Joshua - Victorious by Faith-Theodore Herman Epp 1968

Phrase-By-Phrase: Joshua--a Devotional Study-Rick Kavanaugh 2019-12-10 Joshua is a story of conquest. Though Joshua is ancient history, the New Testament makes it clear we can approach the journey of Israel as a metaphor for our spiritual formation. (1 Corinthians 10:1-4,11) Joshua's conquest of Canaan is a picture of our spiritual warfare. Satan wants to keep us from entering into the fulness of God's inheritance, purchased for His children through the death and resurrection of Jesus Christ. Our inheritance is conformity to the image of Christ. God has predestined us to be an expression of Christ in this world. We were created in God's image and the Holy Spirit is on mission to express the life of Jesus through us. Those are lofty ideals. How do they become reality in our day-to-day experience? That is what Joshua will teach us. The good news is, our victory is guaranteed. Granted, it is not automatic; there are battles we will have to face, but this book will unfold what those battles look like, and will offer steps we need to take to ensure victory. Like the first book in this devotional series (Phrase-By-Phrase: James) we will take a reflective look at the chapters of Joshua's journal. I will also post reflections questions at the end of each chapter for personal meditation or group discussion. Like the study in James, the chapters are intentionally brief and designed to prompt you to ponder the text and how it applies to life. It is my prayer that as you meditate through Joshua, God will guide you to pull down strongholds of defeat and replace them with strongholds of righteousness.

Strategic Spiritual Warfare-Ikechukwu Joseph This is a true story. His eye balls were rolling inside his skull as he came out of Cecilia's home. "What is the problem?" we asked him. This is not the person I use to know because his behavior changed. As we began to pray for him, he turned violent that three of us could hardly hold him down. About one hundred and forty four demons were cast out of him. The last twelve demons refused to leave as they claimed ownership of this brother. We stood our ground that brother Paul is a child of God. We rebuked and cast them out. Reluctantly they left, remaining their leader that also left after all false claims. This violent brother by now was slain in the spirit and slept like a baby for quite some time. When he woke up he looked surprised wondering what has happened. What happened was that he had gone and laid hands on this said Cecilia when he heard her screaming and shouting. Cecilia was not born again and had been demon possessed and ran mental for years. The junior sister who is a Christian shared with us in fellowship how the demons that visit or that are in her senior sister Cecilia one day threw her, the junior sister out of her own room to the outside. No hands seen but she was lifted up and thrown out. As Paul laid hands on her, demons transferred into Paul's hand to his body...Can a Christian be demon possessed or demonized, oppressed, depressed, or suppressed? More inside this book. He also gave the Christian man the authority and power over Satan, demons and diseases. In all these, the devil has not given up in his tricks to deceive and oppress the nations of the earth but if we stand on the Lord's side, victory is inevitable. The battles fought by Israel and Judah in the Bible have spiritual meanings and can still be applicable in our recent time spiritually. The name of Jesus Christ, the authoritative word of God and the blood of Jesus Christ are the basic and sure weapons to knockout the devil all the time. We are alive and made strong in the Lord. We are ever victorious soldiers of Jesus Christ and we must never entertain fear because greater is He that is in us than the defeated devil that goes about seeking who to intimidate and devour.

How to Study the Bible-Watchman Nee 1999 The Bible is the inspired word of God, and every believer should study it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established word. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can receive very little in our study of the Bible if our person is not proper before the Lord.
