2001 Out in Culture charts some of the ways in which lesbians, gays, and queers have understood and negotiated the pleasures and affirmations, as well as the disappointments, of mass culture. The essays collected here, combining critical and theoretical works

from a cross-section of academics, journalists, and artists, demonstrate a rich variety of gay and lesbian approaches to film, television, popular music, and fashion. This wide-ranging anthology is the first to juxtapose pioneering work in gay and lesbian media criticism with recent essays in contemporary queer cultural studies. Uniquely accessible, *Out in Culture* represents such popular writers as B. Ruby Rich, Essex Hemphill, and Michael Musto as well as influential critics such as Richard Dyer, Chris Straayer, and Julia Lesage, on topics ranging from the queer careers of Agnes Moorehead and Pee Wee Herman to the cultural politics of gay drag, lesbian style, the visualization of AIDS, and the black snap! queen experience. Of particular interest are two "dossiers," the first linking essays on the queer content of Alfred Hitchcock's films, and the second on the production and reception of popular music within gay and lesbian communities. The volume concludes with an extensive bibliography—the most comprehensive currently available—of sources in gay, lesbian, and queer media criticism. *Out in Culture* explores the distinctive and original ways in which gays, lesbians, and queers have experienced, appropriated, and resisted the images and artifacts of popular culture. This eclectic anthology will be of interest to a broad audience of general readers and scholars interested in gay and lesbian issues; students of film, media,

gender, and cultural studies; and those interested in the emerging field of queer theory. Contributors. Sabrina Barton, Edith Becker, Rhona J. Berenstein, Nayland Blake, Michelle Citron, Danae Clark, Corey K. 2018-10-05 Andrew McDonough If you would rather sit at home watching TV than tell the people of Nineveh to Stop being nasty -- or else!, you need to read Jonah's story. It has everything: boats, storms, worms and a really cool whale that eats people. When Jesus wanted to change lives he told stories. That's what the Lost Sheep series is all about. At the centre of the stories is Jesus. Some stories are about him, some are by him, but all of them point to him. The series takes the spirituality of children seriously but also believe the gospel is fun.

2014-04-01 Brendan Powell Smith Jonah was a stubborn

man. When God came to Jonah to preach repentance to the Ninevites, Jonah wasn't interested. After all, besides being known far and wide for their wickedness, Nineveh was also one of Israel's greatest enemies. So why should Jonah help them? Instead, Jonah decided to ignore God and run—but he didn't make it very far. While aboard a ship sailing away from Nineveh, God sent a terrible storm that threatened to sink the ship. The crew, knowing God was angry with Jonah for disobeying him, threw Jonah overboard. But instead of drowning, Jonah was swallowed by a great whale. Would Jonah repent and be saved, or face a perilous demise? Meticulously constructed LEGO dioramas bring to life the incredible story of faith and being swallowed alive. Enjoy reading one of the Bible's oddest stories illustrated with LEGO bricks as a family. This book is aimed at children ages 3 to 6 and could be read by first and second graders. It will also appeal to LEGO fanatics who collect books about LEGO, as well as fans of the author's Brick Testament website. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a
