Written by more than 300 contributors, this major reference work contains over 700 original articles covering all of the significant individuals, events, places, and theological tenets that have shaped the Movement. Our Unknown, Undeserved, Preplanned Journey-Jan Gingrich 2020-01-30 Life is often referred to as a journey. Without a doubt, every person who uses that analogy does so from at least a different perspective and likely a different reason. Other times, it is used to express finding life delivering beyond their expectations, and the experience took them where they never imagined going. There is that factor in our so titling the book also. Sometimes it is because life seems mundane, repetitious, and they feel caught in its cycle. There is nothing of that in our book. There is a poem called "Footprints in the

Home Improvement Series Volume Two-William Femi Awodele 2012-05-01 I have been blessed tremendously from your column in the online newspaper Nigeriaworld.com. Your piece has often been rich and scripturally authentic. I also have this bias the moment I found out you are a Nigerian. Rev. Israel - Ghana, West Africa Your ministry blessed my life when you spoke in our class at Westside Church on Feb. 3rd. I want to say thank you, for sharing with us about the tripartite nature of man. I look forward to visiting your website and getting your resources online. Shelly - Omaha NE USA I just read another thought provoking article from you today. I saw one of your articles around 2009 on Nigeriaworld.com and I got stuck. You've been able to explain what I could not explain in words. Most of what you write about I perceive in my environment, but could articulate and dissect it well. I got invited to an Exegetical Church around that time, you and a combination of other

factors have greatly influence my re-orientation. Thanks for taking time to teach us and expose the truth. Seun - Phoenix USA A very good morning from warm and humid Lagos, Nigeria. I am a management consultant (hospitality industry) and want to let you know that your articles are of immense blessing to me, they not only inspire, motivate and bless me, most importantly it keeps one focused as we journey through life. Henry - Lagos, Nigeria Your article on the hybrid worldview of African Christians is very enriching. You actually make any serious minded Christian reader, understand the real theme of religiosity. Thank you for the writing and I look forward to meeting someday. Caster - Paris, France I just want to say a big thank you for all your articles. I came across your website at a low point in my life, I am very educated and married early and now with 3 children. My spouse recently converted from Christianity because he believes "we" are all hypocrites. I'm focusing on the kids and God, and look forward to what God has in store. Again, thank you for your articles, they've given me inner strength. Liz - England, UK William Femi Awodele is the executive director of Christian Couples Fellowship International, Inc., a marriage ministry based in Omaha, Nebraska, in the United States. He is married to Olatokunbo (a family physician), and they are blessed with two boys, Ibukunoluwa and Fiyinfoluwa and a daughter Ebunoluwa. Femi is the author of eight books, among them Peculiar Conflicts: African Marriages in Western Culture, Home Improvement Series Volume One and the Power of Forgiveness (a novel). □□□□□□-Gary Chapman 2007 Real life involves real people who make real mistakes. Sometimes saying "I'm sorry" just isn't enough. The need for apologies impacts all human relationships. Just as you have a different love language, you also hear and express the words and gestures of apology in a different language. New York Times best-selling author Gary Chapman has teamed with counselor Jennifer Thomas on this groundbreaking study of the way we apologize, discovering that it's not just

a matter of will-it's a matter of how. By helping people identify the languages of apology, this book clears the way toward healing and sustaining vital relationships. Through their research and interaction with hundreds of individuals, the authors detail proven techniques for giving and receiving effective apologies. " " " ",
