Blood Brothers-Lisa Solis DeLong 2011-07-05 Not many people experience the death of a child; fewer yet face the possibility of having to do it twice. Justin DeLong was a bright, energetic child when he was diagnosed with leukemia at age five. After battling the cancer, he went into remission for ten years, where he laughed and ran long-distance races and slowly entered adolescence. Sadly, in July 2000 he succumbed to the disease twelve days after his fifteenth birthday. Lisa DeLong and her family were left to pick up the pieces and try to find joy in life without their beloved eldest son and brother. Then, six years later, they discovered something terrifying-their youngest son, Jacob, had leukemia too. Blood Brothers is Lisa DeLong's story of what it has been like to have two sons with leukemia, a lifetime apart. As she struggles to understand how a loving God could allow this to happen, she searches for a way to keep her marriage, her family, and her own sanity together. Whether you're a mother, someone who has experienced cancer either in yourself or someone you love, or a medical professional, the story of these two Blood Brothers will speak to your heart and allow you to see how with faith, great triumph can come from unimaginable tragedy.

B Inspired 2 Cont;nue-Brandon Warren 2021-04-27 This book speaks about the once suicide attempt of Brandon Warren, a young man who carried a lot on his plate at a young age, but he found his way to cont;nue. Despite the doubt of Satan, Brandon found himself to not only to still be alive, surviving the deadly suicide attempt, but by the grace and mercy of God, he's now found himself considered rebirth. The book highlights not

only the importance and value of continuing, but the text ultimately is to inspire one to continue. Brandon is now a considered suicide survivor, and the message of this book will lead to inspire one to continue whatever they've now come to have doubt in, not just life or death. The text is going to inspire you to continue, rather than give up, at whatever you've now come to lack faith in. The read is totally transparent, showing that no one is perfect, but the only perfect One. This book will highlight the value of dwelling in the presence of the Perfect One, Jesus Christ, who Brandon found saved his life despite his previous sins and once losing sight of his faith. Brandon, who became a young activist after the passing of his friend, Dijon Anderson, found himself struggling to continue and hold faith in the Lord as stress and mental illness continued to build up and infelicitously attack. Because of the lethal attack of mental illness, sent by Satan, Brandon later found himself struggling to continue carrying his faith as a strong tower against Satan's wrath of a stronghold of the mind. God later gifted Brandon the prophetic visionary importance on spreading the awareness to continue, but not just continue life, but also continue against whatever Satan may deceptively tell us we can't do. The deceit of Satan causes us to sometimes quit, yet this story is to inspire you to continue.
