Introductory Double Entry Accounting Practice Workbook-L. Castelluzzo 2019-05-25 This book provides the reader with an opportunity to practice the double entry system of accounting. It contains 1000 practice questions. The solutions are provided for each question, along with an explanation,

so that the student will be able to pinpoint exactly where any errors may have been made. These questions pertain to fictitious companies with revenues from services and sales. They include sales revenue, sales returns, various expenses, capital purchases, depreciation, dividend payouts, unearned revenue, and prepaid expenses. There are also practice questions for business loans, which include the posting of interest expense as well as the principal portion of the loan repayment. This book does not teach the theory, but instead, it is intended to allow students to practice what they have learned in their introductory accounting or introductory bookkeeping course.

An Introduction to Accountancy, 11th Edition-S.N. Maheshwari, S.K. Maheshwari & Sharad K. Maheswari 2013 This well-known textbook provides students with the knowledge of basic accounting principles and practices in a systematic manner. The unique feature that has made this book popular among students is the simplicity of presentation which enables them to understand the subject and solve practical problems with ease. The main strengths of the book are updated text, plentiful illustrative examples and the end-of-chapter exercises with answers. The wide coverage and user-friendly approach help the book to meet the course content requirements for BCom, BBA, MCom, MCA examinations of different universities and examinations conducted by professional institutions. KEY FEATURES □ Updated text in view of new and withdrawn accounting standards and their interpretation. □ Formulation of the roadmap for convergence of Indian Accounting Standards to IFRS. □ Incorporation of the New Schedule VI in place of Old Schedule VI with appropriate notes, wherever necessary. □ Complete overhauling of solutions to all Illustrations and requisite changes in the answers to Practical Problems required due to the substitution of New Schedule VI in place of Old Schedule VI. □ Latest questions and

problems from examinations conducted by different professional bodies and universities.
