

Joseph Andrews With Shamela And Related Writings Authoritative Texts Backgrounds And Sources Criticism

Joseph Andrews ; with Shamela ; and Related Writings-Henry Fielding 1987 This Norton Critical Edition reprints the authoritative Wesleyan text of Joseph Andrews, edited by Martin Battestin.

Joseph Andrews and Shamela-Henry Fielding 2008-06-12 Both Joseph Andrews (1742) and Shamela (1741) were prompted by the success of Richardson's Pamela (1740), of which Shamela is a splendidly bawdy parody. In both works Fielding demonstrates his concern for the corruption of contemporary society, politics, religion, morality, and taste. This revised and expanded edition follows the text of Joseph Andrews established by Martin C. Battestin for the definitive Wesleyan Edition of Fielding's works. The text of Shamela is based on the first edition, and two substantial appendices reprint the preliminary matter from Conyers Middleton's Life of Cicero and the second edition of Richardson's Pamela (both closely parodied in Shamela). A new introduction by Thomas Keymer situates Fielding's works in their critical and historical contexts.

The History of the Adventures of Joseph Andrews and of His Friend Mr. Abraham Adams-Henry Fielding 1999 'I beg as soon as you get Fielding's Joseph Andrews, I fear in Ridicule of your Pamela and of Virtue in the Notion of Don Quixote's Manner, you would send it to me by the very first Coach.' (George Cheyne in a letter to Samuel Richardson, February 1742) Both Joseph Andrews (1742) and Shamela (1741) were prompted by the success of Richardson's Pamela (1740), of which Shamela is a splendidly bawdy parody. But in Shamela Fielding also demonstrates his concern for the corruption of contemporary society, politics, religion, morality, and taste. Thesame themes - together with a presentation of love as charity, as friendship, and in its sexual taste - are present in Joseph Andrews, Fielding's first novel. It is a work of considerable literary sophistication and satirical verve, but its appeal lies also in its spirit of comic affirmation, epitomized in the celebrated character of Parson Adams. This revised and expanded edition follows the text of Joseph Andrews established by Martin C. Battestin for the definitive Wesleyan Edition of Fielding's works. The text of Shamela is based on the first edition, and two substantial appendices reprint the preliminary matter from Conyers Middleton's Life of Cicero and the second edition of Richardson's Pamela (both closely parodied in Shamela). A new introduction by Thomas Keymer situates Fielding's works in their critical and historical contexts.

Joseph Andrews-Henry Fielding 1900

Joseph Andrews & Shamela-Henry Fielding 2003-09-25 SHAMELA is a brilliant parody of Samuel Richardson's PAMELA, in which a virtuous servant girl long resists her master's advances and is eventually 'rewarded' with marriage. Fielding's far more spirited and sexually honest heroine, by contrast, merely uses coyness and mock modesty as techniques to catch a rich husband. JOSEPH ANDREWS, Fielding's first full-length novel, can also be seen as a response to Richardson, as the lascivious Lady Booby sets out to seduce her comically chaste servant Joseph, (himself in love with the much-put-upon Fanny Goodwill). As in Tom Jones, Fielding takes a huge cast of characters out on the road and exposes them to many colourful and often hilarious adventures.

Joseph Andrews and Shamela-Henry Fielding 2018-04-03

Joseph Andrews-Henry Fielding 2001-04-25 Joseph Andrews, first published in 1742, is in part a parody of Samuel Richardson's Pamela. But whereas Richardson's novel is marked by the virtues of female chastity and the triumph of steadfast morality, Fielding's Joseph Andrews is peopled with lascivious women, thieves, hypocrites, and general fools. As we follow the characters in their travels, what unfolds is a lively panoramic satire of mid-Georgian England.

Joseph Andrews, and Shamela-Henry Fielding 1972

Joseph Andrews-Henry Fielding 1987

Joseph Andrews; and Shamela, ed-Henry Fielding

Joseph Andrews-Henry Fielding 2008-02-01 Henry Fielding (1707-1754) was an English novelist and dramatist known for his rich earthy humour and satirical prowess, and as the author of the novel Tom Jones. He was born in Sharpham near Glastonbury in Somerset in 1707, and was educated at Eton College. Later he went to London where his literary career began. In 1728, he travelled to Leiden to study. On his return, he began writing for the theatre, some of his work being savagely critical of the contemporary government under Sir Robert Walpole. He therefore retired from the theatre and resumed his career in law, becoming a Justice of the Peace in 1748 for Middlesex and Westminster. Fielding never stopped writing political satire and satires of current arts and letters. Amongst his works are Rape upon Rape (1730), Shamela (1741), The History of Tom Jones, A Foundling (1749) and Amelia (1751).

Henry Fielding's 'Joseph Andrews' in terms of parody-Lena Wandschneider 2007-10-25 Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Hamburg (Institut für Amerikanistik und Anglistik), course: Classics re-written? Pamela and Jane Eyre, 14 entries in the bibliography, language: English, abstract: This paper deals with the analysis of Henry Fielding's 'Joseph Andrews' (published in 1742) in relation to Samuel Richardson's 'Pamela' (published in 1740). It has been claimed that Fielding wrote his novel as a response to 'Pamela', according to several allusions included in his novel 'Joseph Andrews'. To describe the relationship between these two texts, the notion of transtextuality, coined by the French literary scholar Gérard Genette, will be used. Here the focus will lie on the so called hypertextuality, which describes the 'overlapping' of two different texts. The aim of this paper is to analyse 'Joseph Andrews' in terms of parody, which is one of the possible hypertextual operations that occur in literature. In order to do so, the notion of parody will be defined, mostly by opposing and comparing two recent accounts of the term. With the help of the knowledge of hypertextuality and parody, Fielding's novel will be examined in detail. The main purpose is to find out whether Fielding parodied 'Pamela' or not. Therefore structural and functional criteria of 'Joseph Andrews' will be taken into account. The first two chapters will provide the fundamental knowledge that is necessary for the analysis of the novel in the end. The important literary terms and their definitions will be introduced. Afterwards Henry Fielding's 'Joseph Andrews' will be analysed.

Joseph Andrews-Henry Fielding 1998 When in 1740 Samuel Richardson published his novel Pamela, Henry Fielding was first stung into writing his lively parody Shamela and then inspired to produce, in a spirit of mocking rivalry, the immortal comic romance Joseph Andrews. A handsome youngster, Joseph becomes a footman in the Booby household, and while his own heart belongs to the innocent Fanny, he himself is continually besieged by the lustful Lady Booby and her maid, Mrs. Slipslop. His fortunes take Joseph on the road and among robbers, and there he encounters the unforgettable Parson Adams. The farcical brio of their further adventures has assured this delightful comic classic a lasting place in the affections of generations.

Developing the English Novel-Anna Ferri 2003

Justice Henry Fielding's Influence on Law and Literature-Claudine L. Maria-Julia Boros 2010-07 This book presents and analyzes Magistrate (Justice of the Peace) Henry Fielding's impact on law and literature through his pamphlets, periodicals and novels, in the context of laws, legal affairs, legal administration, and the social-economic political and legal environment present in 18th century England. I demonstrate and argue that among novels of all time the most extensive and diversified coverage of laws, Justices of Peace, lawyers, crimes, and the socio-economic environment, particularly rural 18th century England. Of all the noteworthy 18th century novelists or fiction writers, Justice Henry Fielding is the only one who was also a jurist. This book is also focused on demonstrating how extensively Fielding was consumed throughout his life and the area of law, from his early age to his death, but with a far broader spectrum, education, and experience than anyone except perhaps Lord High Chancellor Hardwicke and Sir William Blackstone. Justice Henry Fielding traveled a long and diversified path in the legal arena to reach the level of expertise, which he deployed in providing his public with Tom Jones, Amelia, and Joseph Andrews as well as his journals and political pamphlets.

The Novels of Henry Fielding Including-Henry Fielding 2015-04-09 Henry Fielding writes some of the earliest and perhaps the greatest English novels. In 'The History of Tom Jones', the hero is an orphan, brought up by Mr Allworthy on his country estate, until Tom is banished to make his own fortune in London. Fielding chats wittily and with poignantly across the two and a half centuries between him and the reader. Fielding pauses the action and explains with humour what he is doing, why he has developed the characters in this way, or explains what a novel is and how it differs from a play. It is astonishing to find the author chatting to the reader in this way and for it to feel so relevant. Fielding's first full-length novel, 'Joseph Andrews' is both high-brow and extremely funny. Each of the many characters are endearing as they go about their lives. Again, the story is frequently interrupted by an imperfect narrator, with hilarious results and there are several very amusing tangents and essays. Fielding satirizes almost every part of the world around him: doctors, the legal system, priests and the upper class. Even though the book was written in eighteenth century England, some of the observations are hilarious because they are still accurate today. Shamela is a brilliant parody of Samuel Richardson's Pamela, in which a morally upstanding servant girl resists the sexual advances of her master and is eventually 'rewarded' with marriage. Fielding's novel has a far more wily, strong-willed and sexually honest heroine. She uses mock bashfulness and reserve as her means of winning herself a rich spouse.

The History of the Adventures of Joseph Andrews and of His Friend Mr. Abraham Adams, and An Apology for the Life of Mrs. Shamela Andrews-Henry Fielding 1970

CliffsNotes on Fielding's Joseph Andrews-Michael B. Mavor 2001-03-07 Ordinarily a moralist writer, in this novel Fielding creates a comedy of romance, by superimposing the positive act of the imagination on the raw material of the real world. It is ultimately both instructive and entertaining. Here Fielding parodies his own previous novels in this story of a young man resisting the many attempts to seduce him.
