Showings of Julian of Norwich-Mirabai Starr 2013-10-01 A fresh and contemporary translation of one of the best loved and influential mystical texts of all time, The Showings of Julian of Norwich brings the message and spirituality of this 14th century mystic to 21st century readers. Julian of Norwich, a contemporary of Geoffrey Chaucer, was an English anchoress in East Anglia. At the age of 30, suffering from a severe illness and believing she was on her deathbed, Julian had a series of intense visions of Jesus, which she recorded and then expanded on later in her life. Her message for today's readers is simply this: She reveals the feminine face of the Divine and reminds us to see God there. All our failings are an opportunity to learn and grow; that they should be honored, but not dwelled upon. God's love has nothing to do with love and retribution and everything to do with love and compassion. In spite of all appearances, all is well.

Showings-Julian (of Norwich) 2005 Julian of Norwich is among the most intriguing religious visionaries in Christian history.

Julian of Norwich's Showings-Denise Nowakowski Baker 2014-07-14 The first woman known to have written in English, the fourteenth-century mystic Julian of Norwich has inspired generations of Christians with her reflections on the "motherhood" of Jesus, and her assurance that, despite evil, "all shall be well." In this book, Denise Baker reconsiders Julian not only as an eloquent and profound visionary but also as an evolving, sophisticated theologian of great originality. Focusing on Julian's Book of Showings, in which the author records a series of revelations she received during a critical illness in May 1373, Baker provides the first historical assessment of Julian's significance as a writer and thinker. Inscribing her visionary experience in the short version of her Showings, Julian contemplated the revelations for two decades before she achieved the understanding that enabled her to complete the long text. Baker first traces the genesis of Julian's visionary experience to the practice of affective piety, such as meditations on the life of Christ and, in the arts, a depiction of a suffering rather than triumphant Christ on the cross. Julian's innovations become apparent in the long text. By combining late medieval theology of salvation with the mystics' teachings on the nature of humankind, she arrives at compassionate, optimistic, and liberating conclusions regarding the presence of evil in the world, God's attitude toward sinners, and the possibility of universal salvation. She concludes her theodicy by comparing the connections between the Trinity and humankind to familial relationships, emphasizing Jesus' role as mother. Julian's strategy of revisions and her artistry come under scrutiny in the final chapter of this book, as Baker demonstrates how this writer brings her readers to reenact her own struggle in understanding the revelations. Julian of Norwich: The Showings-Mirabai Starr 2014-01-31 This is a fresh and contemporary rendering of one of the most loved and influential spiritual texts of all time. It brings alive the message and spirituality of this great 14th-century mystic to 21st century readers. At the age of 30, Julian of Norwich, a contemporary of Chaucer, was suffering a severe illness and believed she was on her deathbed. She had a series of intense visions of Jesus and recovered. Julian wrote down the narration of the visions shortly after they occurred and expanded on them 20 to 30 years later in what became the first book written in English by a woman. Her message remains strikingly relevant today: that failure is an opportunity to learn and grow that God's love has nothing to do with retribution and everything to do with compassion in spite of appearances, all is well.

Revelations of Divine Love-Julian Of Norwich 1998-08-27 Coming from a society where women were barred from serious writing and teaching, Julian, an anchorite of the great medieval city of Norwich, nevertheless uses her womanlines and the English vernacular of the day to describe a series of revelations which she received from God in the year 1373. She identifies the female nature of Christ's suffering and the motherhood of God, using images from domestic daily life, emphasizing the homeliness of God's love. She writes in a lively and unpretentious manner and her theology is precise without ever being pedantic.

Revelations of Divine Love Shewed to a Devout Ankrss by Name Julian of Norwich-Julian Of Norwich 2013-12 2013 Reprint of 1952 Newman Press Second Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. This is one of the great classical medieval English works of devotion. Little is known of the author except that she was a recluse who lived in a cell attached to the church of St. Julian at Norwich. In 1373 she received sixteen private revelations from the Lord, dealing with his Passion, the truths of the Faith and the advancement of her own spiritual life. The work reveals a mind that has penetrated deeply to the mysteries of the Catholic religion, both on its doctrinal and its personal sides. Julian of Norwich was a very spiritual, devout soul, deeply sensitive to the beauty of holiness and centered wholeheartedly on the love and service of God. Although the work attracted little attention when it first appeared, it has since become one of the most famous books dealing with divine communications ever written.

The Revelation of Divine Love in Sixteen Showings Made to Dame Julian of Norwich-Julian (of Norwich) 1994 Dame Julian's revelation is the record of her dialogue with God as it extended over a period of twenty years. Del Mastro's translation, originally published over 15 years ago, has been one of the most widely read & critically acclaimed. In The Revelation of Divine Love in Sixteen Showings, we learn about the spiritual life of a woman who sought, from evidence of God's passion, to embrace suffering more fully & share her response with Christians for all time. Del Mastro's revised Introduction casts Julian in a broader light as an appealing feminine example for a new generation of readers - a guide to encountering divine love in our own life. As Thomas Merton once wrote, "I think Julian of Norwich is, with Newman, the greatest English theologian."

Julian of Norwich-Mary C. Earle 2013-12-06 Teachings from this fourteenth-century mystic provide spiritual direction and call for you to open yourself, body and soul, to divine love. Many people are familiar with the phrase “All shall be well” but do not know much, if anything, about Julian of Norwich, the fourteenth-century English mystic who wrote those words. Thomas Merton declared her to be “without a doubt one of the most wonderful of all Christian voices,” and former Archbishop of Canterbury Rowan Williams says that her writings “may well be the most important work of Christian reflection in the English language.” This accessible introduction to Julian's Revelations of Divine Love, an extended reflection on a series of her mystical visions, includes an informative introduction that addresses the historical, cultural and sociological context of Julian's life and writings. Mary Earle's facing-page commentary focuses on Julian's profoundly hopeful vision of humanity and God, her creative imagery and her rigorous honesty about the spiritual life. Drawing directly from Julian's text, Earle addresses a variety of topics essential to understanding Julian's mysticism, including the infinite nature of God, the life of prayer, God's suffering with us, the eternal and undying life of the soul, the motherhood of Jesus and the motherhood of God, “all shall be well” and more.

Julian of Norwich-Kevin Magill 2006-07-13 Julian of Norwich was a fourteenth-century woman who at the age of thirty had a series of vivid visions centred around the crucified Christ. Twenty years later, while living as an anchoress in a church, she is believed to have set out these visions in a text called the Showing of Love. Going against the current trend to place Julian in the category of mystic - a classification which defines her visions as deeply private, psychological events - this book sets Julian's thinking in the context of a visionary project used to instruct the Christian community. Drawing on recent developments in philosophy that debate the objectivity and rationality of vision and perception, Kevin J. Magill gives full attention to the depth and richness of the visual language and modes of perception in the Showing of Love. In particular, the book focuses on the ways in which Julian presented her vision to the Christian society around her, demonstrating the educative potential of interaction between the 'isolated' anchoress and the wider community. Challenging Julian's identification as a mystic and solitary female writer, this book argues that Julian engaged in a variety of educative methods - oral, visual, conversational, mnemonic, alliterative - that extend the usefulness of her text.

Revelations of Divine Love-Julian of Norwich 2011-05 'Revelations of Divine Love' by Julian of Norwich is the first book written in English by a woman. But the work is read now not for historical interest but for the God she describes and the optimism she exudes; an optimism all the more remarkable for the setting in which she wrote. Julian lived in Norwich from 1342 - 1416; but 14th century England was far from the Merry Old England of legend. It was the time of the Black Death which struck Norwich at least three times during her life. It was also a period of social unrest brought on by the shortage of labour, high taxes and bad harvests which led to the Peasants' Revolt. There are few sure facts about Julian's life. But at the age of 30, while living at home with her mother, she believed herself to be dying with a serious illness. It was at this time she had a series of visions of Jesus. On her recovery, she recorded them in brief and then 20 years later, as an anchoress, wrote them down in a longer form in the Middle-English of Chaucer. \* Optimism is in Julian's marrow and expressed most clearly in her famous words: 'all shall be well, and all shall be well and all manner of things shall be well.' Her future hope lies not in human strength but in God's love. It is certain that we will fall; but even more certain that God will never stop gazing on us lovingly and helping us back to our feet. Our God is a courteous God who determined from before the beginning of time to bring us to the bliss of heaven. The optimism of Julian's theology stood in stark contrast to the religious teaching of her day, in which suffering was regarded as punishment. Monks and priests taught that the troubles people faced were the punishment of an angry God. This left an all-pervasive fear of sin, death and damnation amongst the people. For Julian, however, suffering was not punishment, but a mystery held within the bigger truth of God's love. God is our maker, our keeper, our lover and our joy; and everything has a purpose even if it is hidden from us now. Suffering is not explained by Julian, but offered as something intrinsic to our ultimate blessing; while sin is necessary to bring us self-awareness and humility. Sin does not require forgiveness because it is part of life's learning process. And Julian further pushed the orthodoxy of her day with feminine imagery of God, shown in her repeated description of Christ as our mother. It is in the 16th revelation that Julian is given the meaning of all that has gone before. As she writes: 'You wish to learn the Lord's meaning in this thing? Learn it well: love was his meaning. Who showed it to you? Love. What did he show you? Love. Why did he show it? For love. Hold yourself there and you shall learn and know more of the same. But you shall never know or learn any other thing there.'
