1997-05-01 John Sandford "The stakes are high, the characters rich, the action relentless" (Publishers Weekly) in this Lucas Davenport novel from #1 New York Times bestselling author John Sandford. The crime spree should have ended when Lucas Davenport killed the female bank robber during the shoot-out. But it's just beginning, because the woman's husband isn't about to let Lucas—or anyone he loves—escape retribution. INCLUDES A NEW INTRODUCTION BY THE AUTHOR

2013-07-04 John Sandford Murder, scandal, political espionage and an extremely dangerous woman. Lucas Davenport's going to be lucky to get out of this one alive. A Minnesota political fixer has hit the jackpot - or so he thinks. Hired to take down the incumbent U.S. senator with a vicious smear, to open the way for an ambitious, take-no-prisoners heiress who sees the Senate as merely a stepping-stone, he decides his payoff should be larger. The blackmail demand should yield some pretty large numbers, he thinks. Instead, he gets only a small one - 9 millimeters, to be exact. In the heart. Davenport is investigating the smear when the trail leads to the man's disappearance, then - very troublingly - to the Minneapolis police department, then - most troublingly of all - to a woman who could give Machiavelli lessons. She has very definite

ideas about the way the world should work, and the money, ruthlessness and sheer will to make it happen. No matter who gets in the way.

2020-02-06 John Sandford A Lucas Davenport thriller by internationally bestselling novelist John Sandford In the mist and rain of a Minnesota spring, the body of a woman is found in a shallow grave. When the murder is connected with an erotic drawing of the victim, the police call on Lucas Davenport's expertise. Then Davenport makes a grisly discovery - more drawings just like those of the first victim. Drawings that, no doubt, hint at more murder victims to come . . . \*\*\*READERS LOVE THE PREY SERIES\*\*\* 'John Sandford knows all there is to know about detonating the gut-level shocks of a good thriller' The New York Times Book Review 'The best Lucas Davenport story so far. 2023-09-05 John Sandford Beloved heroes Lucas Davenport and Virgil Flowers are up against a powerful vigilante group with an eye on vengeance in the latest in the beloved series by the #1 New York Times bestselling author. "We're going to murder people who need to be murdered." So begins a press release from a mysterious group known only as "The Five," shortly after a vicious predator is murdered in San Francisco. The Five is believed to be made up of vigilante killers who are very bored...and very rich. They target the worst of society—rapists, murderers, and thieves—and then use their unlimited resources to offset the damage done by those who they've killed, donating untraceable Bitcoin to charities and victims via the dark net. The Five soon become the most popular figures on social media, a modern-day Batman...though their motives may not be entirely pure. After a woman is murdered in the Twin Cities, Virgil Flowers and Lucas Davenport are sent in to investigate. And they soon have their hands full--the killings are smart and carefully choreographed, and with no apparent direct connection to the victims, The Five are virtually untraceable. But if anyone can destroy this group, it will be the dynamic team of Davenport and Flowers.

2001-01-01 John Sandford Lucas Davenport confronts a living nightmare in one of the scariest Prey novels yet from the #1 bestselling author.

2002-05-13 John Sandford Years ago, Lucas Davenport almost died at the hands of Clara Rinker, a pleasant, soft-spoken, low-key Southerner, and the best hitwoman in the business. Now retired and living in Mexico, she nearly dies herself when a sniper kills her boyfriend, the son of a local druglord, and while the boy's father vows vengeance, Rinker knows something he doesn't: The boy wasn't the target-she was-and now she is going to have to disappear to find the killer herself. The FBI and DEA draft Davenport to help track her down, and with his fiancée deep in wedding preparations, he's really just as happy to go-but he has no idea what he's getting into. For Rinker is as unpredictable as ever, and between her, her old bosses in the St. Louis mob, the Mexican druglord, and the combined, sometimes warring, forces of U.S. law enforcement, this is one case that will get more dangerous as it goes along. And when the crossfire comes, anyone standing in the middle won't stand a chance.... Filled with the rich characterization and exceptional drama that are his hallmarks, *Mortal Prey* proves that John Sandford just keeps getting better.

2018-04-03 John Sandford THE NEW YORK TIMES BESTSELLER Lucas Davenport's first case as a U.S. Marshal sends him into

uncharted territory in the thrilling new novel in the #1 New York Times-bestselling series. The man was smart and he didn't mind killing people. Welcome to the big leagues, Davenport. Thanks to some very influential people whose lives he saved, Lucas is no longer working for the Minnesota Bureau of Criminal Apprehension, but for the U.S. Marshals Service, and with unusual scope. He gets to pick his own cases, whatever they are, wherever they lead him. And where they've led him this time is into real trouble. A Biloxi, Mississippi, drug-cartel counting house gets robbed, and suitcases full of cash disappear, leaving behind five bodies, including that of a six-year-old girl. Davenport takes the case, which quickly spirals out of control, as cartel assassins, including a torturer known as the "Queen of home-improvement tools" compete with Davenport to find the Dixie Hicks shooters who knocked over the counting house. Things get ugly real fast, and neither the cartel killers nor the holdup men give a damn about whose lives Davenport might have saved; to them, he's just another large target. Filled with his trademark razor-sharp plotting and some of the best characters in suspense fiction, *Golden Prey* is further reason why "Sandford has always been at the top of any list of great mystery writers" (The Huffington Post).

2008-04-29 John Sandford "A crackling addition to [the] Prey series" (Entertainment Weekly) from #1 New York Times bestselling author John Sandford. In a wealthy Minneapolis neighborhood, two elderly women are bludgeoned to death. They are apparent victims of a random robbery, though nothing of value appears to have been stolen. But when Lucas Davenport looks deeper, he fears that the victims weren't so random, and the items stolen were far from invaluable. As a pattern emerges it leads Lucas to...certainly not where he expected. Which is too bad, because the killers are expecting him. And that's only the first surprise...

2020-07-09 John Sandford \*\*Don't miss John Sandford's brand-new thriller Ocean Prey - out now\*\* A Lucas Davenport thriller by internationally bestselling novelist John Sandford Having spent the past two years in hiding following a daring and successful heist, a big-time robber is back in Minneapolis chasing the opportunity for an even greater steal. The big Republican party convention is in a couple of weeks: thousands of people spending cash, which is flowing into a relatively inadequate Brinks warehouse, protected by only three or four armed guards. And if the robber can distract the cops with an alert to a possible assassination, it is

his for the taking. Meanwhile, Lucas Davenport has his own problems. He is being targeted by a psychopath, who blames Davenport for the fact he's in a wheelchair. Only it's not Davenport he's going after; it's his daughter, Letty.

2018-05-03 John Sandford \*\*Don't miss John Sandford's brand-new, pulse-pounding thriller, Masked Prey, available now\*\* Lucas Davenport confronts an old nemesis, now a powerful U.S. senator, in the thrilling new novel in the #1

New York Times-bestselling Prey series. Find out why Stephen King calls John Sandford 'one of the great novelists of all time'! Lucas Davenport had crossed paths with her before. A rich psychopath, Taryn Grant had run successfully for the U.S. Senate, where Lucas had predicted she'd fit right in. He was also convinced that she'd been responsible for three murders, though he'd never been able to prove it. Once a psychopath had gotten that kind of rush, though, he or she often needed another fix, so he figured he might be seeing her again. He was right. A federal marshal now, with a very wide scope of investigation, he's heard rumors that Grant has found her seat on the Senate intelligence committee, and the contacts she's made from it, to be very...useful. Pinning those rumors down was likely to be just as difficult as before, and considerably more dangerous. But they had unfinished business, he and Grant. One way or the other, he was going to see it through to the end. \*\*\*READERS LOVE THE PREY SERIES\*\*\* 'The best Lucas Davenport story so far. 2015-10-22 John Sandford The extraordinary new Lucas Davenport thriller from the number one New York Times-bestselling author and Pulitzer Prize-winner John Sandford. They call them Travelers. They move from city to city, panhandling, committing no crimes-they just like to stay on the move. And now somebody is killing them. Lucas Davenport's adopted daughter, Letty, is home from college when she gets a phone call from a woman Traveler she'd befriended in San Francisco. The woman thinks somebody's killing her friends, she's afraid she knows who it is, and now her male companion has gone missing. She's hiding out in North Dakota, and she doesn't know what to do. Letty tells Lucas she's going to get her, and, though he suspects Letty's getting played, he volunteers to go with her. When he hears the woman's story, though, he begins to think there's something in it. Little does he know. In the days to come, he will embark upon an odyssey through a subculture unlike any he has ever seen, a trip that will not only put the two of them in danger-but just may change the course of his life.

\*\*THE #1 NEW YORK TIMES BESTSELLING THRILLER\*\*  
Lucas Davenport and Virgil Flowers join forces on a deadly maritime case like no other... An off-duty Coast Guardsman is fishing with his family when he calls in some suspicious behaviour from a nearby boat. The slick craft has stopped to pick up a surfaced diver, who was apparently alone, without his own boat, in the middle of the ocean. None of it makes sense, and his hunch is proved right when all three Guardsmen who come out to investigate are shot and killed. They're federal officers killed on the job, which means the case is the FBI's turf. And when the FBI's investigation stalls out, they call in Lucas Davenport. But when the case

turns lethal, Davenport will need to bring in every asset he can claim, including a detective with a fundamentally criminal mind: Virgil Flowers. In a case like no other, Flowers and Davenport will need to work together to catch the killers - before they become targets themselves. \*\*\*WHAT READERS ARE SAYING ABOUT OCEAN PREY\*\*\* 'John Sandford is my benchmark for thriller writers... 2019-02-21 John Sandford A Lucas Davenport thriller by internationally bestselling novelist John Sandford Two bodies are found hanging from a tree in the woods of Northern Minnesota. 'Lynching' is the word everybody is trying not to say. But when the bodies are those of a black man and white woman, it's hard to see how it could be anything else. Lucas Davenport, now married and a new father, has moved up to state level. His new job is to work on those cases too complicated or politically touchy for others to handle. As he begins to investigate, he discovers that the murders are not, in fact, what they appear to be. Nor are they the end of it. There is worse to come - much, much worse . . . With the girl who discovered the bodies, feisty twelve-year-old Letty, acting as his unofficial guide, Lucas faces one of the most challenging cases of his career. Will he be able to protect the young girl who is proving far too observant for her own good . . . ? \*\*\*READERS LOVE THE PREY SERIES\*\*\* 'The best Lucas Davenport story so far.

2011-07-07 John Sandford A Lucas Davenport thriller by internationally bestselling

novelist John Sandford When a whole block is torn down in central Minneapolis to make way for a new housing development, an unpleasant surprise is unearthed - the bodies of two girls, wrapped in plastic, underneath an old house. It looks like they've been down there a long time. Lucas Davenport knows exactly how long. In 1985, Davenport was a young cop just about to be promoted out of uniform, despite a reputation for playing fast and loose with the rules. A superb undercover guy, he was part of the massive police effort that followed the kidnapping of two girls who were never found again, dead or alive. The searches turned up nothing, so when the suspected kidnapper was killed in a shoot-out, the case was closed. But not for Davenport. He'd gotten deep into the case, and while he was convinced the suspect knew something, he didn't think he was the perpetrator - something just felt off. He argued hard about it to his bosses, but nobody wanted to hear. Until now. With the bodies discovered, the case is dusted off, just to tie a bow around it - but there's something wrong with the evidence. There are indications of tampering. Police tampering. And as Davenport investigates, it becomes clear: it wasn't just the bodies that were buried, but the truth - and there are a lot of people with a very strong stake in that truth never being uncovered. \*\*\*READERS LOVE THE PREY SERIES\*\*\* 'The best Lucas Davenport story so far. 2018-11-29 John Sandford A Lucas Davenport thriller by internationally bestselling novelist John Sandford Five men go hunting. Only four come back alive. It's up to Lucas Davenport to untangle the secrets that bind these men together and uncover his prey... The company chairman lay on the cold ground of the woods, his eyes unseeing, his orange hunting jacket punctured by a rifle bullet at close range. Around him stood

the four executives with whom he had been hunting, each with his or her own complicated agenda, each with a reason not to be sorrowful about the man's death. If he read it in a book, Lucas Davenport thought, it would seem like one of those classic murder mysteries, the kind where the detective gathers everyone together at the end and solves the case with a little speech. But it wasn't going to be that easy, he knew. There were currents running through this group, hints and whispers of something much greater than the murder of a single man. He had felt this way not long before, sensed the curling of an indefinable evil, and not only had it nearly gotten him killed, it had lost him the woman he loves. Sometime soon, unless he could stop it, there would be another death, and then still another, and Davenport couldn't help but wonder if maybe this time, the final death might not be his own. . . . John Sandford has written extraordinary thrillers before, but nothing to top the startling twists and unrelenting suspense of *Secret Prey*. \*\*\* Praise for SECRET PREY\*\*\* 'Don't start if you don't plan to finish it in one sitting' Richmond Times-Dispatch 'By far the best Prey' The Associated Press 'Excellent... compelling... everything works. *Secret Prey* enthralls' USA Today 'Full of smart suspense and deduction as well as explosive action... the villain is a masterful creation' Publishers Weekly 'This killer is a brilliant piece of work—intelligent, clever, bold, and sneaky... vivid

and satisfying' The Denver Post 'Sandford has sustained his "Prey" thrillers by varying the premise with imaginative plotting; shifting points of view; a subtle, melancholy protagonist; and most of all, great villains. The ninth Prey novel may well be the best, and that's high praise in the context of such a consistently entertaining body of work' Booklist 'Events from earlier Prey novels weave intriguingly through this one, inviting the reader to plunge into the entire series' Kirkus

2019-10-03 John Sandford A LUCAS DAVENPORT THRILLER BY GLOBAL BESTSELLING AUTHOR JOHN SANDFORD He knows how killers think. But what if this killer knows more? It's raining when psychiatrist Andi Manette leaves the parent-teacher meeting with her two daughters. She's tired and distracted, so she doesn't notice the red van parked beside her, or the van door slide open. The last thing she does notice is the hand reaching out for her and her girls . . . Hours later, deputy chief Lucas Davenport stands in the car park holding a blood-stained shoe in his hand. He knows that this case will be difficult, but he's got no idea that he might have met his match in a nemesis more intelligent - and more depraved

- than any he has tracked before. A killer who knows more about mind games than even Davenport himself. Time is running out to find Andi and her daughters. Will this be the one case that Davenport can't solve? But when it turns out he had very high government connections, state troubleshooter Lucas Davenport gets the call. Well, Lucas and a mysterious Russian cop with secrets all her own. Together, they'll follow a trail back to another place and another time, and battle the shadows they discover there—shadows that turn out to be both very real and very deadly.

2016-12-29 John Sandford After the events in *Gathering Prey*, Lucas Davenport finds himself

in a very unusual situation—no longer employed by the Minnesota BCA. His friend the governor is just cranking up a presidential campaign, though, and he invites Lucas to come along as part of his campaign staff. “Should be fun!” he says, and it kind of is—until they find they have a shadow: an armed man intent on killing the governor . . . and anyone who gets in the way.

1993-03-01 John Sandford Make noise for a new Prey package and new author introduction! Dr. Mike Bekker, a psychotic pathologist, is back on the streets, doing what he does best—murdering one helpless victim after another. Lucas Davenport knows he should have killed Bekker when he had the chance. Now he has a second opportunity—and the time to hesitate is through.

2014-05-08 John Sandford The extraordinary new Lucas Davenport thriller from the number one New York Times-bestselling author and Pulitzer Prize winner John Sandford. 'He knows where the bodies are buried.' A familiar expression, often said with a laugh. But in Lucas Davenport's line of work, it's sometimes all too true.... When a county deputy is called out to an abandoned farmhouse in the cornfields of Minnesota by a couple of terrified teenagers, he finds that a body has been stuffed down a cistern. And then another, and another. By the time Lucas Davenport is called in, the police are up to fifteen bodies, and counting. And when Lucas begins to investigate, he makes some disturbing discoveries of his own. The victims have been killed over a great many years, one every summer, regular as clockwork. How could this have happened without anybody noticing? Because one thing was for sure: The killer has to live close by. He is probably even someone they see every day...
