Encyclopedia of Hinduism-Constance Jones 2006 "Encyclopedia of World Religions" explores the major religions of the world, emphasizing the living faiths and their background. Each illustrated volume provides access to the theological concepts, personalities, historical events, institutions, and movements that helped shape the history of each religion and the way it is practiced.

History of Tamil Language and Literature-Es Vaiyāpurip Pillai 1956

Vaiyapuripillai’s History of Tamil Language and Literature-Es Vaiyāpurip Pillai 1988

Kanyayug-OyindriIa Basu 2019-03-25 She walked into the fire, and the world watched her with loaded eyes. Was she obeying her husband or punishing herself? What was her secret sin? She was an Asura queen. Her righteousness and devotion protected her sinful husband, but couldn't protect her virtue. But, did she give up? She was the young sister of the 'Devi' and the wife of the younger Ikshwaku prince, but what was her name? She is known as the deadliest demoness of all times but, where did she come from? Who are these women? What did they do? How did they live? These questions have been doing rounds through generations of oral tradition in Ramayana. But somehow, the various versions and retellings of the great epic have submerged these stories under the sand of cultural idealism. Lord Rama, the Maryadapurushottam, is what the abridged tales intended to establish and consolidate the foregrounds of Indian patriarchy with positivism. The women have played irreplaceable roles in the formation of the Ramayana, but their stories have always come in as subplots in the grandeur of heroism. Kanyayug, for the first time, unapologetically unearths the unsung stories of these women. Their plight, their pain, their emotions, their inner battles and deep-hidden secrets come to life through the creative ink of the author. This unique Literary fiction, while studying the exemplary Women in Ramayana, challenges old myths and reconstructs Devi, Asura, Apsara and Yaksha together, by bringing each one from the epic and unifying them in a single narrative.

URBAN POLITICAL PARTIES AND ADMINISTRATION-Dr. Ashokkumar V. Paled 2021-07-23 Political parties are central to India political life. Their role in political mobilization, governance, the formulation and implementation of economic and social policy, ethnic conflict, separatist movements, and the working of democracy has long been the focus of analysis. Their centrality arises from the fact that they are the key link between individual and state, and state and society as staed earlier. Political parties provide the crucial connection between social process and policy makers, and influence debates and policies on issues affecting the interests of various social groups in the political system. As more and more people participated in the democratic process, competitive politics and the party system have undergone a major change over the past two decades. The Congress and the ruling BJP led National Democratic Alliance face dissension at all levels extending from differences between the BJP and organizations it is affiliated with, such as the Rashtriya Swayam Sevak Sangh (RSS) and the Vishwa Hindu Parishad (VHP), and between the party and its coalition partners.

Love and Lust-Pavan K. Varma 2004 Think Of The Erotic Literature From India And What Immediately Comes To Mind Is Vatsyayana S Kamasutra. This Was Indeed Not The First Study In Erotology Nor Was It The Last. Beginning With The Rig Veda (Written Some 5000 Years Ago) Right Up To The Seventeenth Century, Indian Literature Is Marked By Diverse Genres Replete With Unabashed Eroticism In Which Love, Lust And Life Are Explored To Their Fullest Extent& Today, The Philosophical Acceptance Of Desire And The Erotic Sentiment Has Been Asphyxiated By A Hypocritical Morality That Has Much For Too Long Equated Sex With Sin And Desire With Guilt. The Purpose Of This Anthology Is To Provide Enough Evidence Of An Alternative Vision, So That Readers Can Get A Glimpse Of The Sense Of Maturity And Honesty That Animated Our Ancestors. In This Comprehensive Anthology, The Authors Forcefully Drive Home The Point That The Fascination With Eroticism Is Age-Old. The Absence Of Inhibition And Guilt And The Candour And Boldness With Which Society Set About Seeking Its Pl Easures Find Expression Repeatedly In Writings Over The Past Ages. The Literature Of India, Both Religious And Secular, Is Full Of Sexual Allusions, Sexual Symbolisms And Passages Of Such Frank Eroticism The Likes Of Which Are Not To Be Found Elsewhere In World Literature. For Example, Some Sections Of Ancient Texts Like The Vedas, The Upanishads, The Epics (The Mahabharata And The Ramayana), The Brahmins, The Puranas And Devotional Hymns Like The Saundarya Lahiri (By Adi Shankaracharya) Are Studded With Graphic Sexual Imagery. The Sacred And The Sensuous Were Thus Seen As Integrated Elements Of Human Existence. In This Medieval Period, Writers, Poets, Dramatists, Painters, Sculptors And Artists, Whatever Be Their Language And Idiom, Gave Full Vent To Their Creative Talents, Suffused With The Sexual Metaphor. Kalidasa And Jayadev Stand Out As Exemplars Of This Genre. It Was Basically The Evangelical Fervor Of The Victorian Era That Imposed Severe Structures On The So-Called Heathen Amorous Degradation And Sought To Cleanse The Indian People By Propagating Western Morality And Values . And The Victorian Hangover Still Persists. The Underlying Themes Of This Volume Are That, In The India Tradition, The Relevance Of Desire, With Eroticism As Its Natural Attribute, Was Pragmatically Accepted And That Women Were Given Equal Status As Men In The Pursuit Of Pleasure.

English Heart, Hindi Heartland-Rashmi Sadana 2012 English Heart, Hindi Heartland examines Delhi’s postcolonial literary world–its institutions, prizes, publishers, writers, and translators, and the cultural geographies of key neighborhoods–in light of colonial histories and the globalization of English. Rashmi Sadana places internationally recognized authors such as Salman Rushdie, Anita Desai, Vikram Seth, and Aravind Adiga in the context of debates within India about the politics of language and alongside other writers, including K. Satchidanandan, Shashi Deshpande, and Geetanjali Shree. Sadana undertakes an ethnographic study of literary culture that probes the connections between place, language, and text in order to show what language comes to stand for in people’s lives. In so doing, she unmasks a social discourse rife with questions of authenticity and cultural politics of inclusion and exclusion. English Heart, Hindi Heartland illustrates how the notion of what is considered to be culturally and linguistically authentic not only obscures larger questions relating to caste, religious, and gender identities, but that the authenticity discourse itself is continually in flux. In order to mediate and extract cultural capital from India’s complex linguistic hierarchies, literary practitioners strategically deploy a fluid set of cultural and political distinctions that Sadana calls “literary nationality.” Sadana argues that English, and the way it is positioned among the other Indian languages, does not represent a fixed pole, but rather serves to change political and literary alliances among classes and castes, often in surprising ways.

History of Indian Theatre: Classical theatre-Manohar Laxman Varadpande 1987

A Question of Silence-Janaki Nair 2000-10 The essays in this volume develop an understanding of the institutions, practices and forms of representation of Indian sexual relations and their boundaries of legitimacy.

Kural-Tiruvalluvar 2005-03-04 A celebrated work by the greatest poet of classical Tamil literature Tiruvalluvar probably lived and wrote between the second century BC and the eighth century AD though his dates have not been conclusively established. The work by which he is known, the Kural, comprises 1,330 couplets and is divided into three sections–Virtue, Wealth and Love—and is based on the first three of the four supreme aims prescribed by Hindu tradition: dharma (virtue), artha (wealth), kama (love) and moksha (salvation). Taken together, the three books of the Kural inform, criticize and teach the reader, in brilliantly styled and pithy verse, about life, love and the ways of the world. Translated and edited with an introduction by P.S. Sundaram

The Hutchinson Encyclopedia-Roger Tritton 1999

History of Humanity: From the seventh century B.C. to the seventh century A.D.-Sigfried J. de Laet 1996-01-01 The period covered is marked by several turning-points, such as the spread of iron technology, the introduction of innovative irrigation systems and the development of new forms of urbanization. In China, India and the Mediterranean, in Central America and in parts of South America, the so-called 'Classical cultures' rose. For the first time, science attempted to develop independently of myth and religion, as a new method to explain nature and human destiny. But this period also witnessed the rise of universal religions such as Buddhism, Hinduism, Christianity and, in the seventh century, Islam.

Indivisible-Neelanjana Banerjee 2012-03-01 The first anthology of its kind, Indivisible brings together forty-nine American poets who trace their roots to Bangladesh, India, Nepal, Pakistan, and Sri Lanka. Featuring award-winning poets including Meena Alexander, Agha Shahid Ali, Chitra Banerjee Divakaruni, and Vijay Seshadri, here are poets who share a long history of grappling with a multiplicity of languages, cultures, and faiths. The poems gathered here take us from basketball courts to Bollywood, from the Grand Canyon to sugar plantations, and from Hindu-Muslim riots in India to anti-immigrant attacks on the streets of post-9/11 America. Showcasing a diversity of forms, from traditional ghazals and sestinas to free verse, experimental writing, and slam poetry, Indivisible presents 141 poems by authors who are rewriting the cultural and literary landscape of their time and their place. Includes biographies of each poet.

Poems on Life and Love in Ancient India-H?Ia 2009-03-10 The oldest surviving anthology of lyric poems from India, the Sattasaiṃ presents the many aspects of love and provides a realistic counterpart to the Kājmasuṃtra.
