Julip-Jim Harrison 2007-12-01 In three novellas, Jim Harrison takes us on an American journey as he leads us through the wondrous landscape of the human heart. In this "richly allusive and wickedly funny" collection, Jim Harrison offers "three delightful studies of unique individuals battling inventively against society's demands for conformity" (Library Journal). Julip follows a bright and resourceful young woman as she tries to spring her brother from a Florida jail—he shot three of her former lovers below the belt. The Seven-Ounce Man continues the picaresque adventures of Brown Dog, a Michigan scoundrel who loves to eat, drink, and chase women, all while sailing along in the bottom 10 percent. The Beige Dolorosa is the haunting tale of an academic who, recovering from the repercussions of a sexual harassment scandal, turns to the natural world for solace. In each of these stories, the irresistible pull of nature becomes a magnificent backdrop for exploring the toughest questions about life and love.

Julip / La Femme aux lucioles / L'été où il faillit mourir-Jim HARRISON 2020-11-12 Péninsule nord du Michigan. Terre d'errance de Chien Brun, métis indien. Membre d'un clan détonnant, il va devoir composer entre détresse charnelle et blessures à l'âme... Trois républicaines. Bien mariées, bien installées. Mais qui, depuis toujours, en pincent pour un sulfureux don Juan. À tel point qu'elles souhaitent mettre fin à ses jours... D'anciens copains de campus aujourd'hui bien rangés volent au secours d'un des leurs dont l'engagement terroriste ne s'est pas élimé... Dans ces longues nouvelles, dans l'art desquelles il était passé maître, Jim Harrison exalte autant les paysages américains que l'âme de ses nombreux personnages, à qui il prête des voix conquérantes, désabusées ou gloutonnes, des voix à son image. " L'œuvre de Jim Harrison danse, galope, tangué vers le large, embrasse l'infini d'un continent sans limites. Né sous le signe du coyote, Jim Harrison ne s'apprivoise pas. Par ces temps de sieste prolongée, il nous remet debout et nous offre bien plus qu'une tranche d'exotisme : une cure de sauvagerie. " André Clavel, L'Express

Julip Lullabies and Silent Cries-C. Victoria Grace 2021-01-22 Kate and Jackson live on a cozy farm in Louisiana with their son, Alec. Their quiet routing of chores, games, laundry, and tending to vegetables is turned upside-down when Alec finds the Llorianos, an immigrant family of three hiding in the garden. Kate feels a sudden, strong connection to the Llorianos and insists they stay on the farm. A temporary arrangement quickly becomes permanent, with the two families blending and Alec and Reemus Lloriano becoming best friends. The idyll is abruptly shattered one night at a school Valentine's dance, with an incident of violence that leaves Jackson and the Lloriano parents dead. As the young boys' entire world shatters, it falls to Kate to remain calm and keep strong during the investigation. New information unfolds and a suspect named in the murder, but the trial also raises concerns about Reemus' legal status. The tables turn as Kate is arrested for harboring illegal immigrants, leaving Reemus and Alec alone in the world, waiting for the verdict that could change everything they ever knew. The Julip Trees are always there. Seeing, remembering, and growing. If only they could speak.

Julip-Ron Castleman 2020-11-28 Ron Castleman has done us all a great service in writing "Julip". In recording his memories and in clarifying them with careful research, he has given himself "some inner peace," and has given us a wonderful glimpse (a second look for those of us old enough to remember) into those important years in the late 1940's and early 1950's in Mt. Juliet. The facts are here. In relating his father's and brother's experiences as highly skilled craftsmen of many talents, Ron shows us what it was like to start, manage, and maintain a business before, during, and after World War II. The pictures illustrate his points in supporting ways that words could never do. We learn about the challenges of constructing a blockhouse while living in the garage-home underneath. And, as interesting as the building is, the implied story of the family's obvious determination to maintain their love and respect for each other is even more impressive. Two chapters, "Scrapbook of Nine Fiery Years" and "The Fire Chief" are important local history and beg for reprinting to a wider audience. Using pictures and newspaper article reprints, Ron has illuminated an era in Mt. Juliet's history that has never, to my knowledge, been so thoroughly covered.

Particularly, "Scrapbook of Nine Fiery Years" instantly becomes the definitive history of those incredible years when it must have seemed that the very gates of Hell had been opened on the village. The chronological retelling of those times by reprinting the words of those who were reporting events as they happened is a credit to Ron's lack of ego and his concern for historical accuracy. In addition to the facts, the supporting pictures, newspaper articles, and other items of research lend credibility to the chapters that personal reminiscences alone could not accomplish. These items will cause you to keep returning to "Julip" through the years to remind yourself of when the events occurred and to settle arguments

Reflective Practice in Child and Youth Care-Donicka Budd 2020-01-28 A unique manual to the discipline, Reflective Practice in Child and Youth Care addresses the need for distinct models of reflective practice across all Child and Youth Care (CYC) sectors. This seminal work contextualizes the history of reflective practice and provides readers with the necessary tools to develop their own approach to reflective practice. Special topics and key concepts include reflective practice theory, the mindfulness-reflection connection, and transformative learning techniques. The Chronicles of Bryan-Peter C. Grasby 2011-10-03 "The Chronicles of Bryan begins with Samual Waterman who finds a tiny book among a box of things and begins reading. It concerns a world traveler named Bryan who, in Kent, meets two tiny kings of the little people: Samok and Yarcos. They then believe him to be their great magician Rassary and implore him to find the Shield of Truth and the Sword of Honour for them. With the aid of the Sword and Shield, Bryan is transformed to the size of the little people. They journey to the underground kingdom of Thros. There, Bryan manages to save the day many times by battling the evil magician, Lokan, and his troll armies. He uses everyday things, matches, a torch, etc and explosives from an upper world quarry. He also uses his knowledge of herbal remedies and chemistry to create his magic. Bryan has many adventures and discovers a spy and a traitor. Each chapter runs its own excitement and the story conveys both the fantasy of life and the realities to the reader. "

To An Untrained Mind-Robert N Stephenson 2019-05-15 To An Untrained Mind is a collection of short stories, poems and articles by Robert N Stephenson. These are works written over a 20 year period and have never before been seen, or published. These are imperfect appearances, there are faults with them all, from spellings to typos, from accidents in science and the limitations of knowledge. This book was not created to wow the reader with its prowess but more created to warehouse decades of material. If you have a copy, then you do indeed have a rare bird. Like the old Saab's Robert loves to own and drive, this book is also limited. Severe mental illness has distorted some visions and limited some expressions but never let you be controlled by such conditions, rather take control of them and thrive. The cover for this volume of imperfections is by the incomparable Conny Valentina and inside the image is another story. Rejoice in discovery, and forgive in measure.

Jasper's Wish-Linda Hubalek 2018-07-16 Jasper Kerns, a carpenter and furniture maker in Clear Creek, Kansas, is stunned when his friend, Holly Clancy, remembers a woman named Julip, back in Miller Springs, Montana Territory, when Holly lived there a few years ago. Jasper always wondered what happened to Julip Washburn, the girl sold at a slave auction with him when they were young. He went back to the Washburn Plantation after the War, but Julip had married and left the area. Widow Julip Washburn Grover was entertaining men in a log cabin on the edge of Miller Springs to keep her two young children from starving to death. She was close to starvation herself and was sure she'd died when her old friend Jasper Kerns stood in the cabin's doorway instead of her next customer. Julip marries Jasper for her children's sake and moves to Clear Creek, Kansas. Love grows between the couple until a man from Julip's past stops in town and reveals Julip's sordid history. Can the couple weather the embarrassment of Julip's past, or will the truth tear their marriage apart? Jasper's Wish is a stand-alone sweet romance set in 1887, but you'll want to read the whole series to enjoy the stories of the Clear Creek, Kansas community. This story was originally published in the Montana Sky Kindle World, and has been updated. Collecting Classic Girls' Toys-Susan Brewer 2010-07-19 This is the first study of its kind, focusing on toys made for girls, including the spin-off accessories and comics. Renowned toy expert Susan Brewer explores the world of toys, divided into sections to encompass dolls, cuddly toys and ‘families (e.g. Sylvanian Forest and Fisher Price’s Little People), amongst others. She includes brief biographies of some of the best known firms, such as Mattel, Pedigree and Fisher Price but the main focus is on the toys themselves, many of which readers will remember from their own childhood. Includes fascinating factboxes with quirky facts - did you know. Angela Rippon created the best-selling Victoria Plum toys based on a plum tree in her back garden - she has written the foreword for this book.

Harmony Island-A. J. Schut 2002-09-30 A young Flighter, Julip, is merely helping her parents on a flying mission to bring back ritanga fruit for their Freedom Day celebration when a nasty storm blows them into the dreaded Land of the Burrowers. With her father's wing injured, Julip seeks help in a land where the inhabitants are so evil they reportedly eat their own young. From the moment she is discovered by a family of Burrowers, Julip finds herself caught in the middle of a series of adventures that even she would never have believed. Besides getting caught in the middle of a Flighter-Burrower war, becoming trapped inside a mountain, and being tried for treason, Julip stumbles onto a deeper, more sinister plot by the Dark One and his forces to take over Harmony Island. Julip doesn't realize it yet, but she has become the chosen one to help lead the citizens of Harmony Island when the very existence of the island is in jeopardy of total destruction.

A Conspiracy of Little Things-Michael C. Staudinger 2010-01-12 Jack has crossed a boundary, and he knows it. What he doesn't know is how to get back. He loves his wife but is caught in the petty disputes of his neighbors and their daughter. Surrounded by the inescapable gossip of small-town life and the unyielding nature of those around him, Jack will search for a way to escape the tangled conspiracy of his life-- accused of an affair, and eventually, murder -- as his world constricts around him, as sharp and painful as barbed wire. A Conspiracy of Little Things is a bitter-sweet romance and mystery set in the scabland desert of eastern Washington State.
