2016-10-21 key23 Sex Magic!
Welcome! We all know that sex connects us to beauty, to magic. Yet, we live in societies where sex is devalued, denigrated even. You are invited to reclaim your birthright by connecting with this, your true source of power. Book one is a practical guide on how to practice sex magic with a partner, and how to draw a partner into your life. It contains all you need to bring your deepest intentions into reality. We take a look into how this sacred act has become devalued in society, and why. Drawing on my own experiences of initiation into this divine art, I show you how to harness the power of sacred sex. Book two, The Guide, explains what you need to know to create and maintain a healthy body. This is essential for the successful practice of sex magic. Everything is included, from diet and the gift of a well-hydrated body, to how to control your weight and your

libido. We explore the power of attitude and using your word to make the changes you have been longing for. The magical result is a transformed life. When you are aligned to the flow of universal energy, you are free to become who you truly are, powerful beyond measure!

2012-08-27 Paschal Beverly Randolph A step-by-step guide to the occult science of sex magic • Based on the practices of P. B. Randolph, occult rival of H. P. Blavatsky • Reveals how to perform sex magic rituals for specific real-world results, such as greater strength or enhancement of the senses • Explains how to create magical talismans, such as rings with specific planetary forces, how to enliven a painting, and how to charge an effigy Conceived by Paschal Beverly Randolph, *Magia Sexualis* has been heralded as the most influential book about sex magic ever written, surviving to the present day solely through Maria de Naglowska's French translation. Published more than 50 years after Randolph's death, the authorship of this "translation" has been repeatedly called into question: While the greater part of the content can be traced to Randolph's known works, a very significant portion cannot-leading to the conclusion that this work was supplemented by Naglowska's own sex magic work and extensive occult teachings. *Magia Sexualis* explains Randolph's meticulous science of sex magic, practiced by the Brotherhood of Eulis

and the Hermetic Brotherhood of Light. Beginning with exercises to develop essential skills, the book explains in step-by-step detail how to perform sex magic rituals for specific results, such as greater strength or enhancement of the senses, how to charge and use a "volt"--an effigy of a specific person you want to influence or protect, how to enliven a painting in order to influence those around it, and how to create magical talismans with specific planetary forces, using what Randolph calls "fluid condensers." This work from two great occult minds shows that true power of the spirit is acquired in conjunction with the power of sex--affirming that "sex is the fundamental force in every being, the most powerful force in Nature, and the most characteristic evidence of God."

2013-08-15 Alice Stockham Karezza (from the Italian for "caress") is a Western spiritual practice analogous to Tantric techniques of orgasm control, without involving Eastern cultural or iconographic references. In this classic work, Dr. Stockham shows that Karezza develops strong and disciplined men, respect and reverence for women, and better relationships between the sexes. For the man's point of view, William Lloyd describes in detail how a man puts Karezza into practice, pleasing his lover while maintaining his vitality.

Based on a series of real classes hosted by a nonprofit temple in the Pacific Northwest, "American Tantra," takes a modern American look at the ancient art of Tantra, using plain English and easily grasped metaphors. Students say it's a life-changing path and have pushed to get this method into print. Ten years of study and feedback from over 200 students helped shape this book, which includes every question asked in class. "American Tantra" is for Americans who know little of Vedic scriptures. It's a way of looking at traditional Eastern practices with American eyes. It's a little bit sexy, a little bit scientific. Along with older White and Red methods, there are new community based "Blue" methods for a unique American outlook. Exercises include balanced actions of both males and females, and instruction for same-sex couples. There are over a dozen hands-on exercises and related stories from students, plus extensive references for further study. All genders and sexual orientations will find this path welcoming. If you are interested in Sacred Sex or maximizing your body, mind, and patriotism at the same time, you will love this book.

2021-03-02 Michael William West • Explores the background and sexual magical beliefs of Paschal Beverly Randolph, Ida Craddock, Aleister Crowley, Maria de Naglowska, Austin Osman Spare, Julius Evola, Franz Bardon, Jack Parsons, William S. Burroughs, Marjorie

Cameron, Anton LaVey, and Genesis P-Orridge • Details the life of each sex magician, how they came to uncover their occult practice, and, most importantly, how the practice of sex magic affected their lives Offering a fascinating introduction to the occult practice of sex magic in the Western esoteric tradition, Michael William West explores its history from its reintroduction in the early 19th century via Paschal Beverly Randolph to the practices, influence, and figureheads of the 20th and 21st century such as Anton LaVey, founder of the Church of Satan, and Genesis P-Orridge, founder of The Temple of Psychick Youth. Focusing on 12 influential sex magicians, some well-known and some who have remained in obscurity, West details the life of each sex magician and how the practice of sex magic affected their lives. He explains how most of the figures presented in the book used sex magic as a means rather than an end, utilizing their practice to enhance and enrich their life's work, whether in the arts, sciences, or as a spiritual leader. He examines what is known about Paschal Beverly Randolph, the founding father of modern sex magic, explores the tragic and mystical life of Ida Craddock, and discusses, in depth, iconic figures like Aleister Crowley and Austin Osman Spare, who saw sex magic as a source of artistic power and is now seen as a prophet of the chaos magick movement. Other sex magicians explored deployed magic to drive themselves to

the highest echelons of achievement: in literature, William S. Burroughs; in music, Genesis P-Orridge; and in science, Jack Parsons, who openly used magic while making unconventional breakthroughs in rocket science. The author also examines Maria de Naglowska, Julius Evola, Franz Bardon, Marjorie Cameron, and Anton Szandor LaVey. While these sex magicians each followed a different spiritual path and had varying degrees of notoriety and infamy, one common thread emerges from looking at their interesting lives: utilizing magic to know thyself and change your reality is a journey that requires imagination, creativity, and self-awareness to the quest for enlightenment.

2011-04-11 Maria de Naglowska The first English translation of Maria de Naglowska's essential treatise on the spiritually transformative power of sex, *La lumière du sexe* • Reveals mystic sexual practices for growth of the soul and enlightenment • Explains the inner workings of the sex magic rituals of *La confrérie de la Flèche d'Or* [The Brotherhood of the Golden Arrow], the notorious occult order of 1930s Paris • Translated from the original French with an Introduction and Notes by Donald Traxler • Features elegant French flaps Never before available in English, *The Light of Sex* expounds the tenets of the revolutionary religious system conceived by Maria de Naglowska--Russian mystic,

occultist, esoteric high priestess, rumored lover of Julius Evola, and self-styled "Satanic Woman" of 1930s Paris. Centered on what she called the Third Term of the Trinity, in which the Holy Spirit of the classic Christian trinity is recognized as the divine feminine, her practices aim to bring about a reconciliation of the light and dark forces in nature through the union of the masculine and feminine. Revealing the spiritually transformative power of sex, she shows how--through mystic sexual practices and veneration of the feminine spirit--growth of the soul, regeneration of the world, and enlightenment of humankind can be achieved. This mystic treatise and guide to the sexually charged rituals that were a cause célèbre in 1930s Paris was required reading for those seeking to be initiated into Naglowska's magical group La confrérie de la Flèche d'Or [The Brotherhood of the Golden Arrow]. It reveals Naglowska to be a powerful visionary, whose psychic powers were legendary, and an important figure in the continuing evolution of the Western Mystery tradition.

2014-09-14 Alice B., Alice B Stockham, M. D. "With Karezza, satiety is never known, and the married are never less than lovers; each day reveals new delights....The common daily sarcasms of married people are at an end, the unseemly quarrels have no beginnings and the divorce courts are cheated of their records." More than a century

ago, a remarkable woman actualized the revolutionary concept "Karezza" (Italian for "caress"). In this book, Karezza: Ethics of Marriage. Alice Bunker Stockham, M. D. - one of the first women medical school graduates in the United States - counsels couples on the value of avoiding orgasm during sex for the same reasons as does Cupid's Poisoned Arrow, namely: better health, and greater harmony and spiritual attainment. GREETING CHAPTER I. CREATIVE ENERGY CHAPTER II. KAREZZA CHAPTER III. ATTAINMENT POSSIBLE CHAPTER IV. HEALTH CHAPTER V. PARENTHOOD CHAPTER VI. CONTROL OF PROCREATIVE POWERS CHAPTER VII. 1974 John William Lloyd

2015-03-15 J. William J. William Lloyd Karezza is controlled non-seminal intercourse. The word Karezza (pronounced Karet-za) is from the Italian and means a caress. Alice B. Stockham, M.D., was the first one who applied it as the distinctive name of the art and method of sexual relations without orgasmal conclusion. As a matter of fact, Karezza is absolutely natural. It employs Nature only and from first to last. To check any act which prudence suggests, or experience has shown, likely to have undesired consequences,

is something constantly done throughout all Nature, even among the lowest animals. Karezza is such a check. It is simply prudence and skill in the sexual realm, changing its form and direction of activity in such wise that the desired pleasure may be more fully realized and the undesired results avoided. Nothing more.

2013-11-01 Aleister Crowley Selections from writings of Aleister Crowley on sex magick as published famed magical journal the Equinox. The Equinox, in print from 1909-1919, was a magical journal published by Aleister Crowley and included Crowley's own A...A... laws, rituals and rites, reviews, and magical works by other important practitioners. Much of this material was collected by Israel Regardie and published in the massive Gems from the Equinox (1974). Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O. Lon Milo DuQuette presents readers with his own selections from this classic publication, The Best of the Equinox. Volume III of the series presents perhaps the most controversial of esoteric subjects, sex magick. Once Aleister Crowley grasped the fundamentals of sexual magick, he came to understand it to be the key that unlocks the secrets of the universe. He dedicated the entire second half of his life to exploring its mysteries. This volume presents the bulk of Crowley's written works on the subject and includes "The Gnostic Mass," "Energized

Enthusiasm," "Liber A'ash," "Liber Chath," and "Liber Stellae Rubeae."

2020-03-30 John William Lloyd This guide to Karezza - a form of slow and gentle sexual intercourse where the objective is not orgasm - is accurate, clear and enlightening. John William Lloyd explores herein the spiritual, conjugal, mental and gender-specific facets of Karezza. The author frequently and diversely contrasts the phenomena of karezza to that of ordinary lovemaking, whereby the pleasure of orgasm is among the commonest objectives. Karezza seeks to promote genuine affection and heartfelt passion between the lovers, that their emotional and psychological connection deepens. The raw pleasure of conventional intercourse is compared unfavorably to other fleeting, shallow joys in life; fine dining, alcohol, drugs. Karezza by contrast is presented as building long-lasting emotional depth, on achieving meaning and lasting contentedness in a relationship and life in general. Since its popularization by gynecologist Alice Bunker Stockham during the 1890s, karezza has been suggested by therapists and counsellors. As well as improving emotional connection and intimacy, Stockham considered karezza as a means of equalizing the sexes in their marriage, promoting fidelity and harmony in unions that might otherwise be in jeopardy. Equivalent practices to karezza have also existed in belief systems of Hinduism and Taoism for

millennia.

2011-07-25 Maria de Naglowska The first English translation of Maria de Naglowska's treatise on advanced sexual magic practices, *Le mystère de la pénétration* • Details Naglowska's advanced occult teachings on the Third Term of the Trinity and the spiritually transformative power of sex • Explains the mystical erotic hanging rituals of *La confrérie de la Flèche d'Or* [The Brotherhood of the Golden Arrow], the notorious occult order of 1930s Paris • Continues the sexual initiatory teachings first expounded in Naglowska's *The Light of Sex* Available for the first time in English, *Advanced Sex Magic* illuminates the revolutionary occult teachings of Maria de Naglowska--Russian mystic, esoteric high priestess, and self-styled "Satanic Woman" of 1930s Paris. Her religious system, called the Third Term of the Trinity, considered the Holy Spirit (or Wholesome Spirit) to be feminine and taught the importance of sex for the regeneration of the world and the uplifting of humanity. A complement to her *The Light of Sex*, this book on the hanging mystery initiation details her advanced teachings on the Third Term of the Trinity and the spiritually transformative power of sex and reveals the erotic ritual hanging and other sensory deprivation practices of her magical group, *La confrérie de la Flèche d'Or* [The Brotherhood of the Golden Arrow]. These advanced

mystical sexual practices were required for initiation into the brotherhood, and, as Naglowska shows, only through the union of the masculine and the feminine can we bring about a reconciliation of the light and dark forces in nature.

1995 U. D. Frater Direct the tremendous amount of power released during sexual intercourse to magical and practical ends with the aid of the occult secrets in this book! Techniques and exercises explain how to transfer sexual energy to heal your partner, magically charge amulets and much more -- frankly and explicitly!

2008 John William Lloyd

1931 John William Lloyd 1931 *The Art of Connubial Love*. the lover is the artist in touch. Karezza in its perfect form is natural marriage - that clinging, satisfied union of body and soul which true love ever craves and in which ideal marriage consists - and with every repeti.

2015-01-30 Sarane Alexandrian An inside look at sex magic in Eastern and Western Mystery traditions • Details the sex magic practices of P. B. Randolph, Aleister Crowley, Austin Osman Spare, Julius Evola, and Maria de Naglowska • Includes a complete overview of love magic in the Middle Ages, with accounts of the use of potions, powders, spells, and enchantments • Explores sex magic techniques of the East, including Taoist sexual alchemy Magic, almost in its

entirety, is connected to sexuality. It is through the natural magic of love that sex magic operates, harnessing the forces that join lovers together. In this extensive study of sex magic in the Eastern and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring sexual practices in folk magic, high magic, alchemy, and religion, the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bons, sexual shiatsu, and a Vietnamese practice called "mouth moxa." Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph's white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human

bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical "sex aids," including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of reality.

2016-10-10 J. William Lloyd
The Karezza Method is a beautiful, inspiring manual about the practice of Karezza (controlled intercourse) by J. William Lloyd. Thoughtfully written and based on actual experience, it brims with practical information. Karezza is a gentle, affectionate form of intercourse in which orgasm is not the goal, and ideally does not occur in either partner while making love. Karezza gained its name from Alice Bunker Stockham, MD at the end of the nineteenth century. She based the name on the Italian word carezza, meaning "caress."

1995-01 Katon Shual
This revised edition of Katon Shual's groundbreaking study of sexual magick now includes several important primary sources and an introductory magical practice based on his work in the east west tantrik order AMOOKOS.

2006 Alice Bunker Stockham
Alice Bunker Stockham

(1833-1912) was one of the first female M.D.s in the United States. In her remarkable Karezza, she develops her theory of secular sexual mysticism in relation to human creativity. In this seminal book of Stockham, we see a particularly American kind of pragmatic esoteric praxis. An important figure in the history of sexual mysticism, Stockham insisted that the practice of karezza, a special kind of sexual union, was a key to mysticism, magic, and creativity. Like John Humphrey Noyes before her, like William James, and like the later American pioneers of consciousness in the second half of the twentieth century, Stockham was concerned not only with results and effects for the individual, but also with the potential transformation of the whole of human society. Introduced by Arthur Versluis, author of several dozen books, many on mysticism or esoteric religious or literary traditions.

2008-03-25 Arthur Versluis
The first book to reveal the history of Western sexual mysticism • Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God • Details the sects and individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced • Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions, Gnosticism, and the practices in early Christianity, Arthur

Versluis uncovers the secret line of Western sexual mysticism that, like the Tantra of the East, seeks transcendence or union with God through sexual practices. Throughout antiquity, and right into the present day, sexuality has played an important, if largely hidden, role in religious traditions and practices. This includes not only Christian but also kabbalistic and hermetic alchemical currents of sexual mysticism, many discussed together here for the first time. In the Mystery tradition of hieros gamos (sacred marriage) and the Gnostic tradition of spiritual marriage, we see the possibility of divine union in which sexual union is the principal sign or symbol. Key to these practices is the inner or archetypal union of above and below, the intermingling of the revelatory divine world with the mundane earthly one. Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine, the esoteric teachings of Jacob Böhme in the late 16th century, the 19th-century utopian communities of John Humphrey Noyes and Thomas Lake Harris, the free love movement of the 20th century, and the modern writings of Denis de Rougemont and Alan Watts.

2005-08-15 Jason Augustus Newcomb In plain, straightforward language, Jason Newcomb, author of 21st Century Mage and The New Hermetics, tackles a subject that many magical texts gloss over or ignore--the practice of sex magick. Sexual Sorcery covers the many aspects of using sex as a sacrament, a ritual, or an expression of divine love. It also provides plenty of practical information helpful to any modern sexual sorcerer. Sexual Sorcery includes preliminaries to practice, such as how to broach the subject of sex magick with a partner (or how to find a partner), explanations of sexual technique as well as etiquette and energy, and the value of love in any relationship, especially a sexual relationship incorporating magick. From this base, Sexual Sorcery delves into the various

techniques, types, and rituals of sex magick--using magick to enhance sex, ecstatic and mystical experiences during sex, and more esoteric techniques of sexual invocation, evocation, and alchemy. Newcomb defines a sorcerer as a solitary magician who is outside any particular faith or group, unbounded by the prohibitions of an order or coven, and able to explore the furthest realms of a subject without restriction. In this case the subject is sex magick, and Sexual Sorcery is the perfect guide for any 21st-century sexual sorcerer. It follows no one particular traditional path, but incorporates what works from other esoteric sexual practices.

2002 Francis King When the late, respected British author Francis King first published this book in 1971, it marked a turning point in our sexual history, a time when occult dimensions of sexuality were just coming out into the open. Long out of print, this amusing but serious examination of the origins and development of many secret traditions of sex is in high demand. With fascinating research into the interrelationship between sexuality, perversion and magic - East and West, past and present - this book will entice readers interested in sex, the occult and everything in between.

1999-12-01 Nik Douglas • The #1 guide to sex and mysticism, redesigned in full color for the new millennium. • More than 600 illustrations of the erotic

Sexual Secrets is the definitive guide to sex and mysticism, revealing the wisdom of the sages of India, Nepal, Tibet, China, and Japan whose teachings on sexuality unveil how physical love can be the pathway to spiritual liberation. Containing more than 600 illustrations--the most comprehensive collection of images expressing the erotic sentiment--and with more than one million copies sold in more than 19 languages, Sexual Secrets unlocks for everyone the experience of ecstasy once sealed in the ancient texts and art of the East. In celebration of its 20th year in print, Sexual Secrets has been completely revised and redesigned and includes 200 color illustrations to complement Penny Slinger's unsurpassed black-and-white illustrations, which evoke all the major cultures of the East. Working from contemporary models and from ancient pieces originally commissioned by kings and emperors, Slinger blends images of the West with the sentiments of the East to further enhance the experience of the text and to help in the transmission of the secrets--a celebration of creative sexuality.

2021-05-06 J William Lloyd Sex is very close to soul. Whoso touches sex touches the secrets and centers of life. This is the Mid-Spot, the Origin, the Crux, the Mystery. In sex the soul is naked. At the contacts of sex the soul trembles, quivers, is shaken to its midmos

2011 Christa Schulte TANTRIC SEX FOR WOMEN is the first woman-focused tantric sex book to be published in the US. It has an inclusive, empowering feminist approach that embraces all women. Written first for women who love women, it also explains how every woman, heterosexual, bisexual or solo, can use the information and exercises to suit her situation. Sex is an art that has to be learned. TANTRIC SEX FOR WOMEN encourages women to playfully engage in their sexuality and to cultivate their sensuality. The introduction gives the basics of Tara-tantra, a woman's tantra created by the author and named for the Tibetan goddess of peace and protection. This is followed by numerous exercises for women to help them **hone their sensuality** enhance their sensitivity **intensify their feelings** remove possible stumbling blocks to a fulfilling sexual experience **strengthen their sexual self-confidence** add relish to their encounters **improve their relationship skills** explore the spiritual dimension of their sexuality These exercises make up the

heart of the book: 20 solo introductory exercises, 17 exercises for pairs, 5 massage exercises, 6 transformation rituals for pairs, 6 love games for pairs and 3 solo meditation exercises. This book contains a variety of tips for the small ecstasies in everyday life as well as sensual/sexual exercises to do with the one you love. As the author explains, to embrace tantric sex you only need: **time for yourself** childlike curiosity **an adolescent joy in experimenting** adult longings This book contains crucial information for women of every sexual orientation interested in fulfilling their sexual and sensual potential.
