In addition to Toney Brooks' insightful descriptions, Holly shares her inspiration for her artwork and presents her original sketches for each card. Foreword by Tali Goodwin.

2016-02-08 Tali Goodwin "Tarot, once a mysterious deck of symbols and images understood by a chosen few, is now a worldwide phenomena and the most popular form of Western divination. Lo Scarabeo's Tarot Fundamentals is an essential guide to Tarot usage, meaning, symbolism, art and history"-- Back cover.

2023-11-07 Julia Gordon-Bramer Real-life stories using the Tarot as a tool of insight and self-transformation • Explores the living wisdom of the Tarot, based on the author's more than 40 years' experience as a professional Tarot reader • Shares stories from the author's client readings to show how each card tells a story and how it only takes a small amount of familiarity to decipher a world full of meaning in the cards • Shows how to use the Tarot to grow your strengths, identify your weaknesses, conquer problems, and move on from painful situations As Julia Gordon-Bramer reveals in profound detail, the miracle of Tarot is how the right cards show up, time and time again, to provide guidance or symbolically illustrate your story—whether you believe in the Tarot or not. In these real-life tales of Tarot wisdom, Gordon-Bramer explores the modern applications and the living wisdom of the Tarot, based on her more than 40 years' experience as a professional Tarot reader. Sharing stories from client readings and her own spiritual journey, she shows how to intuitively, logically, and sometimes playfully glean the meaning of each card that appears and integrate its powerful spiritual lessons for deeper

understanding, guidance, and personal healing. She compares reading the Tarot to dream analysis, explaining how the Major Arcana, such as The Fool, The Magician, The Lovers, or The Star, represent the key players and milestones in life, the sacred adventure from birth to death. She explains how each card tells its own story, often revealing subconscious beliefs and motivations through its colors, numbers, symbols, and pictures, yet she also reveals how it only takes a small amount of familiarity to decipher a world full of meaning in the cards. Allowing you to make the leap from an abstract understanding of the Tarot to actually working intuitively with the cards, this book shows how, when used as a life-transforming tool to awaken and tame the subconscious, the Tarot offers a way to grow your strengths, identify your weaknesses, and conquer problems as you journey through life.

2018-09-04 Jenny Holiday (Romance author) Second chances only come around once. Eight years ago, Adam Elliot made the biggest mistake of his life. Now that mistake is coming back to haunt him. His family's beloved vineyard has gone into foreclosure, and the new owner is the sister of the only man he's ever loved—the man he dumped under pressure from family and friends who thought the match was beneath him. When Freddy Wentworth, aka the bad boy of Bishop's Glen, left town with a broken heart, he vowed never to return. But a recently widowed friend needs his help, so here

he is. He's a rich and famous celebrity chef now, though, so everyone can just eff right off. But some things are easier said than done. Despite their attempts to resist each other, old love rekindles and old wounds reopen. If they want to make things work the second time around, they'll have to learn to set aside their pride and prejudice. This modern retelling of Jane Austen's *Persuasion* is a standalone novel that can be enjoyed by Austen-philes and by those allergic to the nineteenth century.

2009 Paulina Fae Once we enter this magical place, we encounter a whimsical world of insight and inspiration. Paulina Tarot follows closely the traditional structure of Rider-Waite Tarot. Yet artist Paulina Cassidy has created delightful characters and eclectic symbolism, that is uniquely her own. Her broad range of influences include Victorian costumes, Mardi Gras flair, holistic healing, and dream imagery. Magical creatures like dragons and flying horses make surprise appearances. Painted in soft, muted pastels with exquisite details, Paulina Tarot is a romantic deck and a completely accessible one to be treasured by tarot lovers everywhere, especially those who appreciate superb artwork. 78-card deck with instruction booklet.

2017-10 Paulina Cassidy This Spiritsong deck is a melding of two traditions of divination: one in which animals are seen as guides between our world and the spirit world, and one that uses 78

cards as a tool to connect with our highest self. Each animal was specifically selected based upon Shamanic and Native American symbolism, merging each animal's unique power with classic tarot practices. For example, the Spiritsong animal, Raven, has attributes such as 'creation' that parallels some of the same symbolic tarot attributes of the traditional Magician card, which is why the Raven is the animal representing that card. The Spiritsong Tarot structure is based on the traditional tarot, containing the 22 Majors, the 56 Minors, and four suits: Acorns for Wands/Fire; Feathers for Swords/Air; Shells for Cups/Water; and Crystals for Pentacles/Earth.
