2019-02-27 Christina Patterson Joy often seems unattainable in times of uncertainty and difficulty. The Bible however, promises believers a lasting joy from the Lord greater than our circumstances. If you desire to experience joy even in the face of challenges, Christina Patterson welcomes you to her 12 session Bible Study "Relentless Joy." The Apostle Paul wrote the book of Philippians at a time of considerable uncertainty. He was in prison and not sure if he would live or die. However, Paul did not write to the Philippians to complain about his situation. He wrote to gush over how joyful he was in Christ, as well as to convey his hope for the Philippians to experience this same joy. For every reason Paul had to be discouraged, he relentlessly found more reasons to be joyful. Through this study of Philippians you will learn: - The difference between lasting joy and temporary happiness - How to fight for your joy - How to make the joy of the Lord your strength - What habits lead to experiencing joy Each session includes the following: key insights from your reading, a viewer guide, study questions, journal prompt, and more. You'll also find articles titled "A Closer Look" throughout this study to gain a deeper understanding of how to experience the joy of the Lord in your everyday life. This Bible Study is designed to accompany the "Relentless Joy" video Bible Study series; however, it may also be completed as a standalone study. Find the strength to fight for your joy today with the "Relentless Joy" Bible study.

2013-10-22 Lisa Thompson The letter to the Philippians is the most joyful of all Paul's letters, so it's a surprise to learn that when Paul wrote it he was chained day and night to a Roman soldier awaiting trial before Emperor Nero—a persecutor of Christians. Despite the difficult and worrisome circumstances, Philippians is filled with confidence, strength, and joy! The Philippian church was experiencing the same life problems we deal with today. So, Paul wrote this letter to offer guidance for

everyday living. The theme is joy and there's no doubt Paul knows the secret to living joyfully despite the difficulties we face or the chains that binds us. Paul boldly states that no matter what each day brings, we can, with Christ's power, live victoriously in the midst of difficulty. You will also learn how to live with that kind of joyful strength as you go through this study. Philippians: The Joyful Woman is a workbook style Bible study. 2021-09-21 Tom Are The world the apostle Paul inhabited was dramatically different from our time. He knew nothing of capitalism, or physics, or Zoom, and more significantly, Paul was a regular in Caesar's prison. For us, "Caesar" is a salad. But a constant in the human story is that every life faces suffering. Paul's life was no different. And yet, on Paul's worst days, he still exhibited a spirit of joy. In this spirit of joy, Paul offers us some inspiration. Joy is not a common reality in modern life. We are more acquainted with anxiety and fear, and on good days we can settle for happiness; but joy is less common. The worst days come to all of us. At some point the dreams die, the body fails, the spirit is crushed. Those days leave their mark on us. But an imprisoned apostle passed down 104 verses to an ancient congregation in Philippi, and they have passed it down to us. It is their testimony that when the worst days come—and they will—they do not have to be the end of joy. Indeed, they might be the beginning.

2008-07-01 Doris W. Greig This is a 9-lesson Bible study series. Each lesson contains a commentary and a week's daily study questions (except for the final lesson which contains the final commentary only.) The books of Philippians and Colossians are letters written to the early church in the cities of Philippi and Colossae by the apostle Paul. Philippians may be summed up in one word—joy: joy in living, joy in service, joy in fellowship, and joy in rewards. Jesus Christ is the secret of our joy. Colossians proclaims Christ as the Head of the body. He is

our life, and we are complete in Him. Paul urges us to be rooted in Jesus, to be built up in Him, to be hidden in Him, and to present Him to the world.

If you answered yes to any of these questions, then this book is for you. In this book, you will discover the meaning, value, and practice of joy as an important Christian value. You will learn from the biblical examples and teachings of joy, as well as from your own experiences and challenges. You will also learn how joy can help you to live boldly and fearlessly in Christ. In this book, you will explore: The source of joy, which is God Himself, and how He shares His joy with us through His creation, His revelation, His redemption, and His presence. The gift of joy, which is God's grace to us, and how He gives us joy as a fruit of His Spirit, a result of His work, a promise of His word, and a reward of His service. The enemy of joy, which is sin and its consequences, and how sin robs us of joy by separating us from God, by corrupting our nature, by deceiving our minds, and by enslaving our wills. The challenge of joy, which is suffering and its trials, and how suffering tests our joy by exposing our weaknesses, by shaking our faith, by threatening our hope, and by demanding our obedience. The practice of joy, which is the expression and demonstration of joy in our daily lives, and how we can practice joy by cultivating a joyful attitude, by choosing a joyful action, by sharing a joyful message, and by joining a joyful community. This book is not a manual or a guidebook that tells you what to do or how to do it. This book is not a list or a catalog of rules or regulations that you have to follow or obey. This book is not a lecture or a sermon that scolds you or judges you for your disobedience or rebellion. This book is a journey or an adventure that invites you to discover the benefits and challenges of joy, and how to practice it in your daily life.

This book is a conversation or a dialogue that encourages you to share your experiences and questions about joy, and how to grow in it. This book is a story or a testimony that inspires you to live boldly and fearlessly in Christ, through joy. We hope that this book will help you to understand and appreciate the importance and value of joy. We hope that this book will challenge and equip you to overcome the enemy and the challenge of joy. 2020-08-18 Dr. David Jeremiah Experience joy in any situation... Follow Dr. Jeremiah through the letter of Philippians in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. The believers in Philippi were experiencing both concern for Paul while he was in prison and spiritual discouragement. Paul wrote this loving letter to encourage them in their faith and to remind them that there was a greater future in store for him and for them outside this world. Paul even admits the tension he feels between living to continue sharing the gospel and dying so he can be with Christ. This mindset allowed Paul to remain joyful in the midst of suffering and he knew the same would be true of the Philippi believers as well. Each of this study's twelve lessons is clearly organized to include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study. Exploring the Text: The Scripture reading for the lesson with related study questions. Reviewing the Story: Questions to help you identify key points in the reading. Applying the Message: Questions to help you apply the key ideas to their lives.
