Through Listening. He knows exactly what each individual person needs and what can help them the most. 25 years of experiencing the working of the Holy Spirit have been woven into these accounts. Building upon Listening Prayer and Listening Blessing, we are led into Listening Counselling. This book is not one (a book) which should teach a method, so that we can learn how to counsel as if following a recipe, but shares the accounts of the miracles which we experienced as we were closely led by the Holy Spirit. How well he knows his children, how he lovingly brings to their attention what is hidden and can be a help to us. So that the Father's children can finally enter and live in freedom.

Jezebel's War With America-Michael L. Brown 2019 Jezebel died 3,000 years ago. But her spirit lives today. Jezebel was the most wicked woman in the Bible, a powerful seductress who killed the prophets, led Israel into idolatry and immorality, and emasculated men. She was seductive and determined to snuff out the voices coming against her, because these voices were calling out for repentance. In twenty-first-century America, Jezebel

is not a person. But it's as if the spirit of Jezebel is alive again today. The influence of the same demonic force is being felt in the massive increase of pornography and sexual temptation, the militant spirit of abortion, the rise of radical feminism, and most importantly, in the attempt to silence prophetic voices. Just as Jezebel clashed with strong men almost three thousand years ago, the demonic spirit of Jezebel is powerful in America, and it is going after the church. This eye-opening book not only unveils the satanic plot to destroy America, beginning with an all-out assault on the church, but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation. This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church. OTHER BOOKS BY MICHAEL L. From miraculous conceptions, to birth without pain, and even birth with few contractions, God has performed the miraculous in Scripture and in the real life testimonies of women all over the world. God has been a part of every birth in history, and He can't wait to be a part of yours!

Elijah Among Us-John Loren Sandford 2002-06-01 Twenty-five years after the release of his ground-breaking book The Elijah Task, co-authored with his wife, Paula, a sequel comes from the powerful pen of John Sandford. In Elijah Among Us, he outlines a biblically rooted discussion of prophetic history and functioning, both how to instruct prophets and commission their office and how to inform the church about prophetic ministry. Sandford wrote this follow-up book because he sees a strong and even dangerous overemphasis in the church on the "giving of personal words," which is only one role of the prophetic office. The first section of this book develops a history of the prophetic office, how the office metamorphosed from one of warning into proclaiming God's gentle and merciful side, and becoming burden-bearers. Second, Sandford sets forth the working functions of prophets, explaining how they serve in twelve major roles, including bringing blessings, healing, warning of impending judgment, giving protection from tragedies, and offering direction, guidance, or confirmation. Readers will gain crucial knowledge of a widely misunderstood topic, helping them be discerning in these strategic end times. Authoritative and compelling, Elijah Among Us is a timely and vital work for the Body of Christ.

The Boy Without A Soul-K Duncan Deaton, MD 2021-02-10 The Boy Without a Soul By: K Duncan Deaton, MD The Boy Without a Soul is a thought-provoking novel about the rude confrontation between biblical inerrancy and the strange supernatural beliefs of some Christians, with science and modern morality. Because there is no one fundamentalist position, K Duncan Deaton creates a hybrid sect named the Roman Baptists. The story begins with an atheist oncologist Tom Tanner whose compassion confronts the church's fundamentalist dogma. It continues with the possibility of cloning Jesus from the communion service's transubstantiated flesh and blood. And the story ends, as it must, with the enactment of the perfect justice of God as described in the inerrant Bible.
