The Rough Guide to Babies & Toddlers-Kaz Cooke 2009-03-02 The Rough Guide to Babies & Toddlers is the funny, reassuring and practical guide that all new (and old) parents have been looking for - with no judgmental guru-speak about the right way to do things, just a range of great solutions for you to choose from. Written by the award-winning author Kaz Cooke, an author and mother whose trademark light-hearted practical style and witty cartoons make this book pleasurable as well as informative. The user-friendly sections are inspired by real-life - chapters include ‘Getting through the first weeks’, which gives new mums and dads the low-down on bosoms, bottles, bonding, the blues, and mum’s post-baby body. Realistic and with a healthy sense of humour, the guide offers practical suggestions for dozens of scenarios you might encounter with your new bundle of joy or little terror, as well as addressing what you might be going through as new parents - don’t miss the hilarious “How to Be Perfect” routine for new mums: adjust push-up bra, exfoliate feet, clean up sick! The eagerly awaited sequel to the best-selling The Rough Guide to Pregnancy & Birth is finally here to save your sanity with good advice, great humour and a lot of understanding!
