

Kashmir Behind The Vale

Kashmir, Behind the Vale-M. J. Akbar 1991

Kashmir: Behind the Vale-MJ Akbar 2018-02-08 Kashmir lies at the edge of India's borders and at the heart of India's consciousness. It is not geography that is the issue; Kashmir also guards the frontiers of ideology. If there was a glow of hope in the deepening shadows of a bitter Partition, then it was Kashmir, whose people consciously rejected the false patriotism of fundamentalism and made common cause with secular India instead of theocratic Pakistan. Kashmir was, as Sheikh Abdullah said and Jawaharlal Nehru believed, a stabilising force for India. Why has that harmony disintegrated? Why has the promise been stained by the blood of rebellion? M.J. Akbar, the celebrated author of India: The Siege Within, Nehru: The Making of India, Riot After Riot and The Shade of Swords: Jihad and the Conflict between Islam and Christianity delves deep into the past for the roots of Kashmiriyat, the identity and culture that has blossomed within the ring of mountains for thousands of years. He records Kashmir's struggle in the century to first free itself from feudal oppression and then enter the world of modern India in 1947. Placing the mistakes and triumphs of those early, formative years in the perspective of history, the author goes on to explain how the 1980s have opened the way for Kashmir's hitherto marginalized secessionists. Both victory and defeat have their lessons; to forget either is to destabilize the future. Kashmir and the mother country are inextricably linked. India cannot afford to be defeated in her Kashmir.

Kashmir, Behind the Vale-M. J. Akbar 2002 Kashmir - at the edge of India's borders and the heart of India's consciousness - also guards the frontiers of ideology. If there was a glow of hope in the shadows of Partition, it was Kashmir, whose people consciously rejected the false patriotism of fundamentalism and made common cause with secular India instead of theocratic Pakistan. Why has Kashmir's harmony disintegrated and been stained by the blood of rebellion? M.J. Akbar delves into the past for answers.

Kashmir, Behind the Vale-M. J. Akbar 2002

The Valley of Kashmir-Sir Walter Roper Lawrence 1895

The Vale of Kashmir-John Isaac 2008 "Charmed by the generous people and exquisite beauty of Kashmir, celebrated photographer John Isaac set out to honor this enchanting land that is unknown to so many. The 160 photographs in The Vale of Kashmir present the people and landscape of this remote and exotic region and the unique way of life that has developed on Dal Lake." "Nestled in the lush area where India, China, and Pakistan meet, the Vale of Kashmir is a vast garden dotted with lakes, marshes, orchards, and terraced fields, surrounded by the snow-capped peaks of the Himalayas. Isaac's spectacular photographs show us canals crowded with houseboats, floating gardens on Dal Lake, and the ancient city of Srinagar. The varied details of daily life-the harvesting of saffron, Hindu pilgrimages through the mountains, shepherds on the Himalayan slopes, and prayers at the mosque-come alive in these pages." "In addition to capturing the breathtaking natural beauty of the Vale, Isaac also honors the private realm of family life in Kashmir, with images of the merchants, farmers, weavers, and fishermen who live on the lake. Though renowned for its abundance of superb handicrafts, including carpets, shawls, silks, woodwork, and papier-mache boxes, Kashmir and its people are largely uncelebrated; Isaac's tender portraits honor these hard-working families. This arresting view of the land and Kashmiri people is put into a historical and geographical context by author Art Davidson's insightful and sensitive introduction."--BOOK JACKET.

How Green was the Vale of Kashmir-K Kuldeep Singh Jamwal 2018-09-07 Kashmir, the ultimate tourist destination that attracts millions of adventurers and tourists from all across the world for more than a century, is much more than the well-beaten destinations like Dal Lake, Mughal Gardens, Gulmarg and Pahalgam. The uniqueness of the valley can only be fully appreciated if its mountains, lakes, temperate and alpine forests and its wildlife, which give the valley a special status, are considered in totality with interdependence between one another. This beautifully illustrated book written in real-life storytelling style will captivate the reader as it chronicles a journey spanning at

least seven decades in the life of the Valley of Kashmir and its priceless natural bounty. A special feature of the book is that it introduces the reader to the diverse natural wonders of Kashmir with authoritative data and information with relevant colour photographs featuring Kashmir's: § High-altitude lakes, § Alpine forests and environment, § Wildlife and migratory birds, § Snow-fed streams and trout, § And horticultural produce, to name a few. Ten well-researched chapters on the above topics, including Kashmir's saffron, capital city Srinagar and its changing scenario and the valley's agriculture scene with authentic data, shows that the Kashmir of today and 70 years ago are two worlds apart.

Nehru-M. J. Akbar 1988 Jawaharlal Nehru, India's first Prime Minister, was the ideological and political heir of Gandhi. Building on the Mahatma's foundations, as leader both of the Congress and of independent India from 1947, Nehru shaped the new state: his story is India's story. Born in Allahabad on 14 November 1889, Nehru was a Kashmiri Brahmin, a member of India's most aristocratic caste (ROLI)

Kashmir-Khalid Bashir Ahmad 2017-06-23 The advent of Islam in medieval Kashmir gave birth to a narrative that describes forcible mass conversion of Hindus, eviction of local people and wanton demolition of religious symbols. A minority of Kashmiri Brahmins and their progeny who did not convert to Islam built and successfully perpetuated this narrative over the centuries. Following the eruption of armed insurgency in Kashmir and mass migration of Kashmiri Pandits in 1990, this community narrative has turned into the Indian mainstream view on Kashmiri Pandits. Kashmir: Exposing the Myth behind the Narrative challenges the existing narrative. It exposes many fallacies used to uphold this narrative and dissects the work of historians that has sustained ahistorical perceptions over a long period of time. By linking history to the present, the book facilitates an understanding of the situation today.

Byline-M.J. Akbar 2004-12-31 Byline anthologises M.J. Akbar's finest writings over the last decade, bringing together essays that reflect the author's versatility and range. The book is divided into five seamless sections, each with its own identity, woven together by M.J. Akbar's delectably informal prose. 'Travel' is the first section in which the author shares his passion for history and the occasional fable, the obscure detail, the glorious and the ludicrous. This is followed by 'Politics and History' in which the reader is provided a view of some events and people in the recent past with all the quirks and whims that characterise the great as well as the mundane. The reader then moves on to 'Sidelines' (those delightfully off-centre pieces). M.J. Akbar says in an essay in this section: "The train of thought has moved. But that is the way with trains. They must travel." 'Memories' is the most personal and autobiographical part of the entire selection, mixing regret, nostalgia and deeply felt sorrow for the friends and times gone forever. Byline ends with a short section entitled 'On a Personal Note' in which James Bond must live to die another day, The Telegraph has to learn to live beyond the age of twenty and Dev Anand remains young forever.

The Shade of Swords-M.J Akbar 2002-05-03 The Shade of Swords is the first cohesive history of Jihad, written by one of India's leading journalists and writers. In this paperback edition, updated to show how and why Saddam Hussein repositioned himself as a Jihadi against America, M.J. Akbar explains the struggle between Islam and Christianity. Placing recent events in a historical context, he tackles the tricky question of what now for Jihad following the collapse of Saddam Hussein's regime. With British and American troops in Afghanistan, Pakistan, and once again in Iraq, the potential for Jihadi recruitment is ever increasing. Explaining how Jihad thrives on complex and shifting notions of persecution, victory and sacrifice, and illustrating how Muslims themselves have historically tried both to direct and control the phenomenon of Jihad, Akbar shows how Jihad pervades the mind and soul of Islam, revealing its strength and significance. To know the future, one needs to understand the past. M.J. Akbar's The Shade of Swords holds the key.

Have Pen, Will Travel-M.J. Akbar 2010-12-01 Have Pen, Will Travel is a highly engaging collection of reportage and travel pieces that appeared originally in leading journalist and author M.J. Akbar's column, Byline. The intrepid author ambles - or sometimes jogs - through Africa, America, Asia and of course the innumerable corners of India to record an engrossing mix of piquant observation,

geography and history. With a keen eye, deft insight and wit, Akbar assembles a rich mosaic of a world that enlightens and entertains.

Death in Kashmir-M. M. Kaye 2012-09-06 When young Sarah Parrish takes a skiing holiday in Gulmarg, a resort high above the fabled vale of Kashmir, she anticipates an amusing but uneventful stay. But the discovery of the grotesque corpse of grey-haired, sociable Mrs Matthews casts a dark shadow over the party. On learning the real truth about her death, Sarah is plunged into a deadly intrigue of secret messages, mysterious rendezvous - and murder. A delicious blend of menace and romance set against the background of M. M. Kaye's beloved India.

My Frozen Turbulence in Kashmir (12th Edition_Reprint 2019)-Jagmohan 2019-11-15 My Frozen Turbulence in Kashmir, the Twelfth Edition of which is now being released, is a land-mark publication. It narrates and analyses not only the tumultuous events of the author's two terms of Governorship but also of subsequent developments which underline how a tragic blunder of truly historic proportion was committed by the power that be at the Union Government level by not seeing the warning signals hoisted by him. The updated Edition shows how the combined onslaught of subversive, separatists and pro-Pakistan elements was faced, particularly in the wake of Burhan Wani's death. It also shows how the outrageous perfidies of the genre of Uri terror attack were dealt with by Prime Minister Narendra Modi and how a New Resolve was formulated by him with seven ingredients, viz: (I) Exposure of Pakistan at UN Assembly; (II) Boycott of 19th SAARC Summit; (III) Revisiting Indus Water Treaty and Most Favoured Nation Status; (IV) Surgical Strike; (V) Baring the Ugly Face of Pakistani Bred Terrorism At the Multilateral Forum of BRICS; (VI) Deeper Exposure of Pakistan at HEART of Asia-Afghanistan Conference; (VII) Highlighting the Continued Violations of Human Rights in Balochistan and PoK, and Countering Pakistan's Diabolical Disinformation Campaign with Regard to Kashmir. Finally, the Edition assesses the promise, performance and potential of the new helmsman. It ends with the hope of emergence of a new pattern which is appeasement-free, terror-free, and in which the noblest strands and sinews of India's cultural heritage of treating service to man as service to God are regenerated, from Kashmir to Kanyakumari, providing an illuminating avenue for reaching the goal of a mighty, enlightened and forward-looking India.

Kashmir-Alastair Lamb 1992

The Crisis in Kashmir-Šumit Ganguly 1999-02-13 Contents.

Riot After Riot-M. J. Akbar 2003 This book discovers the reasons behind communal and caste violence that have taken place in India after Partition. M.J. Akbar's journalist's eye for the revealing instance as also a historian's sense of the deeper treds, resulting in an illuminating study of the violence on the surface and beneath the land of Gandhi. A timely collection of reports of violence in a land formally pledged to the Mahatma's philosophy of non-violence.

Kashmir-Francis Younghusband 2016-07-15 This early work by Francis Younghusband was originally published in 1911 and we are now republishing it with a brand new introductory biography.

'Kashmir' is a work on the geography and people of the Indian subcontinent. Francis Younghusband was born in 1863 at Munree, British India, the son of Major-General John W. Younghusband and Clara Jane Shaw. Younghusband attended Clifton College, Bristol, before entering the Royal Military Academy Sandhurst in 1881. After his time at the Academy he was commissioned as a Subaltern in the 1st King's Dragoon Guards where he began his military career. He rose through the ranks and in 1902, due to fears of Russian expansion, the now Major Younghusband, was promoted to the position of British Commisioner to Tibet, a post he held until 1904. Younghusband married Helen Augusta Magniac, with whom he had two children, a son who died in infancy and a daughter, Eileen Younghusband. Their daughter went on to become a prominent social worker.

India and Pakistan-Stanley A. Wolpert 2010-09-13 Provides an authoritative, accessible primer on what is potentially the world's most dangerous crisis, concisely distilling sixty-three years of complex history, tracing the roots of the relationship between India and Pakistan, explaining the many attempts to resolve their disputes, and assessing the dominant political leaders -- from cover.

Article 370-A.G. Noorani 2014-11-03 On 26 January 1950, the Constitution of India came into force

with a unique provision—Article 370. The special status accorded to the state of Jammu and Kashmir in the article meant that its people lived under a different set of laws while being part of the Indian Union. Alternating deftly between history and politics, A.G. Noorani examines a wide range of documents pertaining to Article 370. He incisively analyses the implications and consequences of the article for the constitutional democracy of the state and the nation. From Jammu and Kashmir's accession to India in 1947 to the various negotiations thereafter; Sheikh Abdullah's arrest to the framing of the Constitution of Jammu and Kashmir and the replacement of Sadar-i-Riyasat, this book impeccably documents the little-known constitutional history of the state. Noorani underscores the politics behind the gradual erosion of Article 370 and the need for restoration of autonomy. Critically analysing the various judgments relating to this constitutional arrangement, he suggests a framework for resolving the 'Kashmir problem'. Collecting together rare, often unseen and unnoticed, letters, memoranda, white papers, proclamations, and amendments, this book will be an indispensable resource on Kashmir.

Tinderbox: The Past and Future of Pakistan-M J Akbar 2017-08-16 Indians and Pakistanis are the same people: why then have their nations moved on different trajectories since 1947? The idea of India is stronger than the Indian, and the idea of Pakistan has proved weaker than the Pakistani. Pakistan was not born across a breakfast table. It was the culmination of a search for 'Muslim space' that began during the decline of the Mughal Empire, by a north Indian elite driven by fear of the future and pride in the past. The father of Pakistan, Mohammad Ali Jinnah, who wanted a secular nation with a Muslim majority, did not realize there was another claimant to the nation he had delivered, Maulana Maududi, founder of the Jamaat-e-Islami, the godfather of Pakistan. In *Tinderbox: The Past and Future of Pakistan*, M.J. Akbar embarks on a historical whodunit to trace the journey of an idea, and the events, people, circumstances and mindset that divided India. The investigation spans a thousand years, and an extraordinary cast: visionaries, opportunists, statesmen, tyrants, plunderers, generals and theologians. There could be no better guide to the subcontinent's past, and a glimpse into its future.

The Kashmir Tangle-Rajesh Kadian 2019-06-12 With rare objectivity, Rajesh Kadian assesses past and present conflicts in Kashmir, one of the world's most long-standing trouble spots. He traces the regions controversial history from the 1947 partition to the surging tide of militancy now building in the Kashmir Valley, which has further strained relations between India and Pakistan. *Kadians si Kashmir The Paradise Of Asia-Parmanand Parashar 2004*

Kashmir-Saifuddin Soz 2018 In *Kashmir: Glimpses of History and the Story of Struggle*, one of the most prominent voices of Kashmir, Saifuddin Soz takes a passionate and compelling look at the past, present and future of a vastly misunderstood people. Throughout its long, diverse, distinctive but scarred history, the beautiful and bountiful land of Kashmir has captured the imagination of travellers, kings, historians and nations. From its origins as an ancient civilization, to embracing Islam, to fighting invaders, to ruthless militancy, and the ensuing action by the Indian army; Kashmir has seen it all. Kashmiris fought the Mughals, the Afghans and the Sikhs in the past. However, it was their fight against Dogra autocracy that ultimately led to their disillusionment with the Indian establishment. With Pakistan feeding the emotions of deeply alienated and disenchanting people and the Indian government using force and taking a harder stand by the day, this unique culture now stands completely besieged. What is the future of Kashmir, then? What is the destiny of its people? Can there be solution to the weary problem confronting Kashmir? Can Kashmir reconcile with the past for a better future? Can the Valley return to a life of dignity, peace and development? How? Saifuddin Soz discusses these questions and provides credible and implementable solutions to end the grave crisis.

The Tiger Ladies-Sudha Koul 2003-04 Sitting in her grandmother Dhanna's kitchen, surrounded by the aromas of mint and the smoke of a hookah, warmed by the kangri tucked beneath her thighs, young Sudha Koul listened to tales of *She Who Fears Nothing: The Tiger Lady*, stories Sudha would repeat to her own daughters in time, though in a kitchen many thousands of miles away from her beloved Kashmir. This is a magical memoir of a land now consumed by political and religious

turmoil, a richly detailed story of a girl's passage into maturity, marriage, and motherhood in the midst of an exquisite and fragile world that will never be entirely the same.

India vs UK-Syed Akbaruddin 2021-10-07 From the revolt of 1857 and the freedom movement to duels on the cricket pitch, India and the United Kingdom have been on opposing sides on numerous occasions. A less known instance when this dynamic played out was the 2017 election for a seat on the International Court of Justice. Unwilling at first, India was prompted to enter the ring in the wake of the Kulbhushan Jadhav case. The contest that followed proved to be a 'second war of Independence' in the words of then foreign minister Sushma Swaraj - and a David-and-Goliath fight against the permanent members of the Security Council, who all put their might behind the UK. Syed Akbaruddin, India's Permanent Representative to the UN at the time, presents a behind-the-scenes account of India's coming-of-age in world affairs through the prism of this momentous election.

Kashmir-Rage and Reason 2019-08 Blending analyses with anecdotes, Kashmir: Rage and Reason is the Valley's new-age writing, which traces, in lucid language, the region's tortured history, the many facets of Kashmiri nationalism, and the betrayals. The author has woven together his anecdotes and people's narratives from ground zero to give us the real picture in all its starkness, minus any journalistic dressing.

India-M. J. Akbar 2003 Essential reading for everyone wishing to understand today's India. M.J. Akbar explains the resilient achievements of India's secular democracy and its vulnerability and failures. Taking 1947 as his springboard, he discusses the strains on Indian unity- a full historical, political and cultural survey of the main pressure points -rising fundamentalism, separatism, the consequences of Partition, unease in Kashmir- brings his analysis up to date.

In the Vale of Cashmere-Thomas Roma 2015-02-03 The Vale of Cashmere is an anonymous, secret meeting ground where scores of men, mostly of African American descent, find one another for sex, where such encounters occur between men of all walks of life. Originally conceived solely as a portrait project in Brooklyn's underworld, the more time photographer Roma spent in the Vale of Cashmere, the more the physical beauty of the Vale became inseparable from the portraits. A haunting tribute, uncovering a much more human and sensitive side to this area.

Paradise at War-Radha Kumar 2018

The Untold Story of the People of Azad Kashmir-Christopher Snedden 2012 This book offers a new interpretation of the contested territory of Azad Kashmir bordering Pakistan and India. It considers the broader Kashmiri dispute and possible solutions to the stalemate.

Understanding Kashmir and Kashmiris-Christopher Snedden 2015 Examines the strategic and historical circumstances surrounding the British creation and handing over of the Princely State of Jammu and Kashmir, the Maharaja's accession to India, and the unintended consequences of these actions.

Travels in Kashmir-Brigid Keenan 2013-05-20 'A beautifully written, meticulously researched journey through time in Kashmir' - Basharat Peer The very name Kashmir conjures up magical images, from the real garden paradise of Shalimar to Thomas Moore's fantastic descriptions in "Lalla Rookh". Recounting the story of this colourful and fascinating region as it appears in travel writing, literature, and historical works from ancient times to the present day, Travels in Kashmir offers a lively and comprehensive guide to a land little understood in the West. Beginning with an informal history of Kashmir - from the legends of the twelfth-century Kalhana to the accounts of British colonial rulers - the book brings together a wide variety of engaging travellers' tales, reports, and descriptions that vividly illustrate the changing perceptions of the area - both Indian and European - throughout the years. Of particular interest is a section on the arts, crafts, and craftspeople of Kashmir, which focuses specifically on the shawl-weaving, carpet-making, and papier mâché works that have gained international renown. Throughout, Keenan proves a sharp as well as sympathetic observer with an eye for the amusing and the poignant, and the entertaining way she unfolds the story of Kashmir's people, places, and crafts makes this a book that will be enjoyed by tourists, readers of travel writing, and anyone interested in one of the most unusual and beautiful

places in the world.

Film, Media and Representation in Postcolonial South Asia-Taylor & Francis Group 2021-07-29 This volume brings together new studies and interdisciplinary research on the changing mediascapes in South Asia. Focusing on India, Pakistan, and Bangladesh, it explores the transformations in the sphere of cinema, television, performance art, visual cultures, cyber space and digital media, beyond the traumas of the partitions of 1947 and 1971. Through wide-ranging essays on soft power, performance, film, and television; art and visual culture; and cyber space, social media, and digital texts, the book bridges the gap in the study of the postcolonial and post-Partition developments to reimagine South Asia through a critical understanding of popular culture and media. The volume includes scholars and practitioners from the subcontinent to foster dialogue across the borders, and presents diverse and in-depth studies on film, media and representation in the region. This book will be useful to scholars and researchers of media and film studies, postcolonial studies, visual cultures, political studies, partition history, cultural studies, mass media, popular culture, history, sociology and South Asian studies, as well as to media practitioners, journalists, writers, and activists.

Languages of Belonging-Chitralkha Zutshi 2004 Using local language sources and every important archive, this major history of the formation of Kashmir shows precisely how the Kashmir Valley assumed the position it has come to occupy in postcolonial South Asia."--Jacket.

Gandhi's Hinduism the Struggle against Jinnah's Islam-M J Akbar 2020-03-05 Gandhi, a devout Hindu, believed faith could nurture the civilizational harmony of India, a land where every religion had flourished. Jinnah, a political Muslim rather than a practicing believer, was determined to carve up a syncretic subcontinent in the name of Islam. His confidence came from a wartime deal with Britain, embodied in the 'August Offer' of 1940. Gandhi's strength lay in ideological commitment which was, in the end, ravaged by the communal violence that engineered partition. The price of this epic confrontation, paid by the people, has stretched into generations. M.J. Akbar's book, meticulously researched from original sources, reveals the astonishing blunders, lapses and conscious chicanery that permeated the politics of seven explosive years between 1940 and 1947. Facts from the archives challenge the conventional narrative, and disturb the conspiratorial silence used to protect the image of famous icons. Gandhi's Hinduism: The Struggle Against Jinnah's Islam delves into both the ideology and the personality of those who shaped the fate of a region between Iran and Burma. It is essential reading for anyone interested in modern Indian history, and the past as a prelude to the future.

Blood Brothers #1-Fabian Rangel Jr. 2017-06-28 Diego and Gabriel Soliz are two unusual brothers just trying to do their job in an even more unusual city. What's their job? They're detectives in a city populated by creatures from mythology and fantasy. When an Aztec skull is stolen from the museum, the BLOOD BROTHERS are assigned to the case!

Landscapes and Landforms of India-Vishwas S. Kale 2014-05-23 The proposed monograph on 'Geomorphological Landscapes of India' will aim to describe and explain in simple words the geomorphological characteristics and the origin of the above-mentioned landforms and landscapes. The proposed monograph will provide the background information about the geology, climate and tectonic framework of the Indian region, as well as cover Indian climates of the present and the past. It will mainly cover the four main morphotectonic regions of India and about 15-20 distinct landforms of the Indian region as well as the major geomorphosites in India.

Kingfishers Catch Fire-Rumer Godden 2013-02-07 By the author of Black Narcissus. 'One of our best and most captivating novelists' Philip Hensher Sophie, an English ingénue with two children, arrives in Himalayan Kashmir to set up home in a tumbledown cottage surrounded by flowers and herbs. Settling down to live quietly, frugally and peacefully with her new neighbours, she is unaware of the turmoil her arrival provokes as the villagers compete fiercely for her patronage. Sophie's cook makes a drastic bid to secure his position, and the unwanted consequences are catastrophic . . .

What Happened to Governance in Kashmir?-Ajaz Ashraf Wani 2018-12-15 What Happened to Governance in Kashmir? examines the policies, strategies, and tactics followed by the Indian state and the 'client' governments in Srinagar to manage the conflicted state of Jammu and Kashmir

during 1948-89 . It shows how the policies deployed to 'create order in disorder' functioned inversely and turned Kashmir into a smoldering volcano which erupted in 1989-90. The author argues that as the issue of dispute and policy framework has been constant, the clash between the status quoist state and the society was inevitable. The crisis deepened along with technological, economic, cultural, and social changes. Based on a variety of contemporary sources, this book deals with many aspects of Kashmir's governance through different political phases. It shows how the personal proclivities and decisions of each prime minister/chief minister played a role in determining the pattern of rule and the course of history with consequences felt many miles downstream.

[Books] Kashmir Behind The Vale

Getting the books **kashmir behind the vale** now is not type of inspiring means. You could not deserted going taking into consideration ebook growth or library or borrowing from your associates to gain access to them. This is an completely simple means to specifically acquire guide by on-line. This online declaration kashmir behind the vale can be one of the options to accompany you when having supplementary time.

It will not waste your time. take me, the e-book will definitely flavor you supplementary business to read. Just invest tiny epoch to approach this on-line notice **kashmir behind the vale** as competently as evaluation them wherever you are now.
