

Jonah A Handbook On The Hebrew Text

Jonah-W. Dennis Tucker 2006 This first volume in the Baylor Handbook on the Hebrew Bible series provides expert, comprehensive guidance in answering significant questions about the Hebrew text. While reflecting the latest advances in scholarship on Hebrew grammar and linguistics, the work utilizes a style that is lucid enough to serve as a useful agent for teaching and self-study.

Jonah: a Handbook on the Hebrew Text-W. Dennis Tucker, Jr. 2010-01-10 This first volume in the Baylor Handbook on the Hebrew Bible series provides expert, comprehensive guidance in answering significant questions about the Hebrew text. While reflecting the latest advances in scholarship on Hebrew grammar and linguistics, the work utilizes a style that is lucid enough to serve as a useful agent for teaching and self-study.

A Handbook on the Books of Obadiah, Jonah, and Micah- 1993

A Workbook for Intermediate Hebrew-Robert B. Chisholm 2006 Designed to engage the Hebrew text and reinforce patterns and principles of Hebrew grammar and syntax, this resource expertly guides intermediate Hebrew students. Answers to all questions are provided, and both a useful parsing guide and glossary are also included.

A Translators' Handbook on the Book of Jonah-Brynmor F. Price 1978

A Handbook on the Books of Obadiah, Jonah, and Micah-David J. Clark 1993 A verse-by-verse analysis and commentary on Obadiah, Jonah, and Micah by recognized biblical translation experts. Explains accepted interpretations, noting how various translations have handled these passages and often explaining the nuances of the Hebrew original.

Redeeming God's People: A Jonah Handbook for Leaders-

Freedom beyond Forgiveness-Thomas M. Bolin 1997-01-01 Bolin analyses biblical and extra-biblical traditions and motifs in the book of Jonah, and argues that the book's portrayal of the relationship between God and humanity, much like those of Job and Ecclesiastes, emphasizes an absolute divine sovereignty beyond human notions of mercy, justice, or forgiveness. God is understood as free to forgive, yet he still punishes, and is unfettered by the constraints imposed by attributes of benevolence. The only proper human response to God is fear at his power and acknowledgment of him as the source of welfare and woe.

Go to Nineveh-Steven Bob 2013-07-09 The book of Jonah remains an engaging part of the religious lives of Jews and Christians. On the human level, the dramatic story speaks to us of the possibility of second chances in our lives. On the spiritual level, it describes the paths an individual and a people can take leading them back to God.Medieval Jewish commentaries unfold new perspectives of meaning beyond the surface of the biblical text. In explaining the verses of the book of Jonah, the commentators explore many core topics, including human nature, our relationship with God, the interaction of Jews and gentiles, and the meaning of our lives. This book offers the first full English translation of the commentaries of Rashi, Ibn Ezra, Kimchi, Abarbanel, and Malbim. It also provides an explanation of their comments, making them accessible to contemporary Western readers. Until now one needed a high level of Hebrew to explore these works. Go to Nineveh opens this world to the modern English reader. The book also includes the author's own modern commentary, considering questions not raised by earlier commentators.

The Remarkable Journey of Jonah-Henry M. Morris 2003 A Raging storm, a rebellious prophet, and somewhere out there, a great fish? This book is a fascinating commentary on the life of the great prophet: Could a man spend three days inside a huge fish?His prayer of deliveranceWhy did he run from God?The influence of the ancient city, NinevehJonah and the twenty-first century The late scholar and author Dr. Henry Morris believed the biblical account of Jonah was true, and this book will thrill others who believe it, too. Drawing on a lengthy research career, Morris takes the reader on the same wonderful ride on which Jonah embarked. Sure to be a hit for Bible study groups and individuals who find inspiration from a beloved classic.

A Book About Love-Jonah Lehrer 2017-07-25 Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's A Book About Love plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us--and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

In Conversation with Jonah-Raymond F. Person 1996

The Book of the Twelve-James Nogalski 2011 "Over the last thirty years, scholars have begun to explore the implications of an ancient Jewish and Christian tradition that referred to the 'Minor Prophets' as 'the Twelve,' 'the Twelve Prophets,' or the 'Book of the Twelve.' Scholarly work on the Book of the Twelve in the last quarter century has focused on two issues in particular: 1) developing models regarding how the Book of the Twelve came to be recorded on a single scroll, and 2) isolating unifying elements that transcend the individual writings and take on new significance when the Book of the Twelve becomes a single collection rather than twelve distinct writings. Dr. Nogalski's comprehensive and accessible commentary offers an overview of the ancient traditions concerning the Book of the Twelve that lay the foundation for understanding these recent developments ... the primary goal of the Smyth & Helwys Bible Commentary series is to make available serious, credible biblical scholarship in an accessible and less intimidating format. A visual generation of believers deserves a commentary series that contains not only the all-important textual commentary on Scripture, but images, photographs, maps, works of fine art, and drawings that bring the text to life. Each volume of the Smyth & Helwys Bible Commentary series features a CD-ROM, which expands the uses and capabilities of the Commentary even more"--Publisher description.

Jonah Through the Centuries-Lena-Sofia Tiemeyer 2021-08-27 Jonah Through the Centuries Jonah through the Centuries is a systematic examination of the reception history of the book of Jonah, long-recognized for its numerous theological implications and diverse interpretations. The first book of its kind written in English, this singular volume provides a lucid and coherent commentary on the most influential re-readings of Jonah in Jewish, Christian, Muslim, and secular traditions. Author Lena-Sofia Tiemeyer progresses slowly through the book of Jonah verse-by-verse—even word-by-word through key verses such as Jonah 1:1 and 2:1—to offer readers deep insight into the many and multifaceted interpretations of Jonah from early Jewish readings to modern literary retellings. Structured thematically rather than strictly chronologically, the text begins with the earliest interpretation and follows its trendline all the way through to modern times before turning to the next-oldest interpretation. The commentary covers a broad range of retellings in many languages and in various media including commentaries, sermons, prose, poetry, theatrical drama, art, and music, and analyses interpretations of both often-cited and lesser-known verses from the book of Jonah, interacting with an international range of literary retellings of the book of Jonah, offered in English translation. Throughout the text, the author demonstrates how all these retellings ultimately originate within the biblical text itself and highlights how many of the interpretations are fuelled and influenced by the interpreter's religious background, cultural assumptions, and their preconceived notions of what the text should say. Jonah through the Centuries is an invaluable resource for educated clergy, undergraduate and graduate students in both seminaries and universities, scholars and academics, and general readers with interest in the reception of biblical texts in literature, art, and music.

The Book of Jonah-Douglas Patten 2020-03-20

The Oxford Handbook of the Minor Prophets-Julia M. O'Brien 2021 "The Oxford Handbook of the Minor Prophets provides a clear and engaging one-volume guide to the major interpretative questions currently engaging scholars of the twelve Minor Prophets. Essays by both established and emerging scholars explore a wide range of methodological perspectives"--

The Signs of Jonah-Ehud Ben Zvi 2003-06-01 In this new and refreshing approach to the story, Ben Zvi starts with the premise that Jonah, like most books, was written to be read. He therefore concentrates on intended and unintended readership(s) of Jonah and the network of messages that they were likely to derive through their reading and rereading. He starts with the historical and social matrix of the production and reading of the book in antiquity, analyzes its self-critical approach and its metaphoric character as a comment on the genre of prophetic books and on prophets. How does the historical fact of Nineveh's destruction acually shape the reading? Or the perception of Jonah as a runaway slave?Ben Zvi demonstrates the malleability of interpretation of the Book of Jonah and its limitations, as attested in different communities of readers. He asks why certain messages are easily accepted by particular historical communities, whereas others are not raised at all.

The Work of Jonah-Georges Lahy 2020-06-14 Jonah is one of the minor prophets of the Bible and the book of Jonah is one of the shortest. However, these few pages are extraordinarily dense and have an unsuspected esoteric richness.The myth of Jonah describes an inner experience with which everyone can identify. It explores poorly understood dimensions of consciousness that have traditionally enabled students of Kabbalah to grasp the fundamental theme of the Fifty Gates of Intelligence (Binah). It engages the reader in an evolutionary process of transformation.The Work of Jonah proposes a new translation of the book of Jonah that closely follows the Hebrew text. Commentary is based on the richness of the Hebrew roots and on the numerical values of words. This book will enable readers to become familiar with the numerical and semantic techniques for decoding biblical texts used by the masters of the Talmud and by Kabbalists.The study of each verse should provoke an inner reaction in the reader, leading him or her to integrate the text, not only through the intellect, but in the heart and soul. Readers often discover Biblical texts through the perception of translators. The Work of Jonah offers a structure that will stimulate Hebraists to study the text more deeply, and non-Hebraists to get closer to the heart of the mysterious words and language of the Bible.

A Biblical Text and Its Afterlives-Yvonne Sherwood 2000 How interpretation re-shapes Bible texts - the book of Jonah.

The Book of Jonah-Peter Spier 2000 Retells the Biblical story of the man who spent three days and three nights in the belly of a great fish. Includes historical material on Jonah's world.

The Story of Jonah-Pamela Broughton 1986 Jonah is swallowed by a huge fish after disobeying God's command to warn the people of Nineveh to repent of their evil ways.

Jonah, the Book and the Man-Dyson Hague 2018-10-09 Excerpt from Jonah, the Book and the Man: A Twentieth Century Message Chronologically he was one of the most ancient of the prophets, a contemporary of Hosea and Amos. (2 Kings 14: His writing is one of the briefest in the Old Testament, beginning and ending with unexplained abruptness. HE was A prophet. This is expressly declared in the Book of the Kings. Therefore, in passing, to alter the words of George Adam Smith, we would say that it is the first duty of every student of the prophetic books of the Old Testament to earnestly and stubbornly rid himself of the idea that a. Prophet was merely or even mainly a preacher, and not one who foretold the future. It is our first duty to earnestly and stubbornly grasp the idea that a prophet was a foreteller, not merely or mainly a forthteller. In other words, a prophet was primarily one who in and by God's Spirit did see and describe the things of the ages to come Dipped into the future farther far Than human eye could see; Saw the Vision of the future, and the Wonder that would be, that is, the Christ. Nay, further, as students of the Word of God, it is our duty to know and believe with heart and soul that prediction is not merely a subordinate part of the prophetic office. They were mainly and supremely employed by God's Spirit to reveal God as the God of the future, not merely as the God of Providence, and as Joe], and Habakkuk, and Haggai, and Micah, and Malachi, and Zechariah did, to tell above all things the coming of Christ and His kingdom. Now that is the only way in which we can understand Christ's reference to Jonah. It was prophecy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Prophet Jonah-Arthur Davis Martin 1926

Prophet on the Run-Baruch Ma'oz 2014-01-15 The prophets come alive when we see that just like us, they too often lived inconsistently. Jonah knew that God cannot be escaped, yet the prophet tried to escape him. Jonah knew that God is merciful -- yet Jonah tried to limit His mercy. In response, the Lord laid hold of Jonah and forced him to come (eagerly) to Him. He taught the prophet lessons in mercy that are useful for us all. Jonah learned, as must we, that what we think about God determines how-and for what-we live. Originally preached in Israel, this devotional commentary is meant for every Christian who wants to apply the lessons of Jonah in a warm-hearted, practical way. Translated from Hebrew, this study does not ignore technical issues, but helps the reader to understand the issues by tackling them in non-technical language. Principles and applications are offered at the end of each chapter.

The Story of Jonah; Being the Whole of the Book of Jonah- 1968

Abingdon Old Testament Commentaries | Hosea, Joel, Amos, Obadiah, Jonah, Micah-Daniel J. Simundson 2005-01 Although they are often neglected, at least partly because their words of judgement make readers uncomfortable, these prophetic books have considerable theological and ethical value.

Studies in the Book of Jonah-Karin Almladh 1986

The Oxford Handbook of the Prophets-Carolyn J. Sharp 2016 This volume engages the cultural norms and theological convictions of ancient Israel in the shadow of the Egyptian, Babylonian, and Persian empires. Essays explore ancient Near Eastern historical contexts; interpret prophetic narratives and poetry; offer feminist, materialist, and postcolonial readings and more. Indispensable for scholars and students of the prophets.

The Problem of the Book of Jonah-Gerhard Charles Aalders 1948

The Runaway Messenger: The Book of Jonah-Eunice Burden 2015-04-28 The Runaway Messenger is a children's book written in rhyme, retelling the well-known story of Jonah and his unwillingness to obey God. Those who know the story well all know the outcome, but there is a challenge at the end of the book for us to respond to God's call on our lives.

Handbook for the Common Lectionary-Peter C. Bower 1987-01-01 Convenient and user-friendly, this one-volume guide provides resources for the entire three-year lectionary cycle, including midweek festival days. Brief comments on each of the three daily biblical texts identify themes for the day, musical settings for the appointed psalm are offered, organ music appropriate for the day is suggested, anthems for the day are graded according to difficulty, and hymns of the day are keyed to several hymnals. Pastors, music leaders, and worship committees will find much practical assistance for worship planning in the Handbook for the Common Lectionary.

The Book of Jonah-Kefa Achenchi 2020-11-08 Probably you have heard testimonies of people who were so reluctant to do what God wanted them to do and even attempted to run away from God's presence only to find out that it was an exercise in futility and very much regrettable for one can't run away enough to escape the hand of God and the consequences could be painful to one.Jonah the prophet was such a man who tried hard to run away from God's presence and was reluctant to be sent on mission to the Ninevites. His attempt to run away only ended up in him being thrown into the sea and later in the belly of the great fish that God had prepared. We see him crying out to God for mercy and ready to do what was commissioned to him. God relented of the judgment that was to befall Nineveh and we see God's character of being a merciful and gracious

God when His people turn away from sin unto Him. "The Lord is merciful and gracious, slow to anger, and abounding in mercy" (Psalm 103:8)

The Oxford Handbook of the Septuagint-Alison G. Salvesen 2021-01-28 The Oxford Handbook of the Septuagint features contributions from leading experts in the field considering the history and manuscript transmission of the version, and the study of translation technique and textual criticism.

The Aramaic Version of Jonah-Étan Levine 1981

Jonah and the Whale- 2017-01-10 Relive the story of Jonah and the Whale in this beautiful book illustrated by Xuan Le.

Obadiah and Jonah-Hans Walter Wolff 1986 Professor Wolff's clear and thorough orientation to the collection of oracles in the book of Obadiah and to the narrative art of the book of Jonah. Differently, both prophets provide an answer to what the interaction is between the whole of humanity God has created, and His people in particular. - Publisher.

Jonah and the Whale-Brendan Powell Smith 2014-04-01 Jonah was a stubborn man. When God came to Jonah to preach repentance to the Ninevites, Jonah wasn't interested. After all, besides being known far and wide for their wickedness, Nineveh was also one of Israel's greatest enemies. So why should Jonah help them? Instead, Jonah decided to ignore God and run—but he didn't make it very far. While aboard a ship sailing away from Nineveh, God sent a terrible storm that threatened to sink the ship. The crew, knowing God was angry with Jonah for disobeying him, threw Jonah overboard. But instead of drowning, Jonah was swallowed by a great whale. Would Jonah repent and be saved, or face a perilous demise? Meticulously constructed LEGO dioramas bring to life the incredible story of faith and being swallowed alive. Enjoy reading one of the Bible's oddest stories illustrated with LEGO bricks as a family. This book is aimed at children ages 3 to 6 and could be read by first and second graders. The book will appeal to Christian and Jewish families and institutions as a way to teach this Bible story to younger children through a familiar toy medium. It will also appeal to LEGO fanatics who collect books about LEGO, as well as fans of the author's Brick Testament website. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
