Her witchcraft has wreaked mass spiritual carnage through fear, manipulation, intimidation, and domination carried out by those who fall under her spell -- even those in leadership. Her wickedness has wounded and scarred countless believers, leaving them fearful, depressed, defeated, sick, and confused. Because of Jezebel, some have lost hope and aborted God's call on their lives. Her assault will continue until all of God's people are dead or defeated. Jezebel's bloodlust for death and destruction will only be stopped when met with spiritual violence. God's people must rise up in the power of the Holy Spirit to expose the spirit of Jezebel and her evil plans, gain authority, and war against her victoriously." --P.[4] of cover.

Elijah Among Us-John Loren Sandford 2002-06-01 Twenty-five years after the release of his ground-breaking book The Elijah Task, co-authored with his wife, Paula, a sequel comes from the powerful pen of John Sandford. In Elijah Among Us, he outlines a biblically rooted discussion of prophetic history and functioning, both how to instruct prophets and commission their office and how to inform the church about prophetic ministry. Sandford wrote this follow-up book because he sees a strong and even dangerous overemphasis in the church on the "giving of personal words," which is only one role of the prophetic office. The first section of this book develops a history of the prophetic office, how the office metamorphosed from one of warning into proclaiming God's gentle and merciful side, and becoming burden-bearers. Second, Sandford sets forth the working functions of prophets, explaining how they serve in twelve major roles, including bringing blessings, healing, warning of impending judgment, giving protection from tragedies, and offering direction, guidance, or confirmation. Readers will gain crucial knowledge of a widely misunderstood topic, helping them be discerning in these strategic end times. Authoritative and compelling, Elijah Among Us is a timely and vital work for the Body of Christ.

It's the End of the Church As We Know It-Marc Lawson 2011-07-28 Speaking in favor of the power of God and against the traditions of men, author Marc Lawson believes that signs and wonders, miracles and demonstrations of God s power are desperately needed to defeat the onslaught of darkness our culture is accepting and endorsing more and more each day. It s the End of Church as We Know It reflects a growing dissatisfaction with the current state of the church, saying there must be more God has for Christians outside of the box. Lawson is concerned that new believers are not only being catered to with faddish trends, but they are not being invited to experience a supernatural God. Only the power of the Holy Spirit and the manifestation of His gifts, says Lawson, will fulfill God s destiny for His church.

The Supernatural: the Place I Meet God-Rena Wilburn 2021-04-30 The traditions of men make the word of God of non-effect. However, when God and man are one, we can embrace endless possibilities of his grace. When the cloud of glory is moving, move with it. From glory to glory - faith to faith - victory to victory. The hidden mysteries in God are revealed to those who have a heart for him. As God reveals His secrets, we are transformed by the renewing of our mind to the word and ways of The Father. Reformation is needed as we continue to receive deeper and greater revelations from the Holy Spirit. Change is inevitable, not always welcomed, but necessary. As we change (metanoia) our thinking, our theology will shift, and it is then we discover the nuances of His grace (hesed) and love. Adventures with God into the SuperNatural realm will yield tremendous and awesome benefits. “The problem isn’t that I (God) haven’t given; it’s that you haven’t received (ask God to help you receive),” We receive most of these benefits as gifts of His grace by our spoken words. When what we see is not what we want, it’s not over for the Believer. Creative miracles, Recovery, and Restorations of things lost will become the Natural way of life in this SuperNatural move of God. Miracles will occur at an accelerated pace. It starts as we surrender to the will of the Father, change our thinking and begin to declare: “Restore, Restore.” The SuperNatural is the place we meet God. It is here that we are changed in the presence of his glory. It is the place where we embrace endless possibilities and where nothing, absolutely nothing, is impossible. It is here that God and man become one, and endless possibilities become our reality.
