2018-01-25 Sterling Test Prep Recommended by teachers. Trusted by students. Higher score money back guarantee! Thorough and curriculum-oriented review of U.S. History that matches College Board's most current SAT US History subject test content outline. The content is divided into three historical periods and is centered around five focus areas. Historical periods: • Period 1: Pre-Columbian to

1789 • Period 2: 1790-1898 • Period 3: 1899-Present Focus areas: • Political history • Economic history • Social history • Intellectual and cultural history • Foreign policy The information is presented in a clear and easy to understand style. Students can study one focus area of one historical period at a time to fully comprehend and internalize important historical relationships. Since many questions on the SAT US History Subject Test do not require simple fact recall, but rather aim to assess your overall, wider understanding of the subject, the content of this preparation book is context-based. A context-based approach to studying US History is more engaging than a raw fact-based approach and is necessary for successful test preparation. By using this book as the review guide before the test, you will develop the necessary skills and will be well prepared for the SAT US History Subject Test. The content of this book is developed and edited by highly qualified history teachers, scholars and education specialists with an emphasis on the outline and skills released by the College Board for the SAT US History Subject Test. The content was examined for quality and consistency by our team of editors who are experts on teaching and preparing students for standardized tests.
