Whitney, My Love-Judith McNaught 2000-06-01 One of today's best-loved authors, Judith McNaught launched her stellar career with this dazzling bestseller. Now in a special edition that features a brand-new, enhanced ending and endows familiar characters with new depth, Whitney, My Love lives on as "the ultimate love story, one you can dream about forever" (Romantic Times). Under the dark, languorous eyes of Clayton Westmoreland, the Duke of Claymore, Whitney Stone grew from a saucy hoyden into a ravishingly sensual woman. Fresh from her triumphs in Paris society, she returned to England to win the heart of Paul, her childhood love...only to be bargained away by her bankrupt father to the handsome, arrogant Duke. Outraged, she defies her new lord. But even as his smoldering passion seduces her into a gathering storm of desire, Whitney cannot -- will not -- relinquish her dream of perfect love. Rich with emotion, brimming with laughter and tears, Whitney, My Love confirms once more why "Judith McNaught is truly one of the spellbinding storytellers of our times" (Affaire de Coeur).

Christine's Kilimanjaro-Christine M. Malone 2015-03-17 Christine's Kilimanjaro: My Suburban Climb Up the Mountain of Life began with the author writing a thank-you letter to God. Christine found herself at a crossroads in her life when she stumbled across an episode of The Oprah Winfrey Show one day. There she sat transfixed before the television, not expecting that her reality in an ordinary world would ever change. She never saw it coming—that this was the day her dreams would begin to change her life forever. "For the first time, I was going to be my own tour guide up my mountain. I could take a new path, instead of the tired one I had become accustomed to. I discovered something new—something that was no longer impossible—along the way, learning as I wrote that life is going to be messy, hurtful, confusing, even magical at times. But if I

don't stop to enjoy my view in the climb, when and if I finally make it to the top, the top will be nothing more than that. The 'top' of a mountain!" A beautifully written story about one woman's quest to be the change she wishes to see in this world. A spiritual awakening took place as the author wrote out snapshots of her life, standing up to her past and a few demons she really never faced until she began to write her memoir. A moving and poignant path to self-discovery about her present and what she envisions her future to become. "Please stay seated, keep all hands and arms inside the moving vehicle at all times. It's going to be a bumpy ride, people!" That is, unless when you are reading this book you want to stand up and shout WOO-HOO with me. Face it, some rules are meant to be broken!"
