The Judas Kiss-David Hare 2012-10-04 Oscar Wilde's philosophy leads him on a path to destruction. The Judas Kiss describes two pivotal moments: the day Wilde decides to stay in England and face imprisonment, and the night when the lover for whom he risked everything betrays him. With a burning sense of outrage, David Hare presents the consequences of an uncompromisingly moral position in a world defined by fear and conformity. Originally produced in the West End and on Broadway, this new edition coincides with a 2012 revival. 'Superbly written... Hare has taken a history and pieced it together with heroic grace... Vastly rich, sophisticated and heartbreaking.' Time Out, New York

The Judas Kiss-Robin Rickards 2004 A passionate story of life and of death and the tangled web that binds one to the other, told through the eyes of a dying man to the only woman who can share his torment. In the nineteenth century, William Jude Gregor trekked to the South American jungle and beyond, returned home and left one seed - the promise of immortality. Then he disappeared. A century and a half later, big business kills for Gregor's seed, steals the new drug and the cure for mankind's ultimate affliction. With the help of Andean shamans, a pharmaceutical research team finds the source of the seed and her ancient keeper. The keeper, however, is no ordinary man and the organism that produces the seed, no ordinary plant. Beginning with murder at Whistler Mountain to London to Bolivia then back to North America, the seed weaves a path of deception and betrayal, spreading her predatory grasp to a new snowy peak.

The Judas Kiss-John Brownlee 2021-10-06 Rare is the person who has never been betrayed. It is a near-universal human experience. In The Judas Kiss: Growing Beyond Betrayal, family therapist and leadership development consultant John Brownlee draws on his clinical expertise to show us how we can overcome our pain and begin to heal. In this practical, common-sense book, he also teaches us how to spot betrayers sooner the next time—because there will be a next time. Brownlee goes deep into the multigenerational aspects of betrayal, touching on both its roots in our ancestors and its impact on our children and grandchildren. He offers hope and useful suggestions to help us soften potentially harmful effects on the family so future generations don’t repeat damaging patterns. His no-nonsense approach is nonetheless laced with compassion as he encourages us to face difficult truths in order to move forward.

PIPER’S, INC. 2 - JUDAS KISS-Joaquin De Torres 2016-09-28 The second American Revolution lasted just three years. For three years the nation experienced an economic tsunami, political stability, judicial equality and social prosperity on levels never before seen in our history. The secret society of assassins – PIPER’S, INC. – America’s vigilant watchdog, had all but eliminated the puppet masters of our corrupt Congress, eviscerated the overseers of a degenerate criminal justice system, and culled most of the corporate Capitalist oligarchy. So terrifyingly efficient were PIPER’S, INC.’s methods of retribution that the nation entered a cultural renaissance, and the ‘American Dream’ - once a national joke - became an international success story. But the story has changed. Under President Sanchez, a new Supreme Court and a political system guided by a rewritten Constitution - corruption, duplicity and the national crime rate plummeted. This left PIPER’S, INC. running out of criminals, missions and relevance. Now downsizing its once-feared yet celebrated Ghost forces, it’s now become a particularly opportune time to turn the tables and destroy the heralded organization for good. From within. A force unseen throughout history has waited for this very moment. A slow poison now seeps into the cracks of the organization’s once-mighty armor. An Achilles Heel has been discovered, and after three years, the betrayal of PIPER’S, INC., and the utter destruction of its place in history, now lay in the hands of just one man.

Judas Kiss-J.T. Ellison 2021-10-11 It was a murder made for TV: a trail of tiny bloody footprints. An innocent toddler playing beside her mother’s body. Stay tuned for the next riveting thriller in the Taylor Jackson series by New York Times bestselling author J.T. Ellison. Cameras and questions don’t usually faze Nashville homicide lieutenant Taylor Jackson, but when pregnant Corinne Wolff is brutally murdered in her own home, the media frenzy surrounding the case is particularly nasty. When the seemingly model mommy is linked to an amateur porn website with underage actresses and unwitting players, the sharks begin to circle. The shock is magnified when an old adversary uses the sexy secret footage to implicate Taylor in a murder—an accusation that threatens her career, her reputation and her relationship. Both cases hinge on the evidence—real or manufactured—of crimes that go beyond passion, into the realm of obsessive vengeance and shocking betrayal. Just what the networks love. Previously Published. Judas Kiss-Herbert Adams 2019-11-01 The Judas Kiss, first published in 1955, features detective Roger Bennion in a classic “golden-age” British mystery by Herbert Adams (1874-1958). From the dustjacket: How a murder was done may sometimes present as great a problem as who did it. The young Michelmores were an unconventional family: Garnet, the eldest, a zealous curate; Jasper, an unorthodox artist; Emerald, an ambitious writer; Pearl, the youngest, wooed by a young doctor and also by a fascinating man already married. George, the father of the four, abroad to recuperate after a long illness, suddenly announced his impending return with a second, entirely unknown wife. The “welcome home” barely concealed the consternation and resentment he occasioned. Roger Bennion chanced to take the next door house for the summer. He and his wife became friendly with their neighbors but were soon aware of tension and hidden secrets. And when murder was done, Roger found himself still more closely involved in the Michelmores’ affairs. Here is an absorbing-detective story in Herbert Adams’ best manner.

Judas Kiss-Bri'Monae 2015-07-01 Three different women, three different lives, one type of Kiss.....Judas Kiss is three quick tales of how quickly and easily one's life can be flipped upside down because of another person's envy, lust or animosity. Kiss Me, Judas-Will Christopher Baer 2006-06-01 A disgraced former police officer and morphine addict, Phineas Poe awakens after a night of sex with a strange woman to find that one of his kidneys has been removed, an event that sends him into a drugged out underworld, in a new edition of the author's acclaimed first novel.

The Judas Kiss-Victoria Holt 1982-12

The Judas Kiss-Gerry Smyth 2018-03 This book argues that modern Irish history encompasses a deep-seated fear of betrayal, and that this fear has been especially prevalent since the revolutionary period at the outset of the twentieth century. The author goes on to argue that the novel is the literary form most apt for the exploration of betrayal in its social, political and psychological dimensions. The significance of this thesis comes into focus in terms of a number of recent developments - most notably, the economic downturn (and the political and civic betrayals implicated therein) and revelations of the Catholic Church’s failure in its pastoral mission. As many observers note, such developments have brought the language of betrayal to the forefront of contemporary Irish life. This book offers a powerful analysis of modern Irish history as regarded from the perspective of some of its most incisive minds, including James Joyce, Liam O’Flaherty, Elizabeth Bowen, Francis Stuart, Eugene McCabe and Anne Enright.

The Kiss in History-Karen Harvey 2005-07-15 This book arose from a conference, supported by the Royal Historical Society, which took place at Institute of Historical Research, University of London. The event was held under the auspices of the Bedford Center for the History of Women, Royal Holloway, University of London.

Judas Kiss 33- 1992-10-01

The Judas Kiss-Michael Harris 1996-09-14 The story of Patrick Kelly - former RCMP undercover drug agent, suspected arsonist and fraud artist, and convicted wife murderer - is one of the most bizarre in the annals of Canadian crime, not least because Kelly maintains that his wife's fatal plunge from their luxury condo was an accident. With "The Judas Kiss" Michael Harris, Canada's top true crime writer, has written yet another rattling good page-turner about crime and Canadian justice.

Judas Iscariot-Ivan Rogers 2008-10-01 This book is not an apologetic for the sins of Judas. But the author of JUDAS ISCARIOT: REVISITED AND RESTORED is convinced that there is more to the Judas story than has been told. Rogers is further convinced that until we finally understand the unlikely relationship between the sinner Judas and the Savior Jesus, we will never fully appreciate Gods response to our own faults and failures. Many are convinced that Gods grace i.e. unmerited favor must somehow first be merited (an oxymoron). With Judas, Rogers demonstrates that Gods forgiveness is unearned and unlimited This book is riveting from the first page. [Rogers] challenges us to look...directly into the face of Judas [untill] slowly an awful realization will dawn on our collective conscience: My God, Judas is us! (An excerpt from the books Foreword). Max Davis, author of Desperate Dependence, Thriving on the Jagged Edge, and Success Secrets of the Worlds Most Cynical Man. Judas Iscariot: Revisited and Restored is scholarly enough for [those] desiring proofs and reliable sources as evidence of the theories expounded; yet its clear, concise and logically organized for easy reading. A. P. McCracken, pastor, author and paralegal, in a review of this book. [Rogers] accomplishes his objective to declare the audacity of Gods grace and redemption that would include even Judas. And me! D. Dean Benton, author of more than 30 books including, Inner Net for Vision Catchers (2008) Ivan Rogers has served in Christian ministry for many years. He has been a pastor, Bible college president and a superintendent of an eight-state area of churches. Ivan presently serves as staff chaplain of a nursing/retirement community. Ivan is also respected and very involved in the field of Jewish-Christian relations. He and his wife, Elsie, reside in the state of Iowa.

The Judas Kiss-The Judas Kiss 2018-10-01 At fifteen, Clea Fairchild had been reading Ovid’s Art of Love. And scheming how to, once she acquired bosoms, introduce herself into rakehelly Baron Saxe’s bed. Clea is one-and-twenty now, a widow whose husband died under mysterious circumstances she is determined to resolve. Kane is almost twice that age. Reprobate though he may be, Lord Saxe is not sufficiently depraved to act on the unseemly attraction he feels for his friend Ned’s little sister, whom he is convinced means to drive him mad. Clea wonders, is Kane trying to drive her mad? In the years since they last met, he has grown more dissolute, more jaded, and even more damnably attractive. He has also grown skittish, and is avoiding her as if she carries plague. Clea isn’t one to sit quietly in a corner. She has a mystery to solve. Villains to elude. Schoolgirl fantasies to explore. Providing her husband’s murderer doesn’t dispose of her first. England, 1820. The trial of Queen Caroline is underway. Priny, King George IV now, is determined to divorce his detested wife. The Whigs hope that the Queen will win her case. The Tories hope that she will not. Not a few Londoners wish that the politicians, taking their monarch with them, would jump off the nearest pier.

Judas Kiss-Alisha Rodriguez 2010-04 My name is Alisha Rodriguez, and I am the author of "Judas Kiss". I am a thirty five year old woman mother of two, who has been married for 18 years. I have lived in California my whole life. This book was many years in the making and had been sitting in my computer awaiting the final send off. It has many things that at times I wish wouldn't have happened, but am glad to finally talk about. At times I feel like I am exposing myself to scrutiny, and negativity. In the end the final outcome will be rewarding. I hope this book helps others that are in some difficult times in their lives. I have been through a tremendous amount of pain and feel that I have over come many obstacles. Although my life has been filled with so much sorrow and pain, I am very happy in the place I am today. This has made me a better person and has helped me to realize how important my children and my husband are to me. I have learned from my mistakes and have moved on. We all make choices in life that are not our best judgment, we all learn from our mistakes. Some of us make more than others. I believe loss and love are always going to make us stronger. I hope you will take the time to read my book, if you have been in the same situation or are going through it now. If you believe in yourself and look to a higher god you can find the strength to get through it. Remember god never give us more than we can handle.

Judas Kiss-Karen L. McKee 2014-02-09 In the small farm town of Mission, just outside Vancouver, BC, Deena Hunter, rising-star Assistant Deputy Warden, fights for the truth by investigating a death everyone says is a suicide. As her investigation progresses events conspire against her and send her into the arms of her police contact, Rich Webster, the one man she let get away for all the right reasons - reasons that haunt him to this day. But being alone in a prison is dangerous even for a warden and Deena's search for the truth endangers not only herself, but everything she loves. A fast-paced story by the acclaimed Karen L. McKee. A story that questions the very value of truth and love and relationships.

Judas Kiss-Alexander Patrick 2016-07-30 Martin Harrison is childless. He needs an heir: a man who will lead the Progressive Agenda, a man with no emotions except loyalty to the Madison ideal. He needs his own Dream Catcher, and he has found him in Mathew Fuller. As Mathew prepares for his future role, he meets Robbie and Adam for the first time. These two yellow-eyed men must face the new Dream Catcher and survive in a world that wants them to fail. Meanwhile, the Brotherhood leadership is under threat, and Harrison has placed a traitor high up in their ranks, with one mission: to destroy Cyclops. At a time when he feels most alone, Alexander must protect Cyclops and discover the traitor before it is too late. He must also ensure the safety of the Godchild: a man damaged, yet strong, a man whom Alexander knows will one day set out to destroy a world he has learned to despise.

Judas' Kiss-Justus Roux 2013-06-01 My Master, Noah, brought all of us to Master Xanthos' community when our former head Master died suddenly. I didn't know at the time that my brother Rex was a Master in this new community. Yet, my Master knew about Rex and this is why he chose this community. Being reunited with my brother is a blessing that I never thought would happen, yet, fitting into this community is difficult, especially for Adam. Adam is a unique submissive. His wild nature is sometimes hard for my Master to control. I believe Adam is falling in love with Rex's Elle. This will only cause problems between my Master and my brother. Rex is very protective of Elle and my Master wants to give Adam what he needs. Then there is Master Judas...where do I begin...he is immature, spoiled and avoids dealing with anything. And to make things worse I believe Master Judas will give into his addiction again. My Master doesn't need this right now. Yet...it is Master Judas' behavior around my Master that ignites my anger. The way he looks at Master Noah...he has feelings for my Master that go beyond mere friendship I just know it. The way Noah talks about Judas' kiss... Noah is my Master, my husband...damn it, Judas.
