Silken Prey-John Sandford 2013-05-08 A Lucas Davenport thriller by internationally bestselling novelist John Sandford Murder, scandal, political espionage and an extremely dangerous woman. Lucas Davenport's going to be lucky to get out of this one alive. A Minnesota political fixer has hit the jackpot - or so he thinks. Hired to take down the incumbent US senator with a vicious smear, to open the way for an ambitious, take-no-prisoners heiress who sees the Senate as merely a stepping-stone, he decides his payoff should be larger. The blackmail demand should yield some pretty large numbers, he thinks. Instead, he gets only a small one - 9 millimeters, to be exact. In the heart. Davenport is investigating the smear when the trail leads to the man's disappearance, then - very troublingly - to the Minneapolis police department, then - most troublingly of all - to a woman who could give Machiavelli lessons. She has very definite ideas about the way the world should work, and the money, ruthlessness and sheer will to make it happen. No matter who gets in the way. ***READERS LOVE THE PREY SERIES*** 'John Sandford knows all there is to know about detonating the gut-level shocks of a good thriller' The New York Times Book Review ? Buried Prey-John Sandford 2011-07-07 ****Don't miss John**

Sandford's brand-new, pulse-pounding thriller, *Bloody Genius*.

Out now in paperback and eBook****** A Lucas Davenport thriller by

internationally bestselling novelist John Sandford When a whole block is torn down in central Minneapolis to make way for a new housing development, an unpleasant surprise is unearthed - the bodies of two girls, wrapped in plastic, underneath an old house.

It looks like they've been down there a long time. Lucas

Davenport knows exactly how long. In 1985, Davenport was a young cop just about to be promoted out of uniform, despite a

reputation for playing fast and loose with the rules. A superb undercover guy, he was part of the massive police effort that followed the kidnapping of two girls who were never found again, dead or alive. The searches turned up nothing, so when the

suspected kidnapper was killed in a shoot-out, the case was closed. But not for Davenport. He'd gotten deep into the case, and

while he was convinced the suspect knew something, he didn't think he was the perpetrator - something just felt off. He argued

hard about it to his bosses, but nobody wanted to hear. Until now. With the bodies discovered, the case is dusted off, just to tie a

bow around it - but there's something wrong with the evidence. There are indications of tampering. Police tampering. And as

Davenport investigates, it becomes clear: it wasn't just the bodies that were buried, but the truth - and there are a lot of people with

a very strong stake in that truth never being uncovered.

An off-duty Coast Guardsman is fishing with his family when he calls in some suspicious behavior from a nearby boat. It's a snazzy craft, slick and outfitted with extra horsepower, and is zipping along until it slows to pick up a surfaced diver . . . a diver who was apparently alone, without his own boat, in the middle of the ocean. None of it makes sense unless there's something hinky going on, and his hunch is proved right when all three Guardsmen who come out to investigate are shot and killed. They're federal officers killed on the job, which means the case is the FBI's turf. When the FBI's investigation stalls out, they call in Lucas Davenport. Three Complete Novels-John Sandford 2000-11 A single-volume collection of three great novels by the suspense writer--Mind Prey, Sudden Prey, and Secret Prey-- offers plenty of plot twists and twisted characters for the author's many rabid fans.

Twisted Prey-John Sandford 2019-04 Lucas Davenport confronts an old nemesis, now a powerful U.S. senator, in the thrilling new novel in the #1 New York Times-bestselling Prey series. Find out why Stephen King calls John Sandford 'one of the great novelists of all time!' Lucas Davenport had crossed paths with her before. A rich psychopath, Taryn Grant had run successfully for the U.S. Senate, where Lucas had predicted she'd fit right in. He was also convinced that she'd been responsible for three murders, though he'd never been able to prove it. Once a psychopath had gotten that kind of rush, though, he or she often needed another fix, so he figured he might be seeing her again. He was right. A federal marshal now, with a very wide scope of investigation, he's heard rumors that Grant has found her seat on the Senate intelligence committee, and the contacts she's made from it, to be very...useful. Pinning those rumors down was likely to be just as difficult as before, and considerably more dangerous. But they had unfinished business, he and Grant. One way or the other, he was going to see it through to the end. ***READERS LOVE THE PREY SERIES*** 'The best Lucas Davenport story so far.
