Mary Wroth and Shakespeare-Paul Salzman 2014-10-10 Over the last twenty five years, scholarship on Early Modern women writers has produced editions and criticisms, both on various groups and individual authors. The work on Mary Wroth has been particularly impressive at integrating her poetry, prose and drama into the canon. This in turn has led to comparative studies that link Wroth to a number of male and female writers, including of course, William Shakespeare. At the same time no single volume has attempted a comprehensive comparative analysis. This book sets out to explore the ways in which Wroth negotiated the discourses that are embedded in the Shakespearean canon in order to develop an understanding of her oeuvre based, not on influence and imitation, but on difference, originality and innovation.

Kaplan AP English Literature and Composition, 2007 Edition-Denise Pivarnik-Nova 2006-12-26 *3 full-length practice tests*detailed answer explanations*proven score-raising strategies*targeted content review*key terminology defined in context*sample essays for Free-Response questions
