

Karen Martini Recipes Better Homes And Gardens

Home-Karen Martini 2014-11 Chef and busy working mum Karen Martini loves spending time in her home kitchen - making quick and healthy lunches, creating elaborate feasts for special occasions, or simply experimenting with different ingredients. In Home, she shares her absolute favourite flavour-packed dishes to put on the table for family and friends. There are solutions to mid-week dinner dilemmas, such as pan-fried salmon with zucchini, mint and chilli, as well as knockout dishes for that special dinner party, such as red-wine braised beef cheeks with celeriac and parsnip puree. Super-quick breakfasts include corn and cheddar fritters with avocado and cumin salt, and there are heaps of fresh and healthy salads, such as soba noodles with bean sprouts, ginger and sesame. You will find nourishing wintery soups and vibrant summer ones; creative pasta and rice dishes that will keep the whole family happy; and delicious sweet treats, from simple biscuits to Karen's all-time favourite pavlova recipe. Home also features a gorgeous Christmas chapter, with eleven inspiring and achievable recipes for any festive occasion. This book is all about cooking and eating well. Original, fresh and bursting with flavour and colour, the recipes in Home will inspire you to cook up delicious and memorable food for yourself and your loved ones, from the simple and nourishing to the detailed and indulgent. Standout recipes include: Potato chip tortilla with sriracha mayonnaise * Chicken, prawn and shiitake pot-sticker dumplings * Spiced tomato and chilli soup with smoked bacon * Beetroot, quinoa and spinach salad with haloumi, sultanas and dill * Prawn baguettes with minted

cabbage and sumac * Orecchiette with tuna, spinach, mascarpone and lemon * Balinese chicken satay * Chicken, kale and mushroom pie * Greek lamb shoulder with yoghurt, cucumber and mint * Roasted eye fillet with potato dauphinoise and baked camembert * Peanut butter and banana ice cream * Apple and cherry turnovers * Red velvet cupcakes with marshmallow icing * Mini eclairs with chocolate cream and peanut and cashew brittle

Mad Men Unzipped-Karen E. Dill-Shackleford 2015-12-15 This is the story of the Mad Men fan phenomenon: how the show and its fans distinguished themselves in a market where it's hard to make an impression, not unlike the driven ad execs at the center of the show. In this book, four media psychologists who also just happen to be dedicated Mad Men fans explore how the show's viewers make meaning from fictional drama. The authors also interviewed several contemporary advertising industry professionals, getting their inside view of the business in its modern guise and what they make of the show's vision of their past. The result is cutting-edge psychological research that crunches and codes online fan commentary to understand the ways that people use the show to debate complex social issues, from sex and alcohol to gender roles, parenting, and advertising itself. What do the 1960s mean to us today, and how well does the twenty-first century measure up against that famously turbulent decade? Which characters do fans identify with—and which ones do they

love to hate? How would fans unfurl the Mad Men storylines if they were in charge? What makes a good man, and has it changed over time? How should husbands and wives treat each other, and how should parents treat their children? In answering these questions, the authors explore not just the online commentary but also Mad Men fans' fan fiction, cosplay, cocktail making, and vintage furniture collecting. Whether tweeting as one of the main characters (or just a lowly mail clerk), setting Peggy up with the man who'll treat her right, or figuring out just which "Mad Man" they are at heart, fans integrate the show into their lives and use it to make sense of their own choices in work, leisure, and love.

Breakfast in Texas-Terry Thompson-Anderson 2017-04-18 Texans love the morning meal, whether it's bacon and eggs (often eaten in a breakfast taco) or something as distinctively nontraditional as saag paneer omelets, pon haus, or goat curry. A Lone Star breakfast can be a time for eating

healthy, or for indulging in decadent food and drink. And with Texas's rich regional and cultural diversity, an amazing variety of dishes graces the state's breakfast and brunch tables. The first Texas cookbook dedicated exclusively to the morning meal, *Breakfast in Texas* gathers nearly one hundred recipes that range from perfectly prepared classics to the breakfast foods of our regional cuisines (Southern, Mexican, German, Czech, Indian, and Asian among them) to stand-out dishes from the state's established and rising chefs and restaurants. Terry Thompson-Anderson organizes the book into sections that cover breakfast and brunch libations (with and without alcohol); simple, classic, and fancy egg presentations; pancakes, French toast, and waffles; meat lover's dishes; seafood and shellfish; vegan dishes and sides; and pastries. The recipes reference locally sourced ingredients whenever possible, and Thompson-Anderson provides enjoyable notes about the chefs who created them or the cultural history they represent. She also offers an expert primer on cooking eggs, featuring an encounter with Julia Child, as well as a selection of theme brunches (the boozy brunch, the make-ahead brunch, New Year's Day brunch, Mother's Day brunch with seasonal ingredients, teenage daughter's post-slumber party breakfast, and more). Sandy Wilson's color photographs of many of the dishes and the chefs and restaurants who serve them provide a lovely visual counterpoint to the appetizing text.
