

# K9 Officers Manual

K9 Officer's Manual-Robert S. Eden 1993 Inside this book you will find comprehensive information on every aspect of the K9 unit, from administration to officer safety on the job. With two decades of experience, R. S. Eden presents expert training exercises and deployment procedures. Action photos back up his points. In addition, the author examines the attitudes of law enforcement officers from both within and outside the K9 team and analyzes how this affects officer performance and morale.

K9 Behavior Basics-Resi Gerritsen 2013-11-22 Understand dog behavior to work with, not against, your K9's instincts. Learn how to: Recognize and interpret your K9's expressions, gestures and signals. Use operant conditioning to efficiently and humanely train K9s. Plan and execute effective K9 training programs for search and detection, patrol, remote guided camera, attack, and more. The art and science of training police, military and other service dogs continue to evolve as we learn more about dog behavior. In this revised edition of K9 Behavior Basics, expert dog trainers Dr. Resi Gerritsen, Ruud Haak and Simon Prins share the essentials every trainer needs to know about these advances in K9 training. You'll learn how to successfully implement or improve your dogs' training programs using operant conditioning. The authors outline key concepts in dog behavior and communication and provide practical approaches to operant conditioning. They share proven techniques and solid advice from their more than thirty years of specialized K9 experience. Whether you're just starting out or are a seasoned pro staying up-to-date, K9 Behavior Basics has something for you. Get a free ebook through the Shelfie app with the purchase of a print copy.

K9 Supervisors' Manual-Robert S. Eden 2021-11-25 Understand, oversee, and develop a police-dog program that excels Learn: - The five fundamental factors for running a successful unit, and why some K9 units fail - How to mitigate liability issues - How to select the right dogs and handlers - How to handle budgets and deal with police-dog vendors - Current training trends and how to develop a positive K9 unit culture K9 units are on the front line for every dangerous and in progress call, and it's up to the unit manager to ensure officers have the best possible dogs, equipment, and training for them to do their job and help mitigate the related risk. Robert Eden, a retired 28-year police veteran with extensive experience as a K9 handler and trainer, provides police departments with a template for the successful development and supervision of police-service dog operations. It provides a wealth of information for supervisors who have limited or no experience with police dogs, as well as new ideas and expert recommendations for those with an extensive K9 background.

K9 Complete Care-Resi Gerritsen 2003 "...Whether dogs should be trained for work, and what considerations should apply before a dog is put to work. Safe warm-up and cool down exercises are offered, as well as ways to improve the K9s general fitness level and ability to endure the stresses of K9 work. There is also a chapter on the dog's ability to endure extremes of heat and cold, and ways to prevent illness and injury from working in those extremes."

K9 Personal Protection-Resi Gerritsen 2014-12-22 Create a safe, successful K9 training program that results in reliable protection dogs. Learn how to: Select the optimal breeds, temperament and physical and mental characteristics for protection work. Master the obedience-training techniques that form the foundation of protection training. Use the methods of the Dutch Police Dog (KNPV) program, which produces some of the finest police and protection dogs in the world. Dr. Resi Gerritsen and Ruud Haak, leading dog trainers from the Netherlands, share their proven, comprehensive program for training dogs for personal protection. Their cutting-edge techniques and work with the International Red Cross, the United Nations and the International Rescue Dog Organization (IRO) have placed them in world demand. In this fully revised and updated edition of K9 Personal Protection, Resi and Ruud start with the basics, including how to select the right dog for protection work, how to properly raise a protection dog from a puppy and how to correct a dog's bad behavior. Next, they cover fundamental obedience training for protection dogs, such as training for heelwork, the recall, the send away and more. Finally, they present a complete program for training reliable protection dogs, from basic exercises and decoy techniques to the exercises of the KNPV program. Get a free ebook through the Shelfie app with the purchase of a print copy.

K9 Decoys and Aggression-Stephen A. Mackenzie 2015-10-19 Learn how to: Master the basic skills and common procedures every decoy needs. Read dogs accurately through seven key factors. Stimulate and reward useful forms of K9 aggression. A good decoy is a K9 trainer's most valuable tool. A good decoy can make a poor dog better, a mediocre dog good, and a good dog excellent. A poor decoy, on the other hand, can have devastating effects, ruining even a good dog. Stephen Mackenzie, professor of animal science and deputy sheriff with more than 30 years' experience training and handling police dogs, shows you how to master the art of being a decoy in this revised and updated new edition. You'll learn how to communicate effectively with your canine partner and how to stimulate specific types of aggression in the dog in a safe, positive way. This guide is essential reading for all decoys, including both instructors and students. It will improve the effectiveness of all K9 personnel, handlers, and trainers. Get a free ebook through the Shelfie app with the purchase of a print copy.

K9 Scent Training-Resi Gerritsen 2015-05-13 Whether you're searching for drugs or a missing person, K9 Scent Training will improve your K9 team's capabilities in the field. Use proven techniques to train your dog for: Scent identification line-ups to indicate a scent connection between crime-scene evidence and a suspect. Tracking along a wide variety of track types, including the cold track, the broken-off track and tracks that run over or under cross-tracks. Detection work for searches in buildings, vehicles, open terrain and more. In this must-have guide for SAR teams and police K9 trainers and handlers, Dr. Resi Gerritsen and Ruud Haak present everything you need to know to build or improve a scent training program. Scent training involves high-stakes work, and in the case of a search for a missing person, the right training for your K9 can mean the difference between life and death. Beginning with the science behind odors and how dogs perceive them, Resi and Ruud show you how to harness that knowledge to eliminate training problems and maximize your dog's potential. You'll learn how to start scent training for young dogs using simple exercises before building up to more complex training. Finally, using techniques they've perfected over decades, Resi and Ruud share their specialized, step-by-step programs for advanced scent identification training and tracking. Get a free ebook through the Shelfie app with the purchase of a print copy.

K9 Drug Detection-Resi Gerritsen 2017-01-02 A comprehensive guide to training and deploying your drug-detection dog. Learn how to: Select the right dog for drug detection work. Train your K9 using the latest techniques with proven results. Plan and execute searches of individuals and in a variety of settings, including open air locations, warehouses and other buildings, airplanes, automobiles, and ships. In the fight against illegal drugs, a well-trained K9 can be your most important asset. K9 Drug Detection gives trainers and handlers the tools and knowledge they need to properly train and deploy a highly effective K9 drug detection team. Expert trainers Dr. Resi Gerritsen and Ruud Haak provide the key principles for successful training, as well as step-by-step training schedules for both active and passive responses. They describe the many factors that affect a K9's work in the field, including the influence of air currents and various weather conditions. They teach you how to protect your K9 from dangerous substances and what to do if your dog is accidentally exposed. They also provide background information every K9 drug detection handler should know, such as the basics of drug laws in North America and Europe and essential facts about the appearance, effects, risks, and use of the most common illegal drugs.

K9 Investigation Errors-Resi Gerritsen 2016-05-23 Make sure your K9 investigation work holds up in court. Based on Resi and Ruud's previous book, K9 Fraud, with updated content and a new chapter. Learn how to: Avoid the most common mistakes handlers make. Become a better trainer and handler with a scientific understanding of scent and tracking work. Train your dog for scent-identification lineups using the scientifically proven Dutch standard. Faulty K9 investigations often have serious consequences: the guilty might walk free, and the innocent might suffer. Internationally recognized dog handlers and trainers Dr. Resi Gerritsen and Ruud Haak use real-life case studies—historical and recent—to highlight K9 errors that can derail entire investigations. Each of these mistakes, such as influencing your dog's results or relying on contaminated scents, damages your reputation and the value of your work. But with the right knowledge and training protocols, you can minimize investigation errors. K9 errors have hampered investigations from the earliest uses of dogs for police work in Europe to twenty-first century cases such as the 2001 anthrax attacks in the United States. Don't let the same mistakes happen to you and your team. Get a free ebook through the Shelfie app with the purchase of a print copy.

K9 Explosive and Mine Detection-Resi Gerritsen 2017-07-07 A comprehensive guide to training and certifying K9 explosive detection teams Learn how to: - Train your K9 to detect and safely alert for explosive substances. - Conduct operational searches in buildings, vehicles, ships, and planes. - Train your dog for the specialized work of mine detection. In the high stakes realm of explosive detection, where even the smallest mistake can have fatal consequences, the margin of error is zero. Well trained dog-handler teams can play a key role in explosive detection, but only if their training is top notch. Dr. Resi Gerritsen and Ruud Haak have worked with police departments around the world to help them establish and improve their K9 explosive detection training programs, and in this book they share their expertise with handlers and trainers looking to enhance their own performance. They teach how to pick the right dog for explosive detection work, how to train the dog to detect explosives, and how to properly execute a variety of training and operational searches. They also provide some of the background knowledge you'll need about common explosives and the many factors that can influence a K9's work. Along with essential health and safety precautions for you and your dog, you'll also learn how to test and certify dogs and handlers to ensure excellent performance in the field.

K9 Search and Rescue-Resi Gerritsen 2014-09-04 Training that works by harnessing your dog's instincts. Learn how to: Stimulate your dog's natural hunting drive for effective SAR training. Start your dog's training program with an easy, three-step process. Develop skills in a variety of search operations, including wilderness, avalanche and disaster scenarios. Dr. Resi Gerritsen and Ruud Haak have trained search and rescue dogs for more than 30 years and have taken part in rescue operations around the world. They serve as training directors and international judges for the International Red Cross Federation, the United Nations, the International Rescue Dog Organization and the Fédération Cynologique Internationale (FCI). Based on their decades of study and experience, their innovative SAR training method is rooted in a firm, scientific understanding of K9 instincts. Step-by-step instructions, dozens of illustrations and photographs from the field establish a professional K9 SAR program to benefit both beginners and experts. Get a free ebook through the Shelfie app with the purchase of a print copy.

K9 Professional Tracking-Resi Gerritsen 2018-03-13 A well-trained tracking dog can be the deciding factor in both criminal investigations and search-and-rescue operations. When the stakes are high and you demand only top performance from your K9, you need training methods relied upon by police forces and search-and-rescue teams around the world. Dr. Resi Gerritsen and Ruud Haak show you how to train your dog in clean-scent tracking, a proven method that trains dogs to follow a particular scent on a track while ignoring crosstracks and other odors. In K9 Professional Tracking, you'll learn how to start a successful clean-scent tracking program from the ground up: how to pick the right dog, what equipment you need, how to lay a track, and which exercises work. Resi and Ruud also break down the science of scent and the dog's nose, critical information that allows you to fully understand what your K9 is and is not capable of in the field. With the right knowledge and techniques, you'll be able to train tracking dogs to the highest professional standards.

Canadian Books in Print. Author and Title Index- 1975

How2become a Police Dog Handler-Nick Andrews 2012-07-01 The police force use a number of breeds of dogs for a variety of duties. The type of dog sometimes depends on the job to be done, but the following breeds are the ones usually used in Britain: German Shepherd, Rottweiler, Giant Schnauzer, Doberman, Labrador, Belgian Shepherd, Springer spaniels, Weimaraners and German Short-Haired Pointers. Searching and tracking are the main tasks of police dogs. A single police officer is no match for a police dog as they are able to search more quickly and in very constricted places. How to become a police dog handler is an exciting new book that covers every element of the selection process and also provides practical advice on police dog types, police dog commands, the health of police dogs, dog handler laws and the training of police dogs and their handlers.

Career Opportunities in Education and Related Services, Second Edition-Susan Echaore-McDavid 2009-01-01 Presents opportunities for employment in the field of education listing over ninety job descriptions, salary range, education and training requirements, and more.

Youth and the Law-Daniel J. Baum 2014-01-20 Real cases from the Supreme Court dealing with youth issues. Laws, as they relate to youth and youth issues, can be difficult to understand for those they are intended to serve. In the first book of the Understanding Canadian Law series, author Daniel J. Baum breaks down the Supreme Court of Canada's decisions relating to youth in plain language intended for readers of all ages. Drawing on examples from recent Supreme Court rulings, Youth and the Law walks the reader through such controversial subjects as spanking, bullying, youth violence, and police in the schools. Each chapter contains prompts to encourage critical thinking. Youth and the Law is an objective introduction for all readers to better understand how law impacts the young.

K9 Explosive Detection-Ron Mistafa 1998-01 Conduct efficient, effective and safe searches in any setting K9 Explosive Detection is for detector dog trainers and police departments looking for alternative training ideas or for ways to set up their own course training standards. Ron Mistafa examines some of the major training systems in use by police departments across North America, and he offers a system that combines the most effective elements of each one. This manual focuses on the how-to aspects of explosive detector dog (EDD) training. A gradual build-up of learning experiences and ongoing problem solving techniques produce more confident EDD teams. Ron also examines US and Canadian laws governing possession of explosive materials and devices, provides tips on working with other police specialty units, and explains how to involve non-police personnel at airports in EDD training.

Security Operations Management-Robert McCrie 2001-05-14 Security Operations Management takes concepts from business administration and criminal justice schools and incorporates them into the world of security management. It is comprehensive text focused on theoretical and research-oriented overviews of the core principles of security management. The book includes critical issues faced by real-life security practitioners and explores how they were resolved. The book is written for practitioners, students, and general managers who wish to understand and manage security operations more effectively. The book explains the difficult task of bringing order to the security department's responsibilities of protecting people, intellectual property, physical assets and opportunity. In addition, the book covers theoretical and practical management-oriented developments in the security field, including new business models and e-management strategies. Discussions provide coverage of both the business and technical sides of security. Numerous case histories illustrating both the business and technical sides of security. Strategies for outsourcing security services and systems.

K9 Aggression Control-Stephen A. Mackenzie 2017-10-16 Includes a new chapter on indicating without biting. Aggression control training requires dogs to think while they are excited and under stress, which is no easy task. Dr. Stephen A. Mackenzie has been teaching and using non-compulsive methods for aggression-control training for more than 30 years. His techniques have worked for hundreds of dogs, and have been used and adapted by many skilled trainers and decoys for their individual circumstances. K9 Aggression Control provides a flexible approach to aggression control that is rooted in obedience training. You may be someone who uses a muzzle, sees a role for toys and games, and works with a decoy who likes to drop the sleeve, or you might not want a muzzle, toy, or dropped sleeve anywhere near your dog -- either way this book has options for you. It details techniques and variations so you can choose the options you prefer. Dr. Mackenzie also gives decoys sound advice on controlling a dog's excitement level, working with handlers, and making the best use of equipment. A new chapter in this revised and updated edition shows you how to train dogs to indicate a person's location without biting -- essential for the search and rescue trainer and a real plus for modern police forces looking for ways to reduce liability. Learn how to: Choose the right dog and training method. Train dogs that will out reliably in all situations. Solve common problems in aggression-control training.
