

Journey Through The Hebrew Scriptures

A Journey Through the Hebrew Scriptures-Frank S. Frick 1995 This is a guidebook for a trip through the body of literature known as the Old Testament or the Hebrew Scriptures. This book is used as a textbook in some introductory Old Testament religion courses.

Journey Through Jewish History: Abraham to the sages-Seymour Rossel 1981

Journey Through Jewish History-Seymour Rossel 1981-12

Begin-Ken Ham 2011 The perfect starting point for any believer to begin a powerful journey through the Bible! No one would argue that the Bible is a large, and sometimes confusing, book! Comprised of 66 different volumes, 39 books of the Old Testament and 27 books in the New Testament, it seems to be a complex assortment of history, laws, prophecy, and wisdom literature. With insights from Genesis 1-11 (the foundation), Exodus 20:1-17 (the Ten Commandments), John (the Gospel), Romans (a letter from Paul to Christians), and Revelation 21-22 (the fulfillment in heaven), Begin presents a foundational overview that you can build your Bible study around. Get excited about God's Word and find yourself wanting to know more each day!

Journey Through the Word-James E. Davison 2003-01-01 An analysis of key themes in the Bible features a coordination of each theme with the periods of Biblical history, an identification of key terms, and lesson plan suggestions. Original.

Journeys Through the Alef Bet-Torah Aura Productions 2005 Journeys Through the Alef-Bet is a brand-new Hebrew pre-primer for second to third grade students offering Hebrew letter recognition skills and beginning at blending sounds.

Sex, Sexuality and Gender in the Old Testament-Pete Brazier 2021-09-17 Sex, sexuality, and gender in the Old Testament seeks to bridge the conversational gap in global Christian thinking, between traditional and the liberal/progressive views of sexuality by taking a deep dive into the text of the rich Hebrew scriptures of the Bible. It is: a journey through the Old Testament looking at the Hebrew text and various English translation choices an exploration of what is said about sex, sexuality and gender with a view to dispelling many preconceptions written in light of current conversations about same sex marriage in various parts of the Church. No prior knowledge of Hebrew is required to understand this book.

Endorsements: Stephen Froggatt - Pete has somehow managed to write a book which is both a reference book and a readable account of his research. I lack the Hebrew skills to do it justice, but his patient leading through the pertinent points, stressing the need for great care when translating anything, opens up the riches of the texts he has chosen to present. In terms of scholarship, he has been meticulous in his research. He has done the spade work and the analysis so that we don't have to and explained it in a way that is not littered with footnotes but offers a clear path through the forest of words. He bravely approaches all the contentious yet illuminating passages around Sex, Sexuality and Gender, while recognising that his readership may well hold a range of opinions on them. Finally, he simply shows how much he loves the Hebrew language with all its poetry and ambiguity, and it is a delight to be caught up in his enthusiasm. Thank you Pete for writing this important book. It is one to which I will return, and to which I will refer others who are asking these same questions. Rick Ormrod - Reviewing a book that focuses on Biblical languages, specifically the Old Testament might strike those who know me as an odd thing for me to be doing, but the subjects of sex and sexuality are pertinent ones in the church at the present time and several Old Testament verses are used as "clobber texts" by those who support the traditional views, so receiving a copy of this book was timely in many ways. I approach this book as somebody who has zero knowledge of the original languages the Biblical books were written in and who hasn't really wanted to learn, having struggled in the past with modern languages and content to benefit from the knowledge of others through the use of commentaries. The book opens with an engaging introduction and a strong authorial voice that immediately draws the reader into the writer's enthusiasm for his subject, a blog post that has grown and become an interesting and well researched piece of academic writing that is nevertheless accessible to any reader with a good understanding of the Hebrew Scriptures. The introduction states that "you shouldn't need to know or learn Hebrew in order to read and understand this book" and this is indeed the case. Throughout there is sufficient translation and explanation of the subtleties of the translation of different Hebrew words and phrases that I feel I fully understood the points made at various points without knowledge of the original language. I think the book really succeeds for me on two fronts. It demonstrates quite clearly that the church's traditional understanding of certain passages and verses is not supported by the Hebrew and that some opinions have been based on some possibly very inaccurate translation. The book also reinforces the value of listening to the voices of those who can bring the latest understanding of translation from the Biblical languages into English and of being open to God bringing us greater understanding and knowledge through those he has given this particular gift to.

Journey Through the Old Testament- 2015-06-15 Whoever starts on a Journey should be prepared for surprises! The Old Testament offers a wealth of wonderful stories. The stories talk about people who are on a quest for God with all their heart and soul. About skeptics, unhappy people, and enthusiasts. About people just like you and me. About life as it is. With all its worries, anxieties, and unfairness. But also about God who makes His face shine upon us. Who does not abandon us. We should not deprive our children of this hope. If we read these stories with them, we can awaken their longing for God. We may perhaps also arouse their curiosity. And touch their heart and move their mind with pictures from two thousand years of art. Thus igniting a life-long journey in search of God. With easy-to-understand picture explanations for children and textual commentaries for adults. A read-aloud book for children ages 5 and up, a book to be read on one's own for children ages 8 and up, and a book to lose yourself in for adults of all ages.

The Hebrew Bible as a Journey Through Consciousness-Judith Kahn 1991 Serving as a bridge between the ancient document that is the Torah, and our own times, this work is an example of Jewish inquiry and interpretation known as midrash, "pentateuchal" in style and scope.

Torah And Bible Reading-Nieves Koenig 2021-07-14 The Torah, Judaism's most important text, consists of the first five books of the Tanakh (also known as the Pentateuch or the Five Books of Moses), the Hebrew Bible. The word "Torah" means "to teach." In traditional teaching, the Torah is said to be the revelation of God, given to Moses and written down by him. It is the document that contains all of the rules by which the Jewish people structure their spiritual lives. This book is a unique collection of insights into the first weekly public readings of the Torah (Jewish Bible) based on talks given by the author who has taught thousands of women in person and on the internet over the past two decades. From each "Bible Reading", a central idea emerges, with practical implications for the here-and-now. Whether it is lessons in how to give to others, based on Noah's life, or how we are to survive as Jews in exile, the author gives us daily inspiration, something to take along on our personal journey through life. Her sources range from classic commentators to contemporary writers, from Chassidic masters to famous Non-Chassidic scholars. Jewish Law and Jewish Lore - all are woven into this rich tapestry of Jewish thought, deeply imbued with the love of God and His Torah. In one book, you can take advantage of thousands of hours of work and toil involved in creating this work of Biblical artistry.

Walking With God-Tim Gray 2014-06-26 The Bible plays a vital role in the life of the Catholic Church. In fact, we are called to immerse ourselves daily in the Scriptures. But many of us get lost when we actually dive into the Bible, and our time spent can be more frustrating than fruitful. We are reading a collection of writings drafted by an ancient people, in an ancient culture. But Scripture is nothing less than the Living Word of God, and it is meant just as much for us as for those who lived thousands of years ago. In Walking with God, Dr. Tim Gray and Jeff Cavins unpack the central story woven throughout Scripture and present it in an easy-to-read, concise manner. Gray and Cavins take you on a journey through the "narrative" books of the Bible—the ones that tell the story—and present a panoramic view of God's glorious plan of salvation. Their expert commentary dives deep into the mysteries of Scripture, unlocking its riches and showing how these inspired words are meant for you today. Enter into the Scriptures with Walking with God. Witness the fascinating story of our faith unfold, and see how you, at this moment in your life, fit into God's plan for all of humanity. Nothing captivates the human heart like a good story, and the best story of all is the one authored by God Himself in Scripture. With keen insight and a genius for making the complex simple, Gray and Cavins help us see the big picture of God's Word by guiding us through the depths and compelling details of the biblical narrative. This book is an invaluable guide to the mystery and meaning of Sacred Scripture." Charles J. Chaput,

O.F.M. Cap. Archbishop of Denver "For ordinary Catholics, taking a journey through the Bible just got a whole lot easier. With this book, *Walking with God*, Tim Gray and Jeff Cavins make it so that you are starting out on the trip with a good map and compass, along with a couple of great friends as reliable guides. You don't want to miss out on such a great adventure." Scott Hahn, Ph.D. Founder and President, St. Paul Center for Biblical Theology "Faced with contentious questions, ancient cultures, and obscure scholarship, it is easy to forget that the Bible is meant to be heard, read, and prayed by all of us. Dr. Tim Gray and Jeff Cavins offer a highly readable overview of the biblical narrative that is very helpful for the average Catholic to explore the wonders of the Bible. They incorporate modern scholarship without being stuffy and ancient wisdom without being obtuse." Fr. Patrick Brady, S.S.L., S.T.D. Professor, St. Charles Borromeo Seminary, Philadelphia To learn more about The Great Adventure Catholic Bible Study Program visit www.BibleStudyforCatholics.com.

The Bible-Brian Singer-Towns 2000-09-16 Core course appropriate for grades 11-12 One of the most frequently identified needs of young people is a solid grounding in the Catholic understanding and interpretation of the Bible. *The Bible: Power and Promise* is a highly creative and effective response to that need. Through consistent use of biblical texts, the participants review the basic structure of the Bible and learn about the process through which the Scriptures developed. They are introduced to biblical literary forms, key people and events in biblical history, and the specifically Catholic understanding of biblical revelation. The ultimate aim of this core course is to prepare the young people to make the Bible a vital part of their continuing spiritual journey.

A Journey Through Torah-Michael G. Wodlinger 2020-08-12 *A Journey Through Torah: An Introduction to God's Life Instructions for His Children, Volume Two: Shemot/Exodus*, is written in simple and plain language for those who are new to the Bible and/or have a desire to understand God's written Word in the Hebrew Scriptures, the Old Testament. Here you will find many stories focusing on the Israelites journey from Egypt to the Promised Land. These stories also give us God's life instructions, His guidance for our navigating this uncertain world. Michael is a Messianic Jew, born and raised in a Jewish home. He came to know Yahveh and His Son Adonai Yeshua later in life. Michael is a retired university professor and an author of several books, manuscripts and papers, dealing with different aspects of teaching and learning. Currently, Michael is a Missionary with Chosen People Ministries. He and his wife, Chantal, live in Quebec, Canada, where he writes and publishes on You Tube and Facebook.

Transforming Graduate Biblical Education-Elisabeth Schüssler Fiorenza 2010 This unique collection of essays, originating in seminars held at SBL's Annual and International Meetings, explores the current ethos and discipline of graduate biblical education from different social locations and academic contexts. It includes international voices of well-established scholars who have urged change for some time alongside younger scholars with new perspectives. The individual contributions emerge from a variegated set of experiences in graduate biblical studies and a critical analysis of those experiences. The volume is divided into four areas of investigation. The first section discusses the ethos of biblical studies and social location, and the second explores different cultural-national formations of the discipline. The third section considers the experiences and visions of graduate biblical studies, while the last section explores how to transform the discipline. All the contributions offer ways to transform graduate biblical education so that it becomes a socializing power that, in turn, can transform the present academic ethos of biblical studies. The contributors are Cynthia M. Baker, Athalya Brenner, Philip Chia, Thomas Fabisiak, Wil Gafney, Gabriella Gelardini, Melanie Johnson-DeBaufre, Nyasha Junior, Brigitte Kahl, Cynthia Briggs Kittredge, Archie C. C. Lee, Kyung Sook Lee, Joseph A. Marchal, Roberto Mata, Monica Jyotsna Melanchthon, Kent Harold Richards, Susanne Scholz, Elisabeth Schüssler Fiorenza, Abraham Smith, Yak-hwee Tan, Hal Taussig, Elaine M. Wainwright, and Vincent L. Wimbush.

The Bible's Top 50 Ideas-Dov Peretz Elkins 2013-09-01 "All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection. What generally happens when someone picks up a copy of the Bible? Often it is put down within seconds because readers see endless verses which turn them off. Finally, here is an accessible book about the Bible that focuses on its great moral principles: --Human beings are created in the image of God. --"Love your neighbor as yourself." --"You shall not stand idly by the blood of your neighbor." --"You shall love the Lord your God with all your heart and with all your soul and with all your might." --"Justice, justice shall you pursue." Dov Peretz Elkins believes that if a reader understands fifty verses of the five thousand in the Bible (only 1 percent), he or she will begin to grasp the essence of the Bible. This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives. The result is a life that is better and more serious--a life with meaning, purpose, and direction. *The Bible's Top 50 Ideas*: --Presents the Bible's essential ideas in readable, engaging fashion. --Focuses on the contemporary value of the Bible. --Uses commentaries and explanations from sources that are modern as well as ancient, Christian as well as Jewish, and popular as well as scholarly. Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings. The result is a moral, legal, and literary foundation that remains the basis of all democratic and principled societies to this day. "

The Real Kosher Jesus-Michael L. Brown 2012-04-03 *Jesus-Yeshua*. The most influential Jew who ever lived. The most controversial Jew who ever lived. He has been called a rabbi, a rebel, a reformer, a religious teacher, a reprobate sinner, a revolutionary, a redeemer. Some have claimed he was a magician, others the Messiah. Some say he was a deceiver; others say he was divine. Who is this Jesus-Yeshua, and why are we still talking about him two thousand years later? Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus, a "Kosher Jesus" that Jews can accept. By reclaiming Yeshua as a fellow Jew and rabbi, he has taken a very major and truly wonderful step in the right direction, but by re-creating Jesus, he has also robbed him of his uniqueness. *The Real Kosher Jesus* takes you on a journey to uncover the truth. It is a journey filled with amazing discoveries and delightful surprises, a journey that is sometimes painful but that ends with joy, a journey through which you will learn the real story of this man named Yeshua: the most famous Jew of all time, the Jewish nation's greatest prophet, the most illustrious rabbi ever, the light of the nations and Israel's hidden Messiah.

Encyclopedia of Judaism-Sara E. Karesh 2005 An illustrated A to Z reference containing over 800 entries providing information on the theology, people, historical events, institutions and movements related to the religion of Judaism.

The Once and Future Bible-Gregory C. Jenks 2011-01-10 This book offers a way to engage with the Bible as a set of sacred texts that can serve as a song sheet for believers in exile-those people Bishop John Shelby Spong calls the "church alumni association." This includes those internally displaced persons of faith who have not yet become spiritual refugees but who feel the pressure to conform to traditional expressions of faith that no longer serve as springs of living water for the journey of life. These ancient texts come from another world and another time, but they can serve as maps for the journey of life. They can best do this when the sacred wisdom of the Bible is accepted as permission to voice the new questions we face today in the confidence that authentic faith has always required such boldness. Religious progressives are people who live the questions, not dodge them. Our task is not to guard a set of traditional answers, but to live life boldly, taking risks for God's sake and our own. One of the hallmarks of this book is that the problems posed by the Bible are acknowledged. In particular, the contributions of recent critical scholarship are embraced, rather than being ignored or neutralized by pious ambivalence. The intended reader of this book is not a traditional believer, secure in her assumptions about God and salvation, but someone struggling to live with integrity in a time when traditional religion seems increasingly irrelevant. The goal is not to persuade the reader that the Bible is credible but-more modestly-to offer an account of the Bible that may encourage religious progressives to reclaim the Bible as a valued part of our spiritual baggage.

Journey to Heaven-Leila Leah Bronner 2011-06-01 A number of the basic tenets of Jewish belief regarding the afterlife, resurrection, immortality, judgment, messianism, and the world to come are laid out in this fascinating and accessible volume. Beginning with the Bible's references to Sheol and its allusions to resurrection, this survey explores immortality and bodily resurrection in Second Temple literature; the Mishnah's discussions of *olam ha-ba*, or the world to come, and how to merit entry into it; and the Talmud's depictions of paradise and hell, and the soul's journey through these metaphysical landscapes. The book also explores the views of medieval scholars such as Maimonides and Nahmanides, Jewish mystical teachings about reincarnation, and modern views of faith and belief, as well as the evolving view of the Messiah over the course of Jewish history. This absorbing study demonstrates that the afterlife is indeed a vital part of Judaism as it reveals how generations of Jews, from biblical times to the present, have grappled with the core ideas and beliefs about the hereafter.

Journey through the Psalms-Denise Dombkowski Hopkins 2002-08-01 Reclaim the Psalms for true worship, as well as prayer, as you learn how to approach God with the emotional intensity of the ancient psalmists. Denise Dombkowski Hopkins combines the insights of scholarship on the Psalms with artwork, liturgy, song, and poetry, to give us a new way to use the Psalms in our life of faith together, to empower our corporate identity and revitalize our worship. She examines how the Psalms formed the worship of ancient synagogues and the earliest churches and how they can do the same for our churches today. Reflective questions bring worship leaders and individuals alike to a new awareness of the power of the Psalms to enrich public worship and private devotions with an honesty that does not turn away from the realities of suffering and anger.

Canaan and Israel in Antiquity-K. L. Noll 2001-01-01 This is a classroom-tested introduction to academic study of the ancient world that produced the Bible. It offers a general and yet flexible programme of study that enables a range of approaches to be understood and applied.

Joshua and Judges-Athalya Brenner 2013 The Texts @ Contexts series gathers scholarly voices from diverse contexts and social locations to bring new or unfamiliar facets of biblical texts to light. Joshua and Judges focuses attention on themes and tensions at the beginning of Israel's story in the Bible. How do these books represent conquest, war, trauma, violence against women and their marginalization? How does God appear to relate to these realities? And what do contemporary men and women do with biblical ambivalence? Like other volumes in the Texts @ Contexts series, these essays de-center the often homogeneous first-world orientation of much biblical scholarship and open up new possibilities for discovery.

Biblical Meditations for the Easter Season-Carroll Stuhlmueller 1980 Daily meditations for the seven weeks of the Easter season.

The Cities That Built the Bible-Dr. Robert Cargill 2017-02-21 For many, the names Bethlehem, Babylon, and Jerusalem are known as the setting for epic stories from the Bible featuring rustic mangers, soaring towers, and wooden crosses. What often gets missed is that these cities are far more than just the setting for the Bible and its characters—they were instrumental to the creation of the Bible as we know it today. Robert Cargill, Assistant Professor of Classics and Religious Studies at the University of Iowa, is an archeologist, Bible scholar, and host of numerous television documentaries, such as the History Channel series Bible Secrets Revealed. Taking us behind-the-scenes of the Bible, Cargill blends archaeology, biblical history, and personal journey as he explores these cities and their role in the creation of the Bible. He reveals surprising facts such as what the Bible says about the birth of Jesus and how Mary's Virgin Birth caused problems for the early church. We'll also see how the God of the Old Testament was influenced by other deities, that there were numerous non-biblical books written about Moses, Jacob, and Jesus in antiquity, and how far more books were left out of the Bible than were let in during the messy, political canonization process. The Cities That Built the Bible is a magnificent tour through fourteen cities: the Phoenicia cities of Tyre, Sidon, and Byblos, Ugarit, Nineveh, Babylon, Megiddo, Athens, Alexandria, Jerusalem, Qumran, Bethlehem, Nazareth, and Rome. Along the way, Cargill includes photos of artifacts, dig sites, ruins, and relics, taking readers on a far-reaching journey from the Grotto of the Nativity to the battlegrounds of Megiddo, from the towering Acropolis of Athens to the caves in Qumran where the Dead Sea Scrolls were discovered. An exciting adventure through time, The Cities That Built the Bible is a fresh, fascinating exploration that sheds new light on the Bible.

Advent Presence-Melford Holland 2015-09-01 One of the themes of the Advent season is to prepare for Christ, the Prince of Peace, who is coming again at a time of which we do not know. We are called to remember, to be reminded, and surprised along this journey as we live into the realized eschatology of Christ entering in our lives. Using the lens (literally and metaphorically) of Christ's call to live a radical lifestyle by living into our baptismal covenant, the meaning making of Advent will awaken our hearts and eyes to the "Second Coming" of Christ. This book will offer a new look at Advent by seeing the four weeks through the lens of morning, mid-day, late afternoon and evening, and night. What images, energies, awakenings occur for us during those moments of the day and night? What hopes, work, resting, and dreams will inform our spirits and prepare for a new birth, new life within us? Advent points us back, quickens our senses and imaginations for the present moments, and fuels our anticipations of what might come next. Throughout the book there will be photographs, stories, and perspectives to enrich our travel and invite us to other dimensions of experience all to see Advent not only as a season but also as a resource in our daily living. Advent is a time of preparation, of patience, of remembering what grounds and sustains us. The function of Advent is to remind us who God is and who we are meant to be, as well. This book will serve as a devotional for individuals and small groups for the Advent season, with a particular focus on the Year C gospel readings from Luke.

How to Get Into the Bible-Stephen M. Miller 2012-02-07 How to Get Into the Bible is a fast-paced, action-packed look at the main characters, events, and meanings of the Old and New Testament. This is the perfect handbook of the Bible for people who love movies, comic books, television, and the Internet.

Hearing the Scriptures-Eugen J. Pentiuc 2021-10-22 Throughout the ages, interpreters of the Christian scriptures have been wonderfully creative in seeking to understand and bring out the wonders of these ancient writings. That creativity has often been overlooked by recent scholarship, concentrated as it is in the so-called critical period. In this study, Eugen J. Pentiuc illuminates the remarkable way in which the Byzantine hymnographers (liturgists) expressed their understanding of the Old Testament in their compositions, an interpretive process that he terms liturgical exegesis. In authorship and methodology, patristic exegesis and liturgical exegesis are closely related. Patristic exegesis, however, is primarily linear and sequential, proceeding verse by verse, while liturgical exegesis offers a more imaginative and eclectic mode of interpretation, ranging over various parts of the Bible. In this respect, says Pentiuc, liturgical exegesis resembles cubist art. To illuminate the multi-faceted creativity of liturgical exegesis, Pentiuc has chosen the vast and rich hymnography of Byzantine Orthodox Holy Week as a case study, offering a detailed lexical, biblical, and theological analysis of selected hymns. His analysis reveals the many different and imaginative ways in which creative liturgists incorporated and interpreted scriptural material in these hymns. By drawing attention to the way in which the bible is used by Byzantine hymnographers in the living Orthodox tradition, Hearing the Scriptures makes a ground-breaking contribution to the history of the reception of the scriptures.

The Hebrew Bible Reborn: From Holy Scripture to the Book of Books-Yaacov Shavit 2007-01-01 This work, the first of its kind, describes all the aspects of the Bible revolution in Jewish history in the last two hundred years, as well as the emergence of the new biblical culture. It describes the circumstances and processes that turned Holy Scripture into the Book of Books and into the history of the biblical period and of the Jewish people. It deals with the encounter of the Jews with modern biblical criticism, the archaeological research of the Ancient Near East, with contemporary archaeology, the Bible-Babel polemic at the start of the twentieth century, and the use of the bible as a "guide to life" in education, culture and politics.

Inclusive Hebrew Scriptures-Priests for Equality (Organization) 2004 The foundational books of the Torah-Genesis, Exodus, Leviticus, Numbers and Deuteronomy-form the basis of Judaism, Christianity, and Islam. Like the other volumes of The Inclusive Bible, the Inclusive Torah seeks to keep in creative tension the realities of the past and the concerns of present, all the while providing a text as readable and welcoming as possible. Together with Volume II: The Prophets, and Volume III: The Writings, this Volume I: The Torah completes the whole of the The Inclusive Hebrew Scriptures.

Sand and Stars-Yaffa Ganz 1994 There is no more exciting story anywhere than the Jewish People's march through the menaces of history. It's a gripping, absorbing story, peopled by great names and arch-villains, full of courage and cowardice, and leavened with the conviction that the Ch

The Ultimate Jewish Teacher's Handbook-Nachama Skolnik Moskowitz 2003 A collection of essays by leaders in the field of Jewish education geared to Jewish teachers in supplementary and day schools.

Creating the Soul Body-Robert E. Cox 2008-04-18 Outlines the principles and mechanics of the soul body, the spiritual vehicle that enables individual consciousness to survive the body's death • Shows that the ancient Vedic, Egyptian, Hebraic, and Pythagorean traditions shared and understood this spiritual practice • Reveals modern science as only now awakening to this ancient sacred science Ancient peoples the world over understood that individual consciousness is rooted in a universal field of consciousness and is therefore eternal, surviving the passing of the physical body. They engaged in spiritual practices to make that transition maximally auspicious. These practices can be described as a kind of alchemy, in which base elements are discarded and higher levels of consciousness are realized. The result is the creation of a vehicle, a soul body, that carries consciousness beyond physical death. These spiritual preparations are symbolized in the Vedic, Egyptian, and Hebraic traditions as a divine stairway or ladder, a step-by-step path of ascent in which the practitioner raises consciousness by degrees until it comes to rest in the bosom of the infinite, thereby becoming "immortal." This spiritual process explains the reincarnation of the Dalai Lama, for example, whose reincarnation is confirmed in infancy through physical and spiritual signs, indicating that the consciousness has been carried from one lifetime to the next. In *Creating the Soul Body*, Robert Cox maps the spiritual journey of consciousness behind this sacred science of immortality and reveals the practice of creating a soul body in detail. He also shows that this ancient spiritual science resembles advanced theories of modern science, such as wave and particle theory and the unified field theory, and reveals that modern science is only now awakening to this ancient science of "immortality."

The Hebrew Bible Today-Steven L. McKenzie 1998-01-01 Dealing with each section of the canon, this book explains standard questions, paying special attention to where scholars agree and where they don't.

Journey of Spirit Walk of Faith-Brenda CampbellJones 2010-09 Have you ever craved for a deep personal relationship with God? Do you question your faith in the Divine Spirit to work in your daily life? This book takes you on a remarkable modern day journey of faith with a couple in their quest for a deeper relationship with God. Brenda and Franklin CampbellJones share how their spirit was strengthened by following God's guidance on a journey across the country. Through dreams, signs, messages, and "coincidences", they come to terms with the forces of doubt, anxiety, and confusion. They learn to lean on the Divine Presence of the Holy Spirit.

Harmony Over Peace-M. Derfler 2017-01-20 This unique book is a thought-provoking journey through the first five books of the Hebrew Bible. The focus is on the fundamental ideas that shape society, reframing the values that unite us and suggesting one core issue that divides us. All material is drawn from among the greatest minds in Jewish history. Most topics are broad enough to make them relevant to the widest audience. The content demands thoughtful readers who have the initiative to look up and review relevant Biblical passages. Open mindedness to new and challenging ideas is required. The rewards are a deeper appreciation of the Bible and a new way of speaking about life and the world.

Journey Through Torah Volume 10-Mordecai Silver, PhD 2020-09-30 The final book of the Journey Through Torah series commentary by Rav Mordecai Silver. Continuing with the Torah, Haftarah and Apostolic Scripture commentary, Mordecai has labored over a 10 year period to share insights into the weekly Portions. He does not try to comment on every portion in its entirety but to get you the reader to think about what the Bible is sharing with us. While Mordecai has written many more years of commentary he has tried to share the best of what he has written over the course of his ministry.

The Crown & the Cross-Dr. Dana Carson The Crown and the Cross: Understanding the Kingdom of God will be one of the best books you will ever read concerning understanding the Kingdom of God! Undoubtedly, The Crown and the Cross will revolutionize the way you define your faith. Dr. Dana Carson is considered the world's foremost Kingdom scholar, who has written over one hundred books and study guides that help the believer live the Kingdom life. After reading The Crown and the Cross, your practical walk with God will never be the same as Dr. Carson challenges you to rethink your interpretation of scripture based upon a Kingdom perspective that highlights the crown of Christ and not merely the cross of Christ! This book will open the minds of those who have been trapped in traditional views of the church that cause stagnation and disinterest. We invite you to explore a fresh look at the cross of Christ through the lens of the crown of Christ and become empowered to live a victorious life in the Kingdom! This is an investment you will never be sorry you made! YOU MUST READ THIS BOOK!

The Messiah-William Varner 2004-11-23 A mysterious figure called the "Messiah" is the central theme of the entire Bible. In this book that Messianic theme is traced from its announcement in the Old Testament through its development between the Testaments to its fulfillment in the New Testament. The book also examines how Jews and Christians have continued to debate this subject down until today. There are also some studies on fascinating related subjects like the location of the Temple and the ashes of the Red Heifer. While these chapters have been written from a Christian perspective, adequate attention has also been given to Jewish concerns. The Messiah was successively revealed, rejected and received. This book explains how and why that happened. "In this book, Will Varner has opened the Scripture to provide a readable, clarifying look at Jesus, the Messiah of Israel and the Savior of the world. Jesus once asked His disciples, "Who do men say that I am?" (Mark 8:27). That is still the most urgent question - who is this Jesus? You will find the answer powerfully and convincingly provided in this outstanding book." John MacArthur, Grace Community Church, Sun Valley, CA and President of The Master's College

Cherish Christ Above All-Demetrius Dumm 1996 The Bible in the Rule of Benedict, Demetrius Dumm, OSB. A noted scholar and spiritual writer explores the rich scriptural roots of the Rule of Benedict, which, while primarily monastic, has much value for any Christian who wants to live more fully in the presence of God and in union with Christ.

[DOC] Journey Through The Hebrew Scriptures
