

# Johnsons Dictionary And The Language Of Learning

A Dictionary of the English Language-Samuel Johnson 2006-11-30 Published in 1755, this work marked a milestone in a language in desperate need of standards. It contains a selection from the original, offering passages on subjects ranging from books and critics to dreams and ethics.

Todd's Johnson's Dictionary of the English language, in miniature, by T. Rees-Samuel Johnson 1826

Samuel Johnson's Dictionary-Samuel Johnson 2004 Samuel Johnson's massive two-volume, 2,300 page dictionary was first published on 15 April 1755, nine years after he began writing it. It marked a milestone in the English language: it was the first English dictionary to focus on everyday words, rather than the obscure ones that lexicographers had concocted, and was the first dictionary to enlist the works of Shakespeare and other great writers to illustrate a word's usage. It would be England's definitive dictionary for over 150 years.

Johnson's Dictionary of the English language, in miniature [ed. by J. Hamilton]. By J. Hamilton-Samuel Johnson 1798

Johnson's Dictionary and the Language of Learning-Robert DeMaria 1986 Although the Dictionary is primarily a philological work, DeMaria shows how it also serves literary, moral, and educational purposes. By analyzing the content of the 116,000 illustrative quotations used by Johnson, the author illuminates the major themes of the book: knowledge and ignorance, truth and probabiity, learning and education, language, religion, and morality. Johnson's choice of which quotations to include represents his vision of the intellectual landscape.

In the Tracks of a Lexicographer-Catharina Maria de Vries 1994-01-01

Dr Johnson's Dictionary-Henry Hitchings 2012-02-16 By 1700, France and Italy already had dictionaries of their own, and it became a matter of national pride that England should rival them. Dr Johnson rose to the challenge, turning over the garret of his London home to the creation of his Dictionary. He imagined it would take three years. Eight years later it was finally published, full of idiosyncrasies, but complete nevertheless. It would become the most important British cultural monument of the eighteenth century. This is the story of Johnson's attempt to define each and every word. In wonderfully engaging chapters,

Hitchings describes Johnson's adventure - his ambition and vision, his moments of despair, the mistakes he made along the way and his ultimate triumph.
