2020-09-15 Gary Wayne Genesis 6 Conspiracy: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises. 2012 Ken Johnson The Holy Spirit inspired Jude to quote Enoch for a reason. The Ancient Book of Enoch opens by addressing those in the Tribulation period. It contains numerous prophecies about the flood and fire judgments, and the two comings of the Messiah. It teaches that the Messiah is the Son of God and that He will shed His blood to redeem us and even predicts the generation that this would occur! The book of Enoch prophesies a window of time in which the Second Coming would occur and prophecies that there will be twenty-three Israeli Prime Ministers ruling in fifty-eight terms from AD 1948 to the beginning of the Tribulation period, and much more. Even though it prophecies that the Bible would be created and says we will be judged by our obedience to the Bible, it also makes it clear that this book is not to be added to the Canon of Scripture. The Ancient Book of Enoch

recounts the history of the angels that fell in the days of Jared, Enoch's father. It testifies to their marriages with human women and their genetic experiments. This commentary includes a previously unknown chapter from the Dead Sea Scrolls that actually explains how they did their genetic tampering. The commentary is from a fundamentalist Christian view, brought to you by Biblefacts Ministries, biblefacts.org.

2019-09-04 Larry Spargimino When people keep turning their backs on God, they eventually become so wicked that He stops pleading for them to repent. Their hearts and minds simply can't be returned to Him. Soon after that point, His judgment begins. Thankfully, Christians have a God-given, spiritual gift of being able to discern the signs indicating how soon that judgment might be. So, it's up to believers to step up and shoulder the responsibility of being "watchmen on the wall" during these confusing and troubling times. *Discerners: Analyzing Converging Prophetic Signs for the End of Days* does just that. In this book, eighteen authors - including noted broadcasters, teachers, and Bible scholars - tackle issues that are critical for this generation of believers to understand. Each contributor examines, under the microscope of Scripture, a specific topic, from anti-God movements within religion and culture to satanic geopolitical rearrangements. This, we believe, will help make understandable the madness taking place in this generation. *Discerners* helps shine Heaven's light on these strange but exciting times so near when Jesus will step out on the clouds of glory and call all who are born again to Himself (1 Thessalonians 4:16-17). Authors include Todd Strandberg, Dr. Larry Spargimino, Don McGee, Jeff Kinley, Nathan Jones, Daymond Duck, Tom Hughes, Phillip Goodman, Grant Phillips, Jim Fletcher, Bill Salus, Pete Garcia, Gary Stearman, Ryan Pitterson, Jan Markell, Tim Cameron, and Dr. David Reagan. What I say unto you, I say unto all, Watch. (Mark 13:37)

2005-11-28 Annette Yoshiko Reed This book considers the early history of Jewish-Christian relations focussing on the fallen angels.

2022-03-10 Joseph Lumpkin Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, "The Book of Giants." It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine

all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

2012 Brian Godawa This second novel in the saga *Chronicles of the Nephilim* is a prequel to *Noah Primeval* that tells the story of the Fall of the Watchers from heaven and the rise of the Nephilim generations before the Flood. Follow the epic journey of Enoch the giant killer with his small band of family warriors who seek outlaw giants for bounty, but stumble upon a conspiracy of the Watchers that is so evil, it will change the universe forever if God does not stop them.

2012 Rob Skiba Who or what is an Archon? What is "The Genesis Six Experiment?" Who were the Nephilim? How did they return both before and after the Flood? What differentiates the days of Noah from the days of Jared? Were there female Nephilim? Could the giants reproduce? Why should we be concerned about the act of mixing animal and human DNA? Why did Jesus say the Last Days would be like the days of Noah? Find out in this information packed book by Rob Skiba!

2012 W.B. Henning Before the great flood described in the Old Testament, there was a race of giants called Nephilim inhabiting the earth. One of the giants - Ogias - fought a great dragon. An apocryphal expansion of an obscure verse in Genesis, "The Book of Giants: The Fallen Angels and Their Giant Sons" was composed prior to the 2nd century BCE.

2018-09-04 Amir Tsarfati Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.

2007 Thomas R. Horn One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring. Rabbinical authorities, Septuagint translators and early church fathers understood this as a factual record of history. The phenomenon began with the "Watchers" who spawned "Nephilim" resulting in judgment from God. The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed. Is this

prophecy about to be fulfilled? Is man, in his rush to play god through biological weapons, biotechnology, and genetic manipulation, opening gateways to a supernatural unknown? Nephilim Stargates and the Return of the Watchers is a glimpse into this past, present, and future phenomena, with an eye on what sages and scientists believe and what futurists and prophets may fear. Thomas Horn is CEO of Raiders News Network, a syndicated columnist, and the bestselling author of The Ahriman Gate. He has written two other books as well as dozens of published editorials and magazine articles. His works have been referred to by writers of the LA Times Syndicate, MSNBC, Christianity Today, Coast to Coast, World Net Daily, and White House Correspondents. Thomas resides outside Portland, Oregon.

2012 Scott Alan Roberts The ancient books of Genesis and Enoch tell us that spirit beings known as the Watchers descended to the Earth, had sex with women, and begat a hybrid race of offspring known as the Nephilim. Such tales are as old as humanity itself. These histories and accounts of visitations and subsequent mixed-blood, alien-human races comprise the bulk of the world's myths, legends, religions, and superstitions. The Rise and Fall of the Nephilim examines: Elohim and the Bene Ha Elohim--God and the Sons of God The Watchers: UFOs, extraterrestrials, angels, infiltrators, and impregnators Biblical and apocryphal sources from Enoch to Moses The role of the Fae, Elves, Elementals, and ancient gods What if the old spiritualities and religions weren't just legends? What if there was something living and breathing beneath the surface, a tangible interlinking of religious thought and spirituality, science and myth, inter-dimensionality and cold, hard fact? The Nephilim walked among us... and still do today.

2015-09-01 Heiser, Michael S. In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's The Unseen Realm seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so

read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "How was it possible that I had never seen that before?" Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." -John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

2017-03-15 Michael S. Heiser Reversing Hermon is a groundbreaking work. It unveils what most in the modern Church have never heard regarding how the story of the sin of the Watchers in 1 Enoch 6-16 helped frame the mission of Jesus, the messiah. Jews of the first century expected the messiah to reverse the impact of the Watchers' transgression. For Jews of Jesus' day, the Watchers were part of the explanation for why the world was so profoundly depraved. The messiah would not just revoke the claim of Satan on human souls and estrangement from God, solving the predicament of the Fall. He would also not only bring the nations back into relationship with the true God by defeating the principalities and powers that governed them. Jews also believed that the messiah would rescue humanity from self-destruction, the catalyst for which was the sin of the Watchers and the influence of what they had taught humankind. The role of Enoch's retelling of Genesis 6:1-4 in how New Testament writers wrote of Jesus and the cross has been largely lost to a modern audience. Reversing Hermon rectifies that situation. Topics include:* How the ancient Mesopotamian story of the apkallu aligns with Gen 6:1-4, was preserved in 1 Enoch, and sets the stage for the theme of reversing the evil of the Watchers* How the theme of reversing the transgression of the Watchers colors the gospel accounts of the birth of Jesus, his genealogy, and his ministry.* How the writings of Peter and Paul allude to the sin of the Watchers and present Jesus as overturning the disastrous effects of their sins against humanity.* How the descriptions of the antichrist, the end-times Day of the Lord, and the final judgment connect to Genesis 6 and the nephilim.Though every topic addressed in Reversing Hermon can be found in scholarly academic literature, Reversing Hermon is the first book to gather this information and make it accessible to Bible students everywhere.

2021-04-06 Amir Tsarfati "Amir Tsarfati tells the prophetic story of the Bible from Genesis to Revelation and in the process helps his readers to comprehend God's unique purpose and plan for both Israel and the Church. His refutation of Replacement Theology is profound and yet easy to understand. This book answers a lot of questions many prophetic writers are afraid to ask." —Dr. David Jeremiah As the day of the Lord rapidly draws near, we must appreciate God's plans for all His people To truly grasp Bible prophecy, we must first understand how God's promises to Israel complement His vision for the church. While some believe God has forsaken Israel for the church, this goes against the nature of the faithful Lord we find in Scripture. In his latest book, native Israeli and bestselling author Amir Tsarfati makes clear what the Bible says about God's unique master plans for His two chosen groups, Israel and the church. Amir gets to the heart of key questions, such as... Do the promises God made to the Old Testament nation of Israel still apply to the Jewish people today? Has God replaced rebellious Israel with the church? Now that the church exists, does Israel possess a distinct role in the present age? How are current events in Israel relevant to the church? What should the church's attitude be toward Israel? Israel and the Church provides a fascinating look at all that God has prepared for His two peoples—and why it's so relevant to us today!

2014-04 Etienne M. Graves Jr. In Demons, Nephilim, and Angels, Etienne explains how Satan, his demons, fallen angels, aliens, and the giant Nephilim originated and have infiltrated the original earth, the chaotic earth, the restored earth, and the world that we live in. The original earth was a spiritual world that included Lucifer, the angels, cherubs, seraphim, and other created beings and

heaven. God created Lucifer and the angels to serve Him. Lucifer was determined to exercise his will to sit on God's throne. He wanted to be God and not a servant of God. Lucifer was a hybrid being, half-man and half-angel. He was the cause of the chaotic earth. In the chaotic earth, God was angry with Lucifer for trying to take His place and tampering with the genes/DNA of the other creatures that lived on the earth and the planets at that time. God destroyed the earth and Rahab, where Lucifer was king, with a flood and turned it upside down and in darkness. Lucifer was kicked out of heaven and demoted to the prince of the power of the air. After God restored the earth and recreated it, He made mankind in His image. Lucifer detests mankind and wants to alter our DNA.

2022-07-02T22:59:00Z Everest Media, Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Book of Job tells us that the angels were created prior to humanity and even the creation of Earth. We know with certainty that Satan and his fallen angels were watching the new race that would replace them in the heavenly ranks. #2 Jesus Christ was created in the image of God. When the prophet Ezekiel saw a vision of God on his throne, he wrote that God's appearance was like a man. Humans resemble Jesus Christ, as He was created in the image of God. #3 The Garden of Eden was a place of elevation between God and humanity. It was the first temple between the two, and Adam was its priest. It was the portal between the heavenly and earthly realms. #4 After the creation of man, God established the institution of marriage. Humans were not superior to angels, but they were given the earth. If humans could have a harmonious relationship with God and immortality, they could replace and supplant the rebel angels.

2017-09-04 Ryan Pitterson ¿There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.¿ ¿ Genesis 6:4 6,000 years ago a war began. A war to rule Heaven and Earth that dates all the way back to the Garden of Eden. In the Garden, God told Satan that one day a woman would give birth to a male child - the Messiah, who would redeem humanity and destroy him. In order to prevent this child's birth, Satan instigated a fallen angelic rebellion. A group of angels broke off their allegiance to the Lord and entered the early realm to corrupt the human gene pool and prevent the Savior's birth. These fallen angels (¿sons of God¿) took human wives (¿daughters of men¿) and had children with them. Their offspring ¿ hybrid half-human, half-angelic beings, were superhuman giants known as the Nephilim. With human DNA corrupted and

humanity hanging in the balance, The Lord unleashed a punishment against the Nephilim that was so severe, only Noah and his family would survive. This is the first comprehensive Biblical study of the Nephilim. Using only Scripture, we are given a complete picture of the war between two bloodlines ¿ the lineage of the Messiah and the seed of Satan. Exploring passages rarely connected to the giants, some of the most challenging questions in the Bible regarding the Nephilim will be answered, including:¿Why did Pharaoh order all male children to be thrown in the river and Herod execute all male children in Bethlehem?¿How were angels able to reproduce with human women?¿Who was the first human woman to marry the "sons of God"?¿How did the Nephilim return after the Flood and are there still Nephilim among us?The JUDGMENT OF THE NEPHILIM will give you a deeper appreciation of God's Word, His unwavering love and defense of the human race.
