Kathryn Kuhlman, A Theology of Miracles-Margaret English de Alminana 2021-04-01 Kathryn Kuhlman helped to shape a generation of Pentecostal/Charismatic theology and practice by reintroducing a depth of spirituality which harkened back to the teachings of the mystics. She introduced the concept of spiritual silence to a generation of Sawdust Trail Pentecostals known for their exuberant and lively worship services, and she popularized the experience of being “slain in the Spirit.” But her most notable innovation resulted from discarding healing lines and cards together with a healing theology based upon the faith of the adherents. Instead, she invited pilgrims into a transcendent experience of the manifest presence of the Holy Spirit, which rested upon a foundation of love. It is those miracles, and the way those miracles took place, or the ‘method’ or ‘praxis,’ that became her greatest contributions. The methodology she used and the theological basis for it are some of the most interesting and poignant aspects of her incredible life and yet what is least understood. Many have attempted to mimic her methods and to adopt her style, but few, if any, have fully understood or appreciated the theological and practical leap she made when she entered into a new realm of spiritual expression. It is this hidden manna that this book seeks to uncover.

The Miracle Lady-Amy Collier Artman 2019-03-19 A smart, powerful, charismatic preacher brought back to life On October 15, 1974, Johnny Carson welcomed his next guest on The Tonight Show with these words: “I imagine there are very few people who are not aware of Kathryn Kuhlman. She probably, along with Billy Graham, is one of the best-known ministers or preachers in the country.” But while many people today recognize Billy Graham, not many remember Kathryn Kuhlman (1907-1976), who preached faith and miracles to countless people over the fifty-five years of her ministry and became one of the most important figures in the rise of charismatic Christianity. In The Miracle Lady Amy Collier Artman tells the story of Kuhlman’s life and, in the process, relates the larger story of charismatic Christianity, particularly how it moved from the fringes of American society to the mainstream. Tracing her remarkable career as a media-savvy preacher and fleshing out her unconventional character, Artman also shows how Kuhlman skillfully navigated the oppressive structures, rules, and landmines that surrounded female religious leaders in her conservative circles.

Behold a White Horse-Cisco Wheeler 2009 "My people are destroyed for lack of knowledge" (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places"(Ephesians 6:12).

"Behold a White Horse" is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit. " " Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen" (Romans 1:25) "This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan.

Knowledge is power and the truth really does set you free."
