Jonah and the Whale-Brendan Powell Smith 2014-04-01 Jonah was a stubborn man. When God came to Jonah to preach repentance to the Ninevites, Jonah wasn't interested. After all, besides being known far and wide for their wickedness, Nineveh was also one of Israel's greatest enemies. So why should Jonah help them? Instead, Jonah decided to ignore God and run—but he didn't make it very far. While aboard a ship sailing away from Nineveh, God sent a terrible storm that threatened to sink the ship. The crew, knowing God was angry with Jonah for disobeying him, threw Jonah overboard. But instead of drowning, Jonah was swallowed by a great whale. Would Jonah repent and be saved, or face a perilous demise? Meticulously constructed LEGO dioramas bring to life the incredible story of faith and being swallowed alive. Enjoy reading one of the Bible's oddest stories illustrated with LEGO bricks as a family. This book is aimed at children ages 3 to 6 and could be read by first and second graders. The book will appeal to Christian and Jewish families and institutions as a way to teach this Bible story to younger children through a familiar toy medium. It will also appeal to LEGO fanatics who collect books about LEGO, as well as fans of the author's Brick Testament website. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Jonah and the Whale-Pegasus 2014-01-01 This series of Bible Stories for children are written in simple language and contain colourful illustrations which enhance the appeal of the text. The truths of the Bible come alive as one reads these ancient yet timeless stories. It contains stories from the Old Testament and the New Testament and all the stories have lessons to be learnt and they call for a lot of reflection.

The Dag Gadol-Pat O'Rourke There were earlier civilizations that experienced and lived destinies. They understood the destinies and lived it. That you have neither read nor understand them does not amount to their nonexistence. They existed. Though reasonable people understand that hearsay testimonies are worthless, some Holy Book believers have used the New Testament reference to Jonah, a hearsay, as evidence that a whale, they mistakenly defined as a "fish," swallowed up an adult human being. Perhaps you've heard of the movie Jaws. This was no movie. Some say it was/is a myth. Incontrovertible science evidence says anyone in the belly of a whale would suffocate to death for lack of oxygen. A whale swallowed a human: can you see the anthropomorphism? Anthropomorphism and zoomorphism were some of the best methods to paint or represent an unknown object of discussion. It was the best vocabulary available to them at that time. A submarine scooping a human is akin to a whale that swallowed Jonah. Perhaps our perception of the past is not what it should be. Perhaps our perceptive truth of the past is jaundiced. Perhaps our knowledge of the past has been erroneously prioritized by the academics. Why would the academics do this? Remember that he who pays the piper dictates the tune. Obviously, we have been conditioned by the academics to accept that our civilization is better than earlier civilizations, therefore making it hard even to contemplate that there could have been better technologies in submarines before today. We are conditioned to totally accept that we are the center of the universe and the supreme beings of living things.

Jonah and the Whale-Andrew McDonough 2018-10-25 If you would rather sit at home watching TV than tell the people of Nineveh to "Stop being nasty - or else!," you need to read Jonah's story. It has everything: boats, storms, worms and a really cool whale that eats people. When Jesus wanted to change lives he told stories. That's what the Lost Sheep series is all about. At the centre of the stories is Jesus. Some stories are about him, some are by him, but all of them point to him. The series takes the spirituality of children seriously but also believe the gospel is fun.
