American Medicine- 1903

The 9th Georgia Volunteer Infantry Regiment, 1861-1865-Richard Allen 2021-08-15 The 7th, 8th, 9th, and 11th Georgia volunteer infantry regiments spent most of the Civil War fighting under Brig. Gen. George Thomas "Tige" Anderson in Gen. Robert E. Lee's Army of Northern Virginia. Until now, no biographical roster of their members has ever been published. These Georgians saw it all, from the bloody battle of First Manassas through the ferocious combat of Second Manassas, Sharpsburg, Gettysburg, the Wilderness, Spotsylvania, and the long siege of Petersburg. They finally furled their banners at Appomattox. Nearly 5,000 men passed through these four Georgia regiments. These rosters offer a long overdue record of these men. Each roster is organized by company in a simple and easy to use format. Entries feature full names (if known), promotions, demotions, casualties, transfers, and resignations for every rank—an unprecedented look into men and the structure and evolution of these organizations. They include the most comprehensive examination of the personnel originally enlisted and their subsequent service histories within these units in chronological order for the first time. Compiler and author Richard Allen has spent nearly two decades researching scores of archives and other sources to prepare these rosters. He utilized primary sources such as the Official Records, Compiled Service Records, newspaper accounts, diaries, letters, census information, burial records, and a variety of documents from both published sources and private collections. Students of the Civil War, genealogists, and enthusiasts of Georgia history will find these rosters invaluable. Everyone who uses them owes Rick Allen a hearty, and heartfelt, thank you.

Notable Black American Women-Jessie Carney Smith 1992 Provides brief biographies of business executives, writers, journalists, lawyers, physicians, actresses, singers, musicians, artists, educators, religious leaders, civil rights activists, politicians, aviators, athletes, and scientists
