

Jorge Mario Bergoglio

Franciscus P P

The Mind of Pope Francis-Massimo Borghesi 2018-08-15 A commonly held impression is that Pope Francis is a compassionate shepherd and determined leader but that he lacks the intellectual depth of his recent predecessors. Massimo Borghesi's *The Mind of Pope Francis: Jorge Mario Bergoglio's Intellectual Journey* dismantles that image. Borghesi recounts and analyzes, for the first time, Bergoglio's intellectual formation, exploring the philosophical, theological, and spiritual principles that support the profound vision at the heart of this pope's teaching and ministry. Central to that vision is the church as a *coincidentia oppositorum*, holding together what might seem to be opposing and irreconcilable realities. Among his guiding lights have been the Jesuit saints, Ignatius and Peter Faber; philosophers Gaston Fessard, Romano Guardini, and Alberto Methol Ferrer; and theologians Henri de Lubac and Hans Urs von Balthasar. Recognizing how these various strands have come together to shape the mind and heart of Jorge Mario Bergoglio offers essential insights into who he is and the way he is leading the church. Notably, this groundbreaking book is informed by four interviews provided to the author, via audio recordings, by the pope himself on his own intellectual formation, major portions of which are published here for the first time.

World Youth Day-Jane Skjoldli 2021-10-11 Can digital games help us understand real life religion? With *World Youth Day: Religious Interaction at a Catholic Festival*, Skjoldli suggests that they can. The change is particularly visible from Skjoldli's new theoretical framework religious interaction, which draws on digital game studies. The framework centers on three key terms-interaction, interface, and immersion. Interaction constitutes the core of the

stipulative definition of religion operative in this framework: interaction with culturally postulated superhuman persons. Interface represents the means by which interaction takes place. When interaction becomes emotionally charged, immersion takes place-whether it happens in religious contexts, gaming contexts, or other human activities like watching sports, reading books, playing instruments, listening and/or dancing to music. Religious immersion, Skjoldli suggests, is helpful for understanding-and making intelligible-the emotional charge of human-superhuman relationships, the power and vulnerability of the religious interfaces that enable them, the significance of emotionally charged experiences they afford, and the vexation expressed when interactions are frustrated by distraction, distortion, or destruction. In this book, Skjoldli employs her religious interaction framework in an analysis of how the Catholic festival World Youth Day (WYD) changed the meaning of pilgrimage in Catholicism. WYD emerged from a ritual, historical, and cultural context abundant associations to pilgrimage as the term is conventionally understood by scholars. WYDs are also consistently called pilgrimages, even when the host locations are not officially sanctioned as such. A substantive investment for the Catholic Church centrally, locally, and for the local event organizers, each WYD draws hundreds of thousands to millions of young Catholics from around the world. The pope always participates by giving speeches and leading some of the ceremonies. WYD is persistently referred to as a pilgrimage, and Skjoldli analyzes what pilgrimage has meant, what it means now, and how it changed in the context of WYD.

Laudato Si-Pope Francis 2015-07-18 In his second encyclical, *Laudato Si'*: On Care For Our Common Home, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter

joins the body of the Church's social and moral teaching and draws on the best scientific research, providing the foundation for "the ethical and spiritual itinerary that follows." Laudato Si' outlines: The current state of our "common home", The Gospel message as seen through creation, The human causes of the ecological crisis, Ecology and the common good, Pope Francis' call to action for each of us, Our Sunday Visitor has included discussion questions, making this edition perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching. Book jacket.

Naar een cultuur van de vrede in maatschappij en school-Roger Boonen 2015-11-13 In iedere samenleving is het bewaren en versterken van een vredescultuur onmiskenbaar een uitzonderlijk hoog goed. Het bevorderen van een cultuur van de vrede is een actief proces en wordt, door de afwezigheid van het kwaad en/of geweld - wat dat ook mag betekenen? - een noodzakelijke mogelijksvoorwaarde om de aandacht voor menswaardigheid gaande te houden en uit te diepen. Dit boek wil een bijdrage leveren tot de irenologie als geesteswetenschap. Het eerste deel behandelt de problematiek van de mens- en de wereldbeelden van de samenleving: het heroïsche, Messiaanse, ascetische en harmonische mens- en wereldbeeld. Het tweede deel gaat in het bijzonder in op de dynamische ontwikkeling van het 'ik'-organisme, door de verbondenheid met zichzelf, de andere(n), het andere (de natuur en de cultuur), het totale bestaan (of de 'Andere' in een godsdienstig perspectief). Vervolgens komen samenlevingsmodellen en omgangsvormen in de maatschappij aan bod, zoals het racistisch of apartheidsmodel, het assimilatiemodel, het model van de multiculturaliteit/het verzuilingsmodel en het model van de interculturaliteit, met het intercultureel onderwijs als de noodzakelijke uitdaging en opdracht voor elke leerkracht. Het derde deel omvat een pleidooi voor een 'vredes-actieve' school. Deze 'geweldige' school stelt in haar schoolvisie en schoolwerkplan de vredeseducatie centraal.

Eenzijds door het goede te bevorderen: de ethische gezindheid en de positieve energie van de leerlingen. Anderzijds door de leerlingen zo veel mogelijk te behoeden voor en te verlossen van het kwade: de negatieve energie die veelal gepaard gaat met allerlei vormen van geweld en gewelddadigheid. Jongeren zullen er leren in 'vrede' te leven met zichzelf en de wereld.

iMuy Pop!-Frederick L Aldama 2013-11-04 Although investigations of Hispanic popular culture were approached for decades as part of folklore studies, in recent years scholarly explorations—of lucha libre, telenovelas, comic strips, comedy, baseball, the novela rosa and the detective novel, sci-fi, even advertising—have multiplied. What has been lacking is an overarching canvas that offers context for these studies, focusing on the crucial, framing questions: What is Hispanic pop culture? How does it change over time and from region to region? What is the relationship between highbrow and popular culture in the Hispanic world? Does it make sense to approach the whole Hispanic world as homogenized when understanding Hispanic popular culture? What are the differences between nations, classes, ethnic groups, religious communities, and so on? And what distinguishes Hispanic popular culture in the United States? In iMuy Pop!, Ilan Stavans and Frederick Luis Aldama carry on a sustained, free-flowing, book-length conversation about these questions and more, concentrating on a wide range of pop manifestations and analyzing them at length. In addition to making Hispanic popular culture visible to the first-time reader, iMuy Pop! sheds new light on the making and consuming of Hispanic pop culture for academics, specialists, and mainstream critics.

Historical Dictionary of Catholicism-William J. Collinge 2021-08-15 Historical Dictionary of Catholicism, Third Edition contains a chronology, an introduction, a bibliography, the dictionary has more than 500 cross-referenced entries on themes such as baptism, contraception, labor, church architecture, the

sexual abuse crisis, doctrine and theology, spirituality and worship, and church structure.

Critical Zones-Bruno Latour 2020-10-13 Artists and writers portray the disorientation of a world facing climate change. This monumental volume, drawn from a 2020 exhibition at the ZKM Center for Art and Media, portrays the disorientation of life in world facing climate change. It traces this disorientation to the disconnection between two different definitions of the land on which modernizing humans live: the sovereign nation from which they derive their rights, and another one, hidden, from which they gain their wealth—the land they live on, and the land they live from. Charting the land they will inhabit, they find not a globe, not the iconic “blue marble,” but a series of critical zones—patchy, heterogenous, discontinuous. With short pieces, longer essays, and more than 500 illustrations, the contributors explore the new landscape on which it may be possible for humans to land—what it means to be “on Earth,” whether the critical zone, the Gaia, or the terrestrial. They consider geopolitical conflicts and tools redesigned for the new “geopolitics of life forms.” The “thought exhibition” described in this book can opens a fictional space to explore the new climate regime; the rest of the story is unknown. Contributors include Dipesh Chakrabarty, Pierre Charbonnier, Emanuele Coccia, Vinciane Despret, Jérôme Gaillarde, Donna Haraway, Joseph Leo Koerner, Timothy Lenton, Richard Powers, Simon Schaffer, Isabelle Stengers, Bronislaw Szerszynski, Jan A. Zalasiewicz, Siegfried Zielinski Copublished with ZKM | Center for Art and Media Karlsruhe

Death of an Altar Boy-E.J. Fleming 2018-04-04 The tragic death of 13-year-old Danny Croteau in 1972 faded from headlines and memories for 20 years until the Boston abuse scandal—a string of assaults within the Catholic Church—exploded in the early 2000s. Despite numerous indications, including 40 claims of sexual misconduct with minors, pointing to him as Croteau’s killer, the

Reverend Richard R. Lavigne remains “innocent.” Drawing on more than 10,000 pages of police and court records and interviews with Danny’s friends and family, fellow abuse victims, and church officials, the author uncovers the truth—church complicity in a cover up and the masking of priests’ involvement in a ring of abusive clergy—behind Croteau’s death and those who had a hand in it.

Francisco-Mario Escobar 2013-05-06 El Primer Papa Latinoamericano. Un hombre que eligió como su primer acto una simple petición: por favor oren por mí. Francisco es la biografía completa de un hombre humilde que de la noche a la mañana se ha convertido en uno de los hombres más influyentes del planeta. La reciente dimisión del Papa Benedicto XVI tomó al mundo por sorpresa y por buenas razones. Más de 600 años han pasado desde que un Papa renunció a su cargo. Jorge Mario Bergoglio, ahora Papa Francisco, es un hombre de oración, un hombre de acción y un hombre humilde que siempre ha promovido a otros sobre sí mismo. El fue quien en 2005 renunció al papado, para facilitar el ascenso de Benedicto XVI. Sin embargo, el nuevo Papa enfrenta a una iglesia católica en crisis —una iglesia que ha perdido la atracción de los medios de comunicación de Juan Pablo II y es acosada por los escándalos de pedofilia. Su primer año puede no ser fácil, pero ni este hombre ni la Iglesia han eludido los retos que se les han impuesto. El Papa Francisco es un hombre sencillo pero con una amplia formación teológica. Es un hombre de su tiempo, pero uno que también viaja en metro y autobús al igual que cualquier otro ciudadano. ¿Ha llegado por fin la primavera después de este invierno tan largo? El primer papa latinoamericano es una completa biografía de un hombre humilde que repentinamente se ha convertido en uno de los hombres más poderosos e influyentes del planeta.

Ethnic Stratification and Economic Inequality around the World-
Max Haller in collaboration 2016-03-03 The modern world is characterised by pervasive economic inequalities. Strong

economic growth in some developing countries has contributed to a degree to a reduction in the levels of inequality between nations, yet inequality within nations remains high and in some cases, continues to increase. *Ethnic Stratification and Economic Inequality around the World* investigates the reasons for these striking differences, exploring the coincidence and interaction between economic stratification and ethnic differentiation. Drawing on extensive international survey and statistical data, the author develops a new theory and concrete hypotheses concerning the conditions which lead toward extreme inequality and those which tend toward greater equality. A systematic examination of the interaction between class structures, social stratification and ethnic differentiation, this book sheds light on the manner in which the resulting social structures produce different levels of economic inequality, offering a fivefold typology of patterns of ethnic stratification, which can be applied to present-day world regions. Drawing on the work of Max Weber to provide a rigorous investigation of inequality around the world, it demonstrates what 'sociology as a science of social reality' can significantly contribute to our understanding of global economic stratification. The book is relevant for a wide social-scientific audience, particularly for sociologists, economists and political scientists working in a comparative perspective.

Britannica Book of the Year 2014-Encyclopaedia Britannica, Inc. 2014-03-01 The *Britannica Book of the Year 2014* provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations, governments, and economies throughout the world. It is an accurate and comprehensive reference that you will reach for again and again.

Growing Apart: Religious Reflection on the Rise of Economic Inequality-Kate Ward 2019-01-24 This book is a printed edition of the Special Issue "Growing Apart: Religious Reflection on the Rise of Economic Inequality" that was published in *Religions*

Kongeriget 1-Børge Beck 2020-05-26 I bibelen er der et gennemgående tema om Guds Kongerige, gennem hvilket Gud ønsker at regere jorden i historisk tid, der slutter med Tusindårsriget. I denne Bog 1 gennemgås Riget, som det er beskrevet i Gamle Testamente, fra Adam over dets etablering ved Moses og videreudviklingen under Josva, dommerne og kongerne, til dets fald under den sidste konge af Juda, Sidkija, i 586 f. Kr., hvor "hedningernes tider" begynder med Det babyloniske Fangenskab. Endelig beskrives den efterfølgende profetiske tilkendegivelse af en fremtidig genoprettelse af Riget, der er betinget af Israels nationale omvendelse. Kendskab til Det teokratiske Rige i Gamle Testamente er af afgørende betydning for forståelsen af Jesu præsentation i Ny Testamente, hvilket er emnet i Bog 2.

Der numerisch stärkste Planet im Horoskop-Henrike Mayer 2014-12-13 Mit Hilfe einer einseitigen Tabelle kann die Stärke des numerisch stärksten Planeten im Horoskop ziffernmäßig rasch festgestellt werden. Ein rascher Einstieg zur Horoskopdeutung.

Europa im Spiegel von Migration und Exil / Europa no contexto de migração e exílio-Lydia Schmuck 2015-04-24 Der Band richtet den Fokus auf den portugiesischen und brasilianischen Europa-Diskurs im Kontext von Migrationserfahrung. In einer einleitenden Studie werden zunächst theoretische Grundlagen entwickelt, um die Europa- und Migrationsforschung zusammenzuführen, bevor dann in Form von 'Case Studies' die verschiedenen Facetten der portugiesisch-brasilianischen Europa-Konstruktion beleuchtet werden. Je nach Tätigkeitsbereich der behandelten Personen und Auswahl des Ausdrucksmediums erscheint 'Europa' als unwillkürlicher Identitätsreflex, als intendierte Projektionsfläche, kollektiver Gedächtnisraum oder auch als politisches Statement. Schwerpunkte der Studien bilden die Kunst (Fotografie), die Literatur (zwischen Autobiografie und Essayistik) sowie die Philosophie (Ontologie).
