The King and the Clown in South Indian Myth and Poetry-David Dean Shulman 2014-07-14 The author discusses the tragi-comic aspect of Chola kingship in relation to other Indian expressions of comedy, such as the Vidiisaka of Sanskrit drama, folk tales of the jester Tenali Rama, and clowns of the South Indian shadow-puppet theaters. The symbolism of the king emerges as part of a wider range of major symbolic figures--Brahmins, courtesans, and the tragic" bandits and warrior-heroes. Originally published in 1986. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy

Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Book of Love-James McConnachie 2008-05-27 An engaging, enlightening "biography" of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best-known yet least-understood texts, its title instantly familiar but its actual contents widely misconstrued. In the popular imagination, it is a work of practical pornography, a how-to guide of absurdly acrobatic sexual techniques. Yet the book began its long life in third-century India as something quite different: a seven-volume vision of an ideal life of urbane sophistication, offering advice on matters from friendship to household decoration. Over the ensuing centuries, the Kamasutra was first celebrated, then neglected, and very nearly lost—until an outrageous adventurer introduced it to the West and earned literary immortality. In lively and lucid prose, James McConnachie provides a rare, intimate look at the exquisite civilization that produced this cultural cornerstone. He details the quest of famed explorer Richard F. Burton, who—along with his clandestine coterie of libertines and iconoclasts—unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism. And he describes how the Kamasutra was driven underground into the hands of pirate pornographers, until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight. The first work to tell the full story of the Kamasutra, The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers—and survived.

Anthropological Abstracts-Ulrich Oberdiek 2014-06-30

The Ring of Truth-Wendy Doniger 2017 Why are sex and jewelry, particularly rings, so often connected? Why do rings continually appear in stories about marriage and adultery, love and

betrayal, loss and recovery, identity and masquerade? What is the mythology that makes finger rings symbols of true (or, as the case may be, untrue) love? The cross-cultural distribution of the mythology of sexual rings is impressive--from ancient India and Greece through the Arab world to Shakespeare, Marie Antoinette, Wagner, nineteenth-century novels, Hollywood, and the De Beers advertising campaign that gave us the expression, -Diamonds Are Forever.- Each chapter of *The Ring of Truth*, like a charm on a charm bracelet, considers a different constellation of stories: stories about rings lost and found in fish; forgetful husbands and clever wives; treacherous royal necklaces; fake jewelry and real women; modern women's revolt against the hegemony of jewelry; and the clash between common sense and conventional narratives about rings. Herein lie signet rings, betrothal rings, and magic rings of invisibility or memory. The stories are linked by a common set of meanings, such as love symbolized by the circular and unbroken shape of the ring: infinite, constant, eternal--a meaning that the stories often prove tragically false. While most of the rings in the stories originally belonged to men, or were given to women by men, Wendy Doniger shows that it is the women who are important in these stories, as they are the ones who put the jewelry to work in the plots. *Wives, Widows, and Concubines-Mytheli Sreenivas 2008 Debates about family, property, and nation in Tamil India*

TRANSGENDER WELFARE AND SOCIETY-E. JAYANTHY 2019-06-04 1. Introduction, 2.

Transgenders as Depicted in Hindu Mythology and in Tamil Literature, 3. Intersex and Androgen Insensitivity Syndrome, 4. Transgenders - Physiological Parameters, 5. Transgenders - Psychological Parameters, 6. Role of Tamil Community in the Development of Thirunangai Communities - A Profile, 7. Social Exclusion Of Transgender, 8. Kalki Subramanian - A Profile, 9. Conclusion. -

PREFACE - The legal, economic and social marginalization of transgender affects every aspect of their lives. Social exclusion is reflected in laws that do not acknowledge the existence of transgender, either as a third gender or as people who wish to transition from male to female, or from female to male. Without legal protection, transgender is vulnerable to daily violence and discrimination, with cumulative impacts. Some impacts are visible, such as the HIV epidemic among transgender in many parts of the world. Most impacts are insidious, with transgender, their families, and communities left to support each other and struggle for their rights. Human rights experts have offered guidance on how to apply existing human laws. From a young age, many transgender people experience social rejection and marginalization because of their expression of their gender identity. This social exclusion affects their self-perception and sense of worth. It may contribute to depression, anxiety, drug and alcohol use, self-harm and suicide. Young transgender people are particularly vulnerable to homelessness, unemployment and economic instability, as they often depend on family and educational institutions for housing and other resources .This is mainly due to the fact that their inherent complexities in physiology which does not gel with their psychology deprivation of everything in their life.

A History of Hinduism-R. Ramachandran (retd) 2018-03-19 IS THE HISTORY OF HINDUISM, THE HISTORY OF BRAHMANAS FROM RIGVEDIC TIMES TO THE PRESENT? Or, does the story of Hinduism begin with the descriptions of the ancient roots as revealed by archaeological findings and the evidence from present day tribal, village and regional cultures? This book looks at both. The history of Brahmanas, tracing their lineage to the fifty-odd Rigvedic poets, is dealt with through the chronological ordering of the Sanskrit texts which were first handed down to us as oral narratives from Gurus to shishyas. The circumstances and purposes for which these texts were written is

examined, along with events of a true historical nature. This is followed by a sequential treatment of Hinduism as a 'Rigvedic religion', the two Mimamsas, Buddhism, Jainism, Dharmasastras, the Epics and the Puranas. The growth of Hindu temples, the role of Adi Sankaracharya and the Bhakti movement is delved into, and the influences of Muslim and British rule of the subcontinent on Hinduism is analysed. The author explores one major reason for the survival of Hinduism—the support of prehistoric tribal and village cultures which were not modified or destroyed by the later-day Brahmanas. Much of tribal and village deities and practices were co-opted into concurrent Hinduism, so-much-so that today these cannot be separated from mainstream Hindu practices and traditions. They exist in all their colourful glory to this date and make Hinduism vibrant. It is these ancient folk religions that provide a stable foundation for the survival of Hinduism, argues author R Ramachandran, presenting in this book an all-encompassing landscape view of Hinduism as it has been for the last five thousand years. Finally, the present status of Hinduism is discussed along with its survival in the future.

Encyclopedia of Hinduism-Constance Jones 2006 "Encyclopedia of World Religions" explores the major religions of the world, emphasizing the living faiths and their background. Each illustrated volume provides access to the theological concepts, personalities, historical events, institutions, and movements that helped shape the history of each religion and the way it is practiced.

Count-down from Solomon, Or, The Tamils Down the Ages Through Their Literature: Cankam and the aftermath-Hephzibah Jesudasan 1999

Marriage and Social Legislations in Tamil Nadu-P. Jagadeesan 1990 Study covers 19th-20th century. URBAN POLITICAL PARTIES AND ADMINISTRATION-Dr. Ashokkumar V. Paled 2021-07-23 Political parties are central to India political life. Their role in political mobilization, governance, the formulation and implementation of economic and social policy, ethnic conflict, separatist movements, and the working of democracy has long been the focus of analysis. Their centrality arises from the fact that they are the key link between individual and state, and state and society as stated earlier. Political parties provide the crucial connection between social process and policy makers, and influence debates and policies on issues affecting the interests of various social groups in the political system. As more and more people participated in the democratic process, competitive politics and the party system have undergone a major change over the past two decades. The Congress and the ruling BJP led National Democratic Alliance face dissension at all levels extending from differences between the BJP and organizations it is affiliated with, such as the Rashtriya Swayam Sevak Sangh (RSS) and the Vishwa Hindu Parishad (VHP), and between the party and its coalition partners.

A History of Ancient and Early Medieval India-Upinder Singh 2008 A History of Ancient and Early Medieval India is the most comprehensive textbook yet for undergraduate and postgraduate students. It introduces students to original sources such as ancient texts, artefacts, inscriptions and coins, illustrating how historians construct history on their basis. Its clear and balanced explanation

of concepts and historical debates enables students to independently evaluate evidence, arguments and theories. This remarkable textbook allows the reader to visualize and understand the rich and varied remains of India's ancient past, transforming the process of discovering that past into an exciting experience.

The Kama Sutra of Vatsyayana-Vātsyāyana 1991 The 1964 publication of Sir Richard Burton's translation marked the first wide appearance in English of the Kama Sutra and was celebrated as a literary event of highest importance. As vital to an understanding of ancient Indian civilization as the works of Plato and Aristotle are to the West, the Kama Sutra has endured for 1,700 years as an indisputable classic of world literature. Written with frankness and unassuming candor, the Kama Sutra remains one of the most readable and enjoyable of all the classics of antiquity. A work of philosophy, psychology, sociology, Hindu dogma, scientific inquiry, and sexology, the Kama Sutra's importance is so great that it has at the same time both affected Indian civilization and remained an indispensable key to understanding it.

Literature of Sri Lanka-Charles Edmund Godakumbura 1976

Our World-Anita Gupta 2017-06-02 It gives us immense pleasure to present this book, though small in size yet large enough in terms of contents. The book seeks to provide the readers a fresh, relevant and up-to-date mirror of an ever-evolving world. General Knowledge is of immense importance to the students growing up in today's fast-paced media savvy generation where a million stories cross our paths daily. This book presents a concise and precise summary of significant topics for the readers to learn and relish. The contents of the book have been carefully planned. We have tried our best in

producing best, well-informed repository with accurate information on each and every topic, covered in various chapters. The book is a must for all those who love learning and seek to succeed in competitive examinations, as it will help them in improving their General Knowledge and make them confident as required to be.

The Kamasutra-Vatsyayana 2012-09-01 The first complete edition of the Kamasutra. It contains a crisp introduction; the original Sanskrit; a new, accurate and readable English translation; fifty full-page illustrations using period clothing, jewelry, and settings; and a thorough index. Composed almost two thousand years ago, it is surprisingly modern in its depiction of human nature and sexual practices.

History of Indian Theatre: Classical theatre-Manohar Laxman Varadpande 1987

Kamasutra-Vatsyayana 2017-09-27 KamaSutra In the literature of all countries there will be found a certain number of works treating especially of love. Everywhere the subject is dealt with differently,

and from various points of view. In the present publication it is proposed to give a complete translation of what is considered the standard work on love in Sanscrit literature, and which is called the 'Vatsyayana Kama Sutra, ' or Aphorisms on Love, by Vatsyayana. The rough English translation of Kamasutra is pleasure (kama) treatise (sutra). In the West, since it was first (rather surreptitiously) translated and published back in 1883, the book has generally been associated with a series of beautiful, ancient illustrations of a couple determinedly coupling in a variety of fascinating and often utterly improbable positions; as essentially the erotic counterpart to the ascetic asanas of yoga

Indian Hist (Opt)-Reddy 2006-12-01

Tiruvalluvar, a Mystic, God, the Bridegroom-R. Arulappa 1976

English Heart, Hindi Heartland-Rashmi Sadana 2012 English Heart, Hindi Heartland examines Delhi's postcolonial literary world--its institutions, prizes, publishers, writers, and translators, and the cultural geographies of key neighborhoods--in light of colonial histories and the globalization of English. Rashmi Sadana places internationally recognized authors such as Salman Rushdie, Anita Desai, Vikram Seth, and Aravind Adiga in the context of debates within India about the politics of language and alongside other writers, including K. Satchidanandan, Shashi Deshpande, and Geetanjali Shree. Sadana undertakes an ethnographic study of literary culture that probes the connections between place, language, and text in order to show what language comes to stand for in people's lives. In so doing, she unmasks a social discourse rife with questions of authenticity and cultural politics of inclusion and exclusion. English Heart, Hindi Heartland illustrates how the notion of what is considered to be culturally and linguistically authentic not only obscures larger questions relating to caste, religious, and gender identities, but that the authenticity discourse itself is

continually in flux. In order to mediate and extract cultural capital from India's complex linguistic hierarchies, literary practitioners strategically deploy a fluid set of cultural and political distinctions that Sadana calls "literary nationality." Sadana argues that English, and the way it is positioned among the other Indian languages, does not represent a fixed pole, but rather serves to change political and literary alliances among classes and castes, often in surprising ways.
