

Kansas A Guide To The Sunflower State

Explorer's Guide Kansas (Explorer's Complete)-Lisa Waterman Gray 2011-06-06 With Explorer's Guides, expert authors and helpful icons make it easy to locate places of extra value, family-friendly activities, and excellent restaurants and lodgings. Regional and city maps help you get around and What's Where provides a quick reference on everything from tourist attractions to off-the-beaten-track sites. Along with Amish farms, rolling countryside, and interesting history, Kansas offers rodeos, powwows, pancake races, Renaissance fairs, and spinach festivals. Kansas is known for wheat, cattle, and wide-open spaces, but it also has day spas, boutique hotels, museums, concerts, and vital urban scenes. There's a lot to see and do here; with an insider guiding you, you can expect extras, like a detailed look at the exciting cultural centers of eastern Kansas, with their fine restaurants, nightlife, and art. There really is no place like Kansas!

Secret Kansas City: A Guide to the Weird, Wonderful, and Obscure-Anne Kniggendorf 2020-09-15 Most visitors know all about Kansas City's barbecue, jazz, and football success, but there are hidden gems and wild pieces of trivia around every turn in Missouri's largest city. Is the giant Hereford bull anatomically correct? Can a seed that's been to outer space still grow into a normal tree? And who really killed President William Henry Harrison? You'll find answers to the questions you didn't know you had in Secret Kansas City: A Guide to the Weird, Wonderful, and Obscure. Learn why three completely unrelated groups have chosen Kansas City as the center of the world and the place you want to be when the world ends. Between these covers, you'll also find castles, a horse buried in a cul-de-sac, a ghost who likes a good laugh, and the world's longest snake. This is not a tour guide for

outsiders; it's a scavenger hunt—insiders only, please. Longtime Kansas Citian Anne Kniggendorf is at your service to bolster your love and boost your respect for this middle-of-the-map city. With her eye for the odd leading the way, you'll have a great time discovering Kansas City.

Kansas Trail Guide-Jonathan Conard 2015-04 A comprehensive guide to the recreational trails of Kansas, the book provides detailed maps and descriptions for the best trails throughout the state. It is invaluable for exploring new trails, whether on foot, on a bike, or on a horse, and learning more about your favorite route with information on history, wildlife, and trail/park creation.

The Guide to Kansas Birds and Birding Hot Spots-Bob Gress 2008 An easy-to-use field guide written for beginning and intermediate birders. Includes more than 350 stunning color photos and detailed profiles of 295 bird species most likely to be found in Kansas. Also offers insider tips on more than two dozen birding hot spots and a handy birding checklist for all state birds.

Kansas-Federal Writers' Project of the Work Projects Administration for the State of Kansas 1973
The WPA Guide to Kansas-Federal Writers' Project 2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. America's Heartland is well depicted in this WPA Guide to Kansas, originally published in 1939. Kansas, also nicknamed the "Sunflower

State” because of its rich agricultural roots and the “Jayhawker State” because of its distinct role in the American Civil War, has a diverse and extensive history.

Birds of Kansas Field Guide-Stan Tekielka 2001-11 See a yellow bird and don't know what it is? No problem! This remarkable field guide features 115 bird species (only Kansas birds!) organized by color. Full-page photos, detailed descriptions, Stan's Notes and range maps help to ensure correct I.D.

Kansas-Federal Writers Project 1939 Kansas: A Guide To The Sunflower State of the American Guide Series written by the FWP reviews the history of Kansas.

Traveling Through Kansas-Kansas. Department of Revenue 1997

Guide to the Kansas State Capitol-Kansas State Historical Society 2005

Guide to Kansas Architecture-David H. Sachs 1996 Some were designed in elaborate styles bearing elegant names—Beaux-Arts, French Renaissance, Art Deco. Others were humbly handcrafted from easily accessible materials—wood, stone, and sod. But whether courtly, colloquial, capricious, or curious, each of the state's architectural configurations has become an aesthetic slice of Kansas. In Guide to Kansas Architecture, David Sachs and George Ehrlich spotlight hundreds of these surprisingly diverse homes, businesses, schools, churches, courthouses, theaters, bridges, and barns spread throughout all 105 counties. Encompassing the historical and contemporary, the vernacular and singular, this book features Victorian masterpieces, stately courthouses, and split-level suburban homes alongside the likes of "the world's most beautiful gas station" and Big Brutus, the enormous electric coal shovel turned museum. Illustrating where, how, and why Kansans assembled and altered their physical surroundings, the authors have amassed information on 700 structures—including descriptions, construction dates, architects, historical background, and

unusual traits. They also provide maps and addresses to make them easy to find. This one-of-a-kind guide for Kansas underscores architecture's bond with the state's artistic, cultural, historical, social, political, and economic attributes and idiosyncrasies. As a handy reference and traveling companion, it will be invaluable to the well-versed architect, preservationist, or historian, as well as to the merely inquisitive and adventurous.

Kansas City Guide for the Field-trip Traveler- 1993

Roadside Kansas-Rex Buchanan 2010 Covering more than 2,600 miles, Buchanan and McCauley organize their book by highway and milepost markers, so that modern-day explorers can follow the road logs easily, learning about the land as they travel through the state. Featuring more than 100 photographs, drawings, and maps, the book also provides deft descriptions of fascinating contemporary and historical features to be seen all across Kansas.

Wildflowers and Grasses of Kansas-Michael John Haddock 2005 Perfect for backpack or glove compartment. "Wildflowers and Grasses of Kansas" offers a wealth of quick-access information graced with color that leaps off the page, making plant identification a joy rather than a chore.

Kansas-Writers' Program (U.S.) 1939
