The Canadian Who's who- 1987  
Canadian Pulp and Paper Industry- 1972  
Pulp & Paper Magazine of Canada- 1974  
La gouvernance juridique et fiscale des organisations-ROSSIGNOL Jean-Luc 2010-04-26 La gouvernance des organisations constitue un thème majeur porté en permanence par l'actualité. La notion même d'organisation est l'un des objets déterminants sur lesquels droit et gestion se focalisent. Riche d'implications, l'approche juridique et fiscale des organisations demeure pourtant encore peu explorée. Premier ouvrage de recherche transversal et interdisciplinaire traitant de cette problématique centrale, La gouvernance juridique et fiscale des organisations propose une analyse cohérente et construite des pratiques des organisations et de leur gouvernance. En donnant une vision globale de l'organisation, cet ouvrage aide à mieux comprendre l'implication de chaque partie prenante et à mettre en place des solutions managériales de première importance. Il réunit les contributions de gestionnaires, de juristes et d'enseignants-chercheurs français et étrangers articulées autour de quatre parties : la gouvernance juridique : concept, représentation et approche, la gouvernance fiscale : objectifs, performance et responsabilité, la gouvernance juridique et fiscale des entreprises : enjeux et jeux des acteurs, la gouvernance juridique et fiscale d'autres organisations : légitimité et portée de quelques réformes en cours. La gouvernance juridique et fiscale des organisations s'adresse aux gestionnaires et juristes d'entreprises, aux professionnels des services juridiques et fiscaux des administrations mais aussi aux chercheurs et enseignants-chercheurs spécialisés dans le domaine de la gouvernance.  
Building Services- 1989-07  
Modern Hospital- 1967  
School Progress- 1971
