

John Patricks Casino Poker A Professional Gamblers Guide To Winning

John Patrick's Casino Poker-John Patrick 1996 John Patrick's Casino Poker is a book for anyone who has enjoyed a friendly game at home, yet wishes to test his skill against varied (and hitherto unknown) opponents. The book is not for the novice or the high-stakes professional. It is meant for the intermediate player, instructing him in the skills required to "know when to hold 'em and when to fold 'em", how to watch for "tells" in other players, and how to keep from offering a tell. The book concentrates on "reading" your opponents' play style as well as on self-discipline and money management.

John Patrick's Video Poker-John Patrick 2001 Sure-fire ways to win at video poker from a master of the game. This guide gives advice on the secrets of progressive play, money management and how to maximize profits.

John Patrick's Money Management and Discipline-John Patrick 2001 The author of more than ten books on gambling now examines the psychological, discipline, and money-management aspects of a gaming session and teaches the gambler how to hold on to his winnings while minimizing his losses.

Casino-Nicholas Pileggi 2016-10-18 The true story behind the Martin Scorsese film: A "riveting . . . account of how organized crime looted the casinos they controlled" (Kirkus Reviews). Focusing on Chicago bookie Frank "Lefty" Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times–bestselling author of the Mafia classic Wiseguy—basis for the film Goodfellas—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the "Hole in the Wall Gang." For years, these gangsters kept a stranglehold on Sin City's brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal's disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner's wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia's longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this "fascinating true-crime Mob history" is a high-stakes page-turner (Booklist).

Video Poker-

Beating the Wheel-Russell T. Barnhart 1992 With 170 wheels in Las Vegas, 144 in Atlantic City, thousands in Europe, and hundreds in the Far East, roulette is undoubtedly the world's most popular casino game. But can the game be beaten, except by luck? Yes, says Russell Barnhart, an expert in gambling strategies and a roulette winner far more than thirty years. In "Beating the Wheel, " he shares his valuable strategy.

Casino Conquest-Frank Scoblete 2012-09-26 Penned by a reputable authority on casinos, this guide provides the tools of the trade in order to perform a successful climb to the top of the gaming mountain. A step-by-step instructional approach is presented, going beyond the standard handbooks on blackjack, craps, and slots to include tips and tricks on baccarat, roulette, and more. A must-have for both casual and professional gamblers throughout the nation, this invaluable companion is guaranteed to provide the winning edge to beat the house.

Winning Gambling Strategies-Philip Neht 2012-02-08 Dedicated research on other systems and personal experimentation has turned a handful of notes into a comprehensive collection of potentially winning strategies. First and foremost, it is important to understanding that there is no winning system that can beat the mathematical odds that the casino has against a player. However, this book teaches you strategies to follow while in the casino, giving you a large amount of information to help you walk out a winner. These tips can benefit players of all experience levels. You will learn to think how the casino thinks, and avoid the traps they set for every player. Inside you will find the general rules for each of the main games, tips on how to approach a table, what to say to the dealers, how to handle your money, and especially a broad range of specific strategies, or "systems" for each of the games covered. This book makes the game and strategy information easy to understand and follow, as well as fun and enjoyable to read, with a bit of irreverant humor sprinkled throughout.

High Rollers-Jack Bowman 2014-06-05 When the engine of a 737 tears itself apart at Los Angeles Airport, Tom Patrick is in the wrong place at the wrong time â€" playing poker at a nearby casino. Heâ€(tm)s been losing at cards and probing pipeline leaks ever since his big mouth led to his fall from grace as the National Transportation Safety Boardâ€(tm)s top air-crash investigator. Now he canâ€(tm)t wait to come in from the cold. Sidelined by the official investigation, Tom starts to dig anyway. And when another 737 crashes for what looks like similar reasons, itâ€(tm)s clear that something could be terribly wrong with the worldâ€(tm)s most popular passenger jet. Risking everything, Tom Patrick sets out on a global paperchase, racing against time and ruthless killers â€" before planes and people start falling out of the sky like bloody confettiâ€¡ BRACE YOURSELF FOR HIGH OCTANE, HIGH RISKâ€¡ HIGH ROLLERS CD-ROMs in Print- 2003

Beautiful Disaster Signed Limited Edition-Jamie McGuire 2012-11-27 Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

The Winner's Guide to Casino Gambling-Edwin Silberstang 2005-04-01 The definitive guide to the best strategies at the gambling table-now in a fully revised and updated fourth edition Long recognized as the gambler's bible, The Winner's Guide to Casino Gambling has been completely revised and expanded to include new rules and strategies for every major game in the casino, including several popular new ones. This entirely updated fourth edition remains the most authoritative and comprehensive book in its field, bringing gambling expert Edwin Silberstang's professional secrets and expertise into the twenty-first-century casino. The Winner's Guide to Casino Gambling can literally replace a shelf full of guides to individual games-each chapter is a book of its own. Silberstang shows readers - the best strategies to beat multiple-deck blackjack, including simple but powerful card-counting methods - how to exploit the free-odds wager in craps to minimize the house edge - ways to win at the most popular video poker games - the secrets to the new casino games, such as Three Card Poker and Let It Ride® - what games to play where for the best odds - a winning approach to thinking as a gambler, worth the cost of the entire book

Blood Aces-Doug J. Swanson 2015-07-15 Benny Binion was one of the revered figures in the history of gambling. Using once secret government documents this book shows how Binion helped shape modern Las Vegas.

The Basics of Winning Baccarat-Avery Cardoza 1992

Mensa Guide to Casino Gambling-Andrew Brisman 2004 "The runaway winner as the best overall gambling encyclopedia written in the past 20 years."—Detroit Free Press Walk away from every casino a winner! Take it from Mensa, the society for people with high IQs: you don't have to be a genius to triumph at the tables. Here's the inside line on the games and bets that give the best advantage. Do you know whether to split a pair of aces in blackjack, which slot machines carry the worst payback for the player, and why losses are more significant at video than "live" keno? Beat the bank by understanding all this and more, including odds and probability, the "house edge," money management, and gambling psychology. The chips will just pile up. The author lives in New York, NY.

The Oxford Handbook of Crime and Public Policy-Michael Tonry 2011 Much of the scholarly literature and principal books on criminal justice and crime control policy take the operations of the criminal justice system, the causes of crime and delinquency, theories about crime and justice, and crime prevention as the central topics for study and policy analysis. But law enforcement and public officials create policy responses to specific crimes, not broad categories of offenses. In order to develop the most effective policies, one needs to understand why particular crimes occur and what approaches might best prevent them or minimize the harm they cause. Taking this fresh perspective, The Oxford Handbook of Crime and Public Policy offers a comprehensive examination of crimes as public policy subjects. Michael Tonry, a leading authority on criminology, has brought together the most distinguished active scholars in the field to present a wide-ranging overview and analysis of violent and sexual crimes, property crimes, transactional crimes, transnational crimes, and crimes against morality. The crimes investigated range from often-discussed offenses (homicide, auto theft, sexual violence) to those that only recently began to receive attention (child abuse, domestic violence, environmental crimes); it includes new crimes (identity theft, cybercrime) as well as age-old crimes (drug abuse, gambling, prostitution). Written in a straightforward and accessible manner, each chapter explains why crimes happen, how often, and what we know about efforts to prevent or control them. Aimed at a wide audience of scholars, students, and policy makers, the Handbook is the definitive reference work on crimes and public policy responses to them.

The Noble Hustle-Colson Whitehead 2015 In 2011, Grantland magazine gave novelist Coloson Whitehead \$10,000 to play at the World Series of Poker in Las Vegas. Whitehead brilliantly details his progress, both literal and existential, through the event's antes and turns, through its gritty moments of calculation, hope, and spectacle. -- back cover.

The Biggest Bluff: How I Learned to Pay Attention, Master Myself, and Win-Maria Konnikova 2020-06-23 How a New York Times bestselling author and New Yorker contributor parlayed a strong grasp of the science of human decision-making and a woeful ignorance of cards into a life-changing run as a professional poker player, under the wing of a legend of the game

Exploitative Play in Live Poker-Alexander Fitzgerald 2018-11-19 Many poker players can make good decisions at the table with a reasonable frequency. Nevertheless, there are numerous situations where even very experienced players behave in predictable ways. These deeply-ingrained habits lead them to make mistakes. The problem is that these situations won't often arise at the table by chance - you have to make them happen. Exploitative Play in Live Poker is a ground-breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do.

To achieve this you will need to put to one side starting hand charts, balance and GTO (Game Theory Optimal) play. Instead you will incorporate new concepts that may well place you outside your comfort zone. However, your style will now be forcing the other players at the table outside of their comfort zone and, unlike you, they won't know how to adapt. Learn how to: Counter the auto-continuation-bettorDevelop a powerful donk-betting strategyUse the overbet, the check-raise and the three-barrel effectively As well as being a highly successful player, Alex Fitzgerald runs a poker consultancy that serves more than 1,000 professional poker players in 60 countries. As part of this work, he has very likely trawled through more hand history databases than anyone else. This gives him a unique insight into how players really play, especially when placed under pressure and forced into unfamiliar situations.

John Patrick's Roulette-John Patrick 1996-01 "Professional gambler John Patrick's books are among the most popular gaming books in the country. He takes players out of the red and keeps them in the black. His basic theory - that a player should be satisfied with a generous ten percent return on investment - can't be faulted. After all, if banks pay a much, much smaller return for holding money for a year, what's wrong with ten percent for a half hour's pleasure? Patrick knows roulette. It is the number-one gambling attraction in Europe and Asia and is becoming increasingly popular in American casinos. As he urges in his other books, Patrick cautions players to manage money shrewdly. They should be disciplined to press ahead when the wheel is spinning in their favor and pull back on a losing streak. He also asks that players become familiar with house rules. Blunders caused by ignorance still add up to losses. If possible, he tells players to patronize tables with a single rather than a double zero. And, above all, never bet on single numbers: That is suicidal."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
