2020-09-28 Charles Fort "Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

1997-04-01 John Wooden NATIONAL BESTSELLER "I am just a common man who is true to his beliefs."--John Wooden Evoking days gone by when coaches were respected as much for their off-court performances as for their success on the court, Wooden presents the timeless wisdom of legendary basketball coach John Wooden. In honest and telling passages about virtually every aspect of life, Coach shares his personal philosophy on family, achievement, success, and excellence. Raised on a small farm in south-central Indiana, he offers lessons and wisdom learned throughout his career at UCLA, and life as a dedicated husband, father, and teacher. These lessons, along with personal letters from Bill Walton, Denny Crum, Kareem Abdul-Jabbar, and Bob Costas, among others, have made Wooden: A Lifetime of Observations and Reflections on and off the Court an inspirational classic.

2014-06-11 Jeff Duke With more than 60 million athletes involved in sports in America, it is estimated that one coach will impact more people in one year than the average person does in a lifetime. Today's coach could be one of the greatest authoritative figures in the life of today's adolescent. So the question isn't whether coaches leave a legacy, but rather, what will that legacy be? Current trending research shows that only 15% of coaches are intentional about coaching beyond the skills and strategies of the game (1st Dimension). A 3-Dimensional Coach understands and harnesses the power of the coaching platform to coach the mind (2nd Dimension) and transform the heart (3rd Dimension). They can be the catalysts for internal transformation that guides both the coach and the athlete on a spiritual journey to finding purpose in our performance-based culture. Now that's a legacy! In 3D Coach, National Coaches Training Director Jeff Duke shares his own journey through the three dimensions of coaching and how it has impacted his life and those around

him. He also shares the personal stories of coaches from all levels who have implemented the 3D concept into their own programs and who have pointed to Jesus Christ, the Master Coach, as the ultimate example of how to lead athletes to true significance.

2004-05-14 John Wooden NATIONAL BESTSELLER For John Wooden's millions of fans--a heartfelt and revealing self-portrait about the people and events that shaped his life Sports Illustrated declared: "There has never been a finer coach in American sports than John Wooden. Nor a finer man." ESPN selected him as the "Greatest Coach of the 20th Century." From his birth on an Indiana tenant farm, to All-American honors at Purdue, to his historic record-setting UCLA dynasty, John Wooden is a towering figure in 20th-century sports, and his experience and wisdom an American treasure. In My Personal Best, Coach Wooden tells how he did it and the lessons he learned on his remarkable journey. Pairing never-before-seen photos from Coach Wooden's private collection with his personal stories and affirmations, this book encompasses the dramatic arc of Wooden's larger-than-life achievements and experiences. As he did in his perpetual bestseller Wooden, Coach offers a wealth of biographical details, personal reflections, and a lifetime of lessons. His millions of fans will cherish this definitive pictorial history of a living sports legend. "John Wooden is a living legend because he practiced what he preached--the code of ethics which created America's strength." --Phil Jackson, head coach, Los Angeles Lakers "Most of what I know, what's made me a smart man, has come from John Wooden." --Kareem Abdul-Jabbar, Naismith Basketball Hall of Famer "A man of John Wooden's accomplishments and integrity would stand out in any era, but now, almost three decades after he coached his last game, he is in some ways an even more striking figure." --Bob Costas

2012-03-01 Paul Buyer "Weaves together thoughts, stories, and quotes from top performers in music, business, and sports to help you achieve excellence" (Jeff Janssen, founder and president of the Janssen Sports Leadership Center). Does excellence relentlessly drive you? Does mediocrity constantly bother you? In Working Toward Excellence, Clemson University professor Paul Buyer identifies eight values for achieving excellence in work and life including hunger, effort, process, quality, consistency, leadership, time, and perseverance. Each chapter features inspiring stories, questions, and quotes from respected professionals who have achieved uncommon success in business, sports, education, and the arts such as John Maxwell, Jim Collins, Stephen Covey, John Wooden, Mike Krzyzewski, Wynton Marsalis, Isaac Stern, and many others. Also included is a Working Toward Excellence Evaluation to help you and your organization reach your true potential and further develop, improve, and measure these essential attributes of success. "Working Toward Excellence has captured my attention in a big way. It is filled with valuable and practical information. It will make a major difference in your life." --Pat Williams, Orlando Magic, senior vice president, author of Leadership

Excellence

2011-02-01 Pat Williams When Coach John Wooden graduated from eighth grade his father gave him a handwritten card and said, "Son, try to live up to this." On the card, his father had written seven simple yet profound life principles: Be true to yourself Help others Make friendship a fine art Drink deeply from good books, especially the Bible Make each day your masterpiece Build a shelter against a rainy day by the life you live Give thanks for your blessings and pray for guidance every day These principles were the key to Coach Wooden's greatness--and his goodness. Through powerful stories and pithy advice, this book shares the wisdom that made Wooden happy and successful. This inspirational and conversational book will encourage, challenge, and motivate readers to build these principles into their own lives.

2014-12-31 Christopher Sopko Based upon over 20 years of international management experience and a variety of third party research this book details 15 key characteristics and attributes that all leaders need to build a successful, long term business. Management checklists and specific examples of how each of the characteristics have been applied by the world's most successful business managers are contained in each chapter. This book also includes over 150 interview questions that can be used to help determine your best future employees based upon how well they match these 15 characteristics. It will quickly become invaluable to anyone wanting to hone their management skill and for those that will be tasked with helping to develop the next generation of ""Millenials"" now entering the workforce.

2002-04-22 Andrew Hill Be Quick, But Don't Hurry presents the team-building management secrets of the greatest coach of the twentieth century, cloaked in the heartwarming tale of the reluctant protege who learned those secrets in spite of himself. Perhaps the least controversial sports honor in living memory was the selection of John Wooden as "Coach of the Century" by ESPN, honoring his ten NCAA basketball championships in a twelve-year stretch. His UCLA teams won with great centers and with small lineups, with superstars and with team effort, always with quickness, always with class. Wooden was a teacher first and foremost, and his lessons -- taught on the basketball court, but applicable throughout one's life -- are summarized in his famed Pyramid of Success. Andrew Hill was one of the lucky young men who got to learn from Wooden in his favored classroom -- though that is hardly how Hill would have described it at the time. An all-city high school player in Los Angeles, Hill played -- a little -- on three national champions, from 1970 to 1972. Hill was left embittered by his experience at UCLA; he was upset at how unequally Wooden treated his starting players and his substitutes. Hill went on to a successful career in television, rising to the presidency of CBS Productions, where he was responsible for the success of such popular series as Touched by an Angel and Dr. Quinn, Medicine Woman.

Hill's job required him to manage many creative people, with the egos and insecurities that usually go along with such talents. And one day, some twenty-five years after he graduated, he was hit with the realization that everything he knew about getting the best out of people he had learned directly from Coach John Wooden. With no small trepidation, Hill picked up the phone to call and thank his old coach and unexpected mentor. To his surprise, Wooden greeted him warmly and enthusiastically. A strong friendship, sealed in frequent visits and conversations, ensued, and endures. *Be Quick -- But Don't Hurry!* tells the story of that friendship. But it also shares the lessons and secrets that Hill learned from Coach Wooden, which hold the key to managing creatively in the idea-driven economy of the twenty-first century. Among those lessons are: -The team with the best players almost always wins -Be quick, but don't hurry: there is never enough time to be sure (and if you are sure, you're probably too late), but you must always keep your balance -Failing to prepare is preparing to fail -The team that makes the most mistakes...wins! Full of sound advice and warm reminiscence, *Be Quick -- But Don't Hurry!* is the management book of a lifetime.

2010-10 John Wooden Imagine being mentored by one of the winningest coaches ever. Now you can benefit from Coach John Wooden's insights as he and Jay Carty share the building blocks and key values of the Pyramid of Success in the playbook edition of Coach Wooden's Pyramid of Success. With reflection pages and key questions to personalize the principles of success to your life, this condensed version makes it easy to apply these practical, down-to-earth, biblical tips.

1999 John Braithwaite *Crime, Shame and Reintegration* is a contribution to general criminological theory. Its approach is as relevant to professional burglary as to episodic delinquency or white collar crime. Braithwaite argues that some societies have higher crime rates than others because of their different processes of shaming wrongdoing. Shaming can

be counterproductive, making crime problems worse. But when shaming is done within a cultural context of respect for the offender, it can be an extraordinarily powerful, efficient and just form of social control. Braithwaite identifies the social conditions for such successful shaming. If his theory is right, radically different criminal justice policies are needed - a shift away from punitive social control toward greater emphasis on moralizing social control. This book will be of interest not only to criminologists and sociologists, but to those in law, public administration and politics who are concerned with social policy and social issues.

2010-07-26 Fellowship of Christian Athletes Coach John Wooden's teams won 10 NCAA mens basketball championships at UCLA and *Sporting News* magazine named him the greatest coach of all time. Yet decades after he retired and now after his passing, his wisdom capsulized so clearly in his famous Pyramid of Success continues to guide new generations of athletes, coaches, and people of all walks of life. In *The Greatest Coach Ever*, the Fellowship of Christian Athletes features 40 tributes from athletes, coaches, and other influential leaders like Bobby Bowden, Tom Osborne, Sue Semrau, Tony Dungy, Mike Singletary, Tamika Catchings, Joe Girardi, Jim Tressel and David Robinson playing honor to Coach Wooden and reflecting on how his example has challenged and changed them. Their stories can challenge and change your life, too. Coach Wooden appreciated the tributes and the honor of being called the greatest coach ever, but felt uncomfortable with the title. He was eager to see that this book points to the one whom he calls the greatest coach ever. I am happy being remembered as a man of integrity. I like that, -- John Wooden, May 21 2010.

2019-08-20 Scott A. Chapman CFA Investing is a life skill and, like any life skill, the key is to learn from those who have already done it well. *Empower Your Investing* offers a success-based mental framework, discipline, and toolkit for your investing success. This book examines the best practices from masters of the investing world who've demonstrated success over many market cycles: Sir John Templeton, Peter Lynch, and Warren Buffett. The case studies of their winning picks blend the prevailing news and popular opinion at the time of their successful investments with their rationale for buying stocks as they explained in subsequent interviews. "Just as athletes might study Michael Jordan, Mohammed Ali, and Babe Ruth, every investor should know and understand John Templeton, Peter Lynch, and Warren Buffett. Scott Chapman brilliantly showcases the investment world's Greatest of All Time (G.O.A.T.) so every stock market participant, from novice to seasoned professional, can learn the lessons of those who have reached the pinnacle of success. With a comprehensive step-by-step approach, Chapman provides a deep understanding of what it takes to be the best." —Robert P. Miles, Author, *The Warren Buffett CEO*; Executive in Residence, University of Nebraska at Omaha "Scott Chapman's book is a clear read for any investor who wants to learn how to invest better. Scott is a successful long-term investor and educator who is

someone all investors can learn from. 2008 Jerry Krause Provides photo-illustrated instructions and drills for basketball players, covering ball handling, shooting, offense, and defense; and including a DVD.

2003 Neville L. Johnson *The John Wooden Pyramid of Success* features the words and values of the master: the official Pyramid of Success Lecture, Coach Wooden's favorite maxims, interviews with him about his life and philosophy, and thirty photos of Wooden throughout his life. Wooden is the consummate businessman, who during the last twelve years of his job obtained a virtual monopoly on the national title for collegiate basketball. Learn how he did so as the master strategist, psychologist, motivator, and example. Husband, father, friend, educator, poet, athlete, Hoosier, and just plain great guy, Coach Wooden's story and approach to life is an inspiration for all ages. At last, the complete story is told. For the inside story of a true hero in sports and life, this is indispensable and joyous reading. Features original interviews with his family, players, and friends. "(The Pyramid of Success) is a very effective blueprint for life." --Kareem Abdul-Jabbar, Basketball Hall of Famer "The Pyramid is very simple, very clear, and it makes sense. It's a tremendous motivational tool for self-esteem, personal development." --Walt Hazzard, Olympic Gold Medalist ". . . the greatest teacher of all time . . . I'd take a look at this book. It's a very, very good read." --Jim Rome, national sports broadcaster "A wonderful book . . . It's a book not only enjoyable for basketball fans but should be shared with kids." --Larry Grossman, ESPN Radio "Everything anyone could possibly want to know about the UCLA basketball coach. If you're a fan [it's] worth the price . . ." --Larry Stewart, Los Angeles Times

2018-07-31 Ian Herbert SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2017 The full story of the man who brought unprecedented - and since unmatched - success to Liverpool FC Bob Paisley was the quiet man in the flat cap who swept all domestic and European opposition aside and produced arguably the greatest club team that Britain has ever known. The man whose Liverpool team won trophies at a rate-per-season that dwarfs Sir Alex Ferguson's achievements at Manchester United and who remains the only Briton to lead a team to three European Cups. From Wembley to Rome, Manchester to Madrid, Paisley's team was the one no one could touch. Working in a city which was on its knees, in deep post-industrial decline, still tainted by the 1981 Toxteth riots and in a state of open warfare with Margaret Thatcher, he delivered a golden era - never re-attained since - which made the city of Liverpool synonymous with success and won

them supporters the world over. Yet, thirty years since Paisley died, the life and times of this shrewd, intelligent, visionary, modest football man have still never been fully explored and explained. Based on in-depth interviews with Paisley's family and many of the players whom he led to an extraordinary haul of honours between 1974 and 1983, *Quiet Genius* is the first biography to examine in depth the secrets of Paisley's success. It inspects his management strategies, his extraordinary eye for a good player, his uncanny ability to diagnose injuries in his own players and the opposition, and the wicked sense of humour which endeared him to so many. It explores the North-East mining community roots which he cherished, and considers his visionary outlook on the way the game would develop. *Quiet Genius* is the story of how one modest man accomplished more than any other football manager, found his attributes largely unrecorded and undervalued and, in keeping with the gentler ways of his generation, did not seem to mind. It reveals an individual who seemed out of keeping with the brash, celebrity sport football was becoming, and who succeeded on his own terms. Three decades on from his death, it is a football story that demands to be told.

1988 Joseph Tainter Dr Tainter describes nearly two dozen cases of collapse and reviews more than 2000 years of explanations. He then develops a new and far-reaching theory.

2001-01-01 Brian D. Biro Building upon the fundamental principles devised by Coach John Wooden, Brian D. Biro presents an accessible system for leadership development. With anecdotes, exercises, and Wooden's philosophy, the author captures the essence of Wooden's Pyramid of Success and the secrets behind each of the pyramid's building blocks.

2023-09-19 Albert Mohler Change the Way You Think about Leadership At the age of thirty-three, Dr. Albert Mohler became the youngest president in the 164-year history of Southern Baptist Theological Seminary. He was the driving force behind the school's transformation into a thriving institution with an international reputation characterized by a passionate conviction for truth. In the process he became one of the most important and prominent Christian voices in contemporary culture. What will it take to transform your leadership? Effective leaders need more than administrative skills and vision. They need to be able to change the hearts and minds of those they lead. Leadership like this requires passionate beliefs that can stand up to pressure from without and within. In this updated edition Dr. Mohler has added a new introduction and conclusion based on an additional 10 years of leadership. He has also completely rewritten the chapter "The Digital Leader." The Conviction to Lead will crystallize your convictions while revolutionizing your thinking, your decision-making, your communication, and ultimately, those you lead. "Dr. Al Mohler has written a book that shakes us up and challenges our thinking. The Conviction to Lead is poised to become one of the all-time classic works on Christian leadership."--JIM DALY, President - Focus on the Family "Having rarely thought

about leadership, I was hooked from the first chapter--to my complete surprise. This is a powerful book and gracefully written."--FRED BARNES, Executive Editor--The Weekly Standard

2005-04-26 John Wooden A Wall Street Journal Bestseller A compelling look inside the mind and powerful leadership methods of America's coaching legend, John Wooden "Team spirit, loyalty, enthusiasm, determination. . . . Acquire and keep these traits and success should follow." --Coach John Wooden John Wooden's goal in 41 years of coaching never changed; namely, to get maximum effort and peak performance from each of his players in the manner that best served the team. Wooden on Leadership explains step-by-step how he pursued and accomplished this goal. Focusing on Wooden's 12 Lessons in Leadership and his acclaimed Pyramid of Success, it outlines the mental, emotional, and physical qualities essential to building a winning organization, and shows you how to develop the skill, confidence, and competitive fire to "be at your best when your best is needed"--and teach your organization to do the same. Praise for Wooden on Leadership: "What an all-encompassing Pyramid of Success for leadership! Coach Wooden's moral authority and brilliant definition of success encompass all of life. How I admire his life's work and concept of what it really means to win!" --Stephen R. Covey, author, *The 7 Habits of Highly Successful People* and *The 8th Habit: From Effectiveness to Greatness* "Wooden On Leadership offers valuable lessons no matter what your endeavor. 'Competitive Greatness' is our goal and that of any successful organization. Coach Wooden's Pyramid of Success is where it all starts." --Jim Sinegal, president & CEO, Costco

2010-10 John Wooden Legendary college basketball coach John Wooden and Jay Carty know that when it comes down to it, success is an equal opportunity player. Anyone can create it in his or her career, family and beyond. Based on John Wooden's own method to victory, Coach Wooden's Pyramid of Success reveals that success is built block by block, where each block is a crucial principle contributing to life-long achievement in every area of life. Each of these 32 daily readings takes an in-depth look at a single block of the pyramid. When these blocks are combined they form the structure of the pyramid of success. Discover the building blocks and key values, from confidence to faith, that brought Coach to the pinnacle of success as a leader, a teacher and a follower of God.

2017-02-23 Matthew Syed What can Roger Federer teach us about the secret of longevity? What do the All Blacks have in common with improvised jazz musicians? What can cognitive neuroscientists tell us about what happens to the brains of sportspeople when they perform? And why did Johan Cruyff believe that beauty was more important than winning? Matthew Syed, the 'Sports Journalist of the Year 2016', answers these questions and more in a fascinating, wide-ranging and provocative book about the mental game of sport. How do we become the best that we can be, as individuals, teams and as organisations? Sport, with its innate sense of drama, its competitive edge, its

psychological pressures, its sense of morality and its illusive quest for perfection, provides the answers.

2004 John Wooden An autobiographical portrait of UCLA basketball coach John Wooden highlighting his career and personal life and insights on how his top players shaped and changed the NBA.

2010-09-03 John Wooden The Wisdom of Wooden is John Wooden's final book, completed just weeks before his passing in June 2010. In it he shares his most treasured memories and never-before-seen photographs as he looks back on an extraordinary life on and off the court. Hailed by many as the greatest coach in the history of American sports, John Wooden is as famous for his personal philosophy as he is for his career achievements. He inspired, guided, and motivated generations of fans with his bestselling books on leadership, values, family, and the true meaning of success. Coach Wooden wrote his final book, *The Wisdom of Wooden: My Century On and Off the Court*, in the last months before his death. Filled with his most treasured memories and more than 100 photographs, many never-before seen, it captures a life spent teaching, guiding, and serving others. Starting with his father's now-famous 7 Point Creed—including "Make Each Day Your Masterpiece," "Help Others," and "Be True to Yourself,"—Coach Wooden affirms the principles to true success that helped him become an All American at Purdue University, a winning coach at Indiana State University, and an iconic sports figure at UCLA. Yet anyone who knows John Wooden knows his record on the court was only part of the story. In *The Wisdom of Wooden* the legendary coach offers readers a rare glimpse not just behind the scenes but inside the man; not just on the court but in the huddles; not just his maxims but his poems, those he wrote and those he loved; not just the people he inspired, but the family, friends, and fans who inspired him; not just the lessons he taught but the lessons he learned; not just what was on his mind but what was in his heart. Ultimately it was the life he lived that served as a model for his greatest lesson of all: a deep commitment to family, friends, and faith—the bedrock values of the man we all called, "Coach." Praise for John Wooden "The Wisdom of Wooden has given me the life that I have . . . Thanks, Coach, for your faith and patience." —Bill Walton "The Wisdom of Wooden is a lifetime of Coach Wooden's ideas on how to live life without sacrificing your moral principles. His life is a prime example of how this can be done—one that we can all learn from." —Kareem Abdul-Jabbar "John Wooden sets an example for all of us by constantly striving to be the best in every aspect of his life. Throughout my life, I have found inspiration and direction in the Bible. Today, I also find inspiration and direction in the words of John Wooden." —Tom Coughlin, Head Coach, New York Giants "One hundred years—what an amazing life. But here's what's even more amazing about John Wooden and the timeless verities his life has embodied. One hundred years from now they will still be talking about his accomplishments and his approach." —Bob Costas "There has never been a finer man in American sports than John Wooden, or a finer

coach." --Sports Illustrated

2016-09-19 David A Ash Thousands of years ago in ancient India, Yogis probed the atom with supernormal powers called siddhis. What they saw was subatomic particles as vortices of energy. That insight gave rise to maya the illusion of forms. Anticipating Einstein, Yogis realised everything is energy. There is no material substance underlying our world. They knew the bedrock of reality is mind and consciousness. That is endorsed today at the cutting edge of quantum physics. Applied to modern physics, the vortex shows how we are deluded by materialism. The particles and forces of nature are explained by the vortex of energy and physics becomes easy to understand for everybody. Predicting the most important scientific discovery of the late 20th century, The Vortex Theory could be the complete theory predicted by Stephen Hawking at the end of A Brief History of Time. The Vortex Theory provides a bridge between science and spirituality. At last we have a sound scientific theory to back belief in non material worlds. A new understanding of Life and Spirit could take us to fresh frontiers of discovery because it may be space is full of Life.

2014-02-21 Anita M. Schwarz Europe's pension systems -among the most celebrated features of its social welfare model— face tremendous challenges. With only 11 percent of the world's population, Europe spends about 60 percent of global outlays on social protection, largely in pensions. In many countries, pension rules have encouraged people to retire sooner, while enjoying longer lives. Payroll taxes on a

continuously expanding contributory base have financed these benefits. This model of pension provision is now being severely tested as pension systems reach maturity, while the population is aging and the labor force is starting to shrink. Measures to enable a continued tradition of providing old age security will include • raising retirement ages such that pensions are provided in the last 15 years of life, when work capacity traditionally diminishes • encouraging immigration to help fill the declining work force • rationalizing pension spending, putting priority on preventing old age poverty, and • encouraging savings to help provide the more comfortable retirement that individuals have come to expect. Some measures may be more appropriate in particular countries than others, yet undertaking all of them will likely require less drastic changes in any one of them. The specific choices will need to be discussed and agreed among each country's own population, and be accompanied by enabling changes in pension policy, tax policy, financial markets policy, and labor policy. The fundamental issue is that, with these changes, the important achievements of European social policy can withstand the demographic onslaught and continue to provide old age security for generations to come.

2019-04-08 Ryan Holiday Buku yang Anda pegang saat ini ditulis dengan satu asumsi optimis: Ego Anda bukanlah kekuatan yang harus Anda puaskan pada setiap kesempatan. Ego dapat diatur. Ego dapat diarahkan. Dalam buku ini, kita akan melihat orang-orang, seperti William Tecumseh Sherman, Katharine Graham, Jackie Robinson, Eleanor Roosevelt,

Bill Walsh, Benjamin Franklin, Belisarius, Angela Merkel, dan George C. Marshall. Bisakah mereka mendapatkan yang telah mereka dapatkan sekarang—menyelamatkan perusahaan yang hampir bangkrut, menguasai seni peperangan, menjaga kekompakan tim bisbol, merevolusi strategi rugby, melawan tirani, dan menghadapi ketidakberuntungan—jika ego menguasai mereka dan membuat mereka hanya memikirkan diri sendiri? Hal yang membuat mereka sukses adalah pemahaman terhadap realitas dan kesadaran—sesuatu yang pernah dikatakan oleh seorang penulis dan ahli strategi Robert Greene, "kita perlu menyerupai laba-laba dalam sarangnya". Itulah inti dari kehebatan mereka, kehebatan penulisan, kehebatan desain, kehebatan bisnis, kehebatan dalam pemasaran, dan kehebatan kepemimpinan mereka. Yang kami temukan saat mempelajari orang-orang tersebut adalah mereka selalu memiliki dasar berpikir, berhati-hati, dan realistis. Tidak ada satu pun dari mereka yang tidak memiliki ego sama sekali. Akan tetapi, mereka tahu cara meredamnya. Tahu cara menyalurkannya dan melepaskannya, ketika ego muncul. Mereka hebat namun tetap rendah hati. Sebentar, tunggu dulu, tetapi ada juga beberapa orang yang memiliki ego tinggi dan sukses. Bagaimana dengan Steve Jobs? Kanye West? Beberapa dari mereka mempelajari kerendahan hati. Beberapa orang memilih ego. Beberapa mempersiapkan diri untuk perubahan nasib, positif ataupun negatif. Yang lainnya tidak siap. Yang mana yang akan Anda pilih? Akan menjadi siapakah Anda? Yang pasti, Anda telah memilih buku ini karena merasa bahwa Anda membutuhkan menjawab pertanyaan itu, cepat atau lambat, sadar atau tidak sadar.
