Just A Kiss Away-Jill Barnett 1991-09-30 After arriving on a lush Pacific island, Eulalie Grace LaRue is to be finally reunited with the absent father she hasn't seen since childhood. Yet before her long dreamed-of meeting can take place, the lovely but pampered Southern belle is caught in the crossfire of a violent revolution and thrown into the rugged arms of American mercenary soldier Sam Forester. On the run in the jungle, this battle-scarred soldier of fortune hasn't a clue what to do with the naive blonde in his care. Survival is his top priority, but he can not resist Lollie's endearing, helpless, and laughable charm...or deny the growing attraction between them. Though Sam thrives on chance and risk, falling in love is the one chance he isn't willing to take. Powerless against the desire that consumes them both, Lollie surrenders to his passionate embrace. But when he dismisses her affections, she is determined to fight for him, to prove that in the steamy heat of paradise, two hearts can find the love of a lifetime.

Murder of Law-Lee Stockdale 2007-03-04 Murder. Mayhem.

Greed. Corruption. A morally bankrupt dean. An equally depraved professor. A black-hearted roommate. They all greet Billy Burns - in Murder of Law - when he arrives at Blackstone, America's number one law school. Billy versus Blackstone. Good versus Evil. Welcome to law school. "The Socratic method will never be the same. Idealism against corruption and cynicism in an epic battle set against the background of first year law school. This is a great read!" William P. Marshall, Professor, University of North Carolina-Chapel Hill School of Law; former Deputy White House

Counsel "Murder, fraud, and triple-cross, all set against the background of Blackstone -- a Law School that makes every other Law School seem like Camelot. Lee Stockdale's first novel is a thoroughly entertaining concoction of characters and plots that will keep you reading in the hope that truth and justice will somehow prevail." Walter B. Huffman, Dean, Texas Tech University School of Law

Cutting Off A Whale's Head-K.C. Woodworth 2013-11-19 The Great Recession doesn't hit Cree Quinn: it bleeds him dry. His wildly successful business as an adult novelty items wholesaler runs aground. His investments in natural gas wells in Texas prove fruitless. Now that his savings, retirement, and credit cards—even his son's college fund!—have been totally tapped out, Cree, the narrator and protagonist of Cutting Off A Whale's Head, quickly realizes his old way of life is in jeopardy. The bank will foreclose on his house unless he can come up with a colossal sum of money, and fast! Lucky for Cree, an unlikely way out washes up against the Golden Gate Bridge: the decomposing carcass of an Orca whale. Cree knows his scheme is desperate, but, in his mind, he has no choice but to do whatever it takes to keep a roof above his family's head—even if it means breaking the law! Fans of Sam Lipsyte and Arthur Nersesian will rejoice at Cutting Off A Whale's Head for its deft prose style and characterization. All readers will delight in the humor and insight unique to author K. C.

Woodworth as he takes us, and Cree, on a madcap dash through San Francisco and half a lifetime of memories along the way. Just a Kiss Away-David McDonald 2018-09-13 The poems of love in this collection are dedicated to women, who were a passing fancy, for a moment in time, that the heart still lingers after, when they have slipped on by. Love Sometimes is the hardest thing to do, but even harder when you love someone and they don't love you, although finding an everlasting love with that special one could be only just a kiss away.

The Wolcott Circus-Michael Snarr 2021-07-06 The author didn't know what awaited him when he joined a college fraternity in the fall of 1965. He didn't know one of his brothers was plotting the greatest sneak in fraternity history. He didn't know about the Mudigas, or Peaches, or the famous party called The Bowery. Or a thousand other crazy goings-on. Nor did his frat brothers know, or think, he would ever write about it...

But as the 1980s begin, Jackie is touched by unexpected events that will break her heart and change her life forever.

Doodlebug-Larry Fangman 2001-07-01 These award winning plays were written by Wahoo High School students for the Lincoln

(Nebraska) Community Playhouse's, Enersen Playwriting Contest. One of the sixteen plays, Kate Decoste's, "Until My Last Breath," is about a girl coping with AIDS after one sexual encounter over summer vacation. Another selection, Amanda Hall and Melissa Swanson's, "A Gorilla's Way of Wagging Its Tail," is about five friends visiting a Gypsy. As she predicts the future and reveals secrets buried in the past, the kids learn that everyone's future starts with today's decisions. In Ian Richmond's, "The Kids Are All Right," a group of friends write poems and share them with their friends in order to deal with their feelings, express their ideas, and survive family problems. As they try to figure out God and their place in the world, their friendship and poetry allows them to believe that, at least for another day, they will be all right! This book brings together in one place, for the first time, the three Wahoo High School plays that captured first prize in the Enersen Playwriting Contest: "Until My Last Breath," by Kate DeCoste, "The Locket," by Peggy Sharp, and "An Identical Stranger," by Megan Rezac. As you read this book, you will discover the joy of young writers finding their "voice" for the first time.

The Quiet Sound of Disappearing-Ryan Rayston 2011-04-14 Feather Harrington sits on an airplane with a pound of cocaine taped to her body. The Quiet Sound of Disappearing by Ryan

Rayston is a tense, gritty, unorthodox, bizarrely funny, fictionalized story of one woman's descent into drugs and dealing, her arrest, and her daring struggle to find her way back. This engrossing account of the hedonistic drug culture of the early eighties provides humorous and searing testimony to the literal trials and tribulations of that time. She bottoms out in a pivotal moment that leads her to try—and fail—rehab. After getting sober on her own, Feather is arrested and indicted as a co-conspirator in a large DC drug scandal. Shockingly brave and honest, this gorgeously written, stream of consciousness novel gets at the gritty heart of what it is like to battle a disease and carry a shameful secret. *The Quiet Sound of Disappearing* is an emotional rollercoaster about love, loss, need, and managing to survive the unsurvivable.

City Of Sisterly And Brotherly Loves-Marc Stein 2004-08-01 Marc Stein's *City of Sisterly and Brotherly Loves* is refreshing for at least two reasons: it centers on a city that is not generally associated with a vibrant gay and lesbian culture, and it shows that a community was forming long before the Stonewall rebellion. In this lively and well received book, Marc Stein brings to life the neighborhood bars and clubs where people gathered and the political issues that rallied the community. He reminds us that Philadelphians were leaders in the national gay and lesbian movement and, in doing so, suggests that New York and San Francisco have for too long obscured the contributions of other cities to gay culture.

In the Fascist Bathroom-Greil Marcus 1999 Was punk just another moment in music history? Marcus delves into the after-life of punk as a richer phenomenon--a form of artistic and social rebellion that continually erupts into popular culture. In more than 70 short pieces, he traces the uncompromising strands of punk from Johnny Rotten to Elvis Costello, Sonic Youth, even Bruce Springsteen.

Chameleon on Plaid-Tristan Kerjunel 2016-12-30 Part sex comedy, part historical what-if, Chameleon on Plaid is a racy joyride through the diverse neighbourhoods of Toronto in the late 1980s. It follows a group of bohemian young white men and women in their twenties from various social backgrounds as they take what the city has to offer and attempt to come to grips with their differing roles in an increasingly multicultural and multiracial city. With their lives part intimate play and part exploration of identity, when one among them declares his intention to assassinate a member of the British royal family in the name of Celtic nationalism, the inner group must decide just where its loyalties lie- to the law as it stands or to their friend. With sly and sometimes wild humour, Chameleon on Plaid takes the assassination plot to old-town Quebec City and back to Toronto in a rich tapestry of language and ideas that pulls the reader from one placid scene into chaos the next and through an aftermath which unfolds in often unexpected ways. Kerjunel's narrative is both global and local, pulling the reader between the complexities of love and lust, and where we may fit into history or just opt out and create our own. Sometimes in life and in love, realities entwine and sometimes they collide- sometimes they are subject to softsell or hardnosed negotiation and sometimes not so much or not at all.

Tea of Ulaanbaatar-Christopher R. Howard 2011-01-04 National Magazine Award finalist Christopher Howard's debut novel, Tea of Ulaanbaatar, tells the story of disaffected Peace Corps volunteer Warren, who flees life in late-capitalist America to find himself stationed in the post-Soviet industrial hell of urban Mongolia. As the American presence crumbles, Warren seeks escape in tsus, the mysterious "blood tea" that may be the final revenge of the defeated Khans—or that may be only a powerful hallucinogen operating on an uneasy mind—as a phantasmagoria of violence slowly envelops him. With prose that combines Benjamin Kunkel's satiric bite, William Burroughs's dark historical reimagining, and a lush literary beauty all his own, Christopher Howard in Tea of Ulaanbaatar unfolds a story of expatriate angst, the dark side of globalization, and middle-class nightmares—and announces himself as one of the most inventive

and ambitious of the new generation of American novelists.

The Essential Mae Brussell-Mae Brussell 2014-09-15 "Mae's work may be more relevant now than in her heyday. Like those of many other freedom fighters throughout history, the ghost of Mae Brussell will never rest till justice is served."—Tim Cahill "The main Brussell thesis, if I dare risk commit the sin of summary on her complex work, was that an ex-Nazi scientist-Old Boy OSS clique in the CIA using Mafia hit men changed the course of American history by bumping off one and all, high and low, who became an irritant to them."—Warren Hinkle, San Francisco Examiner columnist The Essential Mae Brussell is a compilation of chilling essays and radio transcripts by the seminal American anti-fascist researcher, famously supported by John Lennon and Yoko Ono. Mae Brussell was a married housewife with five children living in southern California before she took up the study of fascism in America. After the Kennedy assassination, she purchased the twenty-six-volume Warren Commission Report, and compiled, for herself, evidence that Lee Harvey Oswald was, as he maintained after his arrest, a "patsy." She had a regular radio broadcast on KLRB, an independent FM radio station in Carmel, California. She also published articles in Paul Krassner's the Realist, Hustler, People's Almanac, and the Berkeley Barb. In 1983, Mae's hour-long program shifted to KAZU-FM in Pacific Grove, California, and she remained on the air weekly until her final broadcast in June 1988. On October 3, 1988, at sixty-six, Brussell died of cancer.
