2022-07-12 Kari Allen This enchanting picture book about a map-making boy who is stumped when a girl asks him for a map of the "perfect place" helps readers appreciate the charms of their own neighborhood--and even shows them how to make a map of it! The Mapmaker loves maps. He loves to collect them, to study them, and most of all, he loves to make them. But when a girl asks for a map of a perfect place, the Mapmaker is perplexed. She wants a map to a toes-in-the-sand-warm, X-marks-the-spot-place filled with treasures, where it smells like her birthday and she can zip around like a dragonfly. Surely, a place that is all of these things can't exist...can it? Well, after a fun-filled day of exploring the neighborhood, the Mapmaker will discover that the perfect place--home--has been right in front of him all along. Here is a picture book, as creative as it is charming, that celebrates home, and is a gentle reminder to look around and appreciate what surrounds you.

2015-04-02 Kari Rosvall 'This is a beautifully written story. Of healing and love - and pain. Reading this book is like sitting in front of Kari, listening to her opening her heart to you' Irish Times Kari Rosvall's early life was shrouded in mystery until, at age 64, she received a letter through the post. In it was a photograph of herself as a young baby - the only one she had ever seen. This was the first step towards her discovery of the dark secret of her conception. Kari soon learned that she was a Lebensborn child, part of Hitler's 'Spring of Life' programme, which encouraged Nazi soldiers to have children with Scandinavian women in order to create an Aryan race. And so began a journey back to her roots: to Norway, where she was taken from her

mother and sent to Germany in a crate to join the other Lebensborn children, and to post-war Germany and her eventual rescue by the Red Cross from an attic. Nowhere's Child is a remarkable story of reconciliation and of forging new beginnings from a dark past. Ultimately, for this woman who set up a new life in Ireland, it is the life-affirming account of what it really means to find a place called home.

2012-09-01 Bjorn Nordfjord Dagur Kari's Noi the Albino (Noi albinoi, 2003) succeeded on the international festival circuit as a film that was both distinctively Icelandic and appealingly universal. Noi the Albino taps into perennial themes of escapism and existential angst, while its setting in the Westfjords of Iceland provided an almost surreal backdrop whose particularities of place are uniquely Icelandic. Bjorn Nordfjord's examination of the film integrates the broad context and history of Icelandic cinema into a close reading of Noi the Albino's themes, visual style, and key scenes. The book also includes an interview with director Dagur Kari. Noi the Albino's successful negotiation of the tensions between the local and the global contribute to the film's status as a contemporary classic. Its place within the history of Icelandic cinema highlights the specific problems this small nation faces as it pursues its filmmaking ambitions, allowing us to appreciate the remarkable success of Kari's film in relation to the challenges of transnational filmmaking.

2018 Stella Osammor ENGLISH Kari, a gorgeous, vibrant, ambitious career girl sets off on the trip of a lifetime only to be brought to a crashing halt by an explosion at the airport. Her life as she knows it ends, and she embarks on a different journey. Her adventures in heaven, meeting Jesus and the celestial splendour are so absorbing, you can almost feel the light in your soul. The ethereal descriptions of the people, angels, and especially of Jesus are beautiful and entrancing. Simple yet vivid, it will draw in and inspire the reader to see heaven as the alluring and truly wondrous place that it is. The illustrations are so sparkly and radiant, the book is almost luminescent. The author's aim of prompting readers to engage with the bible is achieved without being pushy. I particularly enjoyed the different scenarios where various people are comforted and encouraged by scripture specific to their situation and felt both comforted and encouraged. The importance of words, particularly the word of God, is highlighted, which would hopefully stir the reader to pick up the bible, explore their faith and be open to the person of Jesus. FRENCH Kari, une fille de carrière magnifique, vibrante et ambitieuse se lance dans le voyage d'une vie seulement pour être surprise par une explosion à l'aéroport. Sa vie comme elle la connaissait se terminait et elle se lançait dans un voyage différent. Ses aventures dans le ciel, la rencontre avec Jésus et la splendeur céleste sont si absorbantes que vous pouvez presque sentir la lumière dans votre âme. Les descriptions éthérées du peuple, des anges et surtout de Jésus sont belles et envoûtantes. Simple mais vive, elle attirera et inspirera le lecteur à voir le paradis comme l'endroit séduisant et merveilleux qu'il est. Les illustrations sont si brillantes et rayonnantes, le livre est presque luminescent. J'ai particulièrement apprécié les différents scénarios où diverses personnes sont réconfortées et encouragées par les Écritures spécifiques à leur situation et se sentent à la fois réconfortées et encouragées. L'importance des mots, particulièrement la parole de Dieu, est soulignée, ce qui, espérons-le, incitera le lecteur à prendre la Bible, à explorer sa foi et à s'ouvrir à la personne de Jésus.
