2012-07-26 Geshe Kelsang Gyatso This special presentation of Buddha's teachings by the author of Modern Buddhism, offers truly liberating insights and advice for the contemporary reader. It reveals the profound meaning of the very heart of Buddha's teachings - the Perfection of Wisdom Sutras. The author shows how all our problems and suffering come from our ignorance of the ultimate nature of things, and how we can abandon this ignorance and come to enjoy pure, lasting happiness by developing a special wisdom associated with compassion for all living beings. 'Many people are very intelligent in accomplishing worldly attainments. This intelligence is not wisdom because worldly

attainments such as a high position, reputation, wealth and success in business are deceptive. If we die tomorrow, they will disappear tomorrow, and nothing will be left for our future. Wisdom, however, will never deceive us. It is our inner Spiritual Guide, who leads us to the correct path. It is the divine eye through which we can see what we should know, what we should abandon, what we should practise and what we should attain.' -Venerable Geshe Kelsang Gyatso Rinpoche

2013-05-01 Geshe Kelsang Gyatso The New Meditation Handbook is a practical guide to meditation that teaches us how to make ourselves

and others happy by developing inner peace, and in this way making our lives more meaningful. Without inner peace there is no real happiness at all. Problems, suffering and unhappiness do not exist outside the mind; they are feelings and thus part of our mind. Therefore, it is only by controlling our mind that we can permanently stop our problems and make ourselves and others truly happy. The twenty-one Buddhist meditation practices presented in this book are actual methods to control our mind and experience lasting inner peace. This extremely practical guide is an indispensable handbook for those seeking happiness and meaning in their lives.

1995 Kelsang Gyatso A Bodhisattva is a friend of the world who, motivated by compassion, spontaneously seeks to improve his or her good qualities for the benefit of each and every living being. With this handbook as our companion, we can enter the Bodhisattva's way of life and progress along the path to full enlightenment.

2000 Kelsang Gyatso Heart of Wisdom is based on an oral commentary to the Essence of Wisdom Sutra (the Heart Sutra), which was given by the author at Manjushri Mahayana Buddhist Centre in England. The Heart Sutra, one of the best known and most popular of Mahayana Buddhist scriptures, contains the essence of Buddha's teachings on emptiness and the methods to develop the wisdom that understands this ultimate reality. In this highly

acclaimed explanation of the Sutra, Geshe Kelsang reveals its explicit and implicit meanings with both clarity and authority, and relates them to the five Mahayana paths that lead to full enlightenment. Seen in modern light, Buddha had been able to perceive, even see the vast spatial distances between atoms and between sub-atomic particles filled with electrons and even sub-electrons in a state of high vibration. This atomic condition corresponds to a similar pattern in the brains of living beings and to interstellar and interplanetary gaps. The subject of emptiness as the author explains deals with perceptions leading to concept of formation and creation of a world of sense ideas which is merely a random arranging of material resources in an otherwise empty space filled with vibrations of these very particles. This is a rather difficult subject handled facilely by the author.

2001 Geshe Kelsang Gyatso By following the practical advice given in this resource, readers can transform their minds and lives, fulfill their human potential, and find everlasting peace and happiness. What is the real meaning of human life? How to find the source of happiness The actual methods to solve our daily problems How to accomplish our ultimate goal.

1995 Kelsang Gyatso We all have the potential for self-transformation, and a limitless capacity for the growth of good qualities, but to fulfil this potential we need to know what to do along every stage of our spiritual journey. With extraordinary clarity, he presents all Buddha's teachings in the order in which they are to be practised, enriching his explanation with stories and illuminating analogies.
