1972-01-01 John Dryden Although John Dryden the poet is best known for his alexandrine epics, John Dryden the playwright is most honored for this blank verse tragedy. The summit of Dryden's dramatic art, All for Love (1677) is a spectacle of passion as felt, feared, and disputed in the suspicious years following the English Civil War. Due to its dramatic compression and elegance, All for Love is one of the most enduring plays of the Restoration repertory. It was so successful that in the eighteenth century Dryden's tragedy drove Shakespeare's Antony and Cleopatra from the stage. The play depicts the catastrophic passion of Cleopatra and Marc Antony, who could not be conquered but by love. Fidelity to family and friends, adherence to codes of honor, national loyalties, and the rule of law compete with each other, tearing the world with violence.

June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.
