Ward MacKayla Lane and Jericho Barrons return in the blockbuster Fever series from Karen Marie Moning. It’s easy to walk away from lies. Power is another thing. MacKayla Lane would do anything to save the home she loves. A gifted sidhe-seer, she’s already fought and defeated the deadly Sinsar Dubh—an ancient book of terrible evil—yet its hold on her has never been stronger. When the wall that protected humans from the seductive, insatiable Fae was destroyed on Halloween, long-imprisoned immortals ravaged the planet. Now Dublin is a war zone with factions battling for control. As the city heats up and the ice left by the Hoar Frost King melts, tempers flare, passions run red-hot, and dangerous lines get crossed. Seelie and Unseelie vie for power against nine ancient immortals who have governed Dublin for millennia; a rival band of sidhe-seers invades the city, determined to claim it for their own; Mac’s former protégé and best friend, Dani “Mega” O’Malley, is now her fierce enemy; and even more urgent, Highland druid Christian MacKeltar has been captured by the Crimson Hag and is being driven deeper into Unseelie madness with each passing day. The only one Mac can depend on is the powerful, dangerous immortal Jericho Barrons, but even their fiery bond is tested by betrayal. It’s a world where staying alive is a constant struggle, the line

between good and evil is blurred, and every alliance comes at a price. In an epic battle against dark forces, Mac must decide who she can trust, and what her survival is ultimately worth. 2006-10-31 Karen Marie Moning MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac

journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . It's engaging, hilarious, amazing and Dani is going to be one heck of a woman."—USA Today "A gripping story that combines excellent storytelling with believable characters that are rendered both superhuman and superbly human, with emotional fragility and psychological vulnerability in an unstable world fraught with danger . . . Fast-paced, with nonstop action set in a fascinating urban

fantasy world of Dublin under siege, this is a smart, bold and textured success."—Kirkus Reviews "Moning is a master storyteller. I don't know how she does it, but she begs me to get on my knees and pay worship to the woman who has brought me the best, most labyrinthine stories and characters I've ever had the privilege to get to know. She weaves brilliantly, unapologetically, and without exception, and she has threaded the needle into me and I've been pulled, over and over, into her tapestry, and I don't think I'm ever getting out. Iced is no exception."—The Bawdy Book Blog (five-starred review)

2016-01-19 Karen Marie Moning NEW YORK TIMES BESTSELLER • In Karen Marie Moning's latest installment of the epic Fever series, Mac, Barrons, Ryodan, and Jada are back—and the stakes have never been higher or the chemistry hotter. Hurtling us into a realm of labyrinthine intrigue and consummate

seduction, Feverborn is a riveting tale of ancient evil, lust, betrayal, forgiveness, and the redemptive power of love. When the immortal Fae destroyed the ancient wall dividing the worlds of Man and Faery, the very fabric of the universe was damaged, and now Earth is vanishing bit by bit. Only the long-lost Song of Making—a haunting, dangerous melody that is the source of life itself—can save the planet. But those who seek the mythic song must contend with old wounds and new enemies, passions that burn hot and hunger for vengeance that runs deep. The challenges are many: the Keltar at war with nine immortals who've secretly ruled Dublin for eons, Mac and Jada hunted by the masses, the Seelie queen nowhere to be found, and the most powerful Unseelie prince in all creation determined to rule both Fae and Man. Now the task of solving the ancient riddle of the Song of Making falls to a band of deadly warriors divided among—and within—themselves. Once a normal city possessing a touch of ancient magic, Dublin is now a treacherously magical city with only a touch of normal. And on those war-torn streets, Mac will come face-to-face with her most savage enemy yet: herself. extensive and inspired, and she never fails to keep the action fast and the stakes high. . . . The heroes' shared danger, victory, loss and turmoil translate into emotional intensity and sexual tension.”—The New York Times Book Review “Karen Marie Moning is back, burning up the pages with scorching tension, gasp-out-loud surprises, unshakable danger and unexpected feels. Feverborn is simply impossible to put down. . . . I'm not sure how Moning is able to do it after eight books, but each novel proves more exciting than its predecessor as she continues to raise the stakes in this ongoing, exhilarating saga. Feverborn is a fight between ancient magic and renewed determination, a duel between old wounds and deep-seated love. Once again, you won't be able to put this book down.”—USA Today “Feverborn is at once the most gratifying and infuriating (in the best way possible) volume in the series yet. Moning's proclivity for passion, emotion and shocking twists is showcased in breathtaking clarity. . . . I can damn near guarantee that fans of the series will be panting, both with heat, and a frenzied need to know what happens next.”—PopWrapped “Feverborn is a masterpiece of epic proportions.
