional contributions to the clinical presentation of every patient with respiratory symptoms and identified respiratory disease.

2020-03-17 James C. Scott “One of the most profound and illuminating studies of this century to have been published in recent decades.”—John Gray, New York Times Book Review Hailed as “a magisterial critique of top-down social planning” by the New York Times, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. “Beautifully written, this book calls into sharp relief the nature of the world we now inhabit.”—New Yorker “A tour de force.”— Charles Tilly, Columbia University

2013-06-04 Cat Devon Don't miss the next sexy installment in the entity series, Love Your Entity, coming January 2014! Meet Daniella Delaney. She's all ready to open her shop, Heavenly Cupcakes, in one of Chicago's sleepier districts. But she's having a hard time convincing the local business association—namely Nick St. George—that she's a good addition to the neighborhood. Daniella hopes that her famous red velvet cupcakes will be enough to melt any man's heart. But Nick is no ordinary man. He's got fangs. As leader of the Vamptown clan, Nick has no intention of letting Daniella breathe new life into his old haunts. But something about her leaves Nick hungry...for more. He can't control her mind like other humans, a trait that makes Daniella irresistible. Could it be that, for the first time in centuries, Nick has met his match? Love is always a force to be reckoned with. But can this vampire have his cake and eat it too?

2007-10-02 Cathie Linz Good Girls Do, Bad Girls Don't. Now meet Big Girls... After her plus-size modeling career tanks, Leena Riley becomes a receptionist in her hometown veterinarian's office. Too bad the vet is Cole Flannigan, a boy who taunted her all through school. Good thing Leena has grown into her curves, because he's about to grow very fond of her.

2008-09-04 Jennifer Weiner From the bestselling author of In Her Shoes, All Fall Down and the forthcoming novel Who Do You Love, Good in Bedis a funny and tender story full of heart. Cannie Shapiro never wanted to be famous. The smart, sharp, plus-sized reporter was perfectly happy writing about other people's lives for her local newspaper. And for the past twenty-eight years, things have been tripping along nicely for Cannie. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend Bruce. But now this... 'Loving a larger woman is an act of courage in our world,' Bruce has written in a national woman's magazine. And Cannie - who never knew that Bruce saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and the most amazing year of her life.

2012-09-06 Francesca Clementis Marina has spent most of her adult life on a diet. And although big girls aren't supposed to cry, in Marina's experience, they don't have much fun either. But when scientist David Sandhurst invites her to enrol in a test for a miracle weight-loss drug, Marina thinks her prayers have been answered. Soon enough, Marina discovers that she's losing those excess pounds and gaining confidence. She's waving goodbye to her hips and hello to an exciting social life - and a whole new set of problems . . .

2017-11-27 Cathy Elliott This book looks at democracy promotion as a form of foreign policy. Elliott asks why democracy was seen to be the answer to the 7/7 bombings in London, and why it should be promoted not in Britain, but in Pakistan. The book provides a detailed answer to these questions, examining the logic and the modes of thinking that made such a response possible through analysis of the stories we tell about ourselves: stories about time, history, development, civilisation and the ineluctable spread of democracy. Elliott argues that these narratives have become a key tool in enabling practices that differentiate selves from others, friends from enemies, the domestic from the foreign, civilisation from the barbarian. They operate with a particular conception of time and constitute a British, democratic, national identity by positing an "other" that is barbaric, alien, despotic, violent and backward. Such understandings are useful in wake of disaster, because they leave us with something to do: danger can be managed by bringing certain people and places up-to-date. However, this book shows that there are other stories to be told, and that it is possible to read stories about history against the grain and author alternative, less oppressive, versions. Providing a genealogy drawing on material from colonial and postcolonial Britain and Pakistan, including legislation, political discourse, popular culture and government projects, this book will be of interest to scholars and students focusing on democracy promotion; genealogy; critical border studies; poststructural IR; postcolonial politics; discourse analysis; identity/subjectivity; and "the war on terror".
