Holy Spirit-Eulalie Hendricks 2019-02-20 This book is two thousand years overdue in its telling. Since the fall of man in the Garden of Eden, God declared a state of war between Satan and the woman and her offspring, therefore, Satan hates women with every fiber of his being (Gen. 3:14, 15, MSG). Since time immemorial, Satan has worked relentlessly to try and steal, kill, and destroy women, trying to steal our knowledge of who we are in Christ Jesus, trying to beat us down and kill us with abuse, and trying to steal from us our dignity, our value, our worth, our identity, and ultimately, our joy (1 Pet. 5:8). For too long, Satan has kept us deceived, demeaned, and defeated, but Jeremiah declares, "Call to Me, and I will answer you, and show you great and mighty things, which you do not know" (Jer. 33:3). Through Jesus's glorious gospel of grace, God is lifting the veil of darkness that has kept Christians blinded to the truth of who women are in Christ and all that is ours as heirs to His throne of grace. A grace revolution is sweeping our planet, and part of that is the unveiling of women's identity in the Godhead and all that we are in Christ Jesus. Two thousand years ago, at the cross of Calvary, God returned to man His glory, and this book unveils all that that means to us as daughters of the Most High, and it reveals the fullness of who we are as His comforters, helpers, and beautiful shekinahs.

Proselytizing and the Limits of Religious Pluralism in Contemporary Asia-Juliana Finucane 2013-10-21 This volume brings together a range of critical studies that explore diverse ways in which processes of globalization pose new challenges and offer new opportunities for religious groups to propagate their beliefs in contemporary Asian contexts. Proselytizing tests the limits of religious pluralism, as it is a practice that exists on the border of tolerance and intolerance. The practice of proselytizing presupposes not only that people are freely-choosing agents and that religion itself is an issue of individual preference. At the same time, however, it also raises fraught questions about belonging to particular communities and heightens the moral stakes in involved in such choices. In many contemporary Asian societies, questions about the limits of acceptable proselytic behavior have taken on added urgency in the current era of globalization. Recognizing this, the studies brought together here serve to develop our understandings of current developments as it critically explores the complex ways in which contemporary contexts of religious pluralism in Asia both enable, and are threatened by, projects of proselytization.

Pentecostal Megachurches in Southeast Asia-Terence Chong 2018-05-24 Charismatic pastors, fast-paced worship sessions, inspirational but shallow theology, and large congregations - these are just some of the associated traits of Pentecostal megachurches. But what lies beneath the veneer of glitz? What are their congregations like? How did they grow so quickly? How have they managed to negotiate local and transnational challenges? This book seeks to understand the growth and popularity of independent Pentecostal megachurches in Southeast Asia. Using an ethnographic

approach, the chapters examine Pentecostal megachurches in Malaysia, Indonesia, the Philippines, and Singapore. Each chapter dwells on the development of the megachurch set against the specific background of the country's politics and history.

Religion the Great Harlot in the Devil's Playground-S. Mason 2012-02 For those of you considering the purchase of this book allow me at the very first to acknowledge that I am not a theologian, a pastor or a teacher ordained to the ministry of the Gospel by any organized religious group. The pages within the covers are not written to extol or acclaim the need for or value of religion. You will find many reasons presented that cause me to see and know the opposite is true. In my Introduction I call this manuscript "A Book of Warning." There is a tremendous movement in the world to unite all faiths into a common religion that can be accepted by everyone. Hidden behind the words and actions of more than a few politicians and many religious leaders is the ominous promotion of what the media has called a "One World Religion." Political and financial leaders around the world, many who prefer to remain in deep cover, are proclaiming that for the world to become more stable we must have a "New One World Government." They realize that for this system of government to work there must be some form of common agreement, therefore they are preparing the way for the false prophet. The world we live in which I have called "The Devil's Playground," is changing at a pace previously unimaginable. In this documented commentary I hope to alert the readers to not only why and how, but introduce them to the only hope of escape from the coming storm. In the extremely imminent future, all the things that those captive in the playground have put their trust and confidence in will suddenly evaporate like a mirage. I pray that readers of this book may find the directions for their escape.

I Am the Aleph-Tav-Samuel Koiki 2018-05-29 Did you know that Jesus appears ten times (1000%) more in the Old Testament than he does in the New Testament. In fact Jesus the Aleph-Tav appears 9612 times (uninterpreted) in the Old Testament but only 983 times in the New Testament. The Aleph-Tav is comprised of the first and last characters of the Hebrew language, just as the alpha and the omega are the first and last characters of the Greek language. The Aleph-Tav is also the Hebrew character symbol believed to be the signature of Christ found only in the Hebrew Bible, represented by the head of a bull and the sign of a cross. Both character symbols clearly point us to Christ, the Lamb of God who died for humanity on the cross of Calvary. I AM the Aleph-Tav unveils the presence of Jesus in the Old Testament, first by taking a deep dive into the mystery of the Aleph-Tav. Although this symbol appears almost ten thousand times in the Old Testament, it was never interpreted into any other language, and author Samuel Koiki shows how there are parallels between the Old Testament and the statements Jesus made to John in the book of Revelation, where Jesus proclaimed that he was the Alpha and the Omega, the beginning and the end, in a different way, the Aleph-Tav. Was Jesus telling John that he was there all along when the universe was created in Genesis? Perhaps he was telling John that he indeed is the creator, and that it was he who brought forth the miracles in the Old Testament scriptures. Unraveling the mystery of the Aleph-Tav will answer these questions and lead believers to the truth, abundant living, and freedom from sin, oppression, and the lies of the devil.
