COMMUNITIES, RESISTANCE, AND THE STATE

Dr. Babak Rahimi

This is the first book-length study of women's experiences under the Islamic Republic of Iran, covering topics as seemingly diverse as the social and cultural history of Persian cuisine, the work and attitudes of 19th century Christian missionaries, the impact of technological innovation on women's lives, the re-emergence of women's rights in the 21st century, and the role of women in the Iranian revolution. It includes essays from various disciplines by prominent scholars who examine women's roles in politics, society, and culture and the rise and development of the women's movement in Iran from the 19th century to the present day. The book is a comprehensive resource for students, scholars, and policymakers interested in Iran and the Middle East, and it provides a valuable contribution to the literature on women's rights and gender equality in the region.
