

Judgment Of The Nephilim

Judgment of the Nephilim-Ryan Pitterson 2017-09-04 ¿There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.¿ ¿ Genesis 6:4 6,000 years ago a war began. A war to rule Heaven and Earth that dates all the way back to the Garden of Eden. In the Garden, God told Satan that one day a woman would give birth to a male child - the Messiah, who would redeem humanity and destroy him. In order to prevent this child's birth, Satan instigated a fallen angelic rebellion. A group of angels broke off their allegiance to the Lord and entered the early realm to corrupt the human gene pool and prevent the Savior's birth. These fallen angels (¿sons of God¿) took human wives (¿daughters of men¿) and had children with them. Their offspring ¿ hybrid half-human, half-angelic beings, were superhuman giants known as the Nephilim. With human DNA corrupted and humanity hanging in the balance, The Lord unleashed a punishment against the Nephilim that was so severe, only Noah and his family would survive. This is the first comprehensive Biblical study of the Nephilim. Using only Scripture, we are given a complete picture of the war between two bloodlines ¿ the lineage of the Messiah and the seed of Satan. Exploring passages rarely connected to the giants, some of the most challenging questions in the Bible regarding the Nephilim will be answered, including:¿Why did Pharaoh order all male children to be thrown in the river and Herod execute all male children in Bethlehem?¿How were angels able to reproduce with human women?¿Who was the first human woman to marry the "sons of God"?¿How did the Nephilim return after the Flood and are there still Nephilim among us?The JUDGMENT OF THE NEPHILIM will give you a deeper appreciation of God's Word, His unwavering love and defense of the human race.

From the Words of Angels and Ancient Book of Jifa - On the Drama of Initiation in the Atlantean Age and Our Hidden Genesis-Christine Preston 2012-02 This work unravels the great mysteries of the Bible and ancient civilization. In introducing her disclosures Christine Preston reveals the meaning of Trees in Scripture as being in connection with Initiation in the Old World. The latter being the

Atlantis of Plato, she reveals original "sin" as a misuse of power by Atlanteans influenced by "Wise Serpents," who opposed spiritual evolution. She discusses divine-human intermarriages and provides a solution for the fact that the Watchers parallel to the Sons of God of Genesis are depicted as evil, by disclosing a secondary scenario in Enoch that is illustrated by the Ancient Book of Jifika.

The Nephilim and Pyramid of Apocalypse-Patrick Heron 2007-01-01 They appear in the first pages of the Bible, sons of God who coupled with mere mortals before and after the Flood. They are the fallen angels and their children--the Nephilim--who are also the true builders of the pyramids and other great monuments of ancient history. The Truth Behind Myth In The Nephilim and the Pyramid of the Apocalypse, author Patrick Heron examines ancient texts from Genesis to the Book of Enoch to Revelations to once and for all establish the true identity of this mysterious, lost race of giant beings. Are they angels? Genetic monsters? Are they characters of fable and myth? Are they still among us? Within these pages the answers are finally revealed. Solving The Riddle Of The Pyramids The identity of the Nephilim firmly in hand, Patrick Heron takes his research deeper, using science and an examination of age-old prophecies to discover the true meaning of the pyramids. His astonishing findings address the importance of the pyramid shape and its diabolical aim to supplant the City of God. And last but not least, once the riddle of the pyramids is solved, its significance in helping to navigate the coming Apocalypse is fully illuminated. Patrick Heron was born in Dublin, Ireland in 1952, and has a B.S. and M.A. in Business Studies from Trinity College, Dublin. At the age of 24, he began his Christian walk following an epiphany he experienced while reading the Bible. In 1997, having recently become interested in Bible prophecy concerning the "end times," Patrick published his best-selling book Apocalypse Soon. He currently resides in Dublin with his family and is not associated with any particular church or denomination.

The Judgments of the Watchers-James Lewallen 2019-03-19 The author of this book was driven by a vision that God so impressed upon him, that he was compelled to understand its interpretation and purpose. Contained herein, is a detailed account of the ancient Watchers, during the early times of earth's co-habitation with mankind. As such, we are finally given a meticulously clear account of the origin of not simply the sin nature, but the vehicle of the perversion and wickedness that we have inherited in our lives today. By way of a rebellion that was diabolical in nature, this wickedness was brought to the earthly plane, by a group of fallen angels from the angelic realm, who in their righteous state, were called Holy Watchers. These angelic hosts were created by God Himself, to act as protectors and guardians of mankind, in accordance with the Creator's purpose; however, there was a group of these Watchers (fallen angels) who left their heavenly abode, and their responsibility for which they were created, as protectorates for humanity, and were driven from Heaven by their own compulsion of lust for the beautiful women of the earth. The result has been catastrophic to mankind! The offspring of these "fallen angels" became the Giants in the land; the Nephilim, who brought forth such a vile and perverse nature of evil into the earth that God, the Father of Creation, was forced to bring His judgments upon the evil Watchers and their offspring. In the meantime, (even since the flood), the effect of this rebellious nature upon the earth, has been to defile mankind and everything aligned with goodness and truth . . . And mankind is still contending with this evil to this day.

Evil in the Land of Mesopotamia-Squire Bowling 2017-11-07 Why did the fallen angels leave their "first estate" in paradise and come to earth? What happened to the beautiful daughters in the Adamic lineage? In the beginning, beautiful daughters were born in the Adamic lineage. Soon after this, evil unnatural male entities "fell" from paradise. Satan knew the Messiah would be born of a virgin. That is when he "pulled" a mass of wicked angels from heaven to lie with the virgins in the land. However, Satan failed to soil the lineage of the "promised seed" because it escaped in Noah's ark. In this story before the flood came, the family of Abayi lived without the Spirit but tried to find God. Wickedness and evil were rampant in the land, it was so wicked that words can't describe how the Adamic people survived. In fact they didn't. The Father destroyed everything in the great flood. Daniel to Paul-Gaalyahu Cornfeld 1962 The parallel development of these two trends--Judaism and Christianity--is the theme of this book. Includes a summary of the wealth of historical and archaeological data which bears on the period.

Origins of a Psychopath-V. Bryan 1913-05-21 The field of psychology and psychiatry identifies the characteristics of psychopaths in society, but the spiritual side of this issue is basically not understood and ignored. Why psychopaths exist has remained a mystery until now. As a student of the Word of God for nearly thirty years, I believe the answer to this mystery can be found in the Bible. When one understands spiritual roots, the origins of psychopaths come to light. Adolf Hitler, a man identified as a psychopath, sent millions of people to their deaths without mercy. Through him and the iniquity of his family line, the reader will step back in time and discover the Origins of a Psychopath.

The Seven Judgments of God-Linda Legg 2019-01-30 The God of the Bible is a God of Love. But He is also a God of judgment. If this were not true, there would be no difference between right and wrong, good and bad. He is also a God of sevens: seven days in a week, seven seals, seven vials, seven bowls, seven sevens in prophecy, and so on. Many Christians believe that there is only one judgment, but Scripture speaks of seven judgments and each of these involves a distinct group and occurs at a different time. This book explores each of those judgments, establishing as closely as possible a timeline for their occurrences, as well as a description of who is being judged and the criteria and consequences of that judgment. Scriptural references are provided throughout to support the author's description of each judgment.

Judgment and Giants, 1st Edition-Christopher White 2016-12-30 This book concerns the returning of the sons of men to this earth on the Lord's Day, along with the Nephilim - the Giants. It is a new glimpse of the war between the two seeds. As one age begins, another ends, and during that time a struggle commences over the great inheritance promised from the beginning. Returning sons of men, Nephilim, beasts, Leviathan - this book covers the vast conflict through the many bible parables that concern it. Simply stated, this is a scriptural review of the events to transpire at the end of the age when the righteous are to be separated from the wicked. The scriptures have been warning us of a much greater judgment than we might have realized, and this book explores it in depth. Man, giant, monsters, cataclysms -- the powers of heaven against those of the earth -- the end of evil and the beginning of the immortal age of the righteous. This book covers other subjects as well, such as doomsday prepping, paradise, the occult origins of modern entertainment, and explains the profoundly evil results of fornication. A student of the scriptures will find this book useful as a basis for solving many other prophetic paradoxes that currently leave scholars confused.

Nephilim Island-Shawn Hopkins THE NEPHILIM WERE ON THE EARTH IN THOSE DAYS - AND ALSO AFTERWARD - WHEN THE SONS OF GOD WENT TO THE DAUGHTERS OF MEN AND HAD CHILDREN BY THEM. THEY WERE THE HEROES OF OLD, MEN OF RENOWN. - GENESIS 6:4 It has been months since John Carter's estranged brother, Henry, has gone missing. Reluctantly, John joins Henry's old Special Forces Teammates on a trip to Bermuda, hoping to discover the truth behind Henry's disappearance. But not all is as it seems in Bermuda, and the puzzle that awaits John on the small island paradise will prove to be more sinister than anything the world has seen in a very long time. As the fingers of an ancient evil seek to draw him into another world - a world where all of Hell is trying to break loose - John must confront the truth of his own past...and pray that he might survive its revelation... ...that the world might survive its revelation. Described as "Dan Brown meets Lost meets Left Behind," Progeny takes the reader through the heart of the Bermuda Triangle and drops them in a world where biblical legends and ancient mythologies - the similarities of which Hopkins "describes with academic dexterity" - reign terrifyingly supreme. Buckle up! Progeny is "equal parts religious thriller and action-packed roller coaster ride!"

Psalms 82-Brian Godawa 2018-01-10 Best-selling Christian author Brian Godawa examines Psalm 82 to reveal its fascinating storyline of the Sons of God who surround God's throne. Demons Nephilim Angels-Etienne M. Graves Jr. 2014-04 In Demons, Nephilim, and Angels, Etienne explains how Satan, his demons, fallen angels, aliens, and the giant Nephilim originated and have

infiltrated the original earth, the chaotic earth, the restored earth, and the world that we live in. The original earth was a spiritual world that included Lucifer, the angels, cherubs, seraphim, and other created beings and heaven. God created Lucifer and the angels to serve Him. Lucifer was determined to exercise his will to sit on God's throne. He wanted to be God and not a servant of God. Lucifer was a hybrid being, half-man and half-angel. He was the cause of the chaotic earth. In the chaotic earth, God was angry with Lucifer for trying to take His place and tampering with the genes/DNA of the other creatures that lived on the earth and the planets at that time. God destroyed the earth and Rahab, where Lucifer was king, with a flood and turned it upside down and in darkness. Lucifer was kicked out of heaven and demoted to the prince of the power of the air. After God restored the earth and recreated it, He made mankind in His image. Lucifer detests mankind and wants to alter our DNA.

Annals of Angels-Ryan Brant 2020-06-01 In Annals of Angels: The Genesis, the dawn of creation sparks the epic struggle between Lucifer and all humankind. While in this struggle, one which most humans do not even realize exists, Lucifer pulls no punches. With his lies, tricks, and magic, he gets humans to resent God, get kicked out of the Garden of Eden, murder each other, and plunge the world onto the brink of catastrophe. But not all angels are willing to sit by and watch Lucifer destroy the humans that God so dearly loves. Gabriel and Michael, along with others, heroically stand defiantly between Lucifer and his vindictive vendetta. In this not so classic tale of creation, you will get to see things from the perspective of the angels. In realms unknown to us, angels live, breathe, eat, love, and wage war just as we do. Their lives may often seem very distant from ours, but they often make similar mistakes that eventually drive them away from the almighty God. Will God allow angelic love to overshadow demonic hate, or will he allow Lucifer to win the day and destroy all humanity? The outcome maybe predictable to those who have read the Bible, but in this fiction novel, the twist don't exactly line up with how humanity perceives the genesis of all humankind.
