

figures from Nicodemus to "the beloved disciple" to Papias. Originally published in various journals and collections, these essays are now available for the first time in one affordable volume with a substantial new introduction that ties them all together. A must-have for serious students of the Fourth Gospel.

The Missions of Jesus and the Disciples According to the Fourth Gospel-Andreas J. Köstenberger 1998 In this exegetical study of the Gospel of John, Andreas Kostenberger strives to discover and articulate a thoroughly biblical theology of mission which would have contemporary implications for how the church responds to Christ's mandate.

The Beloved Disciple's Memoirs and Letters-Robert James Utley 1997

John's Gospel in New Perspective-Richard J. Cassidy 2015-02-10 The conflict between Christianity and Roman Imperial theology manifested at very early stages in Christian history. Richard Cassidy argues that ignoring or downplaying such political-theological implications because of some supposedly manifest separation between spiritual belief and politics is both shortsighted and unbiblical. In this fascinating and original reading of the Gospel of John, it becomes clear that Christology is not merely theological theorizing, but a matter of immense political import.

Beloved Disciple - Bible Study Book (New Look)-Beth Moore 2018-09-03 Enjoy this classic content from the Beth Moore library for the first time or as a refresher to your faith. It is the same great Bible study with a new look! You Are Christ's Beloved John the apostle must have thought he had seen everything. Having been with Jesus all the years of His ministry, John witnessed more miracles than he could count, saw more displays of power than he could comprehend, and experienced more love than he could fathom. John was there when Jesus turned the water to wine, offered living Water to the woman at the well, yielded to His Father's will in the garden of Gethsemane, and gave His life on a Roman cross. And one unforgettable morning young John outran Peter to his Savior's empty tomb. Yet God had more in store for the Son of Thunder. As the other disciples were martyred one by one, John remained to write his sublime Gospel proclaiming Jesus' identity as the eternal Word of God. In his three letters John left a legacy of divine love to ignite the passion of future believers. And while exiled on Patmos, John recorded His risen Lord's glorious revelation of victory and hope. John referred to himself as "the disciple whom Jesus loved." Just as Christ took John on a lifelong journey into the depths of His love, He will do the same for you. The Bridegroom's love is unmatched and inexhaustible, and He is waiting to lavish it on you, His beloved. Features: Eleven teaching sessions available approximately one hour in length each session Classic, original teaching by Beth Moore Leader Guide available as free PDF on LifeWay.com/BelovedDisciple Personal Study to be completed between the 11 group sessions Benefits: Learn about the Beloved Disciple, John, and his life as a follower of Jesus. Discover John's legacy of love as you study God's Word. Find the heart of the Bridegroom for His Bride, the church, and for you.

Journeying with John-James Woodward 2014-09-18 Readings from the Gospel of John are brought into all the other years, for major occasions like Christmas or Easter, and to help reflection about the meaning of Jesus' life and teaching. There are also several miracles (or 'sings') which are not mentioned in the other Gospels and can only be found in John, such as the wedding at Cana. A large proportion of the Gospel of John appears in Years A, B and C. The series' unique slant is that it asks readers to use their imagination 'to bring the Gospel to life.' It asks them to visualize themselves in the scenes that John describes in order to see the Gospels in a fresh and exciting way.

Life in Abundance-Raymond Edward Brown 2005 "Primarily a collection of essays (originally papers) and responses given at 'An International Conference on the Gospel of John: Life in Abundance,' held at St. Mary's Seminary and University in Maryland, October 16-18, 2003; the book includes presentatio

St John's Gospel-Malcolm Bishop QC 2017-11-21 A completely new translation from the original Greek in contemporary English John's story of Jesus is arguably the most outstanding of the four gospels. It tells us so many things about him that cannot be found in Matthew, Mark and Luke. Much of what we learn about Jesus in John has to do with the fact that he is presented as the complete revelation of God in human form. In St John's Gospel, John is easier to read. The book uses contemporary language and idioms, and highlights the extensive use of the present tense in John's narrative. In John, the past is interspersed with the present to create a more lively, edgy narrative. The pace, immediacy and earthiness of John's gospel is preserved in this colourful and vivid story. This book beautifully captures something of the essence of why Jesus was such a compelling figure to his contemporaries, and such a challenging individual to us today.

The Three Pillars-Barbara J. Sivertsen 2010-05-10 The Three Pillars: How Family Politics Shaped the Earliest Church and the Gospel of Mark, examines how family relationships played a key role in the earliest Christian church. By disentangling the two disparate genealogies of Jesus, the author reconstructs the families of Joseph and Mary. Presented here for the first time is the full ancestry of Jesus' mother, Mary, who was descended from the anti-Hasmonean high priest Alcimus. The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church's earliest leadership struggle and that a composite of these two women, not Mary Magdalene, was the basis for the Gnostic Mary of later Christian works. The author next explores how this early leadership conflict shaped the Gospel of Mark, which she argues was written by Peter's son. She discusses Mark's footprint in this Gospel and how Mark's resentment of the relatives of Jesus, his ambivalence toward his father, and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel, features that have perplexed biblical scholars and laymen for centuries. The last section examines the mysterious Beloved Disciple in the Gospel of John. The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem. The book's final chapter offers reflections on how kinship played an important role in Jesus' ministry and how the high priestly-leadership responded to him in part because of his family lineage.

The Gospel of Love-Hester Alway 1917

The Disciple Whom Jesus Loved-Edward Reaugh Smith 2000-08-01

The Gospel of the Beloved Disciple-Paul Edward Kretzmann 19??

The Gospel of John-R. Jackson Painter 2010-12-03 Part of the genius of the Gospel of John comes from how the author infuses the gospel message into every part of the Gospel. In The Gospel of John: A Thematic Approach, Jackson Painter investigates John's literary-theological strategy by identifying seven key themes and showing the reader how to detect them in any portion of the Gospel as well as how to see the themes interacting with one another to create John's distinct theological message about Jesus Christ, the Son of God. The author gives numerous examples of the elements and motifs that comprise the themes and presents three studies that illustrate how the themes interact. Students of the Gospel of John will come away with a newfound ability to understand and interpret the Gospel of John. "What a gift! In this easy to follow and helpful book, Painter patiently explains how each key theme in John's gospel works and then explores how it relates to other themes and contributes to the overall narrative flow of the gospel. I can't think of a more reliable reader's guide to the Gospel of John than this book." --Robb Redman Dean and Vice President Multnomah Biblical Seminary Author of The Great Worship Awakening: Singing a New Song in the Postmodern Church "The beloved gospel of John comes to life in a fresh way through Jack Painter's thematic approach. Dr. Painter has a unique ability to blend theological depth and heartfelt devotion. For an age that is adrift-theologically, morally, philosophically, and spiritually-Painter's work provides much needed ballast. He holds forth John's gospel as a tapestry of themes. He then carefully unweaves the golden threads that we might gain a deeper, richer, fuller appreciation of our Savior. This is a great resources for groups, preaching series, classrooms, and personal spiritual growth." --Bill Giovannetti Professor AW Tozer Theological Seminary R. Jackson Painter is Associate Professor of New Testament and Greek at Simpson University in Redding, California and Adjunct Professor of New Testament for the A. W. Tozer Theological Seminary in Redding, California.

John 11-21-Joel C. Elowsky 2007-04-27 The Gospel of John was beloved by the early church for its spiritual insight and clear declaration of Jesus' divinity. In addition to the homilies of John Chrysostom, readers of this ACCS volume will find selections from Origen, Cyril of Alexandria, and Augustine, supplemented with homiletic material, liturgical selections, and doctrinal material from scores of other church fathers.

Drawn Into the Mystery of Jesus Through the Gospel of John-Jean Vanier 2004 Jean Vanier is the founder of l'Arche and co-founder of Faith and Light,

both communities for people with disabilities. In this book, he shares with the reader the message of the Gospel of John, finding his meaning in the readings and teachings.

The Cross-and-Resurrection-Deolito V. Vistar Jr. 2020-01-17 Focusing on the present text of the Fourth Gospel, Deolito V. Vistar, Jr. argues that the "signs" are not only the eight major miracles recounted in the Gospel, but also include non-miraculous deeds of Jesus (the temple "cleansing," the washing of the disciples' feet, and so forth) that equally reveal his true identity and role as the incarnate Word of God, the supreme revealer of the Father, the Savior of the world, and so forth. Based on this broad meaning and reference, the author further argues that the complex of the cross-and-resurrection is the supreme "sign." The earlier "signs" adumbrate and lead up to the "sign" par excellence, where Christ supremely reveals who he is and accomplishes the salvation of the world. The author builds up his case by mustering fresh arguments from the text, yielding insights and conclusions that contribute to the continuing broader interpretation of the Fourth Gospel.

John, the Maverick Gospel-Robert Kysar 2007 John, the Maverick Gospel has long been regarded as one of the most trustworthy introductions to the Fourth Gospel, paying special attention to the literary and theological dimensions of this Gospel without neglecting historical and other approaches. Robert Kysar, an international expert on John's Gospel, has now revised this useful classroom tool to bring the scholarly discussions up to date and to add sections on women in the Gospel of John as well as postmodern approaches to the Gospel. This classic text provides an accessible entry into the important critical issues of John's Gospel, both on its own terms and in comparison to the Synoptic Gospels, offering a sure foundation for scholarly study of the book as well as theological interpretation and preaching.

The Eagle Returns-C. Paul Burnham 2018-03-22 The Gospel of John was long assumed to be the work of an eyewitness, usually identified as John, son of Zebedee. More recently, many have judged it the unhistorical product of a "Johannine community." Reconsideration by Richard Bauckham has suggested that the author was a Jerusalem disciple who housed the "Last Supper." This book explores the possibility that he was present at most of the events he described. It contends that John's Gospel reveals the real Jesus and that the Evangelist was one of the most perceptive Christian writers of all time. The Gospel strongly advocates belief that Jesus was uniquely related to God, and hence uniquely authoritative, thus providing an urgent evangelical thrust to this book.

The Temple of Jesus' Body-Alan Kerr 2002-08-02 This book is a study of the Johannine Christian response to the fall of the Jerusalem Temple in 70 ce. A crucial text in this investigation is Jn 2.13-22 and its context, which provide a lens through which other texts in John are viewed. Kerr's examination of the Temple festivals of Passover, Tabernacles, Dedication suggests that in Jesus fulfils and replaces these, while in the case of the Sabbath he effects a transformation. The overall conclusion is that the Johannine Jesus replaces and fulfils the Jerusalem Temple.

Understanding, Studying and Reading-Christopher Rowland 1998-01-01 This collection of essays, largely written by members of the Oxford theological community, was presented to John Ashton on his 65th birthday in 1996. The essays deal with Elijah in Mark, a Q passion narrative, the Gospel thief saying, John's Beloved Disciple, the temple incident (Jn 2.13-25) and history and theology. Outside of the Gospels, they discuss God's wrath in Romans 1, Philippians 1.1-11, Hebrews 4.13, Peter and Paul behind Revelation, and hermeneutical method. Specialists from outside the New Testament field contribute studies of the patristic doctrine of Scripture, the Syriac Diatessaron, William Tyndale, the theology of the resurrection and the Byzantine understanding of John. John Ashton was, before his retirement, Lecturer in New Testament and Fellow of Wolfson College, Oxford.

Interpreting the Gospel of John-Gary M. Burge 1992 The Gospel of John has become so familiar and seems so simple that it is easy to overlook its special challenges, says the author of this helpful guide. Interpreting the Gospel of John presents an easy-to-follow, step-by-step plan for exegeting the Fourth Gospel. It leads beginners through the maze of academic discussion concerning origins, authorship, and interpretation. Textual, cultural, and literary considerations are explained, and leading commentaries on the Gospel of John are rated according to scholarship and reliability. The final section of the volume focuses on preaching and teaching from John. Interpreting the Gospel of John is part of the Guides to New Testament Exegesis series, covering various genres of New Testament literature.

The Gospel of John-Charles Raith 2017-03-16 The Gospel of John: Theological-Ecumenical Readings brings together leading Catholic, Orthodox, and Evangelical theologians to read and interpret John's Gospel from within their ecclesial tradition, while simultaneously engaging one another in critical dialogue. Combining both theological exegesis and ecumenical dialogue, each chapter is uniquely structured with a main essay by a Catholic, Orthodox, or Evangelical theologian on a section of John's Gospel, followed by two responses from theologians of the other two traditions. The chapter concludes with a final response from the main author. Readers are thus provided with not only a deep and engaging reading of the Gospel of John but also the unfolding of a rich theological-ecumenical dialogue centered on an authority for all Christians, namely, the Gospel of John.

Discoursing with the Beloved-A. Minor 2018-09-29 Written by one of Jesus' closest disciples, the Gospel of John gives one of the clearest and most profound understandings of who Jesus truly was to the people directly impacted by His three year ministry on earth, as well as who Jesus is to His followers today. More intimately than the three synoptic Gospels, John relates Jesus' ministry and the seven "signs" that articulate His glory and majesty as the Son of God. Further, within John's account of the life of Christ, we see the transformation of a thunderous Galilean fisherman into a beloved disciple of Jesus Christ. Discoursing with the Beloved unpacks the Gospel of John in a touching way that everyone can enjoy. By expounding upon the Scriptures in a clear and exegetical way, it has the flavor of a commentary. However, by bringing scriptures that are hundreds of years old to the forefront of the 21st century American mind, it is remarkably applicable, like a devotional. With subjects such as baptism, persecution, the Holy Spirit, and perseverance, Christians and non-Christians alike will glean from its pages. However, with less familiar subjects such as the temple and righteous rebuking, the reader will be challenged in their walk with the Lord and their understanding of the Scriptures. This 40 day devotional through the Gospel of John is designed to inspire you to strive towards a more intimate and genuine and joyful experience with the Savior.

Luke-Meynet Roland 2015-03-27 The Gospel of Luke, with its refined Greek, offers us a gospel of decision, of crossroads, that speaks to our times. Known as "A Gospel of Prayer" Luke is the one of the four Gospels whose theme is "sonship": the Sonship of Jesus, of course, but also ours. This third Gospel is the transition between Matthew and Mark and the "spiritual Gospel" of John, the Beloved Disciple, which is traditionally placed as the culmination of the evangelical revelation. An initial approach to the Gospel of Luke can give an impression of disorder, as if it were a compilation of disconnected fragments. Many commentators have taken note of this aspect. However, Roland Meynet disagrees, pointing out that "it has been written in an orderly way". We cannot forget that the New Testament was born in the Jewish world and that it is deeply etched by the writing techniques appropriate to that time. Having worked for more than 30 years in biblical and Semitic rhetoric, Meynet shows us the admirable and extremely precise composition of the Gospel of Luke. His commentary proposes unexpected interpretations in contrast with traditional readings. Meynet offers a "word by word", step by step reading based on the latest achievements of modern linguistics, giving an interpretation of the text that manifests all its originality and strength.

The Gospel of John in Modern Interpretation-Stanley E. Porter 2018-10-30 The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries. The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives, followed by summaries and evaluations of their major works, and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship. Key thinkers surveyed include C. H. Dodd, Rudolph Bultmann, Raymond Brown, Leon Morris, and R. Alan Culpepper. An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F. C. Baur to the present, and examine how these eight scholars' contributions to Johannine studies have shaped the field. Anyone interested in the recent history of the study of John will find this volume indispensable.

John Beloved Disciple-Robert L. Reymond 2001-01 Examines the themes, concepts and theology of John in his gospel, his letters, and in Revelation. A superb analysis of the writings and theology of the books written by John Reymond also responds to the two modern theologies of Bultmann and Kaseman.

## Read Online John The Beloved Gospel

Getting the books **john the beloved gospel** now is not type of inspiring means. You could not single-handedly going later ebook increase or library or borrowing from your links to get into them. This is an no question easy means to specifically acquire lead by on-line. This online proclamation john the beloved gospel can be one of the options to accompany you once having new time.

It will not waste your time. assume me, the e-book will very impression you other thing to read. Just invest tiny period to open this on-line statement **john the beloved gospel** as competently as evaluation them wherever you are now.
