2010 United States. Congress. House. Committee on Education and Labor. Subcommittee on Early Childhood, Elementary, and Secondary Education

2005-07 Melanie Wallace This text is an authoritative guide for new teachers and those new to the concept of using social studies as a base of instruction. The master teacher who has authorized this well-respected publication emphasizes the importance of teaching the social studies in the overall early elementary school curriculum while spending the necessary time and intellectual energy developing reading and mathematical skills. Practical strategies for incorporating the teaching of social studies into daily class plans gives teachers the tools they need to use social studies as a base of instruction.

2023-04-03 Darcy Mellinger 180 Days of Social Studies is a fun and effective daily practice workbook designed to help students build social studies content knowledge. This easy-to-use prekindergarten workbook is great for at-home learning or in the classroom. The engaging standards-based activities cover pre-K skills with colorful pages, easy-to-follow instructions, and an answer key to quickly assess student understanding. Each week students explore a new topic focusing on one of the four social studies disciplines: history, civics, geography, and economics. Watch student's confidence soar as they build analytic skills with these quick learning activities. Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling, to reinforce learning at school, or to prepare students for kindergarten. Teachers rely on the daily practice workbooks to save them valuable time with at-home learning, whole class instruction, or small group support. The ready-to-implement activities can also be used for intervention skill building to address learning gaps. Supports the C3 Framework and aligns to the NCSS curriculum standards.

2018-04-02 Terri McNamara 180 Days of Social Studies is a fun and effective daily practice workbook designed to help students build social studies content knowledge. This easy-to-use second grade workbook is great for at-home learning or in the classroom. The engaging standards-based activities cover grade-level skills with easy to follow instructions and an answer key to quickly assess student understanding. Each week students explore a new topic focusing on one of the four social studies disciplines: history, civics, geography, and economics. Watch student's confidence soar as they build analytic skills with these quick independent learning activities. Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling, to reinforce learning at school, or prevent learning loss over summer. Teachers rely on the daily practice workbooks to save them valuable time. The ready to implement activities are perfect for daily morning review or

homework. The activities can also be used for intervention skill building to address learning gaps. Supports the C3 Framework and aligns to the NCSS curriculum standards.

1937

2008-01-15 Kathy Checkley In today's climate of accountability and high-stakes testing, many U.S. schools are choosing to focus on the three Rs to the exclusion of other subjects, including social studies. Yet it is more crucial than ever for schools to foster the qualities that will enable students to actively participate in a democratic and global society. The Essentials of Social Studies, Grades K-8 takes a look at how innovative educators are helping students to hone these skills. Readers of this book will learn more about *The challenges that elementary and middle school teachers face in keeping social studies in the curriculum. * How to align social studies lessons with curriculum standards. * Strategies to infuse social studies instruction with passion and purpose. * Ways to promote students' deep understanding of social studies content. * Why lessons and assessments should give students opportunities to solve problems, work on projects, and engage in simulations. * How social studies can prepare students for a lifetime of active civic involvement. * Professional development that will help teachers bring the social studies curriculum to life in the classroom. The future of the United States in no small part depends on how well social studies teachers prepare students to assume their responsibilities as citizens. The Essentials of Social Studies, Grades K-8 will help teachers rise to this considerable challenge.

1974

2017-03-01 Shoob, Sara Featuring sound educational strategies based on solid research and proven methodology, this exceptional resource provides teachers with best practices in social studies instruction that can be immediately implemented in the classroom. Authored by two social studies experts with more than 60 years combined classroom experience, this resource is designed for anyone who is interested in current educational theory and best practice. Packed with various teaching methods and techniques, up-to-date research-based theory and practical applications, this book is great for new and experienced teachers. This resource is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills.

2011 Kathy Charner Children are naturally interested in their world. This book invites children to explore the world around them, learn about different cultures, consider a variety of careers, and discover the uniqueness of their very own neighborhood. Starting with the many ways we are alike and different, and expanding on to the variety of homes around the world, children will enlarge their horizons with these social studies activities that are perfect for children ages three to six. Each of the books in the Learn Every Day series offers teachers

one hundred classroom-tested activities that make learning fun and engaging for young children!

2018-04-02 Catherine Cotton 180 Days of Social Studies is a fun and effective daily practice workbook designed to help students build social studies content knowledge. This easy-to-use fifth grade workbook is great for at-home learning or in the classroom. The engaging standards-based activities cover grade-level skills with easy to follow instructions and an answer key to quickly assess student understanding. Each week students explore a new topic focusing on one of the four social studies disciplines: history, civics, geography, and economics. Watch student's confidence soar as they build analytic skills with these quick independent learning activities. Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling, to reinforce learning at school, or prevent learning loss over summer. Teachers rely on the daily practice workbooks to save them valuable time. The ready to implement activities are perfect for daily morning review or homework. The activities can also be used for intervention skill building to address learning gaps. Supports the C3 Framework and aligns to the NCSS curriculum standards.

2003 Marlow Ediger Contents: Objectives in Teaching Social Studies, Scope and Sequence in the Social Studies, Trends and Issues in the Social Studies, Learning Opportunities in the Social Studies, Pupil Learning in the Social Studies, Reading in the Social Studies, Writing in the Social Studies, Social Studies Children s Literature, Grouping for Instruction in the Social Studies, Leadership in the Social Studies, Social Studies and Democracy in the Classroom, Technology in the Social Studies Curriculum, Maps, Globes and the Social Studies, Current Events in the Social Studies, Social Studies, Integrating School and Society, Measurement and Evaluation in the Social Studies, Social Studies in Teacher Education, Restructuring the Social Studies (A Public Debate).

2018-04-02 Catherine Cotton Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

2018-04-02 Terri McNamara Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the

classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

2021-08-02 Kristin Kemp An effective third grade workbook that provides daily social and emotional learning (SEL) activities to help students explore emotions, actions, relationships, and decision making. The daily activities connect to the CASEL competencies, mindfulness, and key affective education initiatives. This SEL workbook makes at-home learning, whole class instruction, or small group support, quick and easy. Help students build self-awareness, analyze relationships, discover diverse perspectives, and apply what they have learned with engaging lessons. The use of fiction and nonfiction text allows for self-reflection and growth. Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling, to reinforce learning at school, and build connections between home and school. Teachers rely on the daily practice workbooks to save them valuable time. The ready to implement activities are perfect to introduce SEL topics for discussion.

2018-03-01 Jessica Hathaway Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on smaller-scale maps like town and city maps, students will learn: cardinal directions; use of a key/legend; how to identify landforms; rural vs. urban locations; natural resources; relative locations; and what is farther or nearer from a point. Aligned to state standards and National Geography Standards, this resource includes digital materials.

2018-04-02 Kathy Flynn Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge.

Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

2006 Gary Lare An annotated listing of activities books for use with social studies curriculums, focusing on elementary and middle school grades, arranged by curriculum area, topic, and grade level. Includes contact information for publishers and distributors of appropriate books, and an index.

1991-01-01 David Warren Saxe This supplemental text is an historical account of the beginning years of the social studies. Using the 1916 Social Studies report as a base, the book outlines the issues, contexts, and individuals that were influential in the genesis of the seminal social studies prototype program. The author explains that many of our present interests such as critical thinking, decision making, inquiry, reflective thinking, foundational studies, and cultural literacy can be found within the texts of the 1916 social studies program. Saxe also shows that the roots of the social studies program are found in the social sciences and not the traditional history curriculum. Included are chronological time lines that serve to illustrate the growth of the social studies, as well as an extensive bibliography of the primary foundational works of the social studies, including the 1916 report. These materials greatly enhance the value of Saxe's work for social studies educators and students.

2014-04-01 Sherry L. Field In many elementary classrooms, social studies has taken a back seat to English Language Arts and Mathematics in the wake of No Child Left Behind and Race to the Top This volume is not another hand-wringing lament. On the contrary, the elementary educators who have contributed to this volume have a positive set of stories to tell about how social studies can play a central role in the elementary classroom, how teachers can integrate social studies knowledge and skills throughout the school day, and how this learning can carry over into children's homes and communities. The seven case studies in this book, one at each elementary grade level, highlight exemplary teachers in whose classrooms social studies is alive and well in this age of accountability. At the end of each case study, each teacher provides advice for elementary teachers of social studies. Our hope is that elementary teachers and prospective teachers, elementary principals, social studies supervisors, staff developers, and professors of elementary social studies methods who study the stories that we tell can be empowered to return social studies to its rightful place in the curriculum.

2021-08-02 Kristin Kemp An effective third grade workbook that provides daily social and emotional learning (SEL) activities to help students explore emotions, actions, relationships, and decision making. The daily activities connect to the CASEL competencies, mindfulness, and key affective education initiatives.This SEL workbook

makes at-home learning, whole class instruction, or small group support, quick and easy. Help students build self-awareness, analyze relationships, discover diverse perspectives, and apply what they have learned with engaging lessons. The use of fiction and nonfiction text allows for self-reflection and growth.Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling, to reinforce learning at school, and build connections between home and school. Teachers rely on the daily practice workbooks to save them valuable time. The ready to implement activities are perfect to introduce SEL topics for discussion.

2018-03-01 Chuck Aracich Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on US states, students will explore various types of maps including physical maps, political maps, topographic maps, thematic maps, climate maps, and various topics including scale, legends, cardinal directions, latitude and longitude, and more. Aligned to state standards and National Geography Standards, this resource includes digital materials.

2019-07-15 Kathleen Vest Teaching with primary sources can be overwhelming to teachers who have minimal time to teach social studies. Turn your classroom into a primary source learning environment with this easy-to-use resource that has everything you need to incorporate primary sources into today's classrooms. Primary sources provide firsthand accounts of history that will capture students' curiosity about the past. Students who observe, reflect on, and question primary sources understand history at a deeper level than students who only learn about social studies through textbooks. With more than 100 digital primary sources, this book by Kathleen Vest delves deeply into a wide variety of primary sources and details how they can be used in any K-12 classroom. Model lessons for three grade ranges (K-3, 4-8, 9-12) reduce teacher prep time. With fun and engaging activities and a chapter devoted to strategies for using social media posts as primary sources in the classroom, this resource is essential for today's social studies classrooms.

1999 Deborah Plona Cerbus Loaded with social activities for the whole school year for primary grades.

2018-04-02 Kathy Flynn 180 Days of Social Studies is a fun and effective daily practice workbook designed to help students build social studies content knowledge. This easy-to-use sixth grade workbook is great for at-home learning or in the classroom. The engaging standards-based activities cover grade-level skills with easy to follow instructions and an answer key to quickly assess student understanding. Each week students explore a new topic focusing on one of the four social studies disciplines: history, civics, geography, and economics. Watch student’s confidence soar as they build analytic skills with these quick independent learning activities.
